(iv) each Sustainable Incremental Facility Lender and each of the other Finance Parties shall assume obligations towards one another and acquire rights against one another as that Sustainable Incremental Facility Lender and those Finance Parties would have assumed and/or acquired had the Sustainable Incremental Facility Lender been an Original Lender in respect of the Assumed Sustainable Incremental Facility Commitment; and

(v) each Sustainable Incremental Facility Lender shall become a Party as a "Lender".

8A Incremental Equivalent Debt

8A.1 Incremental Equivalent Debt

DO NOT DELETE – NEEDED FOR NUMBERING BELOW

(a) The Company may from time to time after the 2023 Effective Date, upon notice by the Company to the Agent, specifying in reasonable detail the proposed terms thereof, request to issue or incur one or more series of senior secured, senior unsecured, senior subordinated or subordinated notes or loans or any other indebtedness (which notes or loans or other indebtedness, if secured, shall be secured by Security over the Charged Property on a first lien "equal and ratable" basis over the same (or less) Transaction

Security that secures the Sustainable Facilities) and guaranteed only by Guarantors or entities who become Guarantors, and provided that such notes or loans or other indebtedness may not be in the form of a revolving facility or revolving indebtedness (such notes or loans or other indebtedness, collectively, as permitted under this Agreement, "**Incremental Equivalent Debt**") in an amount not to exceed the Incremental Equivalent Amount (at the time of incurrence) **provided that** any Incremental Equivalent Debt Incurred pursuant to this Clause 8A (*Incremental Equivalent Debt*), unless the Company elects otherwise:

(i) with respect to any Incremental Equivalent Debt raised on or before the date falling 120 days after the 2023 Effective Date as part of the syndication of the Term Loan B Facility, to reduce the Freebie Incremental Facility (and provided further that the Freebie Incremental Facility shall be reduced to zero at all times after the date falling 120 days after the 2023 Effective Date); and

(ii) with respect to any other Incremental Equivalent Debt:

(A) will count, first, to reduce the amount available under the Ratio-Based Incremental Facilities (to the extent permitted by the pro forma calculation of the applicable ratio) and second to reduce the maximum amount under the Prepayment-Based Incremental Facility;

(B) Incremental Equivalent Debt pursuant to this Clause 8A (*Incremental Equivalent Debt*) may be incurred under the Ratio-Based Incremental Facilities and the Prepayment-Based Incremental Facilities, and proceeds from any such incurrence may be utilized in a single transaction, by first calculating the incurrence under the Ratio-Based Incremental Facilities (without inclusion of any amounts utilized pursuant to the Prepayment-Based Incremental Facility) and then calculating the incurrence under the Prepayment-Based Incremental Facility; and

(C)

(1) all or any portion of Incremental Equivalent Debt originally designated as incurred under the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the relevant Term Loan B Borrower would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Incremental Equivalent Debt being so redesignated under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Prepayment-Based Incremental Facility by the Dollar Amount of such redesignated Incremental Equivalent Debt); and

(2) the Company may otherwise classify, and may later reclassify, all or any portion of Financial Indebtedness as incurred as a Prepayment-Based Incremental Facility or Ratio-Based Incremental Facility on the date of incurrence and thereafter to the extent otherwise permitted on the date of such classification (or the date of any such reclassification).

The Company may appoint any person that is not an Affiliate of a member of the Group as arranger of such Incremental Equivalent Debt (such person (who may be the Agent, if it so agrees), the "**Incremental Equivalent Debt Arranger**").

(b) As a condition precedent to the incurrence of any Incremental Equivalent Debt pursuant to this Clause 8A (*Incremental Equivalent Debt*):

(i) such Incremental Equivalent Debt shall only be incurred by the Original Borrower or Oatly Inc. and shall not be guaranteed by any person that is not a Guarantor or that does not become a Guarantor;

(ii) such Incremental Equivalent Debt shall be subject to the Intercreditor Agreement;

(iii) such Incremental Equivalent Debt shall have a final maturity no earlier than the latest of (A) the then Termination Date of any Sustainable Facility, and (B) the termination date under the Term Loan B Credit Agreement as at the 2023 Effective Date;

(iv) if the repayment profile for such Incremental Equivalent Debt is amortising and has scheduled repayment instalments falling prior to the then Termination Date for any Sustainable Facility, such amortisation shall not exceed 2.00 per cent. of the original principal amount of the relevant Incremental Equivalent Debt per annum;

(v) [reserved];

(vi) [reserved];

(vii) after giving pro forma effect to the incurrence of such Incremental Equivalent Debt, the Maximum Incremental Amount Condition shall be satisfied;

(viii) [reserved];

(ix) subject to (iii), (iv) and (vii) above with respect to final maturity, the amortization schedules, any fees payable in connection with such Incremental Equivalent Debt and all other terms of such Incremental Equivalent Debt will be as agreed between the relevant Obligor and the applicable providers of such Incremental Equivalent Debt; provided, that notwithstanding the foregoing, such Incremental Equivalent Debt shall not have covenants and events of default (excluding pricing and optional prepayment and redemption terms) that are more restrictive (as determined by the Company in good faith) when taken as a whole than the covenants and events of default applicable to the Sustainable Revolving Facility and Sustainable Incremental Facility unless such more restrictive covenants and/or events of default (x) are incorporated into this Agreement (or any other applicable Finance Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further amendment requirements (which amendment may be effected by the Company and the Agent) or (y) are applicable only to periods after the Termination Date of the Sustainable Revolving Facility and Sustainable Incremental Facility provided further that to the extent that any Incremental Equivalent Debt has the benefit of a financial covenant that is tested prior to the Termination Date of the Sustainable Revolving Facility and Sustainable Incremental Facility, such financial covenant shall be incorporated into this Agreement (or any other applicable Finance Document) for the benefit of all existing Lenders without further amendment requirements. Subject to the foregoing, the conditions precedent to each such incurrence shall be agreed to by the applicable creditors providing such Incremental Equivalent Debt and the relevant Obligor; and

(x) notwithstanding the foregoing, in the case of any Incremental Equivalent Debt established using the Freebie Incremental Facility, (i) such Incremental Equivalent Debt shall not be arranged or provided (whether at the initial funding or syndication thereof) by any Affiliate of the Original Borrower or any Material Equityholder, (ii) such Incremental Equivalent Debt shall be implemented by way of an increase to the Term Loan B Facility and the applicable Incremental Equivalent Debt shall be the same tranche as the Term Loan B Facility, (iii) except as specified in clause (iv), the applicable Incremental Equiavlent Debt shall have identical terms as the Term Loan B Facility and (iv) the All-in Yield (as defined in the Term Loan B Facility Agreement (in its original form as at the 2023 Effective Date)) payable by the Term Loan B Borrowers applicable to such Incremental Equivalent Debt shall be determined by the Original Borrower and the lenders providing such Incremental Equivalent Debt, and shall not be higher than the corresponding All-in Yield payable by the Term Loan B Borrowers for the Term Loan B Facility, unless the All-in Yield with respect to the Term Loan B Facility are increased to the amount necessary so that there is no difference between All-in Yield with respect to such Incremental Equivalent Debt and the corresponding All-in Yield on the Term Loan B Facility.

(c) The Lenders hereby authorize the Agent and the Incremental Equivalent Debt Arranger (and the Lenders hereby authorize the Agent and the Incremental Equivalent Debt Arranger to execute and deliver such amendments) to enter into amendments to this Agreement and the other Finance Documents with the relevant Obligors as may be necessary, desirable or appropriate in order to secure any Incremental Equivalent Debt with the Transaction Security and/or to make such technical amendments as may be necessary, desirable or appropriate in the reasonable opinion of the Incremental Equivalent Debt Arranger and the Original Borrower in connection with the incurrence of such Incremental Equivalent Debt, in each case on terms consistent with this Clause 8A (*Incremental Equivalent Debt*). If the Incremental Equivalent Debt Arranger is not the Agent, the actions authorized to be taken by the Incremental Equivalent Debt Arranger herein shall be done with the consent of the Agent (not to be unreasonably withheld) and, with respect to applicable documentation (including amendments to this Agreement and the other Finance Documents), any comments to such documentation reasonably requested by the Agent shall be reflected therein.

Section 4
Repayment, Prepayment and Cancellation

9. Repayment

9.1 Repayment of Loans

(a) Each Borrower which has drawn a Sustainable Revolving Facility Loan shall repay that Loan on the last day of its Interest Period.

(b) Without prejudice to each Borrower's obligation under paragraph (a) above, if:

(i) one or more Sustainable Revolving Facility Loans are to be made available to a Borrower:

(A) on the same day that a maturing Sustainable Revolving Facility Loan is due to be repaid by that Borrower;

(B) in the same currency as the maturing Sustainable Revolving Facility Loan (unless it arose as a result of the operation of Clause 6.2 (*Unavailability of a Currency*)); and

(C) in whole or in part for the purpose of refinancing the maturing Sustainable Revolving Facility Loan; and

(ii) the proportion borne by each Lender's participation in the maturing Sustainable Revolving Facility Loan to the amount of that maturing Sustainable Revolving Facility Loan is the same as the proportion borne by that Lender's participation in the new Sustainable Revolving Facility Loans to the aggregate amount of those new Sustainable Revolving Facility Loans,

the aggregate amount of the new Sustainable Revolving Facility Loans shall, unless the Company notifies the Agent to the contrary in the relevant Utilisation Request, be treated as if applied in or towards repayment of the maturing Sustainable Revolving Facility Loan so that:

(A) if the amount of the maturing Sustainable Revolving Facility Loan exceeds the aggregate amount of the new Sustainable Revolving Facility Loans:

(1) the relevant Borrower will only be required to make a payment under Clause 31.1 (*Payments to the Agent*) in an amount in the relevant currency equal to that excess; and

(2) each Lender's participation in the new Sustainable Revolving Facility Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation in the maturing Sustainable Revolving Facility Loan and that Lender will not be required to make a payment under Clause 31.1 (*Payments to the Agent*) in respect of its participation in the new Sustainable Revolving Facility Loans; and

(B) if the amount of the maturing Sustainable Revolving Facility Loan is equal to or less than the aggregate amount of the new Loans:

(1) the relevant Borrower will not be required to make a payment under Clause 31.1 (*Payments to the Agent*); and

(2) each Lender will be required to make a payment under Clause 31.1 (*Payments to the Agent*) in respect of its participation in the new Sustainable Revolving Facility Loans only to the extent that its participation in the new Sustainable Revolving Facility Loans exceeds that Lender's participation in the maturing Sustainable Revolving Facility Loan and the remainder of that Lender's participation in the new Sustainable Revolving Facility Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation in the maturing Sustainable Revolving Facility Loan.

(c) At any time when a Lender becomes a Defaulting Lender, the maturity date of each of the participations of that Lender in Loans then outstanding will be automatically extended to the Termination Date applicable to that Sustainable Facility and will be treated as separate Loans (the "**Separate Loans**") denominated in the currency in which the relevant participations are outstanding.

(d) If the Borrower makes a prepayment of a Loan pursuant to Clause 10.5 (*Voluntary Prepayment of Loans*), a Borrower to whom a Separate Loan is outstanding may prepay that Loan by giving not less than five Business Days' prior notice to the Agent. The proportion borne by the amount of the prepayment of the Separate Loan to the amount of the Separate Loans shall not exceed the proportion borne by the amount of the prepayment of the Loan to the Loans. The Agent will forward a copy of a prepayment notice received in accordance with this paragraph (d) to the Defaulting Lender concerned as soon as practicable on receipt.

(e) Interest in respect of a Separate Loan will accrue for successive Interest Periods selected by the Borrower by the time and date specified by the Agent (acting reasonably) and will be payable by that Borrower to the Agent (for the account of that Defaulting Lender) on the last day of each Interest Period of that Loan.

(f) The terms of this Agreement relating to Loans generally shall continue to apply to Separate Loans other than to the extent inconsistent with paragraphs (c) to (e) above, in which case those paragraphs shall prevail in respect of any Separate Loan.

(g) The Borrowers under a Sustainable Incremental Facility shall repay the Sustainable Incremental Facility Loans under that Sustainable Incremental Facility in accordance with the repayment terms set out in the Sustainable Incremental Facility Notice relating to that Sustainable Incremental Facility.

9.2 Extension Option

(a) The Company may request that the Termination Date in respect of any Sustainable Facility be extended to the date falling one (1) calendar year after the Termination Date subject to the terms of this Clause 9.2 (the "**Extension Request**") by giving notice to the Agent not less than 45 days (and not more than 90 days) prior to the date falling two (2) years and six (6) Months after the 2023 Effective Date (the "**Extension Option**").

(b) The Extension Request shall be irrevocable and the Agent shall promptly notify each Lender upon receipt of the Extension Request.

(c) Each Lender participating in the relevant Sustainable Facility shall notify the Agent of its decision (which shall be in its sole discretion) whether or not to agree to the Extension Request by no later than the date falling 25 days prior to the date falling two (2) years and six (6) Months after the 2023 Effective Date (the "**Response Date**") (and,

if any Lender has not notified the Agent of its acceptance of the Extension Request on or before such date, it shall be deemed to have refused the Extension Request) and the Agent shall promptly notify the Company whether or not each Lender participating in the relevant Sustainable Facility has agreed to the Extension Request.

(d) Promptly, and in any event, within ten (10) Business Days, following receipt of notification from the Agent pursuant to paragraph (c) above, the Company may elect by notice to the Agent to accept the extension offered by all the relevant Lender(s) (each an "**Extending Lender**"), in which case the Termination Date applicable to the relevant Sustainable Facility shall be extended in relation to the Commitments and participations of such Extending Lender(s) to the date falling four (4) years and six (6) Months after the 2023 Effective Date.

9.3 Non-Extending Lenders

(a) If an extension is not agreed between the Company and any Lender pursuant to Clause 9.2 (*Extension Option*) (in its own discretion) (each such Lender being a "**Non-Extending Lender**"), the Agent shall offer the Non-Extending Lender's Commitment and its participation in the Loans to each Extending Lender by 5.00 p.m. on the date falling two (2) Business Days after the relevant Response Date (the "**Assumption Offer Date**") and such offer shall be made to each Extending Lender on a pro rata basis (based on the existing Commitments of the relevant Extending Lenders immediately prior to the relevant Extension Request). Each relevant Extending Lender shall inform the Agent by 3.00 p.m. on the date falling ten Business Day after the Assumption Offer Date (the "**Non-Extending Lender Response Date**") if it wishes (in its own discretion) to assume all or part of its pro rata portion of the Non-Extending Lender's Commitment and its participation in the Loans and:

(i) any Non-Extending Lender shall (to the extent permitted by law), within 10 days of the Non-Extending Lender Response Date, transfer pursuant to Clause 26 (*Changes to the Lenders*) the pro rata portion of its rights and obligations under this Agreement to an Extending Lender which confirms its willingness to assume and does assume all the obligations of the Non-Extending Lender in accordance with Clause 26 (*Changes to the Lenders*) for a purchase price in cash payable at the time of the transfer in an amount equal to the outstanding principal amount of such Non-Extending Lender's participation in the outstanding Loans and all accrued interest (to the extent that the Agent has not given a notification under Clause 26.12 (*Pro rata interest settlement*)), Break Costs (if any) and other amounts payable in relation thereto under the Finance Documents; and

(ii) the Termination Date applicable to the relevant Sustainable Facility shall be the Termination Date applicable to such Sustainable Facility prior to the exercise of any Extension Option with respect of any portion of the Non-Extending Lender's Commitment and its participation in the Loans which shall not be transferred to an Extending Lender.

(b) The Agent shall as soon as practicable notify the Company of the responses from the Extending Lenders and (if any) the amount of the Non-Extending Lender's Commitment and its participation in the Loans which shall not been transferred to an Extending Lender.

(c) Notwithstanding any other provision in this Agreement:

(i) no request for a further extension shall extend the Termination Date relevant beyond the date falling four (4) years and six (6) Months after the 2023 Effective Date; and

(ii) the Lenders will only be obliged to comply with the provisions of Clauses 9.2 to 9.3 if on the date of the relevant Extension Request and on the date the relevant Extension Request takes effect no Event of Default is continuing.

(d) If any Lender does not agree to the relevant Extension Request and is not required to transfer its rights and obligations pursuant to paragraph (a)(i) above, its participation in any outstanding Loan shall be repaid in accordance with Clause 9.1 (*Repayment of Loans*).

(e) If any extension is agreed in accordance with Clause 9.2 to 9.3, the Company shall pay to the Agent (for the account of the relevant Lender) a fee in respect of each year by which the Termination Date is extended of 0.25 per cent. flat on the amount of Commitment of each Lender whose Commitment is extended or who has assumed a Non-Extending Lender's Commitment and participation in the outstanding Loans in accordance with paragraph (a)(i) above. That fee shall be payable on the fifth Business Day after the Company notifies the Agent in accordance with paragraph (d) of Clause 9.2.

10. Prepayment and Cancellation

10.1 Illegality

If, in any applicable jurisdiction, it becomes unlawful for any Lender to perform any of its obligations as contemplated by this Agreement or to fund or maintain its participation in any Loan or it becomes unlawful for any Affiliate of a Lender for that Lender to do so:

(a) that Lender shall promptly notify the Agent upon becoming aware of that event;

(b) upon the Agent notifying the Company, the Available Commitment of that Lender will be immediately cancelled; and

(c) to the extent that the Lender's participation has not been transferred pursuant to paragraph (d) of Clause 10.6 (*Right of Replacement or Repayment and Cancellation in Relation to a Single Lender*), each Borrower shall repay that Lender's participation in the Loans made to that Borrower on the last day of the Interest Period for each Loan occurring after the Agent has notified the Company or, if earlier, the date specified by the Lender in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by law) and that Lender's corresponding Commitment shall be immediately cancelled in the amount of the participations repaid.

10.2 Sanctions and anti-corruption

If (i) any member of the Group is or becomes a Restricted Party or violates any applicable Sanctions which, in each case, is reasonably likely to result in that a Lender (or any of its Affiliates) violates any applicable Sanctions or becomes a Restricted Party, (ii) the use of the proceeds from a Loan being reasonably likely to cause the Lender (or any of its Affiliates) to violate any applicable Sanctions or become a Restricted Party, (iii) any member of the Group does not comply with any undertaking in Clause 24.12 (*Anti-corruption law*), or (iv) any representation pursuant to Clause 21.14 (*Anti-corruption law*) made or deemed to be made by any member of the Group is or proves to have been incorrect or misleading when made or deemed to be made, then:

(a) that Lender may (in its sole discretion) promptly notify the Agent upon becoming aware of that event;

(b) that Lender shall not be obliged to fund a Utilisation and upon the Agent notifying the Company, each Available Commitment of that Lender will be immediately cancelled; and

(c) to the extent that the Lender's participation has not been transferred pursuant to Clause 37.6 (*Replacement of Lender*) and as permitted by applicable law (including Sanctions), each Borrower shall repay that Lender's participation in the Loans made to that Borrower on the last day of the Interest Period for each Loan occurring after the Agent has notified the Company or, if earlier, the date specified by the Lender in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by law) and that Lender's corresponding Commitment(s) shall be cancelled in the amount of the participations repaid.

Any provision of this Clause 10.2 shall not apply to or in favour of any person if and to the extent it would result in a breach, by or in respect of that person, of any applicable Blocking Law.

10.3 Change of Control and delisting

(a) If at any time:

(i) any person or group of persons acting in concert gains direct or indirect control of the Company;

(ii) the Company ceases to be listed on The Nasdaq Global Select Market or any successor thereto;

(iii) the Company ceases to hold directly 100% of the shares in CEBA (excluding, for the purpose of the foregoing, the two (2) ordinary shares in CEBA held by individuals); or

(iv) CEBA ceases to hold directly 100% of the shares in the Original Borrower,

then:

(A) the Company shall promptly notify the Agent upon becoming aware of that event;

(B) a Lender shall not be obliged to fund a Utilisation (except for a Rollover Loan); and

(C) if a Lender so requires and notifies the Agent within 30 days of the Company notifying the Agent of the event, the Agent shall, by not less than 30 days' notice to the Company, cancel the Available Commitment of that Lender and declare the participation of that Lender in all Loans, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents immediately due and payable, whereupon such Available Commitments will be immediately cancelled, the Commitment of that Lender shall immediately cease to be available for further utilisation and all such Loans, accrued interest and other amounts shall become immediately due and payable.

(b) For the purpose of paragraph (a) above "**control**" means:

(i) the power (whether by way of ownership of shares, proxy, contract, agency or otherwise) to:

(A) cast, or control the casting of, more than one-half of the maximum number of votes that might be cast at a general meeting of the Company;

(B) appoint or remove all, or the majority, of the directors or other equivalent officers of the Company; or

(C) give directions with respect to the operating and financial policies of the Company with which the directors or other equivalent officers of the Company are obliged to comply; or

(ii) the holding beneficially of more than 50 per cent. of the issued share capital of the Company (excluding any part of that issued share capital that carries no right to participate beyond a specified amount in a distribution of either profits or capital).

(c) For the purpose of paragraph (a) above "**acting in concert**" means, a group of persons who, pursuant to an agreement or understanding (whether formal or informal) actively co-operate, through the acquisition directly or indirectly of shares in the Company by any of them, either directly or indirectly, to obtain or consolidate control of the Company.

10.4 Voluntary Cancellation

The Company may, if it gives the Agent not less than five Business Days' (or such shorter period as the Majority Lenders may agree) prior notice, cancel the whole or any part (being a minimum amount of SEK 50,000,000 (or its equivalent in other currencies)) of the Available Facility. Any cancellation under this Clause 10.4 shall reduce the Commitments of the Lenders rateably.

10.5 Voluntary Prepayment of Loans

(a) Subject to paragraph (b) below, the Borrower to which a Loan has been made may, if it gives the Agent not less than:

(i) in the case of a Term Rate Loan, five Business Days' (or such shorter period as the Majority Lenders may agree) prior notice; or

(ii) in the case of a Compounded Rate Loan five RFR Banking Days' (or such shorter period as the Majority Lenders may agree) prior notice,

prepay the whole or any part of a Loan (but if in part, being an amount that reduces the Base Currency Amount of the Loan by a minimum amount of SEK 50,000,000 (or its equivalent in other currencies)).

(b) A Borrower shall not be permitted to prepay any Compounded Rate Loan under paragraph (a) above, if such prepayment would result in more than three Compounded Rate Loans having been prepaid (whether in whole or in part) within a period of 12 Months.

10.6 Right of Replacement or Repayment and Cancellation in Relation to a Single Lender

(a) If:

(i) any sum payable to any Lender by an Obligor is required to be increased under paragraph (c) of Clause 15.2 (*Tax Gross-Up*); or

(ii) any Lender claims indemnification from the Company under Clause 15.3 (*Tax Indemnity*) or Clause 16.1 (*Increased Costs*),

the Company may, whilst the circumstance giving rise to the requirement for that increase or indemnification continues, give the Agent notice of cancellation of the Commitment of that Lender and its intention to procure the repayment of that Lender's participation in the Loans or give the Agent notice of its intention to replace that Lender in accordance with paragraph (d) below.

(b) On receipt of a notice of cancellation referred to in paragraph (a) above, the Available Commitment of that Lender shall be immediately reduced to zero.

(c) On the last day of each Interest Period which ends after the Company has given notice of cancellation under paragraph (a) above (or, if earlier, the date specified by the Company in that notice), each Borrower to which a Loan is outstanding shall repay that Lender's participation in that Loan and that Lender's corresponding Commitment shall be immediately cancelled in the amount of the participations repaid.

(d) If:

(i) any of the circumstances set out in paragraph (a) above apply to a Lender; or

(ii) an Obligor becomes obliged to pay any amount in accordance with Clause 10.1 (*Illegality*) to any Lender,

the Company may on five Business Days' prior notice to the Agent and that Lender, replace that Lender by requiring that Lender to (and, to the extent permitted by law, that Lender shall) transfer pursuant to Clause 26 (*Changes to the Lenders*) all (and not part only) of its rights and obligations under this Agreement to an Eligible Institution which confirms its willingness to assume and does assume all the obligations of the transferring Lender in accordance with Clause 26 (*Changes to the Lenders*) for a purchase price in cash payable at the time of the transfer in an amount equal to the outstanding principal amount of such Lender's participation in the outstanding Loans and all accrued interest (to the extent that the Agent has not given a notification under Clause 26.12 (*Pro Rata Interest Settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents.

(e) The replacement of a Lender pursuant to paragraph (d) above shall be subject to the following conditions:

(i) the Company shall have no right to replace the Agent;

(ii) neither the Agent nor any Lender shall have any obligation to find a replacement Lender;

(iii) in no event shall the Lender replaced under paragraph (d) above be required to pay or surrender any of the fees received by such Lender pursuant to the Finance Documents; and

(iv) the Lender shall only be obliged to transfer its rights and obligations pursuant to paragraph (d) above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to that transfer.

(f) A Lender shall perform the checks described in paragraph (e)(iv) above as soon as reasonably practicable following delivery of a notice referred to in paragraph (d) above and shall notify the Agent and the Company when it is satisfied that it has complied with those checks.

10.7 Right of cancellation in relation to a Defaulting Lender

(a) If any Lender becomes a Defaulting Lender, the Company may, at any time whilst the Lender continues to be a Defaulting Lender, give the Agent five Business Days' notice of cancellation of each Available Commitment of that Lender.

(b) On the notice referred to in paragraph (a) above becoming effective, each Available Commitment of the Defaulting Lender shall be immediately reduced to zero.

(c) The Agent shall as soon as practicable after receipt of a notice referred to in paragraph (a) above, notify all the Lenders.

10.8 Restrictions

(a) Any notice of cancellation or prepayment given by any Party under this Clause 10 shall be irrevocable and, unless a contrary indication appears in this Agreement, shall specify the date or dates upon which the relevant cancellation or prepayment is to be made and the amount of that cancellation or prepayment.

(b) Any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

(c) Unless a contrary indication appears in this Agreement, any part of the Sustainable Revolving Facility which is prepaid or repaid may be reborrowed in accordance with the terms of this Agreement.

(d) The Borrowers shall not repay or prepay all or any part of the Loans or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.

(e) Subject to Clause 2.3 (*Increase*), no amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.

(f) If the Agent receives a notice under this Clause 10 it shall promptly forward a copy of that notice to either the Company or the affected Lender, as appropriate.

(g) If all or part of any Lender's participation in a Loan under a Sustainable Revolving Facility is repaid or prepaid and is not available for redrawing (other than by operation of Clause 4.2 (*Further Conditions Precedent*)), an amount of that Lender's Commitment (equal to the Base Currency Amount of the amount of the participation which is repaid or prepaid) in respect of that Sustainable Revolving Facility will be deemed to be cancelled on the date of repayment or prepayment.

10.9 Application of Prepayments

Any prepayment of a Loan pursuant to Clause 10.5 (*Voluntary Prepayment of Loans*) shall be applied pro rata to each Lender's participation in that Loan.

Section 5
Costs of Utilisations

11. Interest

11.1 Calculation of Interest – Term Rate Loans

The rate of interest on each Term Rate Loan for an Interest Period is the percentage rate per annum which is the aggregate of the applicable:

(a) Margin; and

(b) Term Reference Rate.

11.2 Calculation of Interest – Compounded Rate Loans

(a) The rate of interest on each Compounded Rate Loan for any day during an Interest Period is the percentage rate per annum which is the aggregate of the applicable:

(i) Margin; and

(ii) Compounded Reference Rate for that day.

(b) If any day during an Interest Period for a Compounded Rate Loan is not an RFR Banking Day, the rate of interest on that Compounded Rate Loan for that day will be the rate applicable to the immediately preceding RFR Banking Day.

11.3 Sustainability adjustments

(a) With effect from (and including) any Sustainability Effective Date, up to (but excluding) the following Sustainability Effective Date, and subject to paragraphs (c) and (d) below, the Margin shall be adjusted (or not, as the case may be), according to the number of Target Values for each Sustainability Indicator achieved by the Group for the relevant financial year (as set out in the Sustainability Compliance Certificate for that financial year) (the "**Relevant Financial Year**") as follows:

(i) if all four Target Values for the Relevant Financial Year are achieved, the Margin shall be reduced by 0.1 percentage points;

(ii) if three of the Target Values for the Relevant Financial Year are achieved, the Margin shall be reduced by 0.05 percentage points;

(iii) if two of the Target Values for the Relevant Financial Year are achieved, the Margin shall remain unchanged;

(iv) if one of the Target Values for the Relevant Financial Year is achieved, the Margin shall be increased by 0.05 percentage points; and

(v) if none of the Target Values for the Relevant Financial Year is achieved, the Margin shall be increased by 0.1 percentage points.

(b) For the avoidance of doubt, there shall be no limit on the number of levels that the Margin can increase or decrease on each Sustainability Effective Date.

(c) If the Company fails to deliver to the Agent a Sustainability Compliance Certificate in accordance with paragraph (a) of Clause 22.3 (*Sustainability Compliance Certificate*), the Realised Value for each Sustainability Indicator in respect of the financial year in relation to which the Company has failed to deliver such Sustainability Compliance

Certificate shall be deemed to be zero and the Margin shall be increased in accordance with paragraph (a)(iv) above.

(d) If any member of the Group sells, leases, transfers or otherwise disposes of an asset, or completes an acquisition, which in each case, in the opinion of the Company (acting reasonably and in good faith), is likely to affect any of the Target Values for a financial year, the Company shall promptly notify the Agent, and the Company and the Agent (acting on the instructions of the Lenders) shall negotiate in good faith to make such adjustments to any of the Target Values for that financial year as the Company and the Agent (acting on the instructions of the Majority Lenders), consider appropriate.

(e) If at any time the Target Values for each Sustainability Indicator to be achieved by the Group in a Relevant Financial Year:

(i) are no longer available,

(ii) cannot be calculated; or

(iii) are determined to no longer be appropriate,

in each case, such determination been made (reasonably and in good faith) by the Company or the Agent (acting on the instructions of the Majority Lenders) upon notice to the other Party, (the date of such notice being, the "**Target Value Disruption Notification Date**"), as soon as practicable from the Target Value Disruption Notification Date, the Company and the Agent (acting on the instructions of the Majority Lenders), shall enter into negotiations in good faith with a view to agreeing such amendments to the Target Values for each Sustainability Indicator to be achieved by the Group in a Relevant Financial Year, as are considered necessary to give the Lenders substantially equivalent protection, or the Group substantially equivalent benefits, to that contemplated at date of the 2023 Amendment and Restatement Agreement, provided that where such amendments to the Target Values are not agreed by such persons and implemented within three Months of the Target Value Disruption Notification Date (or such other period as agreed between the Company and the Agent (acting on the instructions of the Majority Lenders)) the terms of this Clause 11.3 shall cease to have effect from the date of the expiry of that period.

11.4 Margin premium for Loans and Unpaid Sums in USD and GBP

Without prejudice to any other provisions of this Agreement, the Margin applicable to any Loan or Unpaid Sum shall be increased by 0.15 percentage points for any such Loan or Unpaid Sum which is denominated in USD or GBP.

11.5 Payment of Interest

(a) The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period.

(b) If the Compliance Certificate received by the Agent which relates to the relevant Annual Report shows that a higher Margin should have applied during a certain period, then the Company shall (or shall ensure the relevant Borrower shall) promptly pay to the Agent any amounts necessary to put the Agent and the Lenders in the position they would have been in had the appropriate rate of the Margin applied during such period (with no compensation to entities who are no longer Lenders when the payment should be made).

(c) If the Compliance Certificate received by the Agent which relates to the relevant Annual Report shows that a lower Margin should have applied during a certain period, the next payments of interest falling due on the relevant Utilisations shall be reduced

to the extent necessary to put the Obligors in the position they would have been in if the Margin had been reduced for that period (no reduction should be made in relation to Lenders who were not Lenders when the lower Margin should have applied).

11.6 Default Interest

(a) If an Obligor fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 1.00 per cent. per annum higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 11.6 shall be immediately payable by the Obligor on demand by the Agent.

(b) If any overdue amount consists of all or part of a Term Rate Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:

(i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and

(ii) the rate of interest applying to the overdue amount during that first Interest Period shall be 1.00 per cent. per annum higher than the rate which would have applied if the overdue amount had not become due.

(c) Default interest (if unpaid) arising on an overdue amount will be compounded with the overdue amount at the end of each Interest Period applicable to that overdue amount but will remain immediately due and payable.

11.7 Notifications

(a) The Agent shall promptly notify the relevant Lenders and the relevant Borrower of the determination of a rate of interest under this Agreement relating to a Term Rate Loan.

