Resolution regarding (a) amendment of the LTIP 2021-2026 incentive program, (b) approval of transfer of treasury instruments issued in connection with the LTIP 2021-2026 incentive program and (c) exchange of outstanding stock options

The changes in allocation principles also aim to enable grants to a greater number of participants and to achieve appropriate and proportional annual allocations over the remaining duration of LTIP 2021-2026.