(b) The Agent shall promptly upon a Compounded Rate Interest Payment being determinable notify:

(i) the relevant Borrower of that Compounded Rate Interest Payment;

(ii) each relevant Lender of the proportion of that Compounded Rate Interest Payment which relates to that Lender's participation in the relevant Compounded Rate Loan; and

(iii) the relevant Lenders and the relevant Borrower of:

(A) each applicable rate of interest relating to the determination of that Compounded Rate Interest Payment; and

(B) to the extent it is then determinable, the Market Disruption Rate (if any) relating to the relevant Compounded Rate Loan.

This paragraph (b) shall not apply to any Compounded Rate Interest Payment determined pursuant to Clause 13.4 (*Cost of funds*).

(c) The Agent shall promptly notify the relevant Borrower of each Funding Rate relating to a Loan.

(d) The Agent shall promptly notify the relevant Lenders and the relevant Borrower of the determination of a rate of interest relating to a Compounded Rate Loan to which Clause 13.4 (*Cost of funds*) applies.

(e) This Clause 11.7 shall not require the Agent to make any notification to any Party on a day which is not a Business Day.

12. Interest Periods

12.1 Selection of Interest Periods

(a) A Borrower (or the Company on behalf of a Borrower) may select an Interest Period for a Loan in the Utilisation Request for that Loan.

(b) Subject to this Clause 12, a Borrower (or the Company) may select an Interest Period of any period specified in the applicable Reference Rate Terms or any other period agreed between the Company, the Agent and all the Lenders in relation to the relevant Loan.

(c) An Interest Period for a Loan shall not extend beyond the Termination Date applicable to its Sustainable Facility.

(d) Each Interest Period for a Loan shall start on the Utilisation Date.

(e) No Interest Period shall be longer than six Months.

(f) A Loan has one Interest Period only.

(g) The length of an Interest Period of a Term Rate Loan shall not be affected by that Term Rate Loan becoming a "Compounded Rate Loan" for that Interest Period pursuant to Clause 13.1 (*Interest calculation if no Primary Term Rate*).

12.2 Non-Business Days

Any rules specified as "Business Day Conventions" in the applicable Reference Rate Terms for a Loan or Unpaid Sum shall apply to each Interest Period for that Loan or Unpaid Sum.

13. Changes to the Calculation of Interest

13.1 Interest calculation if no Primary Term Rate

(a) Interpolated Primary Term Rate

If no Primary Term Rate is available for the Interest Period of a Term Rate Loan, the applicable Term Reference Rate shall be the Interpolated Primary Term Rate for a period equal in length to the Interest Period of that Loan.

(b) Alternative Term Rate

If paragraph (a) above applies but it is not possible to calculate the Interpolated Primary Term Rate, the applicable Term Reference Rate shall be the aggregate of:

(i) the Alternative Term Rate as of the Quotation Time for a period equal in length to the Interest Period of that Loan; and

(ii) any applicable Alternative Term Rate Adjustment.

(c) Interpolated Alternative Term Rate

If paragraph (b) above applies but no Alternative Term Rate is available for the Interest Period of that Loan, the applicable Term Reference Rate shall be the aggregate of:

(i) the Interpolated Alternative Term Rate for a period equal in length to the Interest Period of that Loan; and

(ii) any applicable Alternative Term Rate Adjustment.

(d) Compounded Reference Rate or cost of funds

If paragraph (c) above applies but it is not possible to calculate the Interpolated Alternative Term Rate then:

(i) if "***Compounded Reference Rate will apply as a fallback***" is specified in the Reference Rate Terms for that Loan and there are Reference Rate Terms applicable to Compounded Rate Loans in the relevant currency:

(A) there shall be no Term Reference Rate for that Loan for that Interest Period and Clause 11.1 (*Calculation of Interest – Term Rate Loans*) will not apply to that Loan for that Interest Period; and

(B) that Loan shall be a "Compounded Rate Loan" for that Interest Period and Clause 11.2 (*Calculation of Interest – Compounded Rate Loans*) shall apply to that Loan for that Interest Period; and

(ii) if:

(A) "Compounded Reference Rate will not apply as a fallback" and

(B) "Cost of funds will apply as a fallback",

are specified in the Reference Rate Terms for that Loan, Clause 13.4 (*Cost of funds*) shall apply to that Loan for that Interest Period.

13.2 Interest calculation if no RFR or Central Bank Rate

If:

(a) there is no applicable RFR or Central Bank Rate for the purposes of calculating the Daily Non-Cumulative Compounded RFR Rate for an RFR Banking Day during an Interest Period for a Compounded Rate Loan; and

(b) "***Cost of funds will apply as a fallback***" is specified in the Reference Rate Terms for that Loan,

Clause 13.4 (*Cost of funds*) shall apply to that Loan for that Interest Period.

13.3 Market disruption

If:

(a) a Market Disruption Rate is specified in the Reference Rate Terms for a Loan; and

(b) before the Reporting Time for that Loan the Agent receives notifications from a Lender or Lenders (whose participations in that Loan exceed 35 per cent. of that Loan) that its cost of funds relating to its participation in that Loan would be in excess of that Market Disruption Rate,

then Clause 13.4 (*Cost of funds*) shall apply to that Loan for the relevant Interest Period.

13.4 Cost of funds

(a) If this Clause 13.4 applies to a Loan for an Interest Period neither Clause 11.1 (*Calculation of Interest – Term Rate Loans*) nor Clause 11.2 (*Calculation of Interest – Compounded Rate Loans*) shall apply to that Loan for that Interest Period and the rate of interest on each Lender's share of that Loan for that Interest Period shall be the percentage rate per annum which is the sum of:

(i) the applicable Margin; and

(ii) the rate notified to the Agent by that Lender as soon as practicable and in any event by the Reporting Time for that Loan, to be that which expresses as a percentage rate per annum its cost of funds relating to its participation in that Loan.

(b) If this Clause 13.4 applies and the Agent or the Company so requires, the Agent and the Company shall enter into negotiations (for a period of not more than thirty days) with a view to agreeing a substitute basis for determining the rate of interest.

(c) Any alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of all the Lenders and the Company, be binding on all Parties.

(d) If this Clause 13.4 applies pursuant to Clause 13.3 (*Market disruption*) and:

(i) a Lender's Funding Rate is less than the relevant Market Disruption Rate; or

(ii) a Lender does not notify a rate to the Agent by the relevant Reporting Time,

(e) that Lender's cost of funds relating to its participation in that Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be the Market Disruption Rate for that Loan.

(f) If this Clause 13.4 applies the Agent shall, as soon as is practicable, notify the Company.

13.5 Break Costs

(a) If an amount is specified as Break Costs in the Reference Rate Terms for a Loan or Unpaid Sum, each Borrower shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs (if any) attributable to all or any part of that Loan or Unpaid Sum being paid by that Borrower on a day prior to the last day of an Interest Period for that Loan or Unpaid Sum.

(b) Each Lender shall, as soon as reasonably practicable after a demand by the Agent, provide a certificate confirming the amount of its Break Costs for any Interest Period in respect of which they become, or may become, payable.

14. Fees

14.1 Commitment Fee

(a) The Company shall pay to the Agent (for the account of each Lender) a fee in the Base Currency computed at the rate of 35 per cent. per annum of the applicable Margin (excluding, for the avoidance of doubt, any increase pursuant to Clause 11.4 (*Margin premium for Loans and Unpaid Sums in USD and GBP*)) on that Lender's Available Commitment under the Sustainable Revolving Facility for the period from the 2023 Effective Date to and including the date falling one Month prior to the Termination Date in relation to the Sustainable Revolving Facility.

(b) The accrued commitment fee is payable on the last day of each successive period of three Months which ends during the Availability Period, on the last day of the Availability Period and, if cancelled in full, on the cancelled amount of the relevant Lender's Commitment at the time the cancellation is effective.

(c) No commitment fee is payable to the Agent (for the account of a Lender) on any Available Commitment of that Lender for any day on which that Lender is a Defaulting Lender.

14.2 Arrangement Fee

The Company shall pay to the Agent (for the account of the Arrangers) an arrangement fee in the amount and at the times agreed in a Fee Letter.

14.3 Upfront Fee

The Company shall pay to the Agent (for the account of the Original Lenders) an upfront fee in the amount and at the times agreed in a Fee Letter.

14.4 Agency Fee

The Company shall pay to the Agent (for its own account) and to the Security Agent (for its own account) a combined facility agency and security agency fee, in the amount and at the times agreed in a Fee Letter.

14.5 Interest, commission and fees on Ancillary Facilities

The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall, subject to the terms of this Agreement, be determined by agreement between the relevant Ancillary Lender and the Borrower of that Ancillary Facility and be based upon market standard commercial terms prevailing at that time.

14.6 No deal, no fee

No fees, commissions, costs or expenses (unless otherwise agreed pursuant to the relevant Finance Document, and other than any reasonably incurred external legal fees (including any applicable VAT) subject to any fee cap and/or estimate approved by the Company in advance) will be payable unless the 2023 Effective Date occurs.

Section 6
Additional Payment Obligations

15. Tax Gross-Up and Indemnities

15.1 Definitions

In this Agreement:

"**Protected Party**" means a Finance Party which is or will be subject to any liability or required to make any payment for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

"**Tax Credit**" means a credit against, relief or remission for, or repayment of, any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

"**Tax Payment**" means either the increase in a payment made by an Obligor to a Finance Party under Clause 15.2 (*Tax Gross-Up*) or a payment under Clause 15.3 (*Tax indemnity*).

Unless a contrary indication appears, in this Clause 15 a reference to "determines" or "determined" means a determination made in the absolute discretion of the person making the determination.

15.2 Tax Gross-Up

(a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Company shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Company and that Obligor.

(c) If a Tax Deduction is required by law to be made by or on behalf of an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

15.3 Tax Indemnity

(a) The Company shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.

(b) Paragraph (a) above shall not apply:

(i) with respect to any Tax assessed on a Finance Party:

(A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or

(B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

(ii) if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or

(iii) to the extent a loss, liability or cost:

(A) is compensated for by an increased payment under Clause 15.2 (*Tax Gross-Up*); or

(B) relates to a FATCA Deduction required to be made by a Party.

(c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Company.

(d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 15.3 notify the Agent.

15.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

(a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

(b) that Finance Party has obtained and utilised that Tax Credit,

(c) the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

15.5 Stamp taxes

The Original Borrower shall pay and, within five Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document, other than in respect of any stamp duty, registration or other similar Taxes payable in respect of an assignment or transfer by a Lender of any of its rights or obligations under a Finance Document.

15.6 VAT

(a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply and, accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority

for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).

(b) If VAT is or becomes chargeable on any supply made by any Finance Party (the "**Supplier**") to any other Finance Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority

(d) Any reference in this Clause 15.6 to any Party shall, at any time when such Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be).

(e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

15.7 FATCA Information

(a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:

(i) confirm to that other Party whether it is:

(A) a FATCA Exempt Party; or

(B) not a FATCA Exempt Party;

(ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and

(iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

(b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(c) Paragraph (a) above shall not oblige any Finance Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

(i) any law or regulation;

(ii) any fiduciary duty; or

(iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (a)(ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

15.8 FATCA Deduction

(a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

(b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Original Borrower and the Agent and the Agent shall notify the other Finance Parties.

15.9 Other US Tax Information

Each Finance Party shall, as soon as reasonably practicable upon written request by a US Obligor in the event that such US Obligor is going to make an actual payment under this Agreement, use commercially reasonable efforts to provide such Obligor with a properly completed and executed applicable US Tax Form for purposes of establishing exemption from US federal backup withholding tax and will supply additional US Tax Forms upon a reasonable

time following a written request by that Obligor, in each case, to the extent such Finance Party is legally entitled to do so for purposes of establishing exemption from US federal backup withholding tax. Notwithstanding anything to the contrary in this Clause 15.9 (*Other US Tax Information*), the completion, execution and submission of such US Tax Forms shall not be required if in the Finance Party's reasonable judgment such completion, execution or submission would subject such Finance Party to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Finance Party.

16. Increased Costs

16.1 Increased Costs

(a) Subject to Clause 16.3 (*Exceptions*) the Company shall, within five Business Days of a demand by the Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation, (ii) compliance with any law or regulation made after the date of this Agreement, or (iii) the implementation or application of or compliance with Basel III or CRD IV or any law or regulation that implements or applies Basel III or CRD IV.

(ii) attributable to a FATCA Deduction required to be made by a Party;

(vi) attributable to the implementation or application of, or compliance with Basel III or CRD IV or any other law or regulation which implements Basel III (whether such implementation, application or compliance is by a government, regulator, Finance Party or any of its Affiliates) to the extent that such Finance Party knew or could reasonably be expected to have known the amounts of such Increased Cost at the time it became a Party.

(b) In this Clause 16.3, a reference to a "**Tax Deduction**" has the same meaning given to that term in Clause 15.1 (*Definitions*).

17. Other Indemnities

17.1 Currency Indemnity

(a) If any sum due from an Obligor under the Finance Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

(i) making or filing a claim or proof against that Obligor;

(ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

that Obligor shall as an independent obligation, within five Business Days of demand, indemnify each Secured Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

(b) Each Obligor waives any right it may have in any jurisdiction to pay any amount under the Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

17.2 Other Indemnities

The Company shall (or shall procure that an Obligor will), within five Business Days of demand, indemnify each Secured Party against any cost, loss or liability incurred by that Secured Party as a result of:

(d) a Loan (or part of a Loan) not being prepaid in accordance with a notice of prepayment given by a Borrower or the Company.

17.3 Indemnity to the Agent

The Company shall, within five Business Days of demand, indemnify the Agent against any cost, loss or liability incurred by the Agent (acting reasonably) as a result of:

(a) investigating any event which it reasonably believes is a Default;

(b) The Security Agent and every Receiver and Delegate may, in priority to any payment to the Secured Parties, indemnify itself out of the Charged Property in respect of, and pay and retain, all sums necessary to give effect to the indemnity in this Clause 17.4 and shall have a lien on the Transaction Security and the proceeds of the enforcement of the Transaction Security for all moneys payable to it.

18. Mitigation by the Lenders

18.1 Mitigation

(a) Each Finance Party shall, in consultation with the Company take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 10.1 (*Illegality*), Clause 15 (*Tax Gross-Up and Indemnities*) or Clause 16 (*Increased Costs*)

including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.

(b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

18.2 Limitation of Liability

(a) The Company shall promptly indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a result of steps taken by it under Clause 18.1 (*Mitigation*).

(b) A Finance Party is not obliged to take any steps under Clause 18.1 (*Mitigation*) if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it.

19. Costs and Expenses

19.1 Transaction Expenses

The Company shall, within 30 days of demand, pay (or procure the payment to) the Agent (on account of the Lenders) the reasonably incurred external legal fees (together with reasonable expenses, disbursements and VAT, if and as applicable) of the counsel to the Lenders (subject to any fee cap and/or estimate approved by the Company in writing in advance) and, within five Business Days of demand, pay (or procure the payment to) the Agent and the Security Agent the amount of all costs and expenses reasonably incurred by any of them (and, in the case of the Security Agent, by any Receiver or Delegate) and the Lenders, in connection with the negotiation, preparation, perfection and execution of:

(a) this Agreement and any other documents referred to in this Agreement and the Transaction Security; and

(b) any other Finance Documents executed after the date of this Agreement.

19.2 Amendment Costs

If:

(a) an Obligor requests an amendment, waiver or consent; or

(b) an amendment is required pursuant to Clause 31.10 (*Change of Currency*),

the Company shall, within five Business Days of demand, reimburse each of the Agent and the Security Agent for the amount of all reasonable costs and expenses (including external legal fees, subject to any fee cap and/or estimate approved by the Company in writing in advance) incurred by the Agent and the Security Agent (and, in the case of the Security Agent, by any Receiver or Delegate) in responding to, evaluating, negotiating or complying with that request or requirement.

19.3 Enforcement and preservation Costs

The Company shall, within five Business Days of demand, pay to each Secured Party the amount of all costs and expenses (including external legal fees, subject to any fee cap and/or estimate approved by the Company in writing in advance) incurred by that Secured Party in connection with the enforcement of, or the preservation of any rights under, any Finance Document or the Transaction Security and any proceedings instituted by or against the Security Agent as a consequence of taking or holding the Transaction Security or enforcing these rights.

19.4 Cost details

No member of the Group shall be required to pay any fees (other than any amounts set out in a Fee Letter or pursuant to paragraph (e) of Clause 9.3 (*Non-Extending Lenders*) or Clause 14.1 (*Commitment Fee*)), costs, expenses or other amounts (other than principal and interest amounts due in respect of the Sustainable Revolving Facility) unless an invoice relating to such fees, costs, expenses or other amounts has been provided to the Company or a Borrower.

Section 7
Guarantee

20. Guarantee and Indemnity

20.1 Guarantee and Indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Secured Party punctual payment and performance by each other Obligor of all that Obligor's obligations under the Finance Documents;

(b) undertakes with each Secured Party that whenever another Obligor does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and

(c) agrees with each Secured Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Secured Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 20 if the amount claimed had been recoverable on the basis of a guarantee.

20.2 Continuing Guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

20.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 20 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

20.4 Waiver of Defences

The obligations of each Guarantor under this Clause 20 will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause 20 (without limitation and whether or not known to it or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other

requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or

(g) any insolvency or similar proceedings.

20.5 Guarantor intent

Without prejudice to the generality of Clause 20.4 (*Waiver of defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

20.6 Immediate Recourse

Each Guarantor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 20. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

20.7 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Secured Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 20.

20.8 Deferral of Guarantors' Rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent or, as the case may be, the Security Agent, otherwise directs, no Guarantor will exercise any rights which it

may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 20:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 20.1 (*Guarantee and Indemnity*);

(e) to exercise any right of set-off or subrogation against any Obligor; and/or

(f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 31 (*Payment Mechanics*).

20.9 Release of Guarantors' Right of Contribution

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor then on the date such Retiring Guarantor ceases to be a Guarantor:

(a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and

(b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

20.10 Additional Security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Secured Party.

20.11 Guarantee limitations

(a) In relation to any Guarantor incorporated in Sweden (other than any Guarantor in respect of liabilities owed by its wholly owned Subsidiaries), its obligations and liabilities under this Clause 20 shall be limited, if (and only if) required by the mandatory provisions of the Swedish Companies Act (Sw. *Aktiebolagslag (2005:551)*) regulating unlawful distribution of assets and transfer of value (Sw. *värdeöverföring*) pursuant to Chapter 17, Sections 1 to 4 of the Swedish Companies Act, and it is

understood that the obligations and liabilities of each Guarantor incorporated in Sweden under this Clause 20 only applies to the extent permitted by the above mentioned provisions of the Swedish Companies Act.

(b) This guarantee does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance within the meaning of sections 678 or 679 of the Companies Act 2006 or any equivalent and applicable provisions under the laws of the Original Jurisdiction of the relevant Guarantor and, with respect to any Additional Guarantor, is subject to any limitations set out in the Accession Deed applicable to such Additional Guarantor.

(c) Notwithstanding anything to the contrary in this Agreement or any other Finance Document, the guarantee of a Guarantor under this Clause 20 does not apply to any Excluded Swap Obligation of that Guarantor (and no amount received from that Guarantor under any Finance Document shall be applied to any Excluded Swap Obligation of that Guarantor).

(d) A Guarantor's obligations will be subject to any limitation on the amount guaranteed which is contained in the Accession Deed (if applicable) by which that Guarantor becomes a Guarantor.

(e) Notwithstanding any other provision hereof, the right of recovery against each Guarantor organized under the laws of the United States or any state thereof under this Agreement or any other Finance Document shall be limited to the maximum amount that can be guaranteed by such Guarantor without rendering such Guarantor's obligations under this Agreement or any other Finance Document void or voidable under applicable law, including, without limitation, the Uniform Fraudulent Conveyance Act, Uniform Fraudulent Transfer Act, section 548 of the Bankruptcy Code of the United States or any comparable or similar foreign, federal or state law, in each case after giving full effect to the liability under such guarantee set forth in Clause 20.1 (*Guarantee and Indemnity*) hereof and its related contribution rights but before taking into account any liabilities under any other guarantee by such Guarantor.

(f) Without prejudice to any of the other provisions of this Agreement or any other Finance Document, each Party agrees that, in the event any payment or distribution is made on any date by a Guarantor organized under the laws of the United States or any state thereof under this Clause 20 (*Guarantee and Indemnity*), each such Guarantor shall be entitled to be indemnified by each other Guarantor in an amount equal to such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the contributing Guarantor and the denominator shall be the aggregate net worth of all Guarantors.

20.12 German Guarantee Limitation

(a) This Clause 20.12 shall apply to a Guarantor incorporated under the laws of Germany as a limited liability company (*GmbH*) or a limited partnership with a limited liability company as its sole general partner (*GmbH & Co. KG*) (in each case, a "**German Guarantor**"). If the German Guarantor is a GmbH & Co. KG, each reference made in this Clause 20.12 to its Net Assets shall refer to its general partner's Net Assets, and the same shall apply in regard to any Capital Impairment of that German Guarantor.

(b) The restrictions set out in paragraph (c) below shall not apply to the extent:

(i) the German Guarantor guarantees any indebtedness of any of its direct or indirect Subsidiaries;

(ii) the German Guarantor secures any indebtedness under any Finance Document in respect of loans to the extent they are passed on (directly or indirectly) to

the relevant German Guarantor or its Subsidiaries and such amount passed on is not repaid;

(iii) the German Guarantor (as dominated entity) is subject to a domination and/or profit transfer agreement (*Beherrschungs- und/oder Gewinnabführungsvertrag*) (a "**DPTA**") with the relevant German Guarantor's shareholder whose obligations are guaranteed, whether directly or indirectly through a chain of DPTAs between each company and its shareholder (or in case of a German GmbH & Co. KG Guarantor between its general partner and its shareholder) other than if such DPTA has been effectively cancelled or terminated, in each case to the extent the existence of such domination and/or profit transfer agreement (*Beherrschungs- und/oder Gewinnabführungsvertrag*) leads to the inapplicability of section 30 paragraph 1 sentence 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*) ("**GmbHG**");

(iv) they are not necessary for the purposes of protecting the German Guarantor's directors against personal liability due to a violation of section 30 GmbHG or section 43 GmbHG; or

(v) the payment under the guarantee is covered (*gedeckt*) by means of a fully valuable and recoverable consideration or recourse claim (*vollwertiger Gegenleistungs- oder Rückgewähranspruch*) within the meaning of section 30 paragraph 1 sentence 2 GmbHG of the German Guarantor against the affiliate/shareholder whose obligations are guaranteed.

(c) The right to enforce any obligations and liabilities of any German Guarantor created or incurred under the guarantee and indemnity granted by it under this Agreement and, in addition, any other joined liability created or incurred by it under the Finance Documents (including, for the avoidance of doubt, any parallel debt or similar undertaking) (the "**Guarantee Obligations**") against a German Guarantor shall be limited if and to the extent that such Guarantee Obligation secures any obligation of an affiliated company (*verbundenes Unternehmen*) of such German Guarantor within the meaning of section 15 German Stock Corporation Act (*Aktiengesetz*) (in each case other than any of the German Guarantor's direct or indirect Subsidiaries) (such Guarantee Obligations also referred to in this Clause 20.12 as up-stream and/or cross-stream Guarantee Obligations) and the enforcement of such Guarantee Obligation would cause:

(i) the German Guarantor's Net Assets, as defined and calculated pursuant to paragraph (d) below, to be less than its registered share capital (*Stammkapital*) (*Begründung einer Unterbilanz*); or

(ii) if the German Guarantor's Net Assets are already less than its registered share capital, the German Guarantor's Net Assets to be further reduced (*Vertiefung einer Unterbilanz*),

(in each case a "**Capital Impairment**").

(d) For the purposes of this clause, "**Net Assets**" means the aggregate amount of a German Guarantor's assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 lit. A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch*) ("**HGB**") less the aggregate amount of that German Guarantor's liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 lit. B, C, D and E HGB)), as determined in accordance with the principle of orderly bookkeeping (*Grundsätze ordnungsmäßiger Buchführung*) applying the same accounting principles (*Bilanzierungsgrundsätze*)

which have been consistently applied by the relevant German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss*) (section 42 GmbHG, sections 242, 264 HGB) in the previous years, save that the following balance sheet items shall be adjusted as follows:

(i) the amount of any increase in the registered share capital with company funds (*Kapitalerhöhung aus Gesellschaftsmitteln*) of that German Guarantor, which was carried out after that German Guarantor became a party to this Agreement, without the prior written consent of the Agent, shall be deducted from the amount of the registered share capital of that German Guarantor;

(ii) as far as the registered share capital is not paid in full, the amount not yet paid in shall be deducted from the amount of the registered share capital of that German Guarantor;

(iii) loans provided to that German Guarantor by a member of the Group shall be disregarded, if and to the extent that such loans are subordinated pursuant to section 39 paragraph 1 sentence 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) (or would be subordinated in case of insolvency);

(iv) the amount of non-distributable assets according to section 253 paragraph 6 HGB shall be disregarded;

(v) the amount of non-distributable assets according to section 268 paragraph 8 HGB shall be disregarded;

(vi) the amount of non-distributable assets according to section 272 paragraph 5 HGB shall be disregarded; and

(vii) financial liabilities incurred by that German Guarantor in wilful or negligent breach of the Finance Documents shall not be taken into account as liabilities.

(e) The relevant German Guarantor will notify the Agent in writing in reasonable detail within ten (10) Business Days after the Agent notified that German Guarantor of its intention to demand payment under the Guarantee Obligations whether and to what extent a Capital Impairment would occur if a payment under the Guarantee Obligations was made (the "**Management Notification**"). Demanding payment under the Guarantee Obligations from such German Guarantor up to the amount which, according to the Management Notification, would not result in a Capital Impairment is permitted without limitation.

(f) If the Agent (acting on the instructions of the Majority Lenders) disagrees with the Management Notification, it may as soon as possible following its receipt request the relevant German Guarantor to provide an auditors' determination by a firm of recognised international auditors within thirty (30) Business Days from the date on which the Agent requested such determination from that German Guarantor (the "**Auditors' Determination**"). Such Auditors' Determination shall set out:

(i) the amount of Net Assets of that German Guarantor taking into account the adjustments set out in paragraph (d) above; and

(ii) the extent of the Capital Impairment taking into account the anticipated payment.

Demanding payment under the Guarantee Obligations from such German Guarantor up to the amount which, according to the Auditors' Determination, would not result in a

Capital Impairment is permitted without limitation. The results of the Auditors' Determination are, save for manifest errors, binding on all parties.

(g) If the relevant German Guarantor does not provide the Management Notification or the Auditors' Determination within the time frame set out above, demanding payment under the Guarantee Obligations shall not be limited by this Clause 20.12, and paragraph (c) above shall not be applicable in that regard.

(h) The Finance Parties shall upon written demand of the relevant German Guarantor to the Agent (on behalf of the Finance Parties) repay to the relevant German Guarantor any amount which the Agent would not have been entitled to enforce had the Management Notification or the Auditors' Determination (as applicable) been delivered in time or the difference between the amount paid and the amount payable resulting from the Auditors' Determination calculated as of the date the demand in respect of a Guarantee Obligation was made.

(i) If the Management Notification shows that a Capital Impairment would occur upon payment under a Guarantee Obligation, the relevant German Guarantor shall realise, to the extent legally permitted and commercially justifiable (also taking into account the costs and efforts involved), all of its assets that are (i) not required for its business (*nicht betriebsnotwendig*) and (ii) shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the assets to the extent this is necessary to fulfil its obligations under the guarantee within three months after a written request by the Agent (it being understood that this paragraph creates no obligation to realise any assets below their market value). If the relevant assets are necessary for that German Guarantor's business (*betriebsnotwendig*), it will use its best efforts to realise the market value by sale-and-lease-back or similar measures.

(j) This Clause 20.12 shall not affect the enforceability (other than as specifically set out herein), legality or validity of the Guarantee Obligations and each Finance Party is entitled to claim in court that making payments under a Guarantee Obligation by the relevant German Guarantor does not trigger a personal liability of the relevant German Guarantor's directors pursuant to section 30 GmbHG or section 43 GmbHG. The Finance Parties' rights to any remedies they may have against the relevant German Guarantor shall not be limited if it is finally ascertained in court that a personal liability of the relevant German Guarantor's directors pursuant to section 30 GmbHG or section 43 GmbHG is not triggered by making payments under a Guarantee Obligation by the relevant German Guarantor. The agreement of the Finance Parties to abstain from demanding any or part of the payment under the Guarantee Obligations in accordance with the provisions above shall not constitute a waiver (*Verzicht*) of any right granted under this Agreement or any other Finance Document to the Agent or any Finance Party.

(ii) in the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Finance Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Finance Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) In this Clause 20.13:

"**BHC Act Affiliate**" means, in respect of a Party, an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such Party.

together with the Relevant Financial Covenant Equity Cure Amount, collectively, the "**Equity Cure Amount**"; such contribution being an "**Liquidity Financial Covenant Equity Cure**" and, together with the Relevant Financial Covenant Equity Cure, collectively, the "**Equity Cure**") which, subject to the conditions in paragraph (c) below and provided that (1) the Original Borrower notifies the Agent that the Original Borrower has received the Liquidity Financial Covenant Equity Cure Amount and (2) the Original Borrower has received such New Company Injection(s), then such Liquidity Financial Covenant Equity Cure Amount shall have the effect that the Liquidity Financial Covenant in breach will be calculated giving effect to the following adjustments: for the purpose of calculating Liquidity, Unrestricted Cash shall be recalculated assuming that the Liquidity Financial Covenant Equity Cure Amount had been contributed and applied towards an increase in Unrestricted Cash immediately prior to the date of breach of the Liquidity Financial Covenant, and compliance with the Liquidity Financial Covenant will be determined by reference to the recalculations (or calculations) described above.

(c) The Equity Cure Amount may only be taken into account to remedy or prevent non-compliance with the relevant Financial Covenants as set out in paragraphs (a) and (b) above if the Company does not make any such election or receive the benefit of an Equity Cure:

(i) more than three times over the life of the Sustainable Facilities;

(ii) more than twice during any consecutive period of four Financial Quarters; or

Section 9
Changes to Parties

26. Changes to the Lenders

26.1 Assignments and Transfers by the Lenders

Subject to this Clause 26, a Lender (the "**Existing Lender**") may:

(a) assign any of its rights; or

(b) transfer by novation any of its rights and obligations (each a "**Transfer**"),

to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the "**New Lender**").

26.2 Company Consent

(a) The consent of the Company is required for an assignment or transfer by an Existing Lender, unless the assignment or transfer is:

(i) to another Lender or an Affiliate of any Lender; or

(ii) made at a time when an Event of Default is continuing.

(b) The consent of the Company to an assignment or transfer must not be unreasonably withheld or delayed. The Company will be deemed to have given its consent ten Business Days after the Existing Lender has requested it unless consent is expressly refused by the Company within that time and provided that the Company has been provided with the full legal name of the proposed New Lender and a copy of any relevant Confidentiality Undertaking.

(c) Notwithstanding anything to the contrary in this Agreement, no Transfer under this Clause 26 may be made:

(i) to an industrial competitor of any member of the Group, a hedge fund, a distressed debt fund, a loan-to-own investor, a supplier or sub-contractor to any member of the Group or a Defaulting Lender (or, in each case, a person that is a Related Fund or is an affiliate or acting on behalf of such a person). Notwithstanding the foregoing, the terms "hedge fund", "distressed debt fund", "industrial competitor" and "loan-to-own investor" shall not include any deposit taking financial institution authorised by a financial services regulator to carry out the business of banking and which is managed and controlled independently to such hedge fund, distressed debt fund, industrial competitor and loan-to-own investor **provided that** the deposit taking financial institution is (a) acting on the other side of appropriate information barriers implemented or maintained as required by law, regulation or internal policy from the entity which otherwise would constitute a hedge fund, distressed debt fund, industrial competitor or loan-to-own investor (as applicable) and (b) has separate personnel responsible for its interests under the Finance Documents, such personnel are independent from its interests as a hedge fund, distressed debt fund, industrial competitor or loan-to-own investor (as applicable) and no information provided under the Finance Documents is disclosed or otherwise made available to any personnel responsible for its interests (or its other Affiliates' interests), in each case, as a hedge fund, distressed debt fund, industrial competitor or loan-to-own investor (as applicable); or

(ii) to an Affiliate of any Lender that does not have a rating of at least BBB- by Standard & Poor's Rating Services Limited or Fitch Ratings Ltd or at least Baa3 by Moody's Investor Services Limited,

other than with the prior written consent of the Company.

26.3 Other Conditions of Assignment or Transfer

(a) An assignment will only be effective on:

(i) receipt by the Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Agent) that the New Lender will assume the same obligations to the other Secured Parties as it would have been under if it had been an Original Lender;

(ii) the recordation of the transfer in the Register;

(iii) the New Lender entering into the documentation required for it to accede as a party to the Intercreditor Agreement; and

(iv) performance by the Agent of all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Agent shall promptly notify to the Existing Lender and the New Lender.

(b) A transfer will only be effective if the New Lender enters into the documentation required for it to accede as a party to the Intercreditor Agreement and the procedure set out in Clause 26.6 (*Procedure for Transfer*) is complied with.

(c) If:

(i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and

(ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 15 (*Tax Gross-Up and Indemnities*) or Clause 16 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

(d) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

26.4 Assignment or Transfer Fee

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Agent (for its own account) a fee of $3,000.

26.5 Limitation of Responsibility of Existing Lenders

(a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:

(i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents, the Transaction Security or any other documents;

(ii) the financial condition of any Obligor;

(iii) the performance and observance by any Obligor of its obligations under the Finance Documents or any other documents; or

(iv) the accuracy of any statements (whether written or oral) made in or in connection with any Finance Document or any other document,

and any representations or warranties implied by law are excluded.

(b) Each New Lender confirms to the Existing Lender, the other Finance Parties and the Secured Parties that it:

(i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender in connection with any Finance Document or the Transaction Security; and

(ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.

(c) Nothing in any Finance Document obliges an Existing Lender to:

(i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 26; or

(ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Finance Documents or otherwise.

26.6 Procedure for Transfer

(a) Subject to the conditions set out in Clause 26.2 (*Company Consent*) and Clause 26.3 (*Other Conditions of Assignment or Transfer*) a transfer is effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.

(b) The Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.

(c) Subject to Clause 26.12 (*Pro Rata Interest Settlement*), on the Transfer Date:

(i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents

and in respect of the Transaction Security each of the Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the "**Discharged Rights and Obligations**");

(ii) each of the Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Obligor and the New Lender have assumed and/or acquired the same in place of that Obligor and the Existing Lender;

(iii) the Agent, the Security Agent, the Arrangers, the New Lender and other Lenders and any relevant Ancillary Lender shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Agent, the Security Agent, the Arrangers, any relevant Ancillary Lender and the Existing Lender shall each be released from further obligations to each other under the Finance Documents;

(iv) the New Lender shall become a Party as a "Lender"; and

(v) any transfer shall include a transfer of a proportional interest of the Transaction Security governed by Swedish law together with a proportional interest in the Transaction Security Documents governed by Swedish law.

26.7 Procedure for Assignment

(a) Subject to the conditions set out in Clause 26.2 (*Company Consent*) and Clause 26.3 (*Other Conditions of Assignment or Transfer*) an assignment may be effected in accordance with paragraph (c) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.

(b) The Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.

(c) Subject to Clause 26.12 (*Pro Rata Interest Settlement*), on the Transfer Date:

(i) the Existing Lender will assign absolutely to the New Lender the rights under the Finance Documents expressed to be the subject of the assignment in the Assignment Agreement;

(ii) the Existing Lender will be released by each Obligor and the other Finance Parties from the obligations owed by it (the "**Relevant Obligations**") and expressed to be the subject of the release in the Assignment Agreement;

(iii) the New Lender shall become a Party as a "Lender" and will be bound by obligations equivalent to the Relevant Obligations; and

(iv) any assignment shall include an assignment of a proportional interest of the Transaction Security governed by Swedish law together with a proportional interest in the Transaction Security Documents governed by Swedish law.

(d) Lenders may utilise procedures other than those set out in this Clause 26.7 to assign their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with Clause 26.6 (*Procedure for Transfer*), to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) *provided that* they comply with the conditions set out in Clause 26.2 (*Company Consent*) and Clause 26.3 (*Other Conditions of Assignment or Transfer*).

26.8 Copy of Transfer Certificate, Assignment Agreement or Increase Confirmation to Company

The Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate, an Assignment Agreement or an Increase Confirmation, send to the Company a copy of that Transfer Certificate, Assignment Agreement or Increase Confirmation.

26.9 Security Over Lenders' Rights

In addition to the other rights provided to Lenders under this Clause 26, each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

(a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and

(b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

(i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or

(ii) require any payments to be made by an Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

26.10 The Register

The Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a copy of each assignment or transfer delivered to it and a register for the recordation of the names of the Lenders, and the Commitments of, and principal amounts (and stated interest) of such Loans owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding any other

provision of this Agreement to the contrary, no assignment or transfer will be effective until recorded in the Register.

26.11 The Participant Register

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each person it sells a participation to (a "**Participant**") and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Finance Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Finance Document) to any person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

26.12 Pro Rata Interest Settlement

(a) If the Agent has notified the Lenders that it is able to distribute interest payments on a "*pro rata* basis" to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 26.6 (*Procedure for Transfer*) or any assignment pursuant to Clause 26.7 (*Procedure for Assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):

(i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period; and

(ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:

(A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and

(B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 26.11, have been payable to it on that date, but after deduction of the Accrued Amounts.

(b) In this Clause 26.12 references to "Interest Period" shall be construed to include a reference to any other period for accrual of fees.

(c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 26.12 but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents.

27. Changes to the Obligors

27.1 Assignments and Transfer by Obligors

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

27.2 Additional Borrowers

(a) Subject to compliance with the provisions of paragraphs (c) and (d) of Clause 22.9 (*"Know Your Customer" Checks*), the Original Borrower may request that any of the Company's wholly owned direct or indirect Subsidiaries (other than CEBA) become an Additional Borrower. That Subsidiary shall become an Additional Borrower if:

(i) it is incorporated in Sweden or otherwise if all the Lenders approve the addition of that Subsidiary;

(ii) the Company and that Subsidiary delivers to the Agent a duly completed and executed Accession Deed;

(iii) that Subsidiary is (or becomes) a Guarantor no later than the date on which it becomes a Borrower;

(iv) the Company confirms that no Event of Default is continuing or would occur as a result of that Subsidiary becoming an Additional Borrower; and

(v) the Agent has received all of the documents and other evidence listed in Part 2 of Schedule 2 (*Conditions Precedent*) in relation to that Additional Borrower, each in form and substance satisfactory to the Agent (acting reasonably).

(b) The Agent shall notify the Company and the Lenders promptly upon being satisfied that it has received (in form and substance satisfactory to it) all the documents and other evidence listed in Part 2 of Schedule 2 (*Conditions Precedent*).

(c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

27.3 Resignation of a Borrower

(a) The Company may request that a Borrower (other than the Original Borrower) ceases to be a Borrower by delivering to the Agent a Resignation Letter.

(b) The Agent shall accept a Resignation Letter and notify the Company and the Lenders of its acceptance if:

(i) no Default is continuing or would result from the acceptance of the Resignation Letter (and the Company has confirmed this is the case);

(ii) the Borrower is under no actual or contingent obligations as a Borrower under any Finance Documents; and

(iii) where the Borrower is also a Guarantor (unless its resignation has been accepted in accordance with Clause 27.6 (*Resignation of a Guarantor*)), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect (subject to the Legal Reservations) and

the amount guaranteed by it as a Guarantor is not decreased (and the Company has confirmed this is the case),

whereupon that company shall cease to be a Borrower and shall have no further rights or obligations under the Finance Documents.

27.4 Additional Guarantors

(a) Subject to compliance with the provisions of paragraphs (c) and (d) of Clause 22.9 (*"Know Your Customer" Checks*), the Original Borrower may request that any of the Company's direct or indirect Subsidiaries become an Additional Guarantor. That Subsidiary shall become an Additional Guarantor if:

(i) the Company and the proposed Additional Guarantor delivers to the Agent a duly completed and executed Accession Deed; and

(ii) the Agent has received all of the documents and other evidence listed in Part 2 of Schedule 2 (*Conditions Precedent*) in relation to that Additional Guarantor, each in form and substance satisfactory to the Agent (acting reasonably)

(b) The Agent shall notify the Company and the Lenders promptly upon being satisfied that it has received (in form and substance satisfactory to it) all the documents and other evidence listed in Part 2 of Schedule 2 (*Conditions Precedent*).

(c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

27.5 Repetition of Representations

Delivery of an Accession Deed constitutes confirmation by the relevant Subsidiary that the Repeating Representations and the representations and warranties in Clause 21.11 (*No Proceedings*), Clause 21.12 (*No breach of laws*) and Clause 21.16 (*No misleading information*) are true in all material respects (or, to the extent a materiality test applies, all respects) in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

27.6 Resignation of a Guarantor

(a) The Company may request that a Guarantor (other than the Company or the Original Borrower) ceases to be a Guarantor by delivering to the Agent a Resignation Letter.

(b) The Agent shall accept a Resignation Letter and notify the Company and the Lenders of its acceptance if:

(i) no Default is continuing or would result from the acceptance of the Resignation Letter (and the Company has confirmed this is the case);

(ii) Subject to paragraph (a) of clause 28.28 (*Resignation of a Debtor*) of the Intercreditor Agreement, all the Lenders have consented to the Company's request;

(iii) no payment is due from that Guarantor under Clause 20 (*Guarantee and Indemnity*); and

(iv) where that Guarantor is also a Borrower, it is under no actual or contingent obligations as a Borrower and has resigned and ceased to be a Borrower under Clause 27.3 (*Resignation of a Borrower*),

whereupon that company shall cease to be a Guarantor and shall have no further rights or obligations under the Finance Documents.

Section 10
The Finance Parties

28. Role of the Agent and the Arrangers

28.1 Appointment of the Agent

(a) Each of the Arrangers and the Lenders appoints the Agent to act as its agent under and in connection with the Finance Documents.

(b) Each of the Arrangers and the Lenders authorises the Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

(c) Each Finance Party hereby releases, to the extent legally possible, the Agent from any restrictions of self-dealing under any applicable law. Any Finance Party prevented by applicable law or its constitutional documents to grant the release from the restrictions under Section 181 German Civil Code shall notify the Agent in writing without undue delay.

28.2 Instructions

(a) The Agent shall:

(i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by:

(A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision;

(B) the Sustainable Incremental Facility Majority Lenders if the relevant Finance Document stipulates the matter is a Sustainable Incremental Facility Majority Lender decision; and

(C) in all other cases, the Majority Lenders; and

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above.

(b) The Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion. The Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.

(c) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties save for the Security Agent.

(d) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the

Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.

(e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

(f) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document. This paragraph (a) shall not apply to any legal or arbitration proceedings relating to the perfection, preservation or protection of rights under the Transaction Security Documents or enforcement of the Transaction Security or Transaction Security Documents.

28.3 Duties of the Agent

(a) The Agent's duties under the Finance Documents are solely mechanical and administrative in nature.

(b) Subject to paragraph (c) below, the Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.

(c) Without prejudice to Clause 26.8 (*Copy of Transfer Certificate, Assignment Agreement or Increase Confirmation to Company*), paragraph (b) above shall not apply to any Transfer Certificate, any Assignment Agreement or any Increase Confirmation.

(d) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(e) If the Agent receives notice from a Party referring to this Agreement, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.

(f) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than the Agent, the Security Agent or an Arranger) under this Agreement it shall promptly notify the other Finance Parties.

(g) The Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

28.4 Role of the Arrangers

Except as specifically provided in the Finance Documents, an Arranger has no obligations of any kind to any other Party under or in connection with any Finance Document.

28.5 No Fiduciary Duties

(a) Nothing in any Finance Document constitutes the Agent or an Arranger as a trustee or fiduciary of any other person.

(b) Neither the Agent nor an Arranger shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

28.6 Business with the Group

The Agent and each of the Arrangers may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

28.7 Rights and Discretions

(a) The Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

(ii) assume that:

(A) any instructions received by it from the Majority Lenders, any Lenders or any group of Lenders are duly given in accordance with the terms of the Finance Documents; and

(B) unless it has received notice of revocation, that those instructions have not been revoked; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:

(i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 25.1 (*Non-Payment*));

(ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised; and

(iii) any notice or request made by the Company (other than a Utilisation Request) is made on behalf of and with the consent and knowledge of all the Obligors.

(c) The Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be necessary.

(e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Agent may act in relation to the Finance Documents through its officers, employees and agents.

(g) Unless a Finance Document expressly provides otherwise the Agent may disclose to any other Party any information it reasonably believes it has received as agent under this Agreement.

(h) Without prejudice to the generality of paragraph (a) above, the Agent:

(i) may disclose; and

(ii) on the written request of the Company or the Majority Lenders shall, as soon as reasonably practicable, disclose,

the identity of a Defaulting Lender to the Company and to the other Finance Parties.

(i) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor an Arranger is obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(j) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

28.8 Responsibility for Documentation

Neither the Agent nor an Arranger is responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, an Arranger, an Obligor or any other person in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or

(c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

28.9 No Duty to Monitor

The Agent shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or

(c) whether any other event specified in any Finance Document has occurred.

28.10 Exclusion of Liability

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent), the Agent will not be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under

or in connection with any Finance Document or the Transaction Security, unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document or the Transaction Security, other than by reason of its gross negligence or wilful misconduct; or

(iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever (but not including any claim based on the fraud of the Agent) arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Agent) may take any proceedings against any officer, employee or agent of the Agent in respect of any claim it might have against the Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document and any officer, employee or agent of the Agent may rely on this paragraph (b) subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.

(c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

(d) Nothing in this Agreement shall oblige the Agent or an Arranger to carry out:

(i) any "know your customer" or other checks in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender or for any Affiliate of any Lender,

on behalf of any Lender and each Lender confirms to the Agent and the Arrangers that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or the Arrangers.

(e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document or the Transaction Security shall be limited to the amount of actual

loss which has been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

28.11 Lenders' Indemnity to the Agent

Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Agent, within three Business Days of demand, against any cost, loss or liability (including, without limitation, for negligence or any other category of liability whatsoever) incurred by the Agent (otherwise than by reason of the Agent's gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 31.11 (*Disruption to Payment Systems etc.*), notwithstanding the Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) in acting as Agent under the Finance Documents (unless the Agent has been reimbursed by an Obligor pursuant to a Finance Document).

28.12 Resignation of the Agent

(a) The Agent may resign and appoint one of its Affiliates as successor by giving notice to the Lenders and the Original Borrower.

(b) Alternatively the Agent may resign by giving 30 days' notice to the Lenders and the Original Borrower, in which case the Majority Lenders (after consultation with the Original Borrower) may appoint a successor Agent.

(c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Agent (after consultation with the Original Borrower) may appoint a successor.

(d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent and the Company amendments to this Clause 28 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of corporate trustees and those amendments will bind the Parties.

(e) The retiring Agent shall make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents. The Original Borrower shall, within five Business Days of demand, reimburse the retiring Agent for the amount of all costs and expenses (including legal fees subject to any fee cap and/or estimate approved by the Company in writing in advance) reasonably incurred by it in making available such documents and records and providing such assistance.

(f) The Agent's resignation notice shall only take effect upon the appointment of a successor.

(g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under

paragraph (e) above) but shall remain entitled to the benefit of Clause 17.3 (*Indemnity to the Agent*) and this Clause 28 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

(h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:

(i) the Agent fails to respond to a request under Clause 15.7 (*FATCA Information*) and the Company or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

(ii) the information supplied by the Agent pursuant to Clause 15.7 (*FATCA Information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Agent notifies the Company and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

and (in each case) the Company or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Company or that Lender, by notice to the Agent, requires it to resign.

28.13 Replacement of the Agent

(a) After consultation with the Company, the Majority Lenders may, by giving 30 days' notice to the Agent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent.

(b) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.

(c) The appointment of the successor Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Agent. As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) above) but shall remain entitled to the benefit of Clause 17.3 (*Indemnity to the Agent*) and this Clause 28 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).

(d) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

28.14 Confidentiality

(a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.

28.15 Relationship with the Lenders

(a) Subject to Clause 26.12 (*Pro Rata Interest Settlement*), the Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:

(i) entitled to or liable for any payment due under any Finance Document on that day; and

(ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

unless it has received not less than five Business Days' prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

(b) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address and (where communication by electronic mail or other electronic means is permitted under Clause 33.6 (*Electronic Communication*)) electronic mail address and/or any other information required to enable the transmission of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, electronic mail address (or such other information), department and officer by that Lender for the purposes of Clause 33.2 (*Addresses*) and Clause 33.6 (*Electronic Communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

28.16 Credit Appraisal by the Lenders and Ancillary Lenders

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender and Ancillary Lender confirms to the Agent and the Arrangers that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

(a) the financial condition, status and nature of each member of the Group;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document, the Transaction Security and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;

(c) whether that Lender or Ancillary Lender has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Finance Document, the Transaction Security, the transactions contemplated by the

Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;

(d) the adequacy, accuracy or completeness of any other information provided by the Agent, any Party or by any other person under or in connection with any Finance Document, the transactions contemplated by any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; and

(e) the right or title of any person in or to, or the value or sufficiency of any part of the Charged Property, the priority of any of the Transaction Security or the existence of any Security affecting the Charged Property.

28.17 Deduction from Amounts Payable by the Agent

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

29. Conduct of Business by the Secured Parties

No provision of this Agreement will:

(a) interfere with the right of any Secured Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;

(b) oblige any Secured Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or

(c) oblige any Secured Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

30. Sharing among the Secured Parties

30.1 Payments to Finance Parties

(a) Subject to paragraph (b) below, if a Secured Party (a "**Recovering Finance Party**") receives or recovers any amount from an Obligor other than in accordance with Clause 31 (*Payment Mechanics*) (a "**Recovered Amount**") and applies that amount to a payment due under the Finance Documents then:

(i) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery to the Agent;

(ii) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 31 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and

(iii) the Recovering Finance Party shall, within three Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such

receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 31.6 (*Partial Payments*).

(b) Paragraph (a) above shall not apply to any amount received or recovered by an Ancillary Lender in respect of any cash cover provided for the benefit of that Ancillary Lender.

30.2 Redistribution of Payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 31.6 (*Partial Payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

30.3 Recovering Finance Party's Rights

On a distribution by the Agent under Clause 30.2 (*Redistribution of Payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

30.4 Reversal of Redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

(a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the "**Redistributed Amount**"); and

(b) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

30.5 Exceptions

(a) This Clause 30 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.

(b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:

(i) it notified that other Finance Party of the legal or arbitration proceedings; and

(ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

30.6 Ancillary Lenders

(a) This Clause 30 shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to the Agent exercising any of its rights under Clause 25.16 (*Acceleration*).

(b) Following the exercise by the Agent of any of its rights under Clause 25.16 (*Acceleration*), this Clause 30 shall apply to all receipts or recoveries by Ancillary Lenders except to the extent that the receipt or recovery represents a reduction from the Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Net Outstandings.

Section 11
Administration

31. Payment Mechanics

31.1 Payments to the Agent

(a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document, excluding a payment under the terms of an Ancillary Document, that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.

(b) Payment shall be made to such account in the principal financial centre of the country of that currency (or, in relation to euro, in a principal financial centre in such Participating Member State or London, as specified by the Agent) and with such bank as the Agent, in each case, specifies.

31.2 Distributions by the Agent

Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 31.3 (*Distributions to an Obligor*) and Clause 31.4 (*Clawback and Pre-Funding*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party in the principal financial centre of the country of that currency (or, in relation to euro, in the principal financial centre of a Participating Member State or London, as specified by that Party).

31.3 Distributions to an Obligor

The Agent or the Security Agent may (with the consent of the Obligor or in accordance with Clause 32 (*Set-Off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

31.4 Clawback and Pre-Funding

(a) Where a sum is to be paid to the Agent or the Security Agent under the Finance Documents for another Party, the Agent or, as the case may be, the Security Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

(b) Unless paragraph (c) below applies, if the Agent or the Security Agent pays an amount to another Party and it proves to be the case that it had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid shall on demand refund the same to the Agent or the Security Agent together with interest on that amount from the date of payment to the date of receipt by the Agent or, as the case may be, the Security Agent, calculated by it to reflect its cost of funds.

(c) If the Agent is willing to make available amounts for the account of a Borrower before receiving funds from the Lenders then if and to the extent that the Agent does so but it

proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to a Borrower:

(i) the Agent shall notify the Company of that Lender's identity and the Borrower to whom that sum was made available shall on demand refund it to the Agent; and

(ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower to whom that sum was made available, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

31.5 Impaired Agent

(a) If, at any time, the Agent becomes an Impaired Agent, an Obligor or a Lender which is required to make a payment under the Finance Documents to the Agent in accordance with Clause 31.1 (*Payments to the Agent*) may instead either:

(i) pay that amount direct to the required recipient(s); or

(ii) if in its absolute discretion it considers that it is not reasonably practicable to pay that amount direct to the required recipient(s), pay that amount or the relevant part of that amount to an interest-bearing account held with an Acceptable Bank within the meaning of paragraph (c) of the definition of "Acceptable Bank" and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Obligor or the Lender making the payment (the "**Paying Party**") and designated as a trust account for the benefit of the Party or Parties beneficially entitled to that payment under the Finance Documents (the "**Recipient Party**" or "**Recipient Parties**").

In each case such payments must be made on the due date for payment under the Finance Documents.

(b) All interest accrued on the amount standing to the credit of the trust account shall be for the benefit of the Recipient Party or the Recipient Parties pro rata to their respective entitlements.

(c) A Party which has made a payment in accordance with this Clause 31.5 shall be discharged of the relevant payment obligation under the Finance Documents and shall not take any credit risk with respect to the amounts standing to the credit of the trust account.

(d) Promptly upon the appointment of a successor Agent in accordance with Clause 28.13 (*Replacement of the Agent*), each Paying Party shall (other than to the extent that that Party has given an instruction pursuant to paragraph (a) below) give all requisite instructions to the bank with whom the trust account is held to transfer the amount (together with any accrued interest) to the successor Agent for distribution to the relevant Recipient Party or Recipient Parties in accordance with Clause 31.2 (*Distributions by the Agent*).

(e) A Paying Party shall, promptly upon request by a Recipient Party and to the extent:

(i) that it has not given an instruction pursuant to paragraph (j) above; and

(ii) that it has been provided with the necessary information by that Recipient Party,

give all requisite instructions to the bank with whom the trust account is held to transfer the relevant amount (together with any accrued interest) to that Recipient Party.

31.6 Partial Payments

(a) If the Agent receives a payment that is insufficient to discharge all the amounts then due and payable by an Obligor under the Finance Documents, the Agent shall apply that payment towards the obligations of that Obligor under the Finance Documents in the following order:

(i) **first**, in or towards payment *pro rata* of any unpaid amount owing to the Agent or the Security Agent under the Finance Documents;

(ii) **secondly**, in or towards payment *pro rata* of any accrued interest, fee or commission due but unpaid under this Agreement;

(iii) **thirdly**, in or towards payment *pro rata* of any principal due but unpaid under this Agreement; and

(iv) **fourthly**, in or towards payment *pro rata* of any other sum due but unpaid under the Finance Documents.

(b) The Agent shall, if so directed by the Majority Lenders, vary the order set out in paragraphs (a)(ii) to (a)(iv) above.

(c) Paragraphs (a) and (b) above will override any appropriation made by an Obligor.

31.7 No Set-Off by Obligors

All payments to be made by an Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

31.8 Business Days

(a) Any payment under any Finance Document which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

(b) During any extension of the due date for payment of any principal or Unpaid Sum under this Agreement interest is payable on the principal or Unpaid Sum at the rate payable on the original due date.

31.9 Currency of Account

(a) Subject to paragraphs (b) to (e) below, the Base Currency is the currency of account and payment for any sum due from an Obligor under any Finance Document.

(b) A repayment of a Loan or Unpaid Sum or a part of a Loan or Unpaid Sum shall be made in the currency in which that Loan or Unpaid Sum is denominated, pursuant to this Agreement, on its due date.

(c) Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated, pursuant to this Agreement, when that interest accrued.

(d) Each payment in respect of costs, expenses or Taxes shall be made in the currency in which the costs, expenses or Taxes are incurred.

(e) Any amount expressed to be payable in a currency other than the Base Currency shall be paid in that other currency.

31.10 Change of Currency

(a) Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognised by the central bank of any country as the lawful currency of that country, then:

(i) any reference in the Finance Documents to, and any obligations arising under the Finance Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (after consultation with the Company); and

(ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).

(b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Company) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

31.11 Disruption to Payment Systems Etc.

If either the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Company that a Disruption Event has occurred:

(a) the Agent may, and shall if requested to do so by the Company, consult with the Company with a view to agreeing with the Company such changes to the operation or administration of the Sustainable Revolving Facility as the Agent may deem necessary in the circumstances;

(b) the Agent shall not be obliged to consult with the Company in relation to any changes mentioned in paragraph (a) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;

(c) the Agent may consult with the Finance Parties in relation to any changes mentioned in paragraph (a) above but shall not be obliged to do so if, in its opinion, it is not practicable to do so in the circumstances;

(d) any such changes agreed upon by the Agent and the Company shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 37 (*Amendments and Waivers*);

(e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 31.11; and

(f) the Agent shall notify the Finance Parties of all changes agreed pursuant to paragraph (d) above.

32. Set-Off

(a) A Finance Party may set off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Obligor, regardless of the

place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

(b) Any credit balances taken into account by an Ancillary Lender when operating a net limit in respect of any overdraft under an Ancillary Facility shall on enforcement of the Finance Documents be applied first in reduction of the overdraft provided under that Ancillary Facility in accordance with its terms.

No election to affirm any Finance Document on the part of any Finance Party or Secured Party shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. (c) the administrator of that Published Rate (or the administrator of an interest rate which is a constituent element of that Published Rate) determines that that Published Rate should be calculated in accordance with its reduced submissions or other contingency or fallback policies or arrangements and either:

(iii) then the Company may, on 10 Business Days' prior written notice to the Agent and such Lender, replace such Lender by requiring such Lender to (and, to the extent permitted by law, such Lender shall) transfer pursuant to Clause 26 (*Changes to the Lenders*) all (and not part only) of its rights and obligations under this Agreement to an Eligible Institution which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "Replacement Lender"), and which confirms its willingness to assume and does assume all the obligations of the transferring Lender in accordance with Clause 26 (*Changes to the Lenders*) for a purchase price in cash payable at the time of transfer in an amount equal to

the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest (to the extent that the Agent has not given a notification under Clause 26.12 (*Pro Rata Interest Settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents. If a Lender is required to transfer rights and obligations pursuant to this Clause 37.6 but fails to do so within five Business Days of being required to do so that Lender's Commitment and/or participation shall not be included for the purpose of calculating the Total Commitments or participations under the relevant Facilities when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained in respect of a request for a consent, waiver, amendment of or in relation to any of the terms of any Finance Documents or other vote of Lenders under the terms of this Agreement.

(v) the Lender shall only be obliged to transfer its rights and obligations pursuant to paragraph (a) above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to that transfer.

(c) A Lender shall perform the checks described in paragraph (b)(v) above as soon as reasonably practicable following delivery of a notice referred to in paragraph (a) above and shall notify the Agent and the Company when it is satisfied that it has complied with those checks.

(d) In the event that:

(i) the Company or the Agent (at the request of the Company) has requested the Lenders to give a consent in relation to, or to agree to a waiver or amendment of, any provisions of the Finance Documents;

(ii) the consent, waiver or amendment in question requires the approval of all the Lenders; and

(iii) Lenders whose Commitments aggregate in the case of a consent, waiver or amendment requiring the approval of all the Lenders, more than 85 per cent. of the Total Commitments (or, if the Total Commitments have been reduced to zero, aggregated more than 85 per cent. of the Total Commitments prior to that reduction) have consented or agreed to such waiver or amendment,

then any Lender who does not and continues not to consent or agree to such waiver or amendment shall be deemed a "**Non-Consenting Lender**".

(B) the agreement of any specified group of Lenders,

has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents, that Defaulting Lender's Commitments under the relevant Facility/ies will be reduced by the amount of its Available Commitments under the relevant Facility/ies and, to the extent that that reduction results in that Defaulting Lender's Total Commitments being zero, that Defaulting Lender shall be deemed not to be a Lender for the purposes of paragraphs (i) and (ii) above.

(b) For the purposes of this Clause 38.7, the Agent may assume that the following Lenders are Defaulting Lenders:

(i) any Lender which has notified the Agent that it has become a Defaulting Lender; and

(ii) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraphs (a), (b) or (c) of the definition of "Defaulting Lender" has occurred,

unless it has received notice to the contrary from the Lender concerned (together with any supporting evidence reasonably requested by the Agent) or the Agent is otherwise aware that the Lender has ceased to be a Defaulting Lender.

37.8 Replacement of a Defaulting Lender

(a) The Company may, at any time a Lender has become and continues to be a Defaulting Lender, by giving 10 Business Days' prior written notice to the Agent and such Lender:

accordance with Clause 26 (*Changes to the Lenders*) for a purchase price in cash payable at the time of transfer which is either:

(i) in an amount equal to the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest (to the extent that the Agent has not given a notification under Clause 26.12 *(Pro Rata Interest Settlement*)), Break Costs and other amounts payable in relation thereto under the Finance Documents; or

(ii) in an amount agreed between that Defaulting Lender, the Replacement Lender and the Company and which does not exceed the amount described in paragraph (i) above.

(b) Any transfer of rights and obligations of a Defaulting Lender pursuant to this Clause 37.8 shall be subject to the following conditions:

(i) the Company shall have no right to replace the Agent or the Security Agent;

(ii) neither the Agent nor the Defaulting Lender shall have any obligation to the Company to find a Replacement Lender;

(iii) the transfer must take place no later than 60 days after the notice referred to in paragraph (a) above;

(iv) in no event shall the Defaulting Lender be required to pay or surrender to the Replacement Lender any of the fees received by the Defaulting Lender pursuant to the Finance Documents; and

(v) the Defaulting Lender shall only be obliged to transfer its rights and obligations pursuant to paragraph (a) above once it is satisfied that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to that transfer to the Replacement Lender.

(c) The Defaulting Lender shall perform the checks described in paragraph (b)(v) above as soon as reasonably practicable following delivery of a notice referred to in paragraph (a) above and shall notify the Agent and the Company when it is satisfied that it has complied with those checks.

Schedule 20

Agreed Security and Guarantee Principles

Clause 1.1 General Principles

The guarantees and security to be provided will be given in accordance with the Agreed Security and Guarantee Principles set out in this Schedule 20 (the "**Agreed Security and Guarantee Principles**"). These Agreed Security and Guarantee Principles address the manner in which the agreed security and guarantee principles will impact on the guarantees and security proposed to be taken in relation to this transaction. Notwithstanding any other provisions of these Agreed Security and Guarantee Principles, these principles shall not apply to (i) any security over assets located in the United States or (ii) any guarantee, in each case to the extent granted by subsidiaries organized in the United States.

(a) The Agreed Security and Guarantee Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining effective or commercially reasonable guarantees and security from all Guarantors or shareholders of Guarantors where applicable in the jurisdiction in which such Guarantors or shareholders are located. In particular:

(i) general legal and statutory limitations, regulatory restrictions, capital maintenance, financial assistance, corporate benefit, fraudulent preference, "interest stripping", "controlled foreign corporation", transfer pricing or thin capitalization rules, tax restrictions, retention of title claims and similar principles may prohibit, limit or otherwise restrict the ability of a member of the "Group" (being comprised of the Company and all of the Subsidiaries but excluding any Excluded Subsidiaries) to provide a guarantee or security or may require that the guarantee or security be limited by an amount or otherwise; the Company will use commercially reasonable efforts (not involving the payment of material amounts of money or the incurrence of material expenses which are disproportionate to the benefit accruing to the Secured Parties as determined by the Company and the Majority Lenders in their reasonable judgment) to assist in demonstrating that adequate corporate benefit accrues to the relevant Guarantor or shareholder as applicable and to overcome any such limitations to the extent commercially reasonably practicable;

(ii) certain supervisory board, works council, regulator or regulatory board (or equivalent), or another external body's or person's consent may be required to enable a member of the Group to provide a guarantee or security. Such guarantee and/or security shall not be required unless such consent has been received or the relevant consent requirement waived or if it has been confirmed that such consent is no longer required; provided that commercially reasonable efforts (not involving the payment of material amounts of money or the incurrence of material expenses which are disproportionate to the benefit accruing to the Secured Parties as determined by the Company and the Majority Lenders in their reasonable judgment) have been used by the relevant member of the Group for a period of at least 15 Business Days to obtain the relevant consent or waiver to the extent permissible by law and regulation and such consent or waiver has no impact on relationships with third parties;

(iii) the giving of a guarantee or security or the perfection of the security granted will not be required to the extent that it would incur any registration fees, stamp duty, taxes and any other fees or costs directly associated with such guarantee or security which are not proportionate to the benefit accruing to the Secured Parties, as determined by the Company and the Majority Lenders in their reasonable judgment (for the avoidance of doubt, without prejudice to the Transaction Security to be granted in respect of the shares in Oatly Germany GmbH in accordance with Clause 24.27(c)(i));

(iv) the security and extent of its perfection will be agreed on the basis that the cost to the Group of providing security shall be proportionate to the benefit accruing to the Secured Parties, as determined by the Company and the Majority Lenders in their reasonable judgment;

(v) in certain jurisdictions it may be either impossible or disproportionately costly (as determined by the Company and the Majority Lenders in their reasonable judgment) to grant guarantees or create security over certain categories of assets, in which event such guarantees will not be granted and security will not be taken over such assets;

(vi) any assets subject to third party arrangements which are not prohibited by the Finance Documents and which may prevent those assets from being secured, and any cash constituting regulatory capital, will be excluded from any relevant Transaction Security Document; provided that commercially reasonable efforts (not involving the payment of material amounts of money or the incurrence of material expenses which are disproportionate to the benefit accruing to the Secured Parties as determined by the Company and the Majority Lenders in their reasonable judgment) for a period of at least 15 Business Days to obtain consent to secure any such assets shall be used by the relevant Guarantor if the relevant asset is material and otherwise required to be secured under this Agreement (which, for the avoidance of doubt, will not require the relevant Guarantor to take any action which could reasonably be expected to damage its commercial relationship with the relevant third party);

(vii) no member of the Group will be required to give guarantees or enter into Transaction Security Documents to the extent it is not within the legal capacity of the relevant member of the Group, it results in the Transaction Security Document being null and void or if, in the reasonable opinion of the directors of the relevant member of the Group, the same would conflict with the fiduciary duties of their directors or contravene any legal or regulatory prohibition or result in a risk of personal, civil or criminal liability on the part of any director which, in the case of such conflict, prohibition or risk, cannot be overcome with commercially reasonable efforts and at a reasonable cost (in which case, for the avoidance of doubt, appropriate and customary limitation language shall be added);

(viii) subject to the following sentence, perfection of security, when required, and other legal formalities will be completed as soon as reasonably practicable and, in any event, within the time periods specified in the Finance Documents therefor or (if earlier or to the extent no such time periods are specified in the Finance Documents) within the time periods specified by applicable law in order to ensure due perfection. Prior to the occurrence of an Event of Default which is continuing, and except as is customary in the relevant market, it will not be required to take certain steps of perfecting security (including, without limitation, notification of receivables security to third party debtors) if, in the reasonable opinion of the directors (or equivalent) of the relevant Guarantor and the Majority Lenders, it would be unduly burdensome on or restrict the ability of the relevant Guarantor to conduct its operations and business in the ordinary course or as otherwise not prohibited by the Finance Documents;

(ix) unless granted under a global Transaction Security Document governed by English law and provided by Guarantors incorporated in England & Wales (a "**Debenture**") or New York law and provided by Guarantors incorporated in the United States (an "**All Asset Security Document**") or any similar security agreement provided by Guarantors in any other jurisdiction in accordance with the terms of Clause 1.4 below, in each case in respect of all assets security, the Transaction Security Document shall be governed by the law of and secure assets located in or otherwise governed or expressed to be governed by the laws of the jurisdiction of incorporation of that Obligor (other than share security, security over intercompany receivables owed by members of the Group

incorporated in Sweden and security over Material Intellectual Property registered in any Material Jurisdiction);

(x) no guarantee or security will be required to be given by or over any acquired person or asset (and no consent shall be required to be sought with respect thereto) which are required to support debt (not incurred in contemplation of such acquisition) ("**Permitted Acquired Debt**") of such acquired person or encumbering such acquired asset that in each case is not prohibited under the Finance Documents to remain outstanding; no member of a target group or other entity acquired pursuant to an acquisition not prohibited under the Finance Documents shall be required to become a Guarantor or grant security for so long as such member of the target group or other entity is prevented by the terms of the documentation governing that Permitted Acquired Debt or if becoming a Guarantor or the granting of any security would give rise to an obligation (including any payment obligation) under or in relation thereto where such obligation is not prohibited under the Finance Documents to remain outstanding; and no security will be granted over any asset secured for the benefit of any such Permitted Acquired Debt to the extent constituting security otherwise not prohibited to subsist under the Finance Documents;

(xi) the maximum guaranteed or secured amount may be limited to minimize stamp duty, notarization, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties, as determined by the Company and the Majority Lenders in their reasonable judgment;

(xii) [reserved];

(xiii) guarantees will not be required from and security will not be required with respect to the assets of (or, in respect of Equity Interests, in), any subsidiary formed or acquired after the 2023 Effective Date that is a bona fide joint venture with a third party not affiliated with the Borrowers;

(xiv) [reserved];

(xv) no share certificates shall be required to be delivered with respect to security granted over any Equity Interests in any Subsidiary that is not a Material Company;

(xvi) [reserved];

(xvii) the Security Agent will hold one set of security for all Lenders unless local law requires separate ranking security for different classes of debt, or otherwise (including but not limited to pursuant to any joint and several creditorship or other similar or equivalent structure or parallel debt provisions) if, due to local law restrictions, it is impractical or disproportionate in relation to the benefit of the security for the Security Agent to hold the security in its name and for the benefit of the Lenders;

(xviii) no guarantee or security shall guarantee or secure any "Excluded Swap Obligations";

(xix) without prejudice to the Company's right to designate Guarantors in accordance with the terms of this Agreement, no member of the Group incorporated or otherwise established in an Excluded Jurisdiction will be required to accede to any Finance Document as a Guarantor or provide security and no security will be required to be provided over any Equity Interests in any member of the Group that is incorporated or otherwise established in an Excluded Jurisdiction (unless pursuant to all asset security or floating charge or equivalent security, save that no local-law perfection shall be required); and

(xx) without prejudice to the Company's right to designate Guarantors in accordance with the terms of this Agreement but notwithstanding any term of any other Finance Document: no loan or other obligation under any Finance Document may be, directly or indirectly: (i) guaranteed by any Excluded Subsidiary; or (ii) secured by any assets of or any Equity Interests in an Excluded Subsidiary or by Excluded Property.

(b) The Agent, the Security Agent and/or the other Secured Parties, as the case may be, shall promptly discharge any guarantees and release any security which is or are subject to any legal or regulatory prohibition referred to in paragraph (a) above.

(c) The Transaction Security Documents (save for any Transaction Security Documents which require a prescribed or notarial form) shall expressly state that in the event of any inconsistency between the terms of the Transaction Security Documents and the Intercreditor Agreement, the terms of the Intercreditor Agreement shall prevail. Nothing which is not prohibited to be done under this Agreement shall constitute a breach of any term of the Transaction Security Documents and no representation, warranty or undertaking contained in a Transaction Security Document shall be breached to the extent it conflicts with this Agreement or prohibits something which would otherwise not be prohibited under this Agreement.

(d) The Security Agent shall (and is irrevocably authorized and instructed to) promptly enter into and deliver any documentation and/or take such other action as may be required by the Company to give effect to these Agreed Security and Guarantee Principles.

Clause 1.2 Guarantors and Transaction Security

Each guarantee will be an upstream, cross-stream and downstream guarantee and for all liabilities of the Guarantors under the Finance Documents in accordance with, and subject to, the requirements of the Agreed Security and Guarantee Principles in each relevant jurisdiction. Transaction Security provided by a Guarantor will only secure the (i) direct borrowing, (ii) to the extent permitted to be guaranteed and secured under the Term Loan B Credit Agreement and this Agreement, hedging obligations and cash management obligations and/or (iii) guarantee obligations of that Guarantor under the Finance Documents, in each case in accordance with, and subject to, the requirements of the Agreed Security and Guarantee Principles in each relevant jurisdiction.

Where a Guarantor or its shareholders (as applicable) secures shares (or partnership interests), the Transaction Security Document will be governed by the laws of the jurisdiction of the company whose shares (or partnership interests) are being secured and not by the law of the jurisdiction of the security provider (unless pursuant to a purported charge under an all asset security or floating charge or equivalent security, and provided that, for the avoidance of doubt, such purported charge shall not require perfection or the completion of any perfection actions other than standard filings with respect to such security). Subject to these principles, only the shares (or partnership interests) in each Guarantor (but excluding the Company) owned by a Borrower or a Guarantor shall be secured (unless pursuant to all asset security or floating charge or equivalent security).

To the extent legally effective or practical and proportionate to the benefit of the security, all security shall be given in favour of the Security Agent and not the Secured Parties individually (including but not limited to pursuant to any joint and several creditorship or other similar or equivalent structure or parallel debt provisions). "Parallel debt" provisions will be used where necessary and such provisions will be contained in this Agreement or the Intercreditor Agreement and not in the individual Transaction Security Documents, unless required under local laws. To the extent possible or practical and proportionate to the benefit of the guarantees or security, there should be no action required to be taken in relation to the guarantees or security when any Lender assigns or transfers any of its participation in any Facility to a new Lender save for any jurisdiction-specific requirement set out in this Agreement or the Intercreditor Agreement or any related accession document.

The Guarantors will not be required to pay the cost of any re-execution, notarization, reregistration, amendment or other perfection requirement for any security on any assignment or transfer and such cost

or fee shall be for the account of the transferee or assignee Lender, other than in any case, any such actions taken by the Security Agent.

Clause 1.3 Terms of Transaction Security Documents

The following principles will be reflected in the Transaction Security Documents:

(a) without prejudice to the Company's right to grant security over certain Excluded Property to the Secured Parties in its sole discretion, the security shall not include Excluded Property;

(b) no security will be granted in any jurisdiction other than a jurisdiction in which a Guarantor is organized or incorporated or in which Material Intellectual Property is located or in which the issuer of pledged equity interests is organized or incorporated;

(c) subject to any security permitted to be granted by the Guarantors under the Finance Documents, the security will be first ranking to the extent possible;

(d) security will not be enforceable in relation to the obligations or liabilities under this Agreement until the occurrence of an Event of Default which is continuing and an Acceleration Event (as defined in the Intercreditor Agreement but only in relation to this Agreement) which is continuing (an "**Enforcement Event**");

(e) to the extent permitted under applicable law and customary in the relevant market, the Secured Parties shall only be able to exercise a power of attorney following the occurrence of an Enforcement Event that is continuing or if the relevant Guarantor has failed to comply with a further assurance or perfection obligation within 20 Business Days after being notified of that failure and being requested to comply, provided that in relation to any German security over bank accounts, the Secured Parties shall be able to exercise a power of attorney if the relevant Guarantor has failed to notify the relevant account banks within the time period agreed in the relevant Transaction Security Document;

(f) the provisions of each Transaction Security Document will not be unduly burdensome on the Guarantor or interfere unreasonably with the operation of its business in the ordinary course of business, will be limited to those provisions required by local law to create or perfect or ensure the priority and validity of the security interest expressed to be created thereby and will not impose commercial obligations;

(g) in the Transaction Security Documents there will be no repetition or extension of clauses set out in the Finance Documents such as those relating to notices, cost and expenses, indemnities, tax gross up, distribution of proceeds and release of security to the extent such provisions in the Finance Documents apply to the applicable Obligor and the Obligor is a party to such Finance Documents, unless such repetition or extension is customary in the relevant market;

(h) (other than with respect to any third party security providers) representations, covenants and undertakings shall be included in the Transaction Security Documents only to the extent required by local law in order to create or perfect or ensure the priority and validity of the security interest expressed to be created thereby (to the extent perfection is required by these Agreed Security and Guarantee Principles) (unless otherwise covered by the Finance Documents);

(i) (other than with respect to any third party security providers) representations in Transaction Security Documents shall be given only on the date on which such Transaction Security Documents are executed and shall not otherwise repeat other than (subject to paragraph (h) above) with respect to newly acquired assets subject to such Transaction Security Documents or as mutually agreed;

(j) any rights of set off will not be exercisable until the occurrence of an Enforcement Event unless the counterclaim is undisputed or has been confirmed in a final non-appealable judgment. Such

rights shall apply only to matured obligations due and payable to any Lender by a Guarantor under a Finance Document;

(k) the Transaction Security Documents should not operate so as to prevent transactions which are not otherwise prohibited under the Finance Documents or to require additional consents or authorizations;

(l) information, such as lists of assets being subject to security, will be provided if, and only to the extent, (x) required by local law to be provided for the validity of the security or to maintain, perfect or register the security and (y) this information can be provided without breaching confidentiality requirements or data protection requirements or, in the reasonable opinion of the Company, damaging business relationships or commercial reputation. Such information, when required to be provided, shall be provided no more frequently than annually prior to the occurrence of an Event of Default which is continuing and has not been waived and, following and during the continuance of an Enforcement Event, on the Security Agent's reasonable request;

(m) [reserved]; and

(n) security will, where possible and practical, automatically create security over future assets of the same type as those already secured; where local law requires supplemental security to be delivered in respect of future acquired assets in order for effective security to be created over that class of asset, such supplemental security shall be provided at intervals no more frequent than twelve months (unless required by law or regulation or upon the occurrence of an Enforcement Event that is continuing on the Security Agent's reasonable request).

Clause 1.4 Scope of the Transaction Security

Subject to these Agreed Security and Guarantee Principles:

(a) each Guarantor incorporated in the United States shall grant all asset security by way of an All Asset Security Document;

(b) each Guarantor incorporated in England & Wales shall grant all asset fixed and floating charge by way of a Debenture;

(c) each Guarantor incorporated in any other jurisdiction where granting of all or substantially all asset security is both legally feasible and customary (as agreed between the Company and the Security Agent, each acting reasonably), shall grant security over all its assets by way of a customary fixed and floating charge debenture or all asset security agreement (as the case may be); and

(d) each Guarantor shall grant security over the following assets (unless already covered pursuant to paragraphs (a) to (c) above):

(i) Equity Interests of each Guarantor (other than the Company) held by it;

(ii) any intercompany receivables of Guarantors from any other member of the Group in a principal amount exceeding $1,000,000 (or the equivalent in any other currency) and with a tenor in excess of 90 days (in each case excluding any such receivables arising under any cash pooling, netting or set-off arrangements);

(iii) bank accounts, other than Exempt Accounts;

(iv) any of its Material Intellectual Property;

(v) with respect to any Guarantor incorporated in Sweden which has existing business mortgage certificates (Sw. *företagsinteckningsbrev*) as of the date of the 2023

Amendment and Restatement Agreement, a business mortgage (Sw. *företagshypotek*) limited to such existing business mortgage certificates; and

(vi) with respect to any Guarantor incorporated in Sweden which has existing real property mortgage certificates (Sw. *pantbrev*) as of the date of the 2023 Amendment and Restatement Agreement, Transaction Security in respect of such existing real property mortgage certificates (Sw. *pantbrev*).

Clause 1.5 Intercompany Receivables

(a) Where a Guarantor grants security over its intercompany receivables, it shall be free to deal with those receivables in the course of its business until the occurrence of an Enforcement Event that is continuing (provided that with respect to any such intercompany receivables granted by the Company or CEBA to any member of the Group incorporated in Sweden, unless otherwise agreed by the Security Agent, no payment of principal amount may be made without the consent of the Security Agent acting in its sole discretion, provided that interest payments may be made until an Enforcement Event).

(b) Where required by local law to perfect the security, notice of the security will be served on the relevant debtor within 10 Business Days of the security being granted and the Guarantor shall obtain an acknowledgement of that notice within 20 Business Days of service. Notwithstanding the foregoing, in relation to security over intercompany receivables granted by the Company or CEBA to any member of the Group, notice of the security will be served on the date of the relevant Transaction Security Document.

(c) Where required under local law, security over intercompany receivables will be registered subject to the general principles set out in these Agreed Security and Guarantee Principles.

Clause 1.6 Shares

(a) Until the occurrence of an Enforcement Event that is continuing, a Guarantor that has granted security will be permitted to retain and to exercise (in a manner which does not result in a Material Adverse Effect or cause an Event of Default to occur) voting rights appertaining to any shares (or partnership interests) secured by it and the company whose shares (or partnership interests) have been secured will be permitted to pay dividends upstream on secured shares (or partnership interests) to the extent permitted under the Finance Documents with the proceeds to be available to the Term Loan B Borrowers and the Subsidiaries of the Company. With respect to security over shares in a Guarantor incorporated in Germany only, the voting rights will remain with the grantor even after an Enforcement Event has occurred, provided that any exercise of rights does not materially adversely affect the validity or enforceability of the security over the shares or cause an Event of Default to occur.

(b) Unless the restriction is required by law or regulation or arrangements with minority shareholders, the constitutional documents of the company whose shares (or partnership interests) have been secured will be amended to the extent that it is within the power of the security provider to do so (using commercially reasonable efforts to obtain the consent of third parties where relevant) to remove restrictions (if any) on the transfer or the registration of the transfer of the shares (or partnership interests) on the taking or enforcement of the security granted over them.

(c) The enforcement of security over shares and the acquisition or exercise by the Security Agent of voting rights in respect of shares may be subject to regulatory consent. Accordingly, enforcement of any security over shares and the exercise by the Security Agent of the voting rights in respect of such shares will be expressed to be conditional upon obtaining any consents required by law or regulation and no such consents shall be required to be sought or requested prior to an Enforcement Event that is continuing and written request having been made by the Security Agent to the Company.

(d) Where customary in the relevant market and applicable as a matter of law, on or as soon as reasonably practicable (and in any event within two (2) Business Days) following execution of any share security, the applicable share certificate(s) (or other documents evidencing or representing title to the relevant shares) and a stock transfer form executed in blank (or local law equivalent) will be provided by the Guarantor that has granted the share security to the Security Agent and where required by law the share certificate(s) or shareholders' register will be endorsed or written up and the endorsed share certificate(s) and/or a copy of the written up register provided by the Guarantor that has granted the share security to the Security Agent. With respect to any additional secured shares subsequently acquired by the relevant grantor, the foregoing shall be done as soon as reasonably practicable and in any event within five (5) Business Days of such shares being acquired by the relevant grantor. Notwithstanding the foregoing, in relation to the security over the shares in CEBA held by the Company and the shares in Oatly AB held by CEBA, perfection steps shall be undertaken on the date of the relevant security.

Clause 1.7 Intellectual Property

(a) Until the occurrence of an Enforcement Event that is continuing, a Guarantor providing security over its Material Intellectual Property will be permitted to deal with such secured Material Intellectual Property in the course of its business (including, without limitation, allowing such intellectual property to lapse if no longer material to its business) subject to the Finance Documents.

(b) If required under law for perfection of the security interest, security over the secured Material Intellectual Property may be registered under (i) the law of that Transaction Security Document, (ii) if the Material Intellectual Property is registered in a jurisdiction in which revenue or assets generated or owned by the Company and its subsidiaries is equal to or greater than 2.5% of the aggregate consolidated revenue or assets of the Group, the law of such jurisdiction or (iii) at a relevant national or supra-national registry (such as the EU).

Clause 1.8 Bank Accounts

(a) Until the occurrence of an Enforcement Event that is continuing, a Guarantor that has granted security will be permitted to deal with secured accounts in the course of its business.

(b) The Obligors shall take the actions required in Clause 24.29 (*Cash management*). With respect to other secured bank accounts:

(i) notice of the security will be served on the account bank within 10 Business Days of the security being granted (or earlier, if required in the relevant jurisdiction to create valid security) and the relevant Guarantor shall use its commercially reasonable efforts to obtain an acknowledgement of that notice within 20 Business Days of service (or earlier, if required in the relevant jurisdiction to create valid security). If the relevant Guarantor has used its commercially reasonable efforts but has not been able to obtain acknowledgement, its obligation to obtain acknowledgement shall cease on the expiry of that 20 Business Day period. Irrespective of whether notice of the security is required for perfection if the service of notice would prevent the Guarantor from dealing with an account in the course of its business no notice of security shall be served until the occurrence of an Enforcement Event that is continuing; and

(ii) any security over such bank accounts shall be subject to any prior security interests in favour of the account bank which are created either by law or in the standard terms and conditions of the account bank. (1) Each Borrower hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-borrower, joint and several liability with the other Borrowers with respect to the prompt payment and performance of all Obligations of the Borrowers and all agreements of each of the Borrowers under the Loan Documents, it being the intention of the parties hereto that all of the Obligations of each Borrower shall be the joint and several obligations of each of the Borrowers without preferences or distinction between them. If and to the extent that any Borrower shall fail to make any payment with respect to any of the obligations under the Loan Documents as and when due or to perform any of such obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such obligations. Each Borrower agrees that its co-borrower obligations hereunder are direct obligations of payment and not of collection.

(2) Each Borrower hereby waives, for the benefit of the Secured Parties: (a) any right to require any Secured Parties, as a condition of payment or performance by such Borrower, to (i) proceed against any other Borrower or any other Person, (ii) proceed against or exhaust any security held from any other Borrower or any other Person, (iii) proceed against or have resort to any credit on the books of any Secured Parties in favor of any other Borrower or any other Person or (iv) pursue any other remedy in the power of any Secured Parties whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any other Borrower including any defense based on or arising out of the lack of validity or the unenforceability of the Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of any other Borrower from any cause other than payment in full of the Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Secured Party's errors or omissions in the administration of the Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Borrower's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Borrower's liability hereunder or the enforcement hereof, (iii) any rights to set-off, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Secured Party protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) any defense based on modification of the Obligations; (g) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Obligations or any agreement related thereto, notices of any extension of credit to any Borrower and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

Section 1.16 Interest Rate. The interest rate on a Loan denominated in dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 3.04(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrowers. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the

Borrowers, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

(c) In connection with any amendment, waiver, determination or direction relating to any part of a Sanctions Provision of which a Restricted Lender does not have the benefit pursuant to paragraph (b) above, the Commitments of that Restricted Lender will be excluded for the purpose of determining whether the consent of the Required Lenders (or any other applicable consent threshold) has been obtained or whether the determination or direction by the Required Lenders (or any other applicable consent threshold required to make the relevant determination or direction) has been made.

ARTICLE II.
The Commitments and Credit Extensions

Section 2.01 The Loans.

(a) The Initial Term Borrowings. Subject to the terms and conditions set forth herein, each Term Lender with an Initial Term Commitment severally agrees to make a single loan denominated in Dollars (the "Initial Term Loans") to the Borrowers on the Closing Date in an amount not to exceed such Term Lender's Initial Term Commitment. The Initial Term Borrowing shall consist of Initial Term Loans made simultaneously by the Term Lenders in accordance with their respective Initial Term Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14). Initial Term Loans may be Base Rate Loans or SOFR Loans as further provided herein.

(b) [reserved].

(c) After the Closing Date, subject to and upon the terms and conditions set forth herein, each Lender with a Term Commitment (other than an Initial Term Commitment) with respect to any Tranche of Term Loans (other than Initial Term Loans) severally agrees to make a Term Loan under such Tranche to the applicable Borrowers thereof in an amount not to exceed such Term Lender's Term Commitment under such Tranche on the date of incurrence thereof, which Term Loans under such Tranche shall be incurred pursuant to a single drawing on the date set forth for such incurrence. Such Term Loans may be Base Rate Loans or SOFR Loans as further provided herein. Once repaid, Term Loans incurred hereunder may not be reborrowed.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each conversion of Term Loans, from one Type to the other, and each continuation of SOFR Loans, shall be made upon irrevocable notice by the Swedish Borrower to the Administrative Agent; provided that Loans denominated in Dollars shall be Base Rate Loans or SOFR Loans. Other than with respect to a Borrowing of Base Rate Loans (which must be in writing and be received by the Administrative Agent not later than 12:00 p.m. (New York City time)), each such notice must be in writing and must be received by the Administrative Agent not later than 12:00 p.m. (New York City time) (i) three (3) Business Days prior to the requested date of any Borrowing of, or continuation of SOFR Loans, or of any conversion of Base Rate Loans to SOFR Loans (or such later

date as the Administrative Agent shall agree) (or in the case of any such Borrowing to be made on the Closing Date, one Business Day prior to the Closing Date) and (ii) one (1) Business Day prior to the requested date of any Borrowing of Base Rate Loans or of any conversion of SOFR Loans to Base Rate Loans. Each notice pursuant to this Section 2.02(a) shall be delivered to the Administrative Agent in the form of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrowers.

Each Borrowing of, conversion to or continuation of SOFR Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Each Borrowing of, or conversion to, Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof.

Each Committed Loan Notice shall specify (i) whether the applicable Borrowers are requesting a Term Borrowing, a conversion of a Tranche of Term Loans from one Type to the other, or a continuation of SOFR Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) if applicable, the Type of Loans to be borrowed or to which existing Tranche of Term Loans are to be converted and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrowers fail to specify a Type of Loan in a Committed Loan Notice or if the Borrowers fail to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Term Loans shall be made as, or converted to, SOFR Loans with an Interest Period of one month. Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable SOFR Loans, as applicable. If the Borrowers request a Borrowing of, conversion to, or continuation of SOFR Loans in any such Committed Loan Notice, but fail to specify an Interest Period, they will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its ratable share of the applicable Tranche of Term Loans, and if no timely notice of a conversion or continuation of SOFR Loans is provided by the applicable Borrowers, the Administrative Agent shall notify each Lender of the details of any automatic conversion to SOFR Loans with an Interest Period of one month as described in Section 2.02(a). Each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m. (New York City time) on the Business Day specified in the applicable Committed Loan Notice. Each Lender may, at its option, make any Loan available to the Borrowers by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement. Upon satisfaction of the applicable conditions set forth in Section 4.01, the Administrative Agent shall make all funds so received by the cutoff times set forth above available to the Borrowers in like funds received by the Administrative Agent either by (i) crediting the account of the Borrowers on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrowers.

(c) Except as otherwise provided herein, a SOFR Loan may be continued or converted only on the last day of an Interest Period for such SOFR Loan unless the Borrowers pay the amount due under Section 3.06 in connection therewith. During the existence of an Event of Default, at the election of the Administrative Agent or the Required Lenders, no Loans may be requested as, converted to or continued as SOFR Loans.

(d) The Administrative Agent shall promptly notify the Borrowers and the Lenders of the interest rate applicable to any Interest Period for SOFR Loans upon determination of such interest rate. The determination of Term SOFR by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) After giving effect to all Term Borrowings, all conversions of Term Loans from one Type to the other, and all continuations of Term Loans of the same Type, there shall not be more than ten Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing, which for the avoidance of doubt does not limit such Lender's obligations under Section 2.17.

(g) In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time (in consultation with the Borrowers) and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrowers and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(a) Optional. (i) The Borrowers may, upon notice by the Borrowers substantially in the form of Exhibit G (or in such other form reasonably acceptable to the Administrative Agent) to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as set forth in Section 2.05(a)(iii) below; provided that (1) such notice must be received by the Administrative Agent not later than 2:00 p.m. (New York City time) three Business Days prior to any date of prepayment (or such shorter period as the Administrative Agent shall agree, acting reasonably) and (2) any prepayment of SOFR Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Each such notice shall specify the date and amount of such prepayment, the Tranche of Loans to be prepaid, the Type(s) of Loans to be prepaid and, if SOFR Loans are to be prepaid, the Interest Period(s) of such Loans (except that if the class of Loans to be prepaid includes both Base Rate Loans and SOFR Loans, absent direction by the applicable Borrowers, the applicable prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to SOFR Loans, in each case in a manner that minimizes the amount payable by the applicable Borrowers in respect of such prepayment pursuant to Section 3.06). The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's ratable share of the relevant Facility). If such notice is given by the Borrowers, subject to clause (ii) below, the applicable Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 2.05(a)(iii) and Section 3.06. Subject to Section 2.17, each prepayment of any outstanding Term Loan Tranche pursuant to this Section 2.05(a) shall be applied to such Term Loan Tranche or Term Loan Tranches designated on such notice. Subject to Section 2.17, each prepayment of any outstanding Term Loan Tranche pursuant to this Section 2.05(a) shall be applied to the remaining amortization payments of the applicable Term Loan Tranche as directed by the Swedish Borrower (or, if the Swedish Borrower has not made such designation, in direct order of maturity); and each such prepayment shall be paid to the Appropriate Lenders on a pro rata basis to the Lenders within such applicable Term Loan Tranche. The Borrower shall have no more than four prepayments of SOFR Loans per year pursuant to this Section 2.05(a).

(ii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.05(a)(i) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked or postponed by the Borrowers (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(iii) In the event that all or any portion of the Initial Term Loans is repaid or prepaid for any reason (including as a result of any mandatory prepayments pursuant to Section 2.05(b)(ii) or Section 2.05(b)(iii), voluntary or optional prepayments, any Repricing Event, payments made following acceleration of the Initial Term Loans (but excluding payments of the purchase price in connection with an assignment of the Initial Term Loans made pursuant to Section 3.08) prior to the third anniversary of the Closing Date, such repayments or prepayments will be made together with a premium equal to (A) the Make-Whole Premium as of the date of such repayment or prepayment, if such repayment or prepayment occurs prior to the second anniversary of the Closing Date and (B) 3.00% of the amount repaid or prepaid, if such repayment or prepayment occurs on or after the second anniversary of the Closing Date but on or prior to the third anniversary of the Closing Date (the foregoing premiums (including the Make-Whole Premium), the "Prepayment Premium"); provided that the Prepayment Premium shall not apply to (1) scheduled amortization Installment payments made by Borrower pursuant to Section 2.07 and (2) mandatory prepayments by Borrower pursuant to Section 2.05(b)(i). If the Initial Term Loans are accelerated or otherwise become due prior to their maturity date, in each case, as a result of an Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the amount of principal of and premium on the Initial Term Loans that becomes due and payable shall equal 100% of the principal amount of the Initial Term Loans plus the Prepayment Premium in effect on the date of such acceleration or such other prior due date, as if such acceleration or other occurrence were a voluntary prepayment of the Initial Term Loans accelerated or otherwise becoming due. Without limiting the generality of the foregoing, it is understood and agreed that if the Initial Term Loans are accelerated or otherwise become due prior to their maturity date, in each case, in respect of any Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the Prepayment Premium applicable with respect to a voluntary prepayment of the Initial Term Loans will also be due and payable on the date of such acceleration or such other prior due date as though the Loans were voluntarily prepaid as of such date and shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's loss as a result thereof. Any premium payable above shall be presumed to be the liquidated damages sustained by each Lender and each Borrower agrees that it is reasonable under the circumstances currently existing. EACH BORROWER EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE PREPAYMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. Each Borrower expressly agrees (to the fullest extent it may lawfully do so) that: (A) the Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and each Borrower giving specific consideration in this transaction for such agreement to pay the Prepayment Premium; and (D) each Borrower shall be estopped hereafter from claiming differently than as agreed to in this paragraph

(b) Mandatory.

(i) For any Excess Cash Flow Period, within ten Business Days after financial statements have been delivered or were required to have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a) (or, if later, the date on which such financial statements and such Compliance Certificate are required to be delivered), the Borrowers shall prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the proviso below) of Excess Cash Flow for such Excess Cash Flow Period (commencing with the Excess Cash Flow Period ending on December 31, 2024), *minus* (B) the sum of:

(1) the aggregate amount of voluntary principal prepayments in cash of the Loans, Sustainable Revolving Credit Facility Loans (to the extent accompanied by a permanent reduction in the Sustainable Revolving Credit

Facility Commitment), Specified Refinancing Term Loans or Indebtedness (other than any revolving Indebtedness) that is pari passu in right of payment and security with the Initial Term Loans, in each case made during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the relevant Excess Cash Flow Period or, at the option of the Swedish Borrower and without duplication, on the date immediately prior to the date on which the relevant Excess Cash Flow prepayment is or would be required to be made (including prepayments at a discount to par in connection with Permitted Debt Exchanges, repayments of Obligations of any Replaceable Lender permitted under Section 3.08 and assignments made to Parent or any of its Subsidiaries permitted under this Agreement, with credit given for the actual amount of the cash payment) (except prepayments of secured revolving Indebtedness that are not accompanied by a corresponding permanent commitment reduction), in each case other than to the extent that any such prepayment is funded with the proceeds of long-term Indebtedness (other than any revolving Indebtedness (except for revolving Indebtedness used to prepay any other revolving Indebtedness));

(2) [reserved],

(3) the amount of Taxes paid and/or capital expenditures either made in cash by any Borrower or any of its Restricted Subsidiaries during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the applicable Excess Cash Flow Period (or, at the Swedish Borrower's option, after the end of the relevant Excess Cash Flow Period but prior to the time such Excess Cash Flow payment is due; provided that to the extent the Swedish Borrower exercises such option, such amount shall not be permitted as a reduction against the subsequent Excess Cash Flow Period calculation) and in each case other than to the extent that any such capital expenditures or Taxes are funded with the proceeds of long-term Indebtedness (other than any revolving Indebtedness),

(4) the aggregate amount of cash consideration paid by any Borrower or any Restricted Subsidiary (on a consolidated basis) in connection with any Investments, any acquisitions, acquisitions of intellectual property and any deferred payments in connection with any acquisition and Restricted Payments (including, without limitation, any distribution with respect to Taxes) other than, in each case, any Investments in cash or Cash Equivalents or Investments in Parent or any Restricted Subsidiaries during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the applicable Excess Cash Flow Period (or, at the Swedish Borrower's option, after the end of the relevant Excess Cash Flow Period but prior to the time such Excess Cash Flow payment is due; provided that to the extent the Swedish Borrower exercises such option, such amount shall not be permitted as a reduction against the subsequent Excess Cash Flow Period calculation) and in each case other than to the extent that any such cash consideration is funded with the proceeds of long-term Indebtedness (other than any revolving Indebtedness), and

(5) at the Borrowers' election, without duplication of amounts deducted from Excess Cash Flow pursuant to this Section 2.05(b)(i)(B)(5) in respect of prior fiscal years, the aggregate consideration required to be paid in cash by any Borrower or any of the Restricted Subsidiaries pursuant to binding contracts (the "Contract Consideration") entered into prior to or during such fiscal year or otherwise budgeted or planned to be paid in cash, in each case, relating to Investments, any acquisitions, acquisitions of intellectual property and any deferred payments in connection with any acquisition, or capital expenditures to be consummated or made during the period of four consecutive fiscal quarters of Parent following the end of such fiscal year other than, in each case, any Investments in cash or Cash Equivalents or Investments in Parent or any Restricted Subsidiaries; provided that to the extent the aggregate amount of cash actually utilized to finance such Investments and capital expenditures during such period of four consecutive fiscal quarters is less than the Contract Consideration or amount otherwise budgeted or planned for such uses, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive fiscal quarters;

provided that such percentage in respect of any Excess Cash Flow Period shall be reduced to 25% if the First Lien Net Leverage Ratio as of the last day of the fiscal year to which such Excess Cash Flow Period relates was less than or equal to 4.00:1.00 but greater than 3.00:1.00 or to 0% if the First Lien Net Leverage Ratio as of the last day of the fiscal year to which such Excess Cash Flow Period relates was less than or equal to 3.00:1.00, respectively (the amount described in this clause (i), the "ECF Prepayment Amount"); provided further that no prepayment shall be required with respect to any Excess Cash Flow Period to the extent Excess Cash Flow for such period is less than the greater of (x) $5,000,000 and (y) 10.0% of Four Quarter Consolidated EBITDA (and only the amounts in excess thereof shall be required to be prepaid); provided further that, if the First Lien Net Leverage Ratio on a Pro Forma Basis after giving effect to any Excess Cash Flow prepayment would result in the percentage in respect of the applicable Excess Cash Flow Period being reduced to 25% or 0%, then such reduced percentage applicable to the Excess Cash Flow prepayment required to be made shall apply.

(ii) If any Asset Sale (or series of related Asset Sales) results in the receipt by the Borrowers or any Restricted Subsidiary of aggregate Net Cash Proceeds in excess of $10,000,000 per fiscal year (such threshold amount, the "De-Minimis Amount" and any such event, a "Relevant Transaction"), then except to the extent the Swedish Borrower elects to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 7.04, the Borrowers shall prepay, subject to Section 2.05(b)(viii) and (ix), an aggregate principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds received from such Relevant Transaction within 15 Business Days of receipt thereof (or, within 15 Business Days after the later of the date the threshold referred to above is first exceeded and the date the relevant Net Cash Proceeds are received) by the Borrowers or such Restricted Subsidiary; provided that the Borrowers may use a portion of the Net Cash Proceeds received from such Relevant Transaction to prepay or repurchase any other Indebtedness (other than Indebtedness under the Sustainable Revolving Credit Facility Agreement) that is secured by the Collateral on a first lien "equal and ratable" basis with Liens securing the Obligations to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Relevant Transaction, to the extent not deducted in the calculation of Net Cash Proceeds, in each case in an amount not to exceed the product of (1) the amount of such Net Cash Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08).

(iii) Upon the incurrence or issuance by Parent, Holdings, any Borrower or any Restricted Subsidiary of any Refinancing Notes, any Specified Refinancing Term Loans or any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.01, the Borrowers shall prepay an aggregate principal amount of Term Loan Tranches in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Borrowers or such Restricted Subsidiary.

(iv) [reserved].

(v) [reserved].

(vi) Subject to Section 2.17, each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied among Term Loan Tranches as directed by the Swedish Borrower (other than a prepayment of (x) Term Loans with the proceeds of Indebtedness incurred pursuant to Section 2.18, which shall be applied to the Term Loan Tranche as applicable, being refinanced pursuant thereto or (y) Term Loans with the proceeds of any Refinancing Notes issued or incurred to the extent permitted under Section 7.01(a), which shall be applied to the Term Loan Tranche, as applicable, being refinanced pursuant thereto) and, in the case of a Term Loan Tranche, within a Term Loan Tranche

as directed by the Swedish Borrower (and absent such direction, in direct order of maturity). Amounts to be applied to a Term Loan Tranche in connection with prepayments made pursuant to this Section 2.05(b) shall be applied to the principal installments thereof as directed by the Swedish Borrower (and absent such direction, to the remaining scheduled installments with respect to such Term Loan Tranche in direct order of maturity). Each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied on a pro rata basis to the then outstanding Base Rate Loans and SOFR Loans under such Facility; provided that, if there are no Declining Lenders with respect to such prepayment, then the amount thereof shall be applied first to Base Rate Loans under such Facility to the full extent thereof before application to SOFR Loans, in each case in a manner that minimizes the amount payable by the Borrowers in respect of such prepayment pursuant to Section 3.06.

(vii) All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a SOFR Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such SOFR Loan pursuant to Section 3.06 and, to the extent applicable, any additional amounts required pursuant to Section 2.05(a)(iii).

(viii) Notwithstanding any other provisions of this Section 2.05, to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Subsidiary (a "Foreign Disposition") giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i), are or is prohibited, restricted or delayed by applicable local law (including, without limitation, financial assistance and corporate benefit restrictions and fiduciary and statutory duties of any directors or officers of such Subsidiaries) from being repatriated to the applicable Borrowers, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Subsidiary (it being understood and agreed that the Borrowers shall be under no obligation to cause or to attempt to cause the applicable Subsidiary to promptly take any actions reasonably required by the applicable local law to permit such repatriation, to monitor any such circumstances or to reserve cash for future repatriation after it has provided notice to the Administrative Agent of such prohibition, restriction, delay or risk).

(ix) Notwithstanding any other provisions of this Section 2.05, to the extent that the Swedish Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) would result in material adverse tax consequences (as reasonably determined by the Swedish Borrower in consultation with the Administrative Agent and the Lead Lender, taking into account any foreign Tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Subsidiary; provided that to the extent that the repatriation of the relevant Net Cash Proceeds of any Foreign Disposition or Excess Cash Flow, directly or indirectly, from the relevant Subsidiary would no longer have a material adverse Tax consequence (as reasonably determined by the Swedish Borrower) within the 365-day period following the Foreign Disposition or the end of the applicable Excess Cash Flow Period, as the case may be, an amount equal to the Net Cash Proceeds or Excess Cash Flow, as applicable and to the extent available, not previously applied pursuant to this sub-clause (ix) shall be promptly applied (net of any Taxes payable as a result of such repatriation) to the repayment of the Term Loans pursuant to Section 2.05 as otherwise required above.

(x) Notwithstanding any other provisions of this Section 2.05(b), the Borrowers may make prepayments required in connection with any Indebtedness that is secured on a pari passu basis with the Initial Term Loans on a ratable basis based on the outstanding principal amount of such Indebtedness.

(c) Term Lender Opt-Out. With respect to any prepayment of Initial Term Loans and, unless otherwise specified in the documents therefor, other Term Loan Tranches pursuant to Section 2.05(b)(i) or (ii), any Appropriate Lender, at its option, may elect not to accept such prepayment as provided below. The Swedish Borrower shall notify

the Administrative Agent of any event giving rise to a prepayment under Section 2.05(b)(i) or (ii) at least five Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under Section 2.05(b)(i) or (ii) (the "Prepayment Amount"). The Administrative Agent will promptly notify each Appropriate Lender of the contents of any such prepayment notice so received from the Swedish Borrower, including the date on which such prepayment is to be made (the "Prepayment Date"). Any Appropriate Lender may decline to accept all (but not less than all) of its share of any such prepayment pursuant to Section 2.05(b)(i) or (ii) (any such Lender, a "Declining Lender") by providing written notice to the Administrative Agent no later than four Business Days after the date of such Appropriate Lender's receipt of notice from the Administrative Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Administrative Agent on or prior to such fourth Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Administrative Agent by the Borrowers and applied by the Administrative Agent ratably to prepay Term Loans under the Term Loan Tranche(s) owing to Appropriate Lenders (other than Declining Lenders) in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans, New Term Loans or Specified Refinancing Term Loans owing to Declining Lenders shall be retained by the Borrowers (such amounts, "Declined Amounts").

(d) Currency. All Loans shall be repaid, whether pursuant to this Section 2.05 or otherwise, in the currency in which they were made.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. The Borrowers may, upon written notice by the Borrowers to the Administrative Agent, terminate the unused portions of the Commitments under any Term Loan Tranche or from time to time permanently reduce the unused portions of the Commitments under any Term Loan Tranche; provided that (i) any such notice shall be received by the Administrative Agent three Business Days (or such shorter period as the Administrative Agent shall agree) prior to the date of termination or reduction and (ii) any such partial reduction shall be in an aggregate amount of $500,000 or any whole multiple of $100,000 in excess thereof. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked or postponed by the applicable Borrowers (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) Mandatory. The Aggregate Commitments under a Term Loan Tranche shall be automatically and permanently reduced to zero on the date of the initial incurrence of Term Loans under such Term Loan Tranche, which in the case of the Initial Term Commitments shall be the Closing Date.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the applicable Lenders of the applicable Facility of any termination or reduction of the Commitments under any Term Loan Tranche under this Section 2.06. Upon any reduction of Commitments under a Facility or a Tranche thereof, the Commitment of each Lender under such Facility or Tranche thereof shall be reduced by such Lender's ratable share of the amount by which such Facility or Tranche thereof is reduced (other than the termination of the Commitment of any Lender as provided in Section 3.08). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments and unpaid shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) Initial Term Loans. The Borrowers shall repay to the Administrative Agent for the ratable account of the Term Lenders holding Initial Term Loans the aggregate principal amount of all Initial Term Loans outstanding in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the amount of Term Loans pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term Loans made as of the Closing Date)):

Date	**Amount**
The last Business Day of each fiscal quarter ending prior to the Maturity Date for the Initial Term Facility, commencing with the fiscal quarter ending on September 30, 2023	0.25% of the aggregate principal amount of the aggregate initial principal amount of the Initial Term Loans on the Closing Date
Maturity Date for the Initial Term Facility	All unpaid aggregate principal amounts of any outstanding Initial Term Loans

provided, however, that (i) if the date scheduled for any principal repayment installment is not a Business Day, such principal repayment installment shall be repaid on the next succeeding Business Day, and (ii) the final principal repayment installment of the Initial Term Loans shall be repaid on the Maturity Date for the Initial Term Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term Loans outstanding on such date.

(b) All Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

Section 2.08 Interest.

(a) Subject to the provisions of the following sentence, (i) each SOFR Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) Adjusted Term SOFR for such Interest Period plus (B) the Applicable Rate for SOFR Loans under such Facility; and (ii) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date or conversion date, as the case may be, at a rate per annum equal to the sum of (A) the Base Rate plus (B) the Applicable Rate for Base Rate Loans under such Facility.

(b) [reserved.]

(c) Following the occurrence of an Event of Default, the Borrowers shall pay interest on all Obligations hereunder (which shall accrue from the date of occurrence of such Event of Default), which shall include all Obligations following an acceleration pursuant to Section 8.02 (including an automatic acceleration) at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Accrued interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(e) Interest on each Loan shall be payable in the currency in which each Loan was made.

(f) All computations of interest hereunder shall be made in accordance with Section 2.10 or Section 3.04 of this Agreement.

Section 2.09 Fees. The Borrowers shall pay to the Lenders, the Arrangers, the Administrative Agent and the Security Agent such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans based on the Prime Lending Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions and a copy of each Assignment and Assumption made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulations Section 5f.103-1(c) and section 1.163-5(b) of the proposed United States Treasury Regulations, as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence and the Register maintained by the Administrative Agent shall be conclusive proof absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the Register shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the applicable Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. No execution and delivery or transfer of a Note will be effective until also recorded in the Register.

(b) [reserved.]

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and 10.07(c) shall be conclusive proof, and by each Lender in its accounts or records pursuant to Sections 2.11(a) and 10.07(c), shall be prima facie evidence, in each case, of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such accounts or records, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such accounts or records shall not limit the obligations of the Borrowers under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or set-off. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in, with respect to the Term Facility and Term Loans, Dollars and in immediately available funds not later than 2:00 p.m. (New York City time) on the date specified herein. The Administrative Agent will promptly distribute to each Lender its ratable share in respect of the relevant Facility or Tranche thereof (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York City time), shall, in each case, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of SOFR Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of SOFR Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 2:00 p.m. (New York City time) on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02(b) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if any Lender does not in fact make its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand an amount equal to such applicable share in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the applicable Overnight Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans under the applicable Facility. If both the Borrowers and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (less interest and fees) shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make its share of any Borrowing available to the Administrative Agent.

(ii) Payments by the Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the applicable Borrowers will not make such payment, the Administrative Agent may assume that the applicable Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders the amount due. In such event, if the Borrowers do not in fact make such payment, then each of the Appropriate Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the applicable Overnight Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged

by the Administrative Agent in connection with the foregoing.

A notice of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's ratable share of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans pro rata with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of set-off, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation. The Administrative Agent will keep records (which

shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (A) the assignments and participations described in Section 10.07, (B) (i) the incurrence of any New Term Loans in accordance with Section 2.14, (ii) any Specified Refinancing Debt in accordance with Section 2.18, (C) applicable circumstances contemplated by Sections 2.05, 2.14, 2.17, 2.18, 2.19 or 3.08 or (D) any payments at maturity owing to a Tranche of Loans or Commitments maturing earlier than any other then-existing Tranche of Loans or Commitments.

Section 2.14 Incremental Facilities.

(a) The Borrowers may, from time to time after the Closing Date, upon notice by the Borrowers to the Administrative Agent and the Person appointed by the Borrowers to arrange an incremental facility (such Person (who may be (i) the Administrative Agent, if it so agrees, or (ii) any other Person appointed by the Borrowers the "Incremental Arranger") specifying the proposed amount thereof, request (i) an increase in any Term Loan Tranche then outstanding (which shall be on the same terms as, and become part of, the Term Loan Tranche proposed to be increased hereunder (except as otherwise provided in clauses (c) and (d) below or, subject to the terms of clause (f)(iii) below, with respect to any fees or original issue discount payable to the lenders providing such increase)) (each, a "Term Commitment Increase") and (ii) the addition of one or more new term loan facilities, in each case, in such currency or currencies as the Borrowers identify in such notice (provided that the Administrative Agent has consented to such currencies (such consent to not be unreasonably withheld)) (each, a "New Term Facility"; and any advance made by a Lender thereunder, a "New Term Loan"; and the commitments thereof, the "New Term Commitment" and, together with the Term Commitment Increase, the "New Loan Commitments") by an amount not to exceed the sum of (x) $20,000,000 (the "Free and Clear Amount") , (y) an unlimited amount (the "Ratio-Based Incremental Facility") so long as the Maximum Leverage Requirement is satisfied and (z) an amount equal to (i) all voluntary prepayments of Term Loans made pursuant to Section 2.05(a) and (ii) all voluntary repurchases of Term Loans made pursuant to the terms hereof in an amount equal to the principal amount of the Term Loans repurchased (the "Prepayment-Based Incremental Facility") (such sum, at any such time, the "Incremental Amount"); provided that any such request for an increase shall be in a minimum amount of the lesser of (x) a Dollar Amount equal to $10,000,000 (in the case of Term Commitment Increases or New Term Facilities) and (y) the entire amount of any increase that may be requested under this Section 2.14; provided, further, that for purposes of any New Loan Commitments established pursuant to this Section 2.14 and Incremental Equivalent Debt incurred pursuant to Section 2.15, (A) unless the Borrowers elect otherwise, the Borrowers shall be deemed to have used amounts under the Ratio-Based Incremental Facility (to the extent permitted by the pro forma calculation of the applicable ratio) prior to utilization of the Prepayment-Based Incremental Facility, (B) New Loan Commitments pursuant to this Section 2.14 and Incremental Equivalent Debt pursuant to Section 2.15 may be incurred under the Ratio-Based Incremental Facility, and/or the Prepayment-Based Incremental Facility and proceeds from any such incurrence under the Ratio-Based Incremental Facility, and/or the Prepayment-Based Incremental Facility may be utilized in a single transaction by first calculating the incurrence under the Ratio-Based Incremental Facility (without inclusion of any amounts utilized under the Prepayment-Based Incremental Facility) and then calculating the incurrence under the Prepayment-Based Incremental Facility and (C)(i) all or any portion of Indebtedness originally designated as incurred under the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the Borrowers would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Indebtedness under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Prepayment-Based Incremental Facility, as applicable, by the Dollar Amount of such redesignated Indebtedness) and (ii) the Swedish Borrower may otherwise classify, and may later reclassify, all or any portion of Indebtedness as incurred as a Prepayment-Based Incremental Facility or Ratio-Based Incremental Facility on the date of incurrence

and thereafter to the extent otherwise permitted on the date of such classification (or the date of any such reclassification); provided, further, that the Free and Clear Amount shall be reduced to zero at all times after the date falling 120 days after the Closing Date.. The Swedish Borrower may designate any Incremental Arranger of any New Loan Commitments with such titles under the New Loan Commitments as the Borrowers may deem appropriate.

(b) Any Lender approached to participate in any New Loan Commitments may elect or decline, in its sole discretion, to participate in such increase or new facility. The Borrowers may also invite additional Eligible Assignees reasonably satisfactory to the Incremental Arranger and the Administrative Agent (but only to the extent that the consent of the Administrative Agent would be required Section 10.07(b) for an assignment to any such additional Eligible Assignee).

(c) If (i) a Term Loan Tranche is increased in accordance with this Section 2.14 or (ii) a New Term Facility is added in accordance with this Section 2.14, the Incremental Arranger and the Borrowers shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase or New Term Facility among the applicable Lenders. The Incremental Arranger shall promptly notify the applicable Lenders of the final allocation of such increase, New Term Facility and the Increase Effective Date. In connection with (i) any increase in a Term Loan Tranche or (ii) any addition of a New Term Facility, in each case, pursuant to this Section 2.14, this Agreement and the other Loan Documents may be amended in a writing (which may be executed and delivered by the Borrowers and the Incremental Arranger (and the Lenders hereby authorize any such Incremental Arranger to execute and deliver any such documentation)) in order to establish the New Term Facility or to effectuate the increases to the Term Loan Tranche and to reflect any technical changes necessary, advisable or appropriate to give effect to such increase or new facility in accordance with its terms as set forth herein pursuant to the documentation relating to such New Term Facility. Any Term Commitment Increase or New Term Facility shall be documented under this Agreement. As of the Increase Effective Date, in the case of an increase to an existing Term Loan Tranche, the amortization schedule for the Term Loan Tranche then increased set forth in Section 2.07(a) (or any other applicable amortization schedule for New Term Loans or Specified Refinancing Term Loans) shall be amended in writing (which may be executed and delivered by the Borrowers, the Administrative Agent and the Incremental Arranger (and the Lenders hereby authorize the Administrative Agent and any such Incremental Arranger to execute and deliver any such documentation)) to (x) add any call protection applicable to any existing Term Loan Tranche being increased and/or (y) increase the then-remaining unpaid installments of principal by an aggregate amount equal to the additional Loans under such Term Loan Tranche being made on such date, such aggregate amount to be applied to increase such installments ratably in accordance with the amounts in effect immediately prior to the Increase Effective Date; provided that in no event shall the amount of amortization paid in respect of the Term Loan Tranche outstanding prior to the Increase Effective Date be reduced.

(d) With respect to any Term Commitment Increase or addition of New Term Facility pursuant to this Section 2.14, (i) no Event of Default shall exist immediately after giving effect to such increase; (ii) (A) in the case of any increase of a Term Loan Tranche, the final maturity of the Term Loans, New Term Loans or Specified Refinancing Term Loans increased pursuant to this Section shall be no earlier than the Latest Maturity Date for, and such additional Loans shall not have a Weighted Average Life to Maturity shorter than the longest remaining Weighted Average Life to Maturity of, any other outstanding Term Loans, New Term Loans or Specified Refinancing Term Loans as applicable unless the Term Lenders are also offered by the Borrowers the same amortization amounts for the corresponding year (provided that each Term Lender will be deemed to have accepted such offer unless such Term Lender notifies the Administrative Agent that it has rejected such offer by 11 a.m. five (5) Business Days (or such longer period which the Swedish Borrower agrees) after the date of such offer; provided, that Extendable Bridge Loans may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and with respect to Extendable Bridge Loans, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans and (B) in the case of any New Term Facility, other than in the case of Extendable Bridge Loans, such New Term Facility shall have a final maturity

no earlier than the then Latest Maturity Date of any Term Loan Tranche and the Weighted Average Life to Maturity of such New Term Facility shall be no shorter than that of any existing Term Loan Tranche unless the Term Lenders are also offered by the Borrowers the same amortization amounts for the corresponding year (provided that each Term Lender will be deemed to have accepted such offer unless such Term Lender notifies the Administrative Agent that it has rejected such offer by 11 a.m. five (5) Business Days (or such longer period which the Swedish Borrower agrees) after the date of such offer; provided that, other than in the case of Extendable Bridge Loans, in no event shall any New Term Facility at the time of establishment thereof mature prior to the Maturity Date, (iii) after giving Pro Forma Effect to such Incremental Amount, the Maximum Incremental Amount Condition shall be satisfied and (iv) except as set forth in clause (f)(iii) below with respect to All-In Yield and with respect to final maturity and Weighted Average Life to Maturity, any such New Term Facility shall have the same terms as any Term Facility; provided, that notwithstanding the foregoing, such terms may differ from the terms of any Term Facility so long as agreed between the Borrowers and the lenders providing such New Term Facility and so long as such different terms (w) to the extent more favorable to the existing Lenders than comparable terms existing in the Loan Documents, as reasonably determined by the Swedish Borrower in consultation with the Administrative Agent, are incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further Lender consent requirements, including, for the avoidance of doubt, at the option of the Swedish Borrower, any increase in the Applicable Rate or the amount of any amortization payments relating to any existing Term Facility to bring such Applicable Rate or amortization payment in line with the New Term Facility to achieve fungibility with such existing Term Facility, (x) are applicable only to periods after the Latest Maturity Date of the Term Facilities existing at the time of the incurrence of such indebtedness or (y) are reasonably satisfactory to the Borrowers, the Administrative Agent and the Required Lenders, *provided that* to the extent that any Incremental Facility has the benefit of a financial covenant that is tested prior to the Latest Maturity Date of the Term Facilities existing at the time of the incurrence of such indebtedness, such financial covenant shall be incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders without further Lender consent requirements. Subject to the foregoing, the conditions precedent to each such increase or New Loan Commitment shall be solely those agreed to by the Lenders providing such increase or New Loan Commitment, as applicable, and the Borrowers. Notwithstanding the foregoing, loans in respect of any Term Commitment Increase or New Term Commitment that are secured on a pari passu basis with the Initial Term Loans shall be incurred via a joinder to this Agreement, and shall feature the exact same terms as are applicable to the Initial Term Loans, subject to Section 2.14(f) below.

(e) The additional Term Loans made under the Term Loan Tranche subject to the increases shall be made by the applicable Lenders participating therein pursuant to the procedures set forth in Sections 2.01 and 2.02 and on the date of the making of such new Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.01 and 2.02, such new Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under such Term Loan Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under such Term Loan Tranche will participate proportionately in each then outstanding Borrowing of Term Loans under the Term Loan Tranche.

(f) (i) Any New Term Facility shall rank pari passu in right of payment with the Term Facilities, not be Guaranteed by any Person that is not a Borrower or Guarantor under the Term Facilities, and be secured on a first lien “equal and ratable” basis with the Term Facilities over the same (or less) Collateral that secures the Term Facilities, (ii) any New Term Facility shall, for purposes of prepayments, be treated exactly the same as (and in any event no more favorably than), and shall, subject to this Section 2.14(f), be on the exact same terms as, any Term Facility and (iii) the All-in Yield payable by the Borrowers applicable to such New Term Facility shall be determined by the Swedish Borrower and the Lenders providing such New Term Facility, and shall not be more than 50 basis points higher than the corresponding All-in Yield payable by the Borrowers for the applicable Tranche(s) of existing Term Loans, unless the All-in Yield with respect to such applicable Tranche(s) of such then-existing Term Loans are increased to the amount necessary so that the difference between the All-in Yield with respect to such New Term

Facility, and the corresponding All-in Yield on such applicable Tranche(s) of such then existing Term Loans is equal to 50 basis points (provided that, to the extent such increase in All-in Yield is the result of a higher SOFR or Base Rate floor with respect to such New Term Facility, as applicable, the increase in All-in Yield for the applicable Tranche of such then existing Term Loans shall be effected solely through an increase in such "floor" (or an implementation thereof, as applicable) in respect of such applicable Tranche(s) of such then existing Term Loans to the extent of the All-in Yield differential).

(g) The Lenders hereby authorize the Administrative Agent and the Incremental Arranger (and the Lenders hereby authorize the Administrative Agent and the Incremental Arranger to execute and deliver such amendments) to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary, desirable or appropriate in order to secure any Indebtedness under this Section 2.14 with the Collateral and/or to make such technical amendments as may be necessary, desirable or appropriate in the reasonable opinion of the Administrative Agent and Incremental Arranger and the Swedish Borrower in connection with the incurrence of such Indebtedness, in each case on terms consistent with this Section 2.14. If the Incremental Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Arranger herein shall be done with the consent of the Administrative Agent (not to be unreasonably withheld) and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.14 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

(h) Notwithstanding the foregoing, in the case of any New Term Facility established using the Free and Clear Amount, (i) such New Term Facility shall not be arranged or provided (whether at the initial funding or syndication thereof) by any Affiliate of the Swedish Borrower or any Material Equityholder, (ii) such New Term Facility shall be implemented by way of an increase to the Initial Term Loans and the applicable New Term Loans shall be same the Tranche as the Initial Term Loans, (iii) except as specified in clause (iv), the applicable New Term Loans shall have identical terms as the Initial Term Loans and (iv) the All-in Yield payable by the Borrowers applicable to such New Term Facility shall be determined by the Swedish Borrower and the Lenders providing such New Term Facility, and shall not be higher than the corresponding All-in Yield payable by the Borrowers for the Initial Term Loans, unless the All-in Yield with respect to the Initial Term Loans is increased to the amount necessary so that there is no difference between All-in Yield with respect to such New Term Facility and the corresponding All-in Yield on the Initial Term Loans.

Section 2.15 Incremental Equivalent Debt.

(a) The Borrowers may from time to time after the Closing Date, upon notice by the Borrowers to the Administrative Agent, specifying in reasonable detail the proposed terms thereof, request to issue or incur one or more series of senior secured, senior unsecured, senior subordinated or subordinated notes or loans or any other indebtedness (which notes or loans or other indebtedness, if secured, shall be secured by the Collateral on a "junior" basis to the Liens on the Collateral securing the Obligations in each case over the same (or less) Collateral that secures the Obligations) and guaranteed only by Loan Parties or entities who become Loan Parties (such notes or loans or other indebtedness, collectively, "Incremental Equivalent Debt") in an amount not to exceed the Incremental Amount (at the time of incurrence); provided that that any Incremental Amounts established pursuant to Section 2.14 and Incremental Equivalent Debt Incurred pursuant to this Section 2.15, unless the Borrowers elect otherwise, (A) will count, first, to reduce the amount available under the Ratio-Based Incremental Facilities (to the extent permitted by the pro forma calculation of the applicable ratio) and second to reduce the maximum amount under the Prepayment-Based Incremental Facility, (B) Incremental Equivalent Debt pursuant to this Section 2.15 may be incurred under the Ratio-Based Incremental Facilities and the Prepayment-Based Incremental Facilities, and proceeds from any such incurrence may be utilized in a single transaction, by first calculating the incurrence under the Ratio-Based Incremental Facilities (without inclusion of any amounts utilized pursuant to the Prepayment-Based Incremental Facility) and then

calculating the incurrence under the Prepayment-Based Incremental Facility and (C)(i) all or any portion of Incremental Equivalent Debt originally designated as incurred under the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the Borrowers would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Incremental Equivalent Debt being so redesignated under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Prepayment-Based Incremental Facility, as applicable, by the Dollar Amount of such redesignated Incremental Equivalent Debt) and (ii) the Borrowers may otherwise classify, and may later reclassify, all or any portion of Indebtedness as incurred as a Prepayment-Based Incremental Facility or Ratio-Based Incremental Facility on the date of incurrence and thereafter to the extent otherwise permitted on the date of such classification (or the date of any such reclassification). The Borrowers may appoint any Person that is not an Affiliate of the Borrowers as arranger of such Incremental Equivalent Debt (such Person (who may be the Administrative Agent, if it so agrees), the "Incremental Equivalent Debt Arranger").

(b) As a condition precedent to the incurrence of any Incremental Equivalent Debt pursuant to this Section 2.15, (i) such Incremental Equivalent Debt shall not be Guaranteed by any Person that is not a Loan Party or that does not become a Loan Party, (ii) such Incremental Equivalent Debt shall be subject to the Intercreditor Agreement, (iii) such Incremental Equivalent Debt shall have a final maturity no earlier than the then Latest Maturity Date of the Term Facilities, provided, that Extendable Bridge Loans may have a maturity date earlier than the Latest Maturity Date of the Term Facilities; provided, further, that, other than in the case of Extendable Bridge Loans, in no event shall any Incremental Equivalent Debt at the time of establishment thereof mature prior to the Maturity Date of the Sustainable Revolving Credit Facility, (iv) the Weighted Average Life to Maturity of such Incremental Equivalent Debt shall not be shorter than that of any then-existing Term Loan Tranche unless the Term Lenders are also offered by the Borrowers the same amortization amounts for the corresponding year (provided that each Term Lender will be deemed to have accepted such offer unless such Term Lender notifies the Administrative Agent that it has rejected such offer by 11 a.m. five (5) Business Days (or such longer period to which the Swedish Borrower agrees) after the date of such offer; provided, that, with respect to Extendable Bridge Loans, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, (v) [reserved], (vi) such Incremental Equivalent Debt shall not require mandatory prepayments to be made except to the extent required to be applied first pro rata (or greater than pro rata) to the Term Facilities, (vii) after giving pro forma effect to the incurrence of such Incremental Equivalent Debt, the Maximum Incremental Amount Condition shall be satisfied, (viii) [reserved] and (ix) subject to clauses (iii), (iv) and (viii) above with respect to final maturity and Weighted Average Life to Maturity, the amortization schedules, any fees payable in connection with such Incremental Equivalent Debt and all other terms of such Incremental Equivalent Debt will be as agreed between the Borrowers and the applicable providers of such Incremental Equivalent Debt; provided, that notwithstanding the foregoing, such Incremental Equivalent Debt shall not have covenants and events of default (excluding pricing and optional prepayment and redemption terms) that are more restrictive (as determined by the Swedish Borrower in good faith) when taken as a whole than the covenants and events of default applicable to the then existing Term Facilities unless such more restrictive covenants and/or events of default (x) are incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders of Term Loans (to the extent applicable to such Lender of Term Loans) without further amendment requirements (which amendment may be effected by only Parent, the Borrowers and the Administrative Agent) or (y) are applicable only to periods after the Latest Maturity Date of the Term Facilities existing at the time of incurrence of such Incremental Equivalent Debt, provided further that to the extent that any Incremental Equivalent Debt has the benefit of a financial covenant that is tested prior to the Latest Maturity Date of the Term Facilities existing at the time of the incurrence of such Incremental Equivalent Debt, such financial covenant shall be incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders without further amendment requirements. Subject to the foregoing, the conditions precedent to each such incurrence shall be agreed to by the applicable creditors providing such Incremental Equivalent Debt and the Borrowers. Any Incremental Equivalent Debt shall not be documented under this Agreement.

(c) The Lenders hereby authorize the Administrative Agent and the Incremental Equivalent Debt Arranger (and the Lenders hereby authorize the Administrative Agent and the Incremental Equivalent Debt Arranger to execute and deliver such amendments) to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary, desirable or appropriate in order to secure any Incremental Equivalent Debt with the Collateral and/or to make such technical amendments as may be necessary, desirable or appropriate in the reasonable opinion of the Incremental Equivalent Debt Arranger and the Swedish Borrower in connection with the incurrence of such Incremental Equivalent Debt, in each case on terms consistent with this Section 2.15. If the Incremental Equivalent Debt Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Equivalent Debt Arranger herein shall be done with the consent of the Administrative Agent (not to be unreasonably withheld) and, with respect to applicable documentation (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

(d) Notwithstanding anything to the contrary contained in this Agreement, all Incremental Equivalent Debt and Extendable Bridge Loans shall be subject to Section 2.14(f)(iii) of this Agreement on the same basis as a "New Term Facility" as set forth therein.

Section 2.16 [Reserved].

Section 2.17 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any non-appealable judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default pursuant to Sections 8.01(a) or (f) exists, to the payment of any amounts owing to the Borrowers as a result of any non-appealable judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions to funding such Loan were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant

to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) [reserved].

(iv) [reserved].

(b) If the Swedish Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with their ratable shares in respect of that Lender, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties and subject to Section 10.24, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

Section 2.18 Specified Refinancing Debt.

(a) The Borrowers may, from time to time after the Closing Date, add one or more new term loan facilities to the Facilities ("Specified Refinancing Debt"; and the commitments in respect of such new term facilities, the "Specified Refinancing Term Commitment" pursuant to procedures reasonably specified by any Person that is not an Affiliate of the Borrowers appointed by the Borrowers as agent under such Specified Refinancing Debt (such Person (who may be the Administrative Agent, if it so agrees), the "Specified Refinancing Agent") and reasonably acceptable to the Borrowers, to refinance all or any portion of any Term Loan Tranches then outstanding under this Agreement pursuant to a Refinancing Amendment; provided that such Specified Refinancing Debt: (i) will rank pari passu in right of payment as the other Loans and Commitments hereunder; (ii) will not have obligors other than the Loan Parties or entities who shall have become Loan Parties (it being understood that the roles of such obligors as borrowers or guarantors with respect to such obligations may be interchanged); (iii) will be (x) unsecured or (y) secured by all or a portion of the Collateral on a first lien "equal and ratable" basis with the Liens on the Collateral securing the Obligations or on a "junior" basis to the Liens on the Collateral securing the Obligations in each case over the same (or less) Collateral that secures the Obligations (in each case, if documented in an agreement that is separate from this Agreement, subject to the Intercreditor Agreement); (iv) will have terms and conditions (other than pricing and optional prepayment and redemption terms) that are substantially identical to, or less favorable, when taken as a whole, to the lenders providing such Specified Refinancing Debt than, the terms and conditions of the Facilities and Loans being refinanced (as reasonably determined by the Swedish Borrower in good faith (provided that, at the Swedish Borrower's option, delivery of a certificate of a Responsible Officer of the Swedish Borrower to the Administrative Agent in good faith at least five Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Specified Refinancing Debt, together with a reasonably detailed description of the material terms and conditions of such Refinancing Debt or drafts of the documentation relating thereto, stating that the Swedish Borrower has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (iv), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Swedish Borrower of its objection (including a reasonable description of the basis upon which it objects)) within five Business Days after receipt of such certificate from the Swedish Borrower); (v) will have a maturity date that is not prior to the date that is the scheduled Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Term Loans being refinanced unless the Term Lenders are also offered by the Borrowers the same amortization amounts for the corresponding year (provided that each Term Lender will be deemed to have accepted such offer unless such Term

Lender notifies the Administrative Agent that it has rejected such offer by 11 a.m. five (5) Business Days (or such longer period which the Swedish Borrower agrees) after the date of such offer; provided, that Extendable Bridge Loans may have a maturity date earlier than the maturity of the Term Loans being refinanced, with respect to Extendable Bridge Loans, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of the Term Loans being refinanced, (vi) subject to clause (v) above with respect to final maturity and Weighted Average Life to Maturity, the amortization schedules, any fees payable in connection with such Specified Refinancing Debt and all other terms of such Specified Refinancing Debt will be as agreed between the Borrowers and the applicable providers of such Specified Refinancing Debt and (vii) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Loans being so refinanced, in each case pursuant to Section 2.05 and/or 2.06, as applicable, and the payment of fees, expenses and premiums, if any, payable in connection therewith; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that (1) are agreed among the Borrowers and the lenders thereof and applicable only during periods after the then Latest Maturity Date in effect or (2) are, in consultation with the Administrative Agent, incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders without further Lender consent requirement; provided that to the extent that any Specified Refinancing Debt has the benefit of a financial covenant that is tested prior to the Latest Maturity Date of any Term Loan Tranche, such financial covenant shall be incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders without further amendment requirements. Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. To achieve the full amount of a requested issuance of Specified Refinancing Debt, and subject to the approval of the Administrative Agent (to the extent the consent of the Administrative Agent would be required to assign any Loans under such Tranches subject to such refinancing to such Eligible Assignee, which consent shall not be unreasonably withheld or delayed), the Borrowers may also invite additional Eligible Assignees to become Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Specified Refinancing Agent. Notwithstanding anything in this Section 2.18 to the contrary, any Specified Refinancing Debt that is secured by all or a portion of the Collateral on a first lien "equal and ratable" basis with the Liens on the Collateral securing the Obligations shall be subject to Section 2.14(f)(iii) of this Agreement on the same basis as a "New Term Facility" as set forth therein.

(b) The effectiveness of any Refinancing Amendment shall be subject to conditions as are mutually agreed with the participating lenders providing such Specified Refinancing Debt (which may include receipt by the Specified Refinancing Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements with respect to the Borrowers and the Guarantors, including any supplements or amendments to the Collateral Documents providing for such Specified Refinancing Debt to be secured thereby, consistent with those delivered on the Closing Date pursuant to this Agreement or delivered from time to time pursuant to Section 6.12, 6.14 and/or 6.16 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Specified Refinancing Agent)). The Lenders hereby authorize the Specified Refinancing Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary, desirable or appropriate in order to establish new Tranches of Specified Refinancing Debt and to make such technical amendments as may be necessary, desirable or appropriate in the reasonable opinion of the Administrative Agent and the Swedish Borrower in connection with the establishment of such new Tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.18.

(c) Each class of Specified Refinancing Debt incurred under this Section 2.18 shall be in an aggregate principal amount that is not less than the Dollar Amount of $15,000,000 and an integral multiple of the Dollar Amount of $1,000,000 in excess thereof.

(d) The Specified Refinancing Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate "Facilities" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrowers, the Administrative Agent (such consent not to be unreasonably withheld), the Specified Refinancing Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary, desirable or appropriate, in the reasonable opinion of the Specified Refinancing Agent and the Swedish Borrower, to effect the provisions of or consistent with this Section 2.18.

Section 2.19 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrowers, the Borrowers may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Debt Exchange Notes (each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) the Borrowers shall have obtained the prior written consent of the Required Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrowers pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrowers on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrowers for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of such Term Loans offered to be exchanged by the Borrowers pursuant to such Permitted Debt Exchange Offer, then the Borrowers shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrowers and the Exchange Agent and (vi) any applicable Minimum Tender Condition (as defined below) shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrowers pursuant to this Section 2.19, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05(a) or (b), and (ii) such Permitted Debt Exchange Offer shall be made for not less than $10,000,000 (or equivalent Dollar Amount) in an aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii) the Borrowers may at its election specify as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in Swedish Borrower's discretion) of Term Loans of any or all applicable Tranches be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrowers and the Exchange Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.19 and without conflict with Section 2.19(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Swedish Borrower and the Exchange Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrowers shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws and regulations in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Exchange Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrowers' compliance with such laws and regulations in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended, the Market Abuse Regulation and/or other applicable securities laws and regulations.

(e) Notwithstanding anything to the contrary contained in this Agreement, all Permitted Debt Exchange Notes that are secured by all or a portion of the Collateral on a first lien "equal and ratable" basis with the Liens on the Collateral securing the Obligations shall be subject to Section 2.14(f)(iii) of this Agreement on the same basis as a "New Term Facility" as set forth therein.

ARTICLE III.
Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Any and all payments by or on account of any obligation of a Borrower or any other Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from or in respect of any such payment, then the relevant Borrower, the other applicable Loan Party, the Administrative Agent or other applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, the sum payable by the relevant Borrower or other applicable Loan Party, the Administrative Agent or other applicable withholding agent shall be increased as necessary so that after all such deductions or withholdings of Indemnified Taxes have been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, but without duplication, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Borrowers shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrowers by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Within 30 days after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment or a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid over pursuant to this clause (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (e) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (e) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) [reserved].

(g) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation and/or formalities set forth in Section 3.01(g)(ii)(A), (B) and (C) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) each Recipient that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Recipient becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent) executed copies of IRS Form W-9 (or any successor form), certifying that such Recipient is exempt from U.S. federal backup withholding;

(B) if a payment made to a Recipient under any Loan Document would be subject to Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable Law (including

as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Recipient has complied with its obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (B), "FATCA" shall include any amendments made to FATCA after the date of this Agreement;

(C) any Recipient that is not a U.S. Person (a "Non-U.S. Recipient") shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Non-U.S. Recipient becomes a Non-U.S. Recipient under this Agreement (and from time to time thereafter upon the reasonable request of any Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Non-U.S. Recipient claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, copies of executed IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) copies of executed IRS Form W-8ECI;

(iii) in the case of a Non-U.S. Recipient claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Recipient is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the U.S. Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the U.S. Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) copies of executed IRS Form W-8BEN or IRS Form W-8BEN-E;

(iv) to the extent a Non-U.S. Recipient is not the beneficial owner, copies of executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Recipient is a partnership and one or more direct or indirect partners of such Non-U.S. Recipient are claiming the portfolio interest exemption, such Non-U.S. Recipient may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(D) the Administrative Agent, and any successor or supplemental Administrative Agent, shall deliver to the Borrowers (in such number of copies as shall be requested by the recipient) on or prior to the date on which the Administrative Agent becomes the administrative agent hereunder or under any other Loan Document (and from time to time thereafter upon the reasonable request of the Borrowers) copies of either (i) executed IRS Form W-9 (or any successor form) or (ii) an executed IRS Form W-8IMY (or any successor form) ascertaining a status as a Qualifying Intermediary (as defined in Treasury Regulations Section 1.1441-1(e)(5)(ii)) that assumes primary withholding and reporting responsibilities with respect to the payment under any Loan Document or IRS Form W-8ECI (with respect to amounts received on its own account), with the effect that, in either case, under applicable Law in effect on the Closing Date, the Borrowers will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding Tax; and

(E) any Non-U.S. Recipient shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Recipient becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of any Borrower or the Administrative Agent), copies of any other executed form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed,

together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made.

Each Recipient agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update and deliver such form or certification to the Borrowers and the Administrative Agent or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so. Each Recipient hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Recipient to the Administrative Agent pursuant to this Section 3.01(g).

Notwithstanding any other provision of this Section 3.01(g), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(h) Each Lender shall severally indemnify the Administrative Agent, within 30 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(k) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (h).

(i) The agreements in this Section 3.01 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 3.02 VAT.

(a) All amounts set out or expressed in this Agreement or in a Loan Document to be payable by any party to any Secured Party which (in whole or in part) constitute the consideration for any supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to Section 3.02(b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any party under this Agreement or a Loan Document and the Secured Party is required to account to the relevant tax authority for the VAT, that party shall pay to the Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such Secured Party shall promptly provide an appropriate VAT invoice to such party).

(b) If VAT is or becomes chargeable on any supply made by any Secured Party (the "Supplier") to any other of the Secured Parties (the "Subject Recipient") under a Loan Document, and any party other than the Subject Recipient (the "Subject Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse such Secured Party in respect of that consideration):

(i) where the Supplier is the person required to account to the relevant tax authority for the VAT, the Subject Party shall also pay to the Supplier (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. The Subject Recipient shall, where this Section 3.02(b)(i) applies, promptly pay to the

Subject Party an amount equal to any credit or repayment obtained by the Subject Recipient from the relevant tax authority which the Subject Recipient reasonably determines relates to the VAT chargeable on the supply; and

(ii) where the Subject Recipient is the person required to account to the relevant tax authority for the VAT, the Subject Party shall promptly, following demand from the Subject Recipient, pay to the Subject Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Subject Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Loan Document requires any party to reimburse or indemnify a Secured Party for any cost or expense, that party shall reimburse or indemnify (as the case may be) the Secured Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that the Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(d) Any reference in this Section 3.02 to any party shall, at any time when such party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (as provided for in Article 11 of Council Directive 2006/112/EC (or any predecessor to it or supplemental to that Directive) or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to a party shall be construed as a reference to that party or the relevant group or unity (or fiscal unity) of which that party is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be).

(e) In relation to any supply made by a Secured Party to any party under a Loan Document, if reasonably requested by the Secured Party, that party must promptly provide details of its VAT registration and such other information as is reasonably requested in connection with the Secured Party's VAT reporting requirements in relation to such supply.

Section 3.03 Illegality.

If any Lender or Affiliate of a Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or Affiliate of such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to SOFR, the Term SOFR Reference Rate or Term SOFR, or to determine or charge interest based upon SOFR, the Term SOFR Reference Rate or Term SOFR, then, upon notice thereof by such Lender or such Affiliate of a Lender to the Borrowers (through the Administrative Agent), (a) any obligation of such Lender or such Affiliate of such Lender to make SOFR Loans, and any right of the Borrowers to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended, and (b) the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Base Rate", in each case until each affected Lender or Affiliate of a Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall, if necessary to avoid such illegality, upon demand from any Lender or Affiliate of a Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans to Base Rate Loans (the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Base Rate"), on the last day of the Interest Period therefor, if such Lender or such Affiliate may lawfully continue to maintain such SOFR Loans to such day, or immediately, if such Lender or such Affiliate may not lawfully continue to maintain such SOFR Loans to such day, in each case until the Administrative Agent is advised in writing by such affected Lender or such affected Affiliate of a Lender that it is no longer illegal for such Lender or such Affiliate to determine or charge interest rates based upon SOFR, the Term SOFR Reference Rate or Term SOFR. Upon any such prepayment or conversion, the applicable Borrower shall also pay accrued interest on the amount so

prepaid or converted. Each Lender and each of its applicable Affiliates agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender or Affiliate of a Lender, otherwise be materially disadvantageous to such Lender or such Affiliate.

Section 3.04 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.04, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a SOFR Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to Parent and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies Parent and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) Parent delivers a new Committed Loan Notice in accordance with the terms of Section 2.02, any Committed Loan Notice that requests a SOFR Borrowing or requests the conversion of any Borrowing to, or continuation of any Borrowing as, a SOFR Borrowing shall instead be deemed to be an Committed Loan Notice, for a Base Rate Loan; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any SOFR Loan is outstanding on the date of Parent's receipt of the notice from the Administrative Agent referred to in this Section 3.04(a) with respect to the Benchmark applicable to such SOFR Loan, then until (x) the Administrative Agent notifies Parent and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) Parent delivers a new Committed Loan Notice in accordance with the terms of Section 2.02, any SOFR Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark

Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify Parent and the Lenders of (1) any occurrence of a Benchmark Transition Event, (2) the implementation of any Benchmark Replacement, (3) the effectiveness of any Benchmark Replacement Conforming Changes, (4) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (5) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.04, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.04.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon Parent's receipt of notice of the commencement of a Benchmark Unavailability Period, Parent may revoke any request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Parent will be deemed to have converted any request for a SOFR Borrowing into a request for a Borrowing of, or conversion to, a Base Rate Borrowing. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any SOFR Loan is outstanding on the date of Parent's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Benchmark Rate applicable to such SOFR Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.04 any SOFR Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

Section 3.05 Increased Cost and Reduced Return; Capital Adequacy and Liquidity Requirements.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to Term SOFR, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes and (ii) Excluded Taxes), then within 30 days after demand of such Lender setting forth in

reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.07), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy and liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any Person controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then within 30 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (and certifying that such Lender is generally charging such amounts to similarly situated borrowers) (with a copy of such demand to the Administrative Agent given in accordance with Section 3.07), the Borrowers shall pay to such Lender or Person controlling such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Term SOFR funds or deposits, additional interest on the unpaid principal amount of each SOFR Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of SOFR Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Borrowers shall have received at least 30 days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice 30 days' prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 30 days from receipt of such notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III (including to the extent implemented through CRD IV), shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any SOFR Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by a Borrower (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any SOFR Loan on the date or in the amount notified by such Borrower;

(c) any payment of any Loan (or interest due thereon) in a different currency from such Loan; or

(d) any mandatory assignment of such Lender's SOFR Loans pursuant to Section 3.08 on a day other than the last day of the Interest Period for such Loans,

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding anticipated profits). The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04(b) or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Borrowers of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender will, if requested by the Borrowers and at the Borrowers' expense, use commercially reasonable efforts to designate another Lending Office for any Loan affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.05, as applicable, in the future and (ii) would not, in the judgment of such Lender be inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office. The provisions of this clause (b) shall not affect or postpone any Obligations of the Borrowers or rights of such Lender pursuant to Section 3.05.

(c) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrowers hereunder) under comparable syndicated credit facilities.

Section 3.08 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrowers become obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections, and such Lender entitled to such payment has declined or is unable to designate a different lending office in accordance with Section 3.07(b), or any Lender ceases to make SOFR Loans as a result of any condition described in Section 3.03 or 3.04(b) or (ii) any Lender becomes a Defaulting Lender (collectively, a "Replaceable Lender"), then the Borrowers may, on three Business Days' prior written notice (for the avoidance of doubt, such notice shall be deemed provided on the same day that an amendment or waiver is posted to the Lenders for consent) from the Borrowers to the Administrative Agent and such Lender, either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrowers in such instance unless waived by the Administrative Agent) all of its rights (other than its existing rights to payments pursuant to Section 3.01 or 3.05) and obligations under this Agreement to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person or (ii) so long as no Default or Event of Default shall have occurred and be continuing, terminate the Commitment and prepay the Loans of such Lender and repay all Obligations of the Borrowers owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided, further, that in the

case of any such replacement as a result of the Borrowers having become obligated to pay amounts described in Section 3.01 or 3.05, such replacement would eliminate or reduce payments pursuant to Section 3.01 or 3.05, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and (ii) subject to clause (C) below, deliver any Notes evidencing such Loans to the Borrowers (for return to the Borrowers) or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest, fees and premiums in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment (x) if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the Borrowers, (y) the assignee Lender shall become a Lender hereunder and (z) the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within two Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the Borrowers shall pay to such Lender all reasonable costs and expenses incurred by any Lender in connection with any such replacement. A Lender shall not be required to be replaced if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such replacement cease to apply.

(b) Notwithstanding anything to the contrary contained above, the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Borrowers or the Administrative Agent has requested the Lenders to consent to a waiver of any provisions of the Loan Documents or to agree to any amendment or other modification thereto, (ii) the waiver, amendment or modification in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to all Loans or a certain class of the Loans and (iii) the Required Lenders have agreed to such waiver, amendment or modification, then any Lender who does not agree to such waiver, amendment or modification, in each case, shall be deemed a "Non-Consenting Lender"; provided, that the term "Non-Consenting Lender" shall also include any Lender that rejects (or is deemed to reject) (x) a loan modification offer under Section 10.01, which loan modification has been accepted by at least the Majority Lenders of the respective Tranche of Loans whose Loans and/or Commitments are to be extended pursuant to such loan modification and (y) any Lender that does not elect to become a lender in respect of any Specified Refinancing Debt pursuant to Section 2.18.

Section 3.09 Survival. All of the Loan Parties' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, any assignment by or replacement of a Lender and any resignation or removal of the Administrative Agent.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions of any Borrower or any of the Restricted Subsidiaries of Parent in effect on the Closing Date, including pursuant to this Agreement and the other Loan Documents, related Swap Contracts and Indebtedness permitted pursuant to Section 7.01(e);

(5) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of Capital Stock or assets of such Restricted Subsidiary;

(6) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(7) customary provisions in operating or other similar agreements, asset sale agreements and stock sale agreements entered into in connection with the entering into of such transaction, which limitation is applicable only to the assets that are the subject of those agreements;

(8) purchase money obligations for property acquired and Capitalized Lease Obligations entered into in the ordinary course of business, to the extent such obligations impose restrictions of the type described in clause (c) or (d) in the first paragraph of this Section 7.06 on the property so acquired;

(9) customary provisions contained in leases, sub-leases, licenses, sublicenses, contracts and other similar agreements entered into in the ordinary course of business to the extent such obligations impose restrictions of the type described in clause (c) or (d) in the first paragraph of this Section 7.06 on the property subject to such lease;

(10) any encumbrance or restriction effected in connection with a Qualified Receivables Financing or Qualified Receivables Factoring that, in the good faith determination of the Swedish Borrower, are necessary or advisable to effect such Qualified Receivables Financing or Qualified Receivables Factoring, as applicable;

(11) other than with respect to clause (c) of this Section 7.06, any encumbrance or restriction in respect of or contained in other Indebtedness of any Borrower or any Restricted Subsidiary that is incurred subsequent to the Closing Date pursuant to Section 7.01, provided that (i) such encumbrances and restrictions in respect of or contained in any agreement or instrument will not materially affect the applicable Borrower's ability to make anticipated principal or interest payments under this Agreement (as determined by the Swedish Borrower in good faith) or (ii) such encumbrances and restrictions contained in any agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in this Agreement (as determined by the Swedish Borrower in good faith);

(12) any encumbrance or restriction contained in secured Indebtedness otherwise permitted to be incurred pursuant to Sections 7.01 and/or 7.02 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

(13) other than with respect to clause (c) of this Section 7.06, any encumbrance or restriction arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the property or assets of any Borrower or any Restricted Subsidiary in any manner material to the Borrowers or any Restricted Subsidiary or (y) materially affect the Borrowers' ability to make future principal or interest payments under this Agreement, in each case, as determined by the Swedish Borrower in good faith;

(14) customary provisions in Joint Venture agreements or arrangements and other similar agreements or arrangements relating solely to the applicable Joint Venture; and

(15) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) of this Section 7.06 imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) of this Section 7.06; provided that such encumbrances and restrictions contained in any such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing are, in the good faith judgment of the Borrowers, not materially more restrictive, taken as a whole, than the encumbrances and restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 7.06, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Borrowers or a Restricted Subsidiary to other Indebtedness incurred by the Borrowers or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 7.07 Accounting Changes. Parent, Holdings and the Borrowers shall not, nor shall they permit any other Restricted Subsidiary to, directly or indirectly make any change in fiscal year; provided, however, that the Swedish Borrower may, upon written notice to the Administrative Agent, change any fiscal year to any other fiscal year reasonably acceptable to the Required Lenders, in which case, the Borrowers and the Administrative Agent will, and are hereby authorized by the Lenders to, make any amendments to this Agreement and any other Loan Documents that are necessary, in the judgment of the Administrative Agent and the Swedish Borrower to reflect such change in fiscal year.

Section 7.08 Financial Covenants.

(a) Parent, Holdings and the Borrowers shall not permit:

(i) Minimum EBITDA. Four Quarter Consolidated EBITDA of the Borrower Parties to be less than or equal to [***]:

(ii) Minimum Liquidity. Liquidity to be less than or equal to:

(1) at all times on and prior to December 31, 2023, [***];

(2) at all times during the fiscal quarters ending March 31, 2024 and June 30, 2024, [***];

(3) at all times during the fiscal quarters ending September 30, 2024 and December 31, 2024, [***]; and

(4) at all times thereafter, [***].

(iii) Total Net Leverage Ratio. Commencing with the Test Period ending December 31, 2025, permit the Specified Total Net Leverage Ratio on the last day of any Test Period to exceed 3.50:1.00.

(b) Solely for the purposes of determining compliance with the covenants set forth in Section 7.08(a):

(i) Solely in the case of the covenants described in Sections 7.08(a)(i) and 7.08(a)(iii) above, compliance with such covenants described in Sections 7.08(a)(i) and 7.08(a)(iii) above shall be determined by reference to and upon delivery of the Compliance Certificate delivered in respect of such fiscal quarter;

(ii) if a member of the Group acquires or disposes of a company or business (including any commitment in respect thereof), for each Test Period ending on a date which is less than 12 months after that company or business became or, as applicable, ceased to be a part of the Group, the results of that company or, as applicable, attributable to that business will be deemed included with those of the rest of the Group or, as applicable, excluded for the full duration of such Test Period as if that company or business had become or, as applicable, ceased to be a part of the Group at the start of the Test Period. Such results in respect of an acquired company or business shall be adjusted on a pro forma basis so that they take into account the reasonably identifiable and supportable anticipated full run-rate effect of any synergies and cost savings (as projected by Parent in good faith) realizable or which Parent believes can be obtained during the period of 12 months from the date of the relevant acquisition combining the operations of the acquired company or business with the operations of the Group, and it may be assumed for the purposes of calculating such pro forma increase or decrease to Consolidated EBITDA that the full run-rate effect of such synergies and net costs savings are and will be fully realizable on the first day of and during the entire Test Period (such synergies and cost-savings, "Pro Forma Adjustments") net of the amount of actual benefits realized prior to or during such period from such actions; provided that the aggregate amount of all Pro Forma Adjustments increasing Consolidated EBITDA for any Test Period, together with the aggregate amount of all Exceptional Items and Pension Items increasing Consolidated EBITDA for such Test Period, shall not exceed the greater of (A) SEK 100,000,000 (or its

equivalent in other currencies) and (B) 15% of Consolidated EBITDA for such Test Period (measured after to giving effect to such adjustments); and

(iii) if such financial covenant would be breached on the basis of exchange rates prevailing on the last date of any Test Period, but would not be breached on the basis of average exchange rates over that Test Period, then such average exchange rates shall apply for that Test Period and for any following Test Period after such change.

(c) Equity Cure.

(i) If, in respect of any Test Period (the "First Relevant Test Period"), the Borrowers are in breach of any obligation set forth in clause (a)(i) or (a)(iii) (each, an "EBITDA Based Financial Covenant"), then the Borrowers may, within 10 days of the earlier of (x) the date of delivery of the Compliance Certificate or (y) the date on which the Compliance Certificate was required to be delivered (the "EBITDA Based Financial Covenant Cure Expiration Date") relating to such First Relevant Test Period, procure the contribution of the net proceeds in cash by way of New Company Injection(s) to the Parent (which shall substantially contemporaneously contribute (directly or indirectly) such net proceeds to the Swedish Borrower) (such net proceeds being a "Equity Based Financial Covenant Equity Cure Amount" and such contribution being an "EBITDA Based Financial Covenant Equity Cure") which, subject to the conditions in clause (iii) below and provided that (1) the Swedish Borrower notifies the Administrative Agent that the Swedish Borrower has received the EBITDA Based Financial Covenant Equity Cure Amount and (2) the Swedish Borrower has received such New Company Injection(s), then such EBITDA Based Financial Covenant Equity Cure Amount shall have the effect that applicable EBITDA Based Financial Covenant in breach will be calculated giving effect to the following adjustments:

(A) in the case of clause (a)(iii), for the purpose of calculating Specified Total Net Leverage Ratio under clause (a)(iii), Specified Total Net Debt shall be reduced and recalculated assuming that the EBITDA Based Financial Covenant Equity Cure Amount had been contributed and applied prior to the last day of the First Relevant Period but not to exceed the amount necessary to cure the breach of clause (a)(iii); and

(B) in the case of clause (a)(i), for the purpose of calculating Consolidated EBITDA solely for purposes of clause (a)(i), and not for purposes of the determination of the Specified Total Net Leverage Ratio under clause (a)(iii), the EBITDA Based Financial Covenant Equity Cure Amount shall be added to Consolidated EBITDA for the First Relevant Period (and any subsequent Test Period including the relevant fiscal quarter), but not to exceed the amount necessary to cure the breach of clause (a)(i),

and compliance with the applicable EBITDA Based Financial Covenants will be determined by reference to the recalculations (or calculations) described above.

(ii) If the Borrowers are in breach of any obligation set forth in clause (a)(ii) at any time (the "Liquidity Based Financial Covenant" and, together with the EBITDA Based Financial Covenants, collectively, the "Financial Covenants"), then the Borrowers may, within 10 days of the earliest of (w) the date the notice of the breach (or prospective breach) is provided under Section 6.03(f) or (g), (x) the date on which the notice of the breach (or prospective breach) is required to be provided under Section 6.03(f) or (g), (y) the date of delivery of the Liquidity Report pursuant to Section 6.02(h) demonstrating such breach and (z) the date on which the Liquidity Report for the applicable fiscal month in which such breach occurred was required to be delivered pursuant to Section 6.02(h) (the "Liquidity Covenant Cure Expiration Date" and, together with the EBITDA Based Financial Covenant Cure Expiration Date, collectively, the "Cure Expiration Date"), procure the contribution of the net proceeds in cash by way of New Company Injection(s) to the Parent (which shall substantially contemporaneously contribute (directly or indirectly) such net proceeds to the Swedish Borrower) (such net proceeds being a "Liquidity Covenant Equity Cure Amount" and, together with the EBITDA Based Financial Covenant Equity Cure Amount, collectively, the "Equity Cure Amount"; such contribution being an "Liquidity Covenant Equity Cure" and, together with the EBTIDA Based

Financial Covenant Equity Cure, collectively, the "Equity Cure") which, subject to the conditions in clause (iii) below and provided that (1) the Borrowers notify the Administrative Agent that the Borrowers have received the Liquidity Covenant Equity Cure Amount and (2) the Borrowers have received such New Company Injection(s), then such Liquidity Covenant Equity Cure Amount shall have the effect that the Liquidity Financial Covenant in breach will be calculated giving effect to the following adjustments: for the purpose of calculating Liquidity, Unrestricted Cash shall be recalculated assuming that the Liquidity Covenant Equity Cure Amount had been contributed and applied towards an increase in Unrestricted Cash immediately prior to the date of breach of the Liquidity Based Financial Covenant, and compliance with the Liquidity Based Financial Covenant will be determined by reference to the recalculations (or calculations) described above.

(iii) The Equity Cure Amount may only be taken into account to remedy or prevent non-compliance with the Financial Covenants as set out in clauses (i) and (ii) above if the Borrowers do not make any such election or receive the benefit of an Equity Cure:

(A) more than three times over the life of the Term Facilities;

(B) more than twice during any consecutive four-fiscal-quarter period;

(C) [reserved]; or

(D) in an amount greater than the Equity Cure Amount necessary to cure any Event of Default in respect of Section 7.08(a).

(iv) The Equity Cure Amount will only have the effect of remedying the breaches of the Financial Covenants and not for any other purpose (including with respect to any other basket, builder basket, usage or other purposes under the Loan Documents).

Section 7.09 Convertible Bonds Payments. Parent, Holdings and the Borrowers shall not, nor shall they permit any other Restricted Subsidiary to, directly or indirectly make any payment of principal, interest, fees, premium or other amounts on, or redeem, repurchase, defease or otherwise acquire or retire for value or make any payment in respect of the Convertible Bonds, in each case, other than any capitalized or "paid-in-kind" interest accruing thereon.

Section 7.10 Material Intellectual Property. Parent, Holdings and the Borrowers shall not, nor shall they permit any other Restricted Subsidiary to, directly or indirectly create, incur, assume or suffer to exist any Lien on Material Intellectual Property securing (i) Indebtedness in respect of borrowed money, (ii) Indebtedness evidenced by bonds, notes, debentures or similar instruments or letters of credit or bankers' acceptances (or, without duplication, reimbursement obligations in respect thereof) or (iii) any Guarantee of the foregoing, in each case, unless (A) such Lien (and the underlying Indebtedness that such Lien secures) is permitted to be incurred by the applicable Loan Party pursuant to the Section 7.01 and 7.02 of this Agreement and (B) Parent provides, or causes the applicable Restricted Subsidiary to provide, subject, solely with respect to Loan Parties not organized in the United States or assets not located in the United States, to the Agreed Security Principles, that the Obligations are secured equally and ratably by a Lien on such Material Intellectual Property; provided that (1) the foregoing obligation will not apply with respect to (x) any Liens on Material Intellectual Property securing Indebtedness that existed at the time the Borrowers or any Restricted Subsidiary acquired such Material Intellectual Property and that includes a restriction on the rateable and equal securing of the Obligations, provided, however, that such Liens are not created or Incurred in connection with, or in contemplation of, such acquisition and (y) any Liens on Material Intellectual Property arising automatically by operation of law, and (2) in no event shall this Section 7.10 permit the incurrence of Indebtedness, or Lien on Material Intellectual Property securing such Indebtedness, unless such Indebtedness is permitted under Section 7.01 and such Lien is permitted to be secured on an equal and ratable basis to the Liens securing the Obligations under Section 7.02. Any Lien created for the benefit of the Secured Parties pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally be released and discharged upon the release and discharge of the applicable Lien on Material Intellectual Property that gave rise to the obligation to so secure the Obligations by a Lien over such Material Intellectual Property.

Section 7.11 Passive Holdings. ARTICLE IX.
Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender hereby irrevocably appoints JPMorgan (i) to act on its behalf as Administrative Agent hereunder and under the other Loan Documents and (ii) as attorney-in-fact to act in its name and on its behalf as Administrative Agent hereunder and under the other Loan Documents (in each case, subject to the provisions in Section 9.09), and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with

any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative or attorney-in-fact relationship between independent contracting parties.

(b) Each Lender hereby irrevocably appoints Silver Point (i) to act on its behalf as Lead Lender and Syndication Agent hereunder and under the other Loan Documents and, and designates and authorizes Silver Point to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Silver Point in its capacity as Lead lender and Syndication Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

(c) The Lenders hereby expressly (i) authorize Wilmington Trust (London) Limited as Security Agent and (ii) appoint Wilmington Trust (London) Limited as attorney-in-fact and Security Agent and authorize and empower the Security Agent to, in each case, to execute and sign in the name and on behalf of each such Lender any and all documents (including releases, payoff letters and similar documents) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any intercreditor agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(d) The Secured Parties acknowledge that Wilmington Trust (London) Limited has been appointed as the "Common Security Agent" for the purposes of the Intercreditor Agreement. The Security Agent hereby acknowledges that it shall act as the Creditor Representative for purposes of the Intercreditor Agreement on behalf of the Secured Parties and shall act as such at the direction of the Required Lenders.

(e) The Secured Parties, the Syndication Agent, the Arrangers and the Lead Lender hereby each expressly releases, to the extent legally possible, the Administrative Agent and the Security Agent (as well as any sub-agent of the Administrative Agent or the Security Agent), respectively, from any restrictions of self-dealing under any applicable law. Any Lender prevented by applicable law or its constitutional documents to grant the release from the restrictions under section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) shall notify the Administrative Agent and the Security Agent, respectively, in writing without undue delay.

Section 9.02 Delegation of Duties. The Administrative Agent and Security Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and Security Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The Administrative Agent and Security Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence, bad faith or willful misconduct by the Administrative Agent or Security Agent, respectively, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Security Agent.

Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence, bad faith or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent or Security Agent (as applicable) shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.02 and 10.01) or (B) in the absence of its own gross negligence, bad faith or willful misconduct as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or Security Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

(b) The Administrative Agent and Security Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law; and (ii) disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

For purposes of clarity, and without limiting any rights, protections, immunities or indemnities afforded to the Administrative Agent or Security Agent hereunder (including without limitation this Article 9) phrases such as “satisfactory to the Administrative Agent,” “approved by the Administrative Agent,” “acceptable to the Administrative Agent,” “as determined by the Administrative Agent,” “in the Administrative Agent’s discretion,” “selected by the Administrative Agent,” “elected by the Administrative Agent,” “requested by the Administrative Agent,” “satisfactory to the Security Agent,” “approved by the Security Agent,” “acceptable to the Security Agent,” “as determined by the Security Agent,” “in the Security Agent’s discretion,” “selected by the Security Agent,” “elected by the Security Agent,” “requested by the Security Agent,” and phrases of similar import that authorize and permit the Administrative Agent or Security Agent to approve, disapprove, determine, act or decline to act in its discretion shall be, at the option of the Administrative Agent or Security Agent, subject to Administrative Agent or Security Agent receiving written direction from the Required Lenders to take such action or to exercise such rights. Nothing contained in this Agreement shall require the Administrative Agent or Security Agent to exercise any discretionary acts.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

(d) The Administrative Agent and the Security Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Administrative Agent or the Security Agent (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

(e) In no event shall the Administrative Agent or Security Agent be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of its duties under the Loan Documents or in the exercise of any of its rights or powers under the Loan Documents.

(f) The Administrative Agent and the Security Agent shall be entitled to take any action or refuse to take any action which the Administrative Agent or Security Agent, as applicable, regards as necessary for it to comply with any applicable law, regulation or court order.

(g) Any entity into which the Administrative Agent or Security Agent in their respective individual capacities may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidations which the Administrative Agent or the Security Agent in their respective individual capacities may be party, or any Person to which substantially all of the corporate trust or agency business of the Administrative Agent or Security Agent in their respective individual capacities may be transferred, shall be the Administrative Agent or Security Agent, as applicable, under this Agreement without further action.

(h) Anything herein to the contrary notwithstanding, none of the Arranger nor the Agents shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, the Security Agent or a Lender hereunder or thereunder.

Section 9.04 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, unless the Administrative Agent shall have received written notice from a Lender or the Borrowers referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders, as applicable, in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of all the Facilities, indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person; provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence, bad faith or willful misconduct; provided further, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Administrative Agent and/or the Security Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent or the Security Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent or the Security Agent is not reimbursed for such expenses by or on behalf of the Borrowers; provided that such reimbursement by the Lenders shall not affect the Borrowers' continuing reimbursement obligations with respect thereto; provided, further, that failure of any Lender to indemnify or reimburse the Administrative Agent or the Security Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation or removal of the Administrative

Agent and/or the Security Agent. This Section 9.07 shall not apply with respect to Taxes, other than any Taxes that represent losses, claims, or damages arising from any non-Tax claim.

Section 9.08 Agents in their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires). Such Person and its affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with any Loan Party or any subsidiary or other affiliate thereof as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.09 Successor Agents.

(a) The Administrative Agent or Security Agent may resign as the Administrative Agent or Security Agent, as applicable, upon (i) 30 days' or (ii) after the delivery of a Follow-up Notice, 5 Business Days' written notice to the Borrowers and the Lenders. If the Administrative Agent or Security Agent or a controlling Affiliate of the Administrative Agent or the Security Agent is subject to an Agent-Related Distress Event, the Swedish Borrower may remove such Agent from such role upon ten (10) days' written notice to the Lenders. Upon receipt of any such notice of resignation or removal, the Required Lenders shall appoint a successor agent for the Lenders, which successor agent shall be consented to by the Borrowers at all times other than during the existence of an Event of Default (which consent of the Borrowers shall not be unreasonably withheld or delayed and shall be deemed given if such successor agent is Silver Point Finance, LLC or an affiliate thereof). Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Security Agent, as applicable, and the term "Administrative Agent" or "Security Agent," as applicable, shall mean such successor administrative agent or such successor security agent, as applicable, and the retiring Administrative Agent's or Security Agent's appointment, powers and duties as the Administrative Agent or Security Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Security Agent's resignation or removal hereunder (including any removal pursuant to Section 9.09(b)) as the Administrative Agent or Security Agent, the provisions of this Article IX and Sections 10.04 and 10.05 as in effect immediately prior to such resignation or removal shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Security Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Security Agent by the date which is (i) 30 days or (ii) after the delivery of a Follow-up Notice, 5 Business Days following the retiring or removed Administrative Agent's or Security Agent's notice of resignation or removal, the retiring Administrative Agent's or Security Agent's resignation or removal shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Security Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that (x) in the case of any Collateral security held by the Administrative Agent or Security Agent on behalf of the Secured Parties under any of the Loan Documents, the retiring or removed Administrative Agent or Security Agent, as applicable, shall continue to hold such Collateral security (including any Collateral security subsequently delivered to the Administrative Agent or Security Agent, as applicable) as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed and (y) the Administrative Agent or Security Agent, as applicable, shall continue to act as security agent for the purposes of identifying a "security agent" (or similar title) in any filing or recording financing statements, amendments thereto or other applicable filings or recordings with any Governmental Authority necessary for the perfection of the liens on Collateral securing the Obligations to the extent required by the

Loan Documents)), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) other than as provided in the parenthetical in clause (i) above, the Lenders shall perform all of the duties of the Administrative Agent or Security Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Security Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the successor Administrative Agent or Security Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Security Agent. Upon the acceptance of any appointment as the Administrative Agent or Security Agent hereunder by a successor or upon the expiration of (i) 30-day period or (ii) after the delivery of a Follow-up Notice, 5 Business Day period following the retiring Administrative Agent's or Security Agent's notice of resignation or its removal without a successor agent having been appointed, the retiring or removed Administrative Agent or Security Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than as specifically set forth in clause (i) above of this Section 9.09(a) but the provisions of this Article IX and Sections 10.04 and 10.05 as in effect immediately prior to such resignation or removal (including any removal pursuant to Section 9.09(b)) shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring or removed Agent was acting as Administrative Agent or Security Agent, as applicable. At any time the Administrative Agent or Security Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Administrative Agent or Security Agent may be removed as the Administrative Agent or Security Agent hereunder at the request of the Borrowers and the Required Lenders.

(b) If an Event of Default has occurred and is continuing and the Required Lenders (or such other group or number of Lenders as may be required by the Loan Documents) have directed the Administrative Agent or the Security Agent to take any enforcement action or exercise remedies pursuant to and in accordance with the Loan Documents, and the Administrative Agent or the Security Agent, as applicable, does not commence such action within 10 Business Days of receipt of a written follow-up notice from the Required Lenders (the "Follow-up Notice"), the Required Lenders may, by notice to the Borrower, the Administrative Agent and the Security Agent, remove such Person serving as Administrative Agent and/or Security Agent, as applicable, and appoint a new Person to serve as Administrative Agent and/or Security Agent, as applicable.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel to the extent provided for herein and all other amounts due to the Lenders and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts, in each case, due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. Subject to the Intercreditor Agreement, each of the Lenders irrevocably authorize the Administrative Agent and the Security Agent, and each of the Administrative Agent and the Security Agent shall, to the extent requested by Parent,

(a) release any Lien on any property granted to or held by the Administrative Agent or Security Agent or granted to or held by the Administrative Agent or Security Agent acting in the name and on behalf of the Lenders under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full in cash of all Obligations (other than contingent indemnification obligations as to which no claim has been asserted), (ii) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction not prohibited hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders as may be required hereby), (iv) that constitutes Excluded Property as a result of an occurrence not prohibited hereunder or (v) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Security Agent or granted to or held by the Administrative Agent or Security Agent acting in the name and on behalf of the Lenders under any Loan Document to the holder of any Permitted Lien on such property that is permitted by clauses (4) (solely with respect to cash deposits), (6) (only with regard to Section 7.01(f)), (9), (11) (solely with respect to cash deposits), (16), (17) (solely with respect to cash deposits and other than with respect to self-insurance arrangements), (21), (23) (solely to the extent relating to a lien of the type allowed pursuant to clause (9) of the definition of "Permitted Liens"), (26) (solely to the extent the Lien of the Security Agent on such property is not, pursuant to such agreements, required or permitted to be senior to or pari passu with such Liens) and (39) of the definition of "Permitted Liens";

(c) release any Guarantor from its obligations under the applicable Guaranty if in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary or otherwise is or becomes an Excluded Subsidiary as a result of a transaction not prohibited hereunder or designation permitted hereunder or is otherwise not required to provide a Guaranty pursuant to the Guarantor Coverage Requirement; provided that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Specified Refinancing Debt, any Refinancing Notes or any Incremental Equivalent Debt, Ratio Debt or Ratio Acquisition Debt, in each case, with an aggregate outstanding principal amount in excess of the Threshold Amount, or the Sustainable Revolving Credit Facility or Indebtedness permitted under Section 7.01(kk);

(d) release any Guarantor from its obligations under the applicable Guaranty or release or subordinate any Lien on any property granted to or held by the Administrative Agent or Security Agent or granted to or held by the Administrative Agent or Security Agent acting in the name and on behalf of the Lenders under any Loan Document in each case to the extent required pursuant to the terms of the Intercreditor Agreement; and

(e) enter into (or amend, renew, extend, supplement, restate, replace, waive or otherwise modify) the Intercreditor Agreement or any other intercreditor agreement or subordination agreement, collateral trust agreement, or other intercreditor agreement (including a payment waterfall) (to the extent the Indebtedness being incurred or secured in connection therewith is permitted to be incurred under Section 7.01 or 7.02 of this Agreement) in connection with any refinancing facilities or notes, Incremental Equivalent Debt or other Indebtedness or obligations (including, without limitation, to the extent secured by Liens on Collateral) not prohibited (including with respect to priority) hereunder and in respect of which this Agreement requires the entry into of an intercreditor or subordination agreement. The Lenders and the other Secured Parties expressly and irrevocably agree that (x) with respect to any actions sought to be taken pursuant to this Section 9.11(d), the Administrative Agent and Security Agent may rely exclusively on a certificate of a Responsible Officer of Parent as to whether any Indebtedness or Liens is permitted (including with respect to priority) and whether the Intercreditor Agreement or any other intercreditor agreement or subordination agreement, collateral trust agreement, or other intercreditor agreement or similar arrangements (or, in each case, any such amendment or modification thereto or restatement thereof) satisfy the requirements of the Loan Documents and (y) the Intercreditor Agreement, any collateral trust agreement or any other intercreditor agreement (including a payment waterfall) (or, in each case, any such amendment or modification thereto or restatement thereof) entered into by the Administrative Agent and/or Security Agent shall be binding on the Secured Parties.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Security Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11; provided, that, for the avoidance of doubt, the Administrative Agent shall not be required to request such confirmation in writing. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

Each of the Lenders and the other Secured Parties irrevocably authorizes and directs the Administrative Agent to rely on any certificate of a Responsible Officer of Parent to the effect that a release or subordination of a Lien over Collateral or a release of a Guaranty is in compliance with the Loan Documents, without independent investigation, and release or subordination of its interests in any Collateral or release of any Guarantor from its obligations under the Loan Documents pursuant to this Section 9.11 (including, each case of the foregoing, by filing applicable termination statements and/or returning pledged Collateral).

Additionally, upon reasonable request of the Borrowers, the Security Agent will return possessory Collateral held by it that is released from the security interests created by the Collateral Documents pursuant to this Section 9.11; provided that in each case of this Section 9.11, the Borrowers shall have delivered to the Administrative Agent and Security Agent a certificate of a Responsible Officer of the Borrowers certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents and that such release is permitted hereby; provided further, that in the event that the Security Agent loses or misplaces any possessory collateral delivered to the Security Agent by the Borrowers, upon reasonable request of the Borrowers, the Security Agent shall provide a loss affidavit to the Borrowers, in the form customarily provided by the Security Agent in such circumstances.

Section 9.12 Other Agents; Arranger and Managers.

(a) No Arranger is responsible or liable for:

(i) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Administrative Agent, a Loan Party or any other Person in or in connection with any Loan Document or the transactions contemplated by the Loan Documents or any

other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document;

(ii) the legality, validity, effectiveness, adequacy or enforceability of any Loan Document or the Collateral or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan or the Collateral; or

(iii) any determination as to whether any information provided or to be provided to any Loan Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

(b) Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Remedies. Subject to the Intercreditor Agreement, upon the occurrence and during the continuance of any Event of Default, the Administrative Agent and the Security Agent shall, subject to the other provisions of this Agreement, take such actions with respect to such Event of Default as shall be directed by the Required Lenders in accordance with the Loan Documents; provided, however, that, in the absence of such direction, the Administrative Agent and the Security Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable and in the best interests of the Lenders and solely to the extent permitted hereunder or pursuant to the other Loan Documents. Subject to the Intercreditor Agreement, upon receipt by the Administrative Agent of a direction by the Required Lenders, the Administrative Agent and the Security Agent shall seek to enforce the Collateral Documents and to realize upon the Collateral in accordance with such direction; provided, however, that, subject to Section 9.09(b) the Administrative Agent and the Security Agent shall not be obligated to follow any direction by Required Lenders if the Administrative Agent or the Security Agent reasonably determines that such direction is in conflict with any provisions of any applicable law or any Collateral Document or the Intercreditor Agreement, and the Administrative Agent and the Security Agent shall not, under any circumstances, be liable to any Lender, the Borrowers or any other Person or entity for following the direction of the Required Lenders. Subject to the Intercreditor Agreement, at all times, if the Administrative Agent or the Security Agent acting at the direction of the Required Lenders advises the Lenders that it wishes to proceed in good faith with respect to any action, each of the Lenders will cooperate in good faith with respect to such action and will not unreasonably delay the enforcement of the Collateral Documents.

Section 9.14 Appointment of Supplemental Agents, Incremental Arranger, Incremental Equivalent Debt Arranger and Specified Refinancing Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Security Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, each of the Administrative Agent and the Security Agent are hereby authorized to appoint an additional individual or institution selected by it in its sole discretion as a separate trustee, co-trustee, administrative agent, security agent, collateral agent, administrative sub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a "Supplemental Agent" and collectively as "Supplemental Agents").

(b) In the event that the Administrative Agent or the Security Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Security Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and

privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Security Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Security Agent's expenses and to indemnify the Administrative Agent and the Security Agent) that refer to the Administrative Agent and/or the Security Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Security Agent shall be deemed to be references to the Administrative Agent and/or Security Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from the Borrowers or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Security Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Security Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Security Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) In the event that the Borrowers appoint or designate any Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent pursuant to Section 2.14, 2.15 and/or 2.18, as applicable, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an agent or arranger with respect to New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, as applicable, shall be exercisable by and vest in such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to the extent, and only to the extent, necessary to enable such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to exercise such rights, powers and privileges with respect to the New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, as applicable, and to perform such duties with respect to such New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent shall run to and be enforceable by either the Administrative Agent or such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Security Agent's expenses and to indemnify the Administrative Agent and the Security Agent) that refer to the Administrative Agent and/or the Security Agent shall inure to the benefit of such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent and all references therein to the Administrative Agent and/or Security Agent shall be deemed to be references to the Administrative Agent and/or Security Agent and/or such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent, as the context may require.

Section 9.15 Intercreditor Agreements. The Administrative Agent and the Security Agent are authorized by the Lenders and the other Secured Parties to, upon the request of Parent, (i) enter into the Intercreditor Agreement, (ii) enter into any Collateral Document, or (iii) make or consent to any filings or take any other actions in connection therewith (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Section 7.01 and/or 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is not prohibited by the Loan Documents)), and the parties hereto acknowledge that the Intercreditor Agreement and any other intercreditor agreement, Collateral Document, consent, filing or other action will be binding upon them. Each Lender hereby authorizes and instructs the Administrative Agent and the Security Agent to enter into any such intercreditor agreement or Collateral Document (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Section 7.01 and/or 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party,

to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.16 Erroneous Payments.

(a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 9.16 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) Each of the Borrowers and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(d) Each party's obligations under this Section 9.16 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

Section 9.17 ERISA Matters. Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent and its Affiliates and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent and its Affiliates and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or any of its Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 9.18 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i)

the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

Section 10.01 Amendments, Etc. Except as otherwise expressly set forth in this Agreement or the applicable Loan Document, no amendment or waiver of any provision of this Agreement or any other Loan Document (other than the Fee Letters), and no consent to any departure by the Borrowers or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrowers or the applicable Loan Party, as the case may be, and the Administrative Agent shall have received prior written notice of any amendment, waiver or consent, and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall, except as expressly provided herein:

(b) subject to Section 3.04, postpone any date scheduled for, or reduce the amount of, any payment of principal of, or interest on, any Loan or any fees or other amounts payable hereunder, without the written consent of each Lender directly and adversely affected thereby (and subject to such further requirements as may be applicable thereto under the last two paragraphs of this Section 10.01), it being understood that the waiver of any obligation to pay interest at the Default Rate, or the amendment or waiver of any mandatory prepayment of Loans under the Term Facilities shall not constitute a postponement of any date scheduled for the payment of principal, interest or fees;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan (it being understood that a waiver of any Default or Event of Default or mandatory prepayment shall not constitute a reduction or forgiveness of principal), or any fees or other amounts payable hereunder or under any other Loan Document without the written

consent of each Lender directly and adversely affected thereby, it being understood that any change to the definitions of First Lien Net Leverage Ratio, Senior Secured Net Leverage Ratio, Total Net Leverage Ratio, Fixed Charge Coverage Ratio or in the component definitions thereof shall not constitute a reduction in any rate of interest or any fees based thereon; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) amend or otherwise modify Section 6.01(c) or Section 6.02, without the consent of the majority of Lenders that have selected the "Private Side Information" or similar designation (as in effect at the time of the relevant vote); provided, however, that the amendments, modifications, waivers and consents described in this clause (d) shall not require the consent of any Lenders other than the majority of Lenders that have selected the "Private Side Information" or similar designation (as in effect at the time of the relevant vote);

(e) change any provision of this Section 10.01 (other than the second and third paragraphs of this Section), or the definition of Required Lenders, or any other provision hereof specifying the number or percentage of Lenders or portion of the Loans or Commitments required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder that has the effect of decreasing the number or percentage of Lenders that are required to approve, waive, amend or modify any action in connection therewith, without the written consent of each Lender;

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Liens on the Collateral in any transaction or series of related transactions, without the written consent of each Lender adversely affected thereby;

(g) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, or all or substantially all of the Guarantors, without the written consent of each Lender adversely affected thereby;

(h) amend, modify or waive the pro rata sharing provisions of Section 2.13 or the application of proceeds set forth in Section 8.04 or Clause 22 (*Application of Proceeds*) of the Intercreditor Agreement without the consent of each Lender adversely affected thereby;

(i) change the currency in which any Loan is denominated without the written consent of the Lender holding such Loan;

(j) amend, modify or waive Section 10.07(a)(A) without the consent of each Lender; or

(k) subordinate (x) the Liens securing any of the Obligations on all or substantially all of the Collateral to the Liens on the Collateral securing any other Indebtedness or (y) any Loans in contractual right of payment to any other Indebtedness, in the case of each of clause (x) and (y), unless expressly permitted by this Agreement (as in effect on the Closing Date), without the written consent of each Lender.

and provided further that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent and/or the Security Agent, in its capacity as such, in addition to the Borrowers and the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or the Security Agent, as applicable, under this Agreement or any other Loan Document; and (ii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification. Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders, except that (x) no amendment, waiver or consent relating to Section 10.01(a), (b) or (c) may be effected, in each case without the consent of such Defaulting Lender and (y) any amendment, modification, waiver or other action that by its terms adversely affects any Defaulting Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender. Notwithstanding anything to the contrary herein, any waiver, amendment, modification or consent in respect of this Agreement or any other Loan Document that by its terms affects the rights

or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche (but not the Lenders holding Loans or Commitments of any other Tranche) may be effected by an agreement or agreements in writing entered into by the Borrowers and the requisite percentage in interest of the Lenders with respect to such Tranche that would be required to consent thereto under this Section 10.01 if such Lenders were the only Lenders hereunder at the time.

This Section 10.01 shall be subject to any contrary provision of Section 2.14, Section 2.18 or Section 2.19. In addition, notwithstanding anything else to the contrary contained in this Section 10.01, (a) amendments and modifications that benefit any Lenders may be effected without such Lenders' consent, (b) if the Administrative Agent and the Borrowers shall have jointly identified an obvious error, ambiguity, omission, defect, or inconsistency of a technical or immaterial nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrowers shall be permitted to amend such provision, if the same is not objected to in writing by the Required Lenders to the Administrative Agent within five (5) Business Days following receipt of notice thereof and (c) the Administrative Agent and the Borrowers shall be permitted to amend any provision of any Collateral Document, the Guaranty, or enter into any new agreement or instrument, to better implement the intentions of this Agreement (including the Agreed Security Principles) and the other Loan Documents or as required by local law to give effect to any guaranty, or to give effect to or to protect any security interest for the benefit of the Secured Parties, in any property so that the security interests comply with applicable Law, and in each case, such amendments, documents and agreements shall become effective without any further action or consent of any other party to any Loan Document if in the case of amendments contemplated by clause (b) the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

Notwithstanding anything herein to the contrary, (I) this Agreement and any other Loan Document may be amended, modified or supplemented solely with the consent of the Administrative Agent (or the Security Agent, as applicable) and the Swedish Borrower, each in their sole discretion, without the need to obtain the consent of any other Lender if such amendment, modification or supplement is delivered in order to (u) add terms that are favorable to the Lenders (as reasonably determined by the Administrative Agent) in connection with any Incremental Facility, Incremental Equivalent Debt, Refinancing Indebtedness, Refinancing Notes, Specified Refinancing Term Loans (or Specified Refinancing Term Commitments) or Permitted Debt Exchange Notes or (x) create a fungible class of Term Loans (including by increasing (but, for the avoidance of doubt, not by decreasing) the amount of amortization due and payable with respect to any class of Term Loans), (II) [reserved], (III) any repricing transaction whereby the Applicable Rate or other interest rate applicable to any Loans, Tranches or classes is reduced shall require only the consent of Lenders that will continue to hold commitments and/or Loans of the applicable Tranche or class after giving effect to such transaction, (IV) the Loan Parties may provide any Lien additional to the Collateral by entering into a Collateral Document without the consent of the Lenders, and, for purposes of such Collateral Document, the Loan Parties may expressly unilaterally waive their rights under the Agreed Security Principles and the Lenders hereby authorize the Security Agent to negotiate and enter into such additional Collateral Documents without the consent of the Lenders, (V) no Lender consent is required to effect any amendment or supplement to the Intercreditor Agreement or any other intercreditor agreement that is, for the purpose of adding the holders or creditors (or a representative with respect thereto) of any Indebtedness subject to and, as a condition to the incurrence of any such Indebtedness, Section 7.01, as parties thereto, as expressly contemplated by the terms of the Intercreditor Agreement or such other intercreditor agreement (it being understood that any such amendment or supplement may make such other changes to the Intercreditor Agreement or such other applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing), and (VI) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and Swedish Borrower (A) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (B) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

Notwithstanding anything to the contrary herein, the Administrative Agent together with the Required Lenders, in each case, in their reasonable discretion may extend any period for the Borrowers to deliver any documentation or perform their obligations under this Agreement which relate to Guarantees and Collateral.

Section 10.02 Notices; Electronic Communications.

(a) General. Unless otherwise expressly provided herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrowers, the Administrative Agent or the Security Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties hereto, as provided in Section 10.02(d); and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

All notices to and other communications with the Borrowers shall be made via Swedish Borrower.

(b) Electronic Communications. Notices and other communications to the Lenders may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving, or is unwilling to receive, notices under Article II by electronic communication. The Administrative Agent or the Swedish Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes (with the Borrowers' consent), (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT-RELATED PERSONS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender or any other Person for losses,

claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers' or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent-Related Person; provided, however, that in no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrowers, the Guarantors, the Administrative Agent and the Security Agent may change its address, telecopier, telephone number or electronic mail address for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier, telephone number or electronic mail address for notices and other communications hereunder by notice to the Borrowers, the Administrative Agent and the Security Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to Parent, Holdings, the Borrowers, the Restricted Subsidiaries or any of their securities for purposes of United States federal or state securities laws.

(e) Reliance by Administrative Agent, Security Agent and Lenders. The Administrative Agent, the Security Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, the Security Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers to the extent required by Section 10.05. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies; Enforcement.

(a) No failure by any Lender, the Administrative Agent or the Security Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent or the Security Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Security Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely

in its capacity as the Administrative Agent or the Security Agent) hereunder and under the other Loan Documents or (b) any Lender from exercising set-off rights in accordance with Section 10.09 (subject to the terms of Section 2.13); and provided further, that if at any time there is no Person acting as Administrative Agent or Security Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and the rights ascribed to the Administrative Agent or Security Agent set forth elsewhere in the Loan Documents and (ii) in addition to the matters set forth in clause (b) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. In the event of a foreclosure by the Security Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Security Agent or any Lender (or any person nominated by them) may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

Section 10.04 Expenses. The Borrowers agree (a) to pay or reimburse the Administrative Agent, the other Agents and the Lenders for all reasonable, documented and out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents (including reasonable expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses), and any amendment, waiver, consent or other modification of the provisions hereof and thereof, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable documented out-of-pocket fees, disbursements and other charges of one primary counsel to the Agents, one primary counsel to the Lenders and, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty, in each case, limited to jurisdictions material to the interests of the Lenders and (b) to pay or reimburse the Administrative Agent, the other Agents and each Lender for all reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent and the Security Agent, one counsel to the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and of special counsel for each relevant specialty, in each case, limited to jurisdictions material to the interests of the Lenders and, in the event of any actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction for each Lender or group of similarly affected Lenders or Agents subject to such conflict after notification to the Borrowers, or otherwise agreed by the Borrowers). The foregoing costs and expenses shall include, without duplication, Indemnified Taxes or Other Taxes paid or indemnified pursuant to Sections 3.01 and 3.05, of all reasonable search, filing, recording, title insurance and appraisal charges and fees and non-income taxes related thereto, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within 30 days after invoiced or demand therefor (with a reasonably detailed invoice with respect thereto) (except for any such costs and expenses incurred prior to the Closing Date, which shall be paid on the Closing Date to the extent invoiced at least 3 Business Days prior to the Closing Date). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent after any applicable grace periods have expired, in its sole discretion, and the Borrowers shall immediately reimburse the Administrative Agent, as applicable. The aggregate amount of external legal expenses reimbursed pursuant to this Section 10.04 shall not exceed any separately agreed caps.

Section 10.05 Indemnification by the Borrowers. The Borrowers shall indemnify and hold harmless each Arranger, each Agent-Related Person, each Lender, each of their respective Related Parties and each partner, director, officer, employee, counsel, agent, representative, trustee and advisor and attorney-in-fact of the foregoing

(collectively, the "Indemnitees") from and against (and will reimburse each Indemnitee, as and when incurred, for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the reasonable, documented out-of-pocket fees, disbursements and other charges of (i) one counsel to the Administrative Agent and the Security Agent, (ii) one counsel to the other Indemnitees taken as a whole, (iii) in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnitee in each relevant jurisdiction material to the interests of the Lenders, and (iv) if necessary, one local counsel in each jurisdiction material to the interests of the Indemnitees (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (x) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding): (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from (A) the bad faith, gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing, (B) a material breach of the Loan Documents by such Arranger, Agent-Related Person, Lender (or any of their respective Affiliates, partners, directors, officers, employees, counsel, agents and representatives), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision or (C) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent, in each case in their respective capacities as such) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of any direct or indirect parent or controlling person of Parent or the Borrowers or any of their Subsidiaries; or (y) any actual or alleged presence or release of Hazardous Materials at, on, in, under, to or from any property currently or formerly owned or operated by Parent or any of its Subsidiaries, or any Environmental Liability related in any way to Parent or any of its Subsidiaries, ((x) and (y), collectively, the "Indemnified Liabilities"); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, and whether or not any Indemnitee is otherwise a party thereto. Should any investigation, litigation or proceeding be settled, or if there is a judgment in any such investigation, litigation or proceeding, the Borrowers shall indemnify and hold harmless each Indemnitee in the manner set forth above; provided that the Borrowers shall not be liable for any settlement effected without the Borrowers' prior written consent (such consent not to be unreasonably withheld, delayed or conditioned).

All amounts due under this Section 10.05 shall be payable within 30 days after demand therefor. The agreements in this Section 10.05 shall survive the resignation of any Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply with respect to Taxes, other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

None of the Arrangers, Agent-Related Persons, Lenders, or their respective Related Parties or any partner, director, officer, employee, counsel, agent, representative, trustee, advisor or attorney-in-fact of the foregoing (collectively, the "Exculpated Persons") shall be liable for any damages arising from the use by others of any information or other materials obtained through the Platform or other information transmission systems (including

electronic telecommunications) in connection with this Agreement or any other Loan Document unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Exculpated Person, nor shall any Exculpated Person or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that such waiver of special, punitive, indirect or consequential damages shall not limit the indemnification obligations of the Loan Parties under this Section 10.05 and provided further that nothing contained in this paragraph will limit the indemnification obligations of the Loan Parties under this Section 10.05 to the extent such indirect, special, punitive or consequential damages are included in any third party claim with respect to which the applicable Exculpated Person is entitled to indemnification under this Section 10.05.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrowers is made to any Agent or any Lender, or any Agent or any Lender exercises its right of set-off, and such payment or the proceeds of such set-off or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such set-off had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that, other than in connection with a transaction permitted under Section 7.03, (A) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and (B) no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee (other than to (x) any natural person or (y) Disqualified Institution to the extent the list of Disqualified Institutions has been made available, or is available upon request of the Administrative Agent, to the Lenders) in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and in the case of clause (A), any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees and Exculpated Persons) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); provided that:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility, no minimum amount shall need be assigned, and (B) in any case not described in clause (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $1,000,000 or integral multiples of $1,000,000 in excess thereof (or such lesser amount as is acceptable

to the Administrative Agent and the Borrowers), in each case unless each of the Administrative Agent and, so long as no Specified Event of Default has occurred and is continuing, the Borrowers otherwise consent (such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met; provided, further, that assignments to an Affiliate of a Lender or an Approved Fund shall not be subject to the foregoing minimum amounts;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities or Tranches on a non-pro rata basis;

(iii) no consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section and, in addition (A) the consent of the Swedish Borrower (such consent not to be unreasonably withheld, conditioned or delayed unless otherwise specified herein) shall be required for any assignment unless (1) a Specified Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund (other than any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available, or is available upon request of the Administrative Agent, to the Lenders); provided that the Borrowers shall be deemed to have consented to any assignment unless the Swedish Borrower objects thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof and (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for any assignment unless such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that, except in the case of any assignment by a Lender to any of its Affiliates or any of its Approved Funds (as the case may be), the Administrative Agent shall acknowledge any such assignment to a Lender, an Affiliate of a Lender or any of its Approved Funds;

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of $3,500 (except, (w) no such fee shall be required when such assignment is made in connection with the primary syndication of the Term Loans, (x) in the case of contemporaneous assignments by any Lender to one or more Approved Funds, only a single processing and recording fee shall be payable for such assignments, (y) no processing and recording fee shall be payable for assignments among Approved Funds or among any Lender and any of its Affiliates or Approved Funds and (z) the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee in the case of any assignment). Each Eligible Assignee that is not an existing Lender shall deliver to the Administrative Agent an Administrative Questionnaire;

(v) no such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this subclause (A), (B) to any natural person, (C) to any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available, or is available upon request of the Administrative Agent, to the Lenders or (D) to Parent, Holdings, the Borrowers or any of their Subsidiaries or any Affiliate of Parent;

(vi) [reserved];

(vii) the assigning Lender shall deliver any Notes or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Borrowers evidencing such Notes to the Borrowers or the Administrative Agent;

(viii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrowers and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded

by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Notwithstanding the foregoing, the Lenders acknowledge and agree that the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or Defaulting Lender or (y) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restrictions on any exercise of rights or remedies of, any Disqualified Institution or Defaulting Lender;

(ix) the Eligible Assignee confirms its status pursuant to Section 3.01(g) and delivers to the Borrowers and the Administrative Agent documentation pursuant to Section 3.01(g); and

(x) the Eligible Assignee shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the assigning Lender would have been entitled to receive with respect to the Commitment(s) and the Loans assigned to such Eligible Assignee, had such assignment not taken place.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of, and subject to the obligations pursuant to, Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, and subject to the obligations set forth in Section 10.08). Upon request, and the surrender by the assigning Lender of its Note, the Borrowers (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available, or is available upon the request of the Administrative Agent, to the Lenders) that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register in which it shall record the names and addresses of the Lenders, and the Commitments of, and principal amounts of (and stated interest amounts on) the Loans and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by the Borrowers, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice; provided that the Register shall only be available to each Lender in respect of itself. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Section 163(f) of the Code and any related final or proposed Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, sell participations to any Person (other than a natural person, a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender or a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available, or is available upon the request of the Administrative Agent, to the Lenders) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly and adversely affects such Participant. Subject to Section 10.07(e), the Borrowers agree that each Participant shall be entitled to the benefits and obligations of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08 (it being understood that the documentation required under Section 3.01(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided such Participant agrees to be subject to Section 2.13 as though it were a Lender. Notwithstanding anything to the contrary herein, any Lender (or any Lender acting in an equivalent capacity) may sub-participate or sub-contract any of its obligations under this Agreement without providing prior written notice to the Borrowers.

(e) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a change in Law that occurs after the Participant acquired the applicable participation.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available, or is available upon request of the Administrative Agent, to the Lenders, or to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) such SPC confirms its status pursuant to Section 3.01(g) and delivers to the Borrowers and Administrative Agent documentation pursuant to Section 3.01(g), (ii) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (iii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b)(i). Each party hereto hereby agrees that an SPC shall be entitled to the benefits and subject to the obligations of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08 (it being understood that the documentation required under Section 3.01(g) shall be delivered to the participating Lender)); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the

Borrowers under this Agreement (including under Section 3.01, 3.04 or 3.05, except to the extent an entitlement to receive a greater payment results from a change in Law that occurs after the grant was made to such SPC). Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender of record hereunder. Other than as expressly provided in this Section 10.07(g), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrowers and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender and (ii) subject to Section 10.08, disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) [reserved].

(j) [reserved].

(k) The applicable Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the amount of each such SPC's and Participant's interest in such Lender's rights and/or obligations under this Agreement (including the principal amounts of (and stated interest on) each SPC's and Participant's interest in the Loans or other obligations under the Loan Documents) complying with the requirements of Section 163(f) of the Code and the United States Treasury Regulations (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each Person whose name is

recorded in the Participant Register as the owner of the applicable rights and/or obligations of such Lender under this Agreement, notwithstanding notice to the contrary.

(l) In the event that a transfer by any of the Secured Parties of its rights and/or obligations under this Agreement (and/or any relevant Loan Document) occurred or was deemed to occur by way of novation, the Borrowers and any other Loan Parties explicitly agree that all Liens and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties.

(m) Notwithstanding anything to the contrary set forth herein, the Swedish Borrower may approve assignments to Disqualified Institutions in its sole discretion, and any such assignments shall be subject to the express written approval of the Swedish Borrower.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its and its Affiliate's respective partners, directors, officers, employees, trustees, leverage facility providers, financing sources, representatives and agents, including accountants, legal counsel and other advisors and service providers on a need to know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices); (b) to the extent requested by any regulatory authority having jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under Section 10.07(f); (c) in any legal, judicial or administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process, in each case based upon the reasonable advice of the disclosing Agent's or Lender's legal counsel (in which case the disclosing Agent or Lender, as applicable, agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), to the extent not prohibited by applicable Law, to promptly notify the Borrowers after such disclosure); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or at least as restrictive) as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrowers), to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; provided, that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to any such Person that is a Disqualified Institution (but with respect to any Lender and its Affiliates, only to the extent the list of Disqualified Institutions has been made available, or is available upon request of the Administrative Agent to such Lender); (g) with the written consent of the Swedish Borrower; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; (j) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); (k) to the CUSIP Service Bureau or any similar agency in connection with the application, issuance, publishing and monitoring of CUSIP numbers of other market identifiers with respect to the credit facilities provided hereunder; (l) to any contractual counterparty in any swap, hedge, or similar agreement or to any such contractual counterparty's professional advisor (other than a Disqualified Institution (but with respect to any Lender, only to the extent the list of Disqualified Institutions has been made available, or is available upon request of the Administrative Agent, to such Lender)); or (m) to insurance companies and insurance brokers for the purposes of procuring credit risk insurance. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; provided that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party

other than as a result of a breach of this Section 10.08 by such Lender or Agent. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (i) the Information may include material non-public information concerning Parent or any of its Subsidiaries, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

Section 10.09 Set-off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party, together with each of its Affiliates, is authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent in accordance with Section 8.02, without prior notice to the Borrowers or any other Loan Party, any such notice being waived by Parent, Holdings and each Borrower (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in any currency), other than deposits in fiduciary accounts as to which a Loan Party is acting as fiduciary for another Person who is not a Loan Party and other than payroll or trust fund accounts, at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Secured Party hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender or Affiliate different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender or any of its Affiliates shall exercise any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) such Defaulting Lender or Affiliate thereof shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender or Affiliate as to which it exercised such right of set-off. Each Secured Party agrees promptly to notify the Borrowers and the Administrative Agent after any such set-off and application made by such Secured Party or any of its Affiliates; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Administrative Agent and each Secured Party under this Section 10.09 are in addition to other rights and remedies (including other rights of set-off) that the Administrative Agent and such Secured Party may have.

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.12 Integration; Effectiveness. This Agreement and the other Loan Documents, and those provisions of the engagement letter and fee letter separately entered into between the Borrower and JPMorgan and of each Fee Letter that, by its terms, survive the Closing Date, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. It is expressly agreed and confirmed by the parties hereto that the provisions of the Fee Letters shall survive the execution and delivery of this Agreement, and the occurrence of the Closing Date, and shall continue in effect thereafter in accordance with their terms. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement; provided further that in the event of any conflict between this Agreement and the Intercreditor Agreement, the Intercreditor Agreement shall govern and control. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto as of the date hereof.

Section 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than contingent indemnification or other obligations) hereunder shall remain unpaid or unsatisfied.

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 Governing Law; Jurisdiction; Etc.

(a) Governing Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) Submission to Jurisdiction. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN), OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT

OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE SECURITY AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) Waiver of Venue. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) Process Agent. Each Borrower, Parent and Holdings hereby irrevocably appoints, and appoints on behalf of themselves and on behalf of each Subsidiary (other than the U.S. Borrower) that is a Loan Party (each such Loan Party, a "Foreign Loan Party") the U.S. Borrower (in such capacity, the "Process Agent"), as its agent to receive on behalf of each Foreign Loan Party service of the summons and complaint and any other process which may be served in any action or proceeding described above. Such service may be made by mailing or delivering a copy of such process to each Foreign Loan Party in care of the Process Agent at the address specified for such Process Agent, and such Foreign Loan Party hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. Each Foreign Loan Party covenants and agrees that, for so long as it shall be bound under this Agreement or any other Loan Document, it shall maintain a duly appointed agent for the service of summons and other legal process in New York, New York, United States of America, for the purposes of any legal action, suit or proceeding brought by any party in respect of this Agreement or such other Loan Document and shall keep the Agents advised of the identity and location of such agent. If for any reason there is no authorized agent for service of process in New York, each Foreign Loan Party irrevocably consents to the service of process out of the said courts by mailing copies thereof by registered United States air mail postage prepaid to it at its address specified in Section 10.02. Nothing in this Section 10.15 shall affect the right of any Secured Party to (i) commence legal proceedings or otherwise sue any Foreign Loan Party in the country in which it is domiciled or in any other court having jurisdiction over such Foreign Loan Party or (ii) serve process upon any Foreign Loan Party in any manner authorized by the laws of any such jurisdiction.

Section 10.16 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02 AND, AS APPLICABLE, PURSUANT TO SECTION 10.15(d). NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.17 Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH

CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18 Binding Effect. When this Agreement shall have become effective in accordance with Section 10.12, it shall thereafter shall be binding upon and inure to the benefit of Parent, the Borrowers, each Agent and each Lender and their respective successors and permitted assigns, except that the Borrowers shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders, except as permitted by Section 7.03.

Section 10.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrowers and Parent acknowledges and agrees, and each of them acknowledges and agrees that it has informed its other Affiliates, that: (i) (A) no fiduciary, advisory or agency relationship between any of Parent and its Subsidiaries and any Agent, Lender or Arranger is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents, irrespective of whether any Agent, Lender or any Arranger has advised or is advising Parent and its Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents, the Lenders and the Arrangers are arm's-length commercial transactions between Parent and its Subsidiaries, on the one hand, and the Agents, the Lenders and the Arrangers, on the other hand, (C) each of the Borrowers and Parent has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (D) each of the Borrowers and Parent is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Lender and Arranger is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Parent or the Borrowers or any of their respective Affiliates, or any other Person and (B) neither any Agent, Lender nor any Arranger has any obligation to Parent or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Lenders and the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of Parent, the Borrowers and their respective Affiliates, and neither any Agent, any Lender nor any Arranger has any obligation to disclose any of such interests and transactions to Parent, the Borrowers or their respective Affiliates. To the fullest extent permitted by law, each of the Borrowers and Parent hereby waives and releases and agrees not to assert any claims that it may have against the Agents, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 Other Activities. The Borrowers and Parent acknowledge that each Agent and each Arranger (and their respective Affiliates) is a full service securities firm engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, any of them may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for their own account and for the accounts of customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of Parent and its Affiliates, as well as of other entities and persons and their Affiliates which may (i) be involved in transactions arising from or relating to the engagement contemplated hereby and by the other Loan Documents, (ii) be customers or competitors of Parent and its Affiliates or (iii) have other relationships with Parent and its Affiliates. In addition, any Agent or Arranger or Affiliate thereof may provide investment banking, underwriting and financial advisory services to such other entities and persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of Parent and its Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this Section 10.20.

Section 10.21 Electronic Execution of Assignments and Certain Other Documents. The words "execute," "execution," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, Committed Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved in writing by the Administrative Agent or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.22 USA PATRIOT Act. Each Lender that is subject to the PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001, as amended from time to time)) (the "PATRIOT Act") and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act and the Beneficial Ownership Regulation. Each Loan Party shall, promptly following a reasonable request in writing by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" rules and Anti-Money Laundering Laws, including the PATRIOT Act and the Beneficial Ownership Regulation.

Section 10.23 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of any Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable Law).

Section 10.24 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any applicable Resolution Authority.

Section 10.25 Acknowledgment Regarding Any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

(b) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate) of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(c) As used in this Section 10.25, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

(b) Paragraph (a) above shall not apply to the extent that the relevant Acceleration Event occurred as a result of an arrangement made between any Debtor and any Primary Creditor with the purpose of bringing about that Acceleration Event.

(c) If a Hedge Counterparty is entitled to terminate or close-out any hedging transaction under paragraph (b) of Clause 5.9 (*Permitted Enforcement: Hedge Counterparties*) (or would have been so entitled if that Hedge Counterparty had given the notice referred to in that paragraph) but has not terminated or closed out each such hedging transaction, that Hedge Counterparty shall promptly terminate or close-out in full each such hedging transaction following a request to do so by the Common Security Agent (acting on the instructions of the Instructing Group).

5.11 Treatment of Payments Due to Debtors on Termination of Hedging Transactions

(a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Common Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with Clause 23 (*Application of Proceeds*).

(b) The payment of that amount by the Hedge Counterparty to the Common Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

5.12 Terms of Hedging Agreements

The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:

(a) each Hedging Agreement is based either:

(i) on an ISDA Master Agreement; or

(ii) on another framework agreement which is similar in effect to an ISDA Master Agreement (including a DRV (*Deutscher Rahmenvertrag für Finanztermingeschäfte*));

(b) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:

(i) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or

(ii) an event similar in meaning and effect to either of those described in paragraph (i) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),

that Hedging Agreement will:

(A) if it is based on a 1992 ISDA Master Agreement, provide for payments under the "Second Method" and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;

(B) if it is based on a 2002 ISDA Master Agreement, make no material amendment to the provisions of section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or

(C) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour; and

(c) each Hedging Agreement will not provide for Automatic Early Termination other than to the extent that:

(i) the provision of Automatic Early Termination is consistent with practice in the relevant derivatives market, taking into account the legal status and jurisdiction of incorporation of the parties to that Hedging Agreement; and

(ii) that Automatic Early Termination is:

(A) as provided for in section 6(a) (*Right to Terminate Following Event of Default*) of the 1992 ISDA Master Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);

(B) as provided for in section 6(a) (*Right to Terminate Following Event of Default*) of the 2002 ISDA Master Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or

(C) similar in effect to that described in paragraphs (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(d) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date (as defined in the relevant ISDA Master Agreement) or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to Clause 5.10 (*Required Enforcement: Hedge Counterparties*); and

(e) each Hedging Agreement will permit the relevant Hedge Counterparty and each relevant Debtor to take such action as may be necessary to comply with Clause 5.13 (*Total Interest Rate Hedging and Total Exchange Rate Hedging*).

5.13 Total Interest Rate Hedging and Total Exchange Rate Hedging

(a) The Parent shall procure that, at all times:

(i) the Total Interest Rate Hedging in a particular currency does not exceed the Term Outstandings in that currency; and

(ii) the Total Exchange Rate Hedging in a particular currency does not exceed the Term Outstandings in that currency.

(b) Subject to paragraph (a) above, if:

(i) the Total Interest Rate Hedging is less than the Term Outstandings, a Debtor may (but, subject to the Debt Documents shall be under no obligation to) enter into additional hedging arrangements to increase the Total Interest Rate Hedging; or

(ii) the Total Exchange Rate Hedging is less than the Term Outstandings, a Debtor may (but, subject to the Debt Documents, shall be under no obligation to) enter into additional hedging arrangements to increase the Total Exchange Rate Hedging.

(c) If any reduction in the Term Outstandings results in:

(i) an Interest Rate Hedge Excess then, within ten Business Days of that reduction becoming effective in accordance with the terms of the relevant Debt Document, the relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) shall, reduce each Hedge Counterparty's Interest Rate Hedging by that Hedge Counterparty's Interest Rate Hedging Proportion of that Interest Rate Hedge Excess by terminating or closing out any relevant hedging transaction(s) in full or in part, as may be necessary; or

(ii) an Exchange Rate Hedge Excess then, within ten Business Days of that reduction becoming effective in accordance with the terms of the relevant Debt Document, the relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) shall, reduce each Hedge Counterparty's Exchange Rate Hedging by that Hedge Counterparty's Exchange Rate Hedging Proportion of that Exchange Rate Hedge Excess by terminating or closing out any relevant hedging transaction(s) in full or in part, as may be necessary,

in each case, *provided that* the Parent or another member of the Group notifies the relevant Hedge Counterparty of such excess no more than five Business Days after the reduction becoming effective, provided further that each reduction of a Hedge Counterparty's Interest Rate Hedging or Exchange Rate Hedging (as the case may be) will be done on a pro rata basis across all relevant Hedge Counterparties affected by such reduction relating to an Interest Rate Hedge Excess or Exchange Rate Hedge Excess (as the case may be).

(d) The relevant Debtor(s) shall, and the Parent shall procure that the relevant Debtor(s) will, pay to that Hedge Counterparty (in accordance with the relevant Hedging Agreement) an amount equal to the sum of all payments (if any) that become due from each relevant Debtor to a Hedge Counterparty under the relevant Hedging Agreement(s) as a result of any action described in paragraph (c) above.

(e) Each Hedge Counterparty shall co-operate in any process described in paragraph (d) above and shall pay (in accordance with the relevant Hedging Agreement(s)) any

amount that becomes due from it under the relevant Hedging Agreement(s) to a Debtor as a result of any action described in paragraph (c) above.

5.14 On or after Super Senior Debt Discharge Date / Pari Passu Debt Discharge Date / Priority Discharge Date

(a) At any time on or after the Super Senior Debt Discharge Date, no action occurring on or after the Super Senior Debt Discharge Date in respect of the Hedging Liabilities which is permitted under any of Clause 5.3 (*Permitted Payments: Hedging Liabilities*), Clause 5.5 (*No Acquisition of Hedging Liabilities*) or Clause 5.9 (*Permitted Enforcement: Hedge Counterparties*) by reason of the prior consent of the Required Super Senior Creditors shall be permitted if such action would result in a breach of any Pari Passu Debt Document (unless the prior written consent of the Required Pari Passu Creditors has been obtained or the Pari Passu Discharge Date has occurred).

(b) At any time on or after the Pari Passu Debt Discharge Date, no action occurring on or after the Pari Passu Debt Discharge Date in respect of the Hedging Liabilities which is permitted under any of Clause 5.3 (*Permitted Payments: Hedging Liabilities*), Clause 5.5 (*No Acquisition of Hedging Liabilities*) or Clause 5.9 (*Permitted Enforcement: Hedge Counterparties*) by reason of the prior consent of the Required Pari Passu Creditors shall be permitted if such action would result in a breach of any Second Lien Debt Document (unless the prior written consent of the Required Second Lien Creditors has been obtained or the Second Lien Discharge Date has occurred).

(c) At any time on or after the Priority Discharge Date, no action occurring on or after the Priority Discharge Date in respect of the Hedging Liabilities which is permitted under any of Clause 5.3 (*Permitted Payments: Hedging Liabilities*), Clause 5.5 (*No Acquisition of Hedging Liabilities*) or Clause 5.9 (*Permitted Enforcement: Hedge Counterparties*) by reason of the prior consent of the Required Super Senior Creditors, Required Pari Passu Creditors and/or the Required Second Lien Creditors shall be permitted if such action would result in a breach of any Senior Subordinated Debt Document (unless the prior written consent of the Required Senior Subordinated Creditors has been obtained or the Senior Subordinated Discharge Date has occurred).

5.15 Hedge Counterparties' Guarantee and Indemnity

Each Debtor agrees that it will be bound by the obligations set out in Schedule 5 (*Hedge Counterparties' Guarantee and Indemnity*).

6. Second Lien Creditors and Second Lien Liabilities

6.1 Incurrence of Second Lien Liabilities

Until the Senior Discharge Date, the Debtors shall not (and shall procure that no other member of the Group will) enter into any Second Lien Debt Document or Second Lien Guarantee, borrow any Second Lien Facility, issue any Second Lien Notes or allow any Second Lien Liabilities to remain outstanding unless:

(b) each issuer, borrower and Second Lien Guarantor of or in respect of the relevant Second Lien Debt Liabilities and each Second Lien Creditor (if not already a Party in such capacity) becomes a Party in accordance with Clause 28 (*Changes to the Parties*) before or concurrently with the incurrence of the Second Lien Debt Liabilities;

provided that, in each case, such payment is not prohibited under the Senior Secured Facilities Agreements.

6.4 Issue of Second Lien Payment Stop Notice

(a) A Second Lien Payment Stop Notice is "**outstanding**" during the period from the date on which, following the occurrence of a Second Lien Payment Stop Event, the relevant Creditor Representative in respect of the relevant Pari Passu Liabilities (the "**Relevant Representative**") issues a notice (a "**Second Lien Payment Stop Notice**") to each Creditor Representative in respect of the Second Lien Liabilities, to the Parent and to the Common Security Agent advising that that Second Lien Payment Stop Event has occurred and is continuing and suspending Payments of the Second Lien Liabilities until the first to occur of:

(i) the date which is one hundred and twenty (120) days after the date of issue of the Second Lien Payment Stop Notice;

(ii) if a Second Lien Standstill Period commences after the issue of a Second Lien Payment Stop Notice, the date on which that Second Lien Standstill Period expires;

(iii) the date on which the Second Lien Payment Stop Event in respect of which that Second Lien Payment Stop Notice was issued is no longer continuing and, if the relevant (A) Super Senior Liabilities have been accelerated, such acceleration has been rescinded, revoked or waived, *provided that* at such time no other Event of Default is continuing under any Super Senior Debt Document and/or (B) Pari Passu Liabilities have been accelerated, such acceleration has been rescinded, revoked or waived, *provided that* at such time no other Event of Default is continuing under any Super Senior Debt Document or Pari Passu Debt Document;

(iv) the date on which the Relevant Representative which issued the Second Lien Payment Stop Notice (and, if at such time a Second Lien Payment Stop Event is continuing (other than in relation to the debt in respect of which the notice

was given) the Relevant Representative in respect of that other debt) delivers a notice to the Parent, the Common Security Agent and each Creditor Representative in respect of the relevant Second Lien Liabilities cancelling the Second Lien Payment Stop Notice; and

(v) the Senior Discharge Date.

(b) No Second Lien Payment Stop Notice may be served in reliance on a particular Second Lien Payment Stop Event more than ninety (90) days after each of the Relevant Representatives in respect of the relevant Super Senior Debt Liabilities and the relevant Pari Passu Debt Liabilities receives a notice under the relevant Super Senior Debt Document or Pari Passu Debt Document, as applicable, advising of the occurrence of the Event of Default constituting that Second Lien Payment Stop Event.

(c) A Creditor Representative may serve only one Second Lien Payment Stop Notice each with respect to the same event or set of circumstances *provided that* if a Second Lien Payment Stop Notice has been served as a result of a Financial Covenant Event of Default as defined in the Senior Secured Revolving Facilities Agreement (or any Equivalent Provision under any Super Senior Debt Document or Pari Passu Debt Document, as applicable), any subsequent Financial Covenant Event of Default under the Senior Secured Revolving Facilities Agreement (or any Equivalent Provision under any Super Senior Debt Document or Pari Passu Debt Document, as applicable) shall constitute a new set of circumstances. Subject to paragraph (b) above, this shall not affect the right of that or any other Creditor Representative to issue a Second Lien Payment Stop Notice in respect of any other event or set of circumstances.

(d) No more than one Second Lien Payment Stop Notice may be served in any period of 365 days (not taking into account any Second Lien Payment Stop Notice which ceases to be outstanding pursuant to paragraph (a)(iii) above).

6.5 Effect of Second Lien Payment Stop Event or Second Lien Automatic Block Event

Any failure to make a Payment due under the Second Lien Debt Documents as a result of the issue of a Second Lien Payment Stop Notice or the occurrence of a Second Lien Automatic Block Event shall not prevent:

(a) the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the relevant Second Lien Debt Document; or

(b) the issue of a Second Lien Enforcement Notice on behalf of the Second Lien Debt Creditors.

6.6 Payment Obligations and Capitalisation of Interest Continue

(a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Second Lien Debt Document by the operation of Clauses 6.2 (*Restriction on Payment: Second Lien Debt Liabilities*) to 6.5 (*Effect of Second Lien Payment Stop Event or Second Lien Automatic Block Event*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest in accordance with the Second Lien Debt Documents shall continue notwithstanding the issue of a Second Lien Payment Stop Notice or the occurrence of a Second Lien Automatic Block Event.

6.7 Cure of Payment Stop: Second Lien Debt Creditors

If:

(a) at any time following the issue of a Second Lien Payment Stop Notice or the occurrence of a Second Lien Automatic Block Event, that Second Lien Payment Stop Notice ceases to be outstanding and/or (as the case may be) the Second Lien Automatic Block Event ceases to be continuing; and

(b) the relevant Debtor then promptly pays to the Second Lien Debt Creditors an amount equal to any Payments which had accrued under the Second Lien Debt Documents and which would have been Permitted Second Lien Debt Payments but for that Second Lien Payment Stop Notice or Second Lien Automatic Block Event,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Second Lien Enforcement Notice which may have been issued as a result of that Event of Default shall be waived and revoked, in each case without any further action being required on the part of the Second Lien Debt Creditors.

6.8 No Acquisition of Second Lien Liabilities

(a) Subject to paragraph (b) below, the Debtors shall not, and shall procure that no other member of the Group will, enter into any Liabilities Acquisition in respect of the Second Lien Liabilities or beneficially own all or any part of the share capital of a company that is a party to a Liabilities Acquisition in respect of the Second Lien Liabilities.

(b) Paragraph (a) above shall not apply in respect of any action which occurs:

(i) in accordance with other provisions of this Agreement and is not otherwise prohibited by any provision of the original form of the Senior Secured Facilities Agreements or (I) an Equivalent Provision in any other Super Senior Debt Document or Pari Passu Debt Document, as applicable or (II) the Senior Secured Facilities Agreements as amended, novated, supplemented or restated (for the purposes of this paragraph (b) as so amended, novated, extended, supplemented or restated, the "**Amended SSFA**") *provided that* the prohibitions contained in such Equivalent Provision or the Amended SSFA (as applicable) are not materially more onerous than those in the original form of the Senior Secured Facilities Agreements (and if they are, the terms of the original form of the Senior Secured Facilities Agreements shall be deemed to apply); or

(ii) either:

(A) in order to effect a Liabilities Acquisition of Second Lien Debt Liabilities the Payment of which would have otherwise constituted a Permitted Second Lien Debt Payment;

(B) in order to effect a Liabilities Acquisition of Second Lien Hedging Liabilities the Payment of which would have otherwise constituted a Permitted Hedge Payment;

(C) on or after the Senior Discharge Date; or

(D) with the prior consent of the Required Super Senior Creditors and the Required Pari Passu Creditors,

and in accordance with the Second Lien Debt Documents.

6.9 Amendments and Waivers: Second Lien Debt Creditors

(a) Subject to paragraph (b) below, the Second Lien Debt Creditors may amend or waive the terms of the Second Lien Debt Documents (other than this Agreement or any Transaction Security Document) in accordance with their terms (and subject to any consent required under them) at any time.

(b) Prior to the Senior Discharge Date, the Second Lien Debt Creditors may not amend or waive the terms of the Second Lien Debt Documents if the amendment or waiver would result in any Second Lien Debt Documents (i) not complying with this Agreement, any Super Senior Debt Document or any Pari Passu Debt Document or (ii) result in any increase to the principal amount of the Second Lien Liabilities which is prohibited by the terms of the Super Senior Debt Documents, the Pari Passu Debt Documents, in each case without the prior consent of the Required Super Senior Creditors and the Required Pari Passu Creditors.

6.10 Designation of Second Lien Debt Documents

If:

(a) the terms of a document to be designated as a Second Lien Debt Document do not comply with Clause 6.1 (*Incurrence of Second Lien Liabilities*); or

(b) the terms of a document effect a change which would, if that change was effected by way of amendment to, or waiver of, the terms of a Second Lien Debt Document, require the consent of the Required Super Senior Creditors and the Required Pari Passu Creditors,

that document shall not constitute a Second Lien Debt Document for the purposes of this Agreement without the prior consent of the Required Super Senior Creditors and the Required Pari Passu Creditors.

6.11 Security and Guarantees: Second Lien Debt Creditors

At any time prior to the Senior Discharge Date, the Second Lien Debt Creditors may not take, accept or receive the benefit of any Security (or over the assets of or over the shares in) from any Debtor, any Security Grantor or any member of the Group, or any guarantee, indemnity or other assurance against loss from any Debtor or any member of the Group in respect of the Second Lien Debt Liabilities other than:

(a) as permitted under the Super Senior Debt Documents and the Pari Passu Debt Documents and which (1) in the case of any guarantee, indemnity or assurance against loss, is offered to the other Primary Creditors in respect of their respective liabilities and (subject to the terms of this Agreement) ranks in the same order of priority as that contemplated in Clause 2 (*Ranking and Priority*) or (2) in the case of any Security is offered (x) to the Common Security Agent as trustee and/or agent for the other Priority Creditors (and, if such Transaction Security relates to the Common Charged Property, the Senior Subordinated Creditors) in respect of their Liabilities, or (y) in the case of any jurisdiction in which effective Security cannot be granted in favour of the Common Security Agent as trustee and/or agent for the Priority Creditors (and, if applicable, the Senior Subordinated Creditors) (A) to the other Priority Creditors (and, if such Transaction Security relates to the Common Charged Property, the Senior Subordinated Creditors) in respect of their Liabilities, or (B) to the Common Security Agent under a parallel debt, joint and several creditorship or other similar or equivalent structure for the benefit of the other Priority Creditors (and, if such Transaction Security relates to the Common Charged Property, the Senior Subordinated Creditors)

(b) the Priority Creditor Only Transaction Security and the Common Transaction Security;

(c) the Notes Escrow Security; and

(d) the Second Lien Guarantees and any guarantee, indemnity or assurance against loss granted pursuant to the terms of any Second Lien Debt Document, in each case provided such Second Lien Guarantee or other guarantee, indemnity or assurance against loss is from a Debtor which is a guarantor in respect of the Priority Creditor Debt Liabilities and is permitted under the Super Senior Debt Documents and the Pari Passu Debt Documents,

unless the prior consent of the Required Super Senior Creditors and the Required Pari Passu Creditors is obtained.

6.12 Restriction on Enforcement: Second Lien Debt Creditors

Subject to Clause 6.13 (*Permitted Enforcement: Second Lien Debt Creditors*), no Second Lien Debt Creditor shall be entitled to take any Enforcement Action in respect of any of the Second Lien Debt Liabilities prior to the Senior Discharge Date, except with the prior consent of, or at the request of, an Instructing Group.

6.13 Permitted Enforcement: Second Lien Debt Creditors

(a) Each Second Lien Debt Creditor may take Enforcement Action which would be available to it but for Clause 6.12 (*Restriction on Enforcement: Second Lien Debt Creditors*) in respect of any of the Second Lien Debt Liabilities if at the same time as, or prior to, that action and subject to Clause 6.14 (*Restriction on Enforcement against Debtors: Second Lien Debt Creditors*):

(i) a Super Senior Acceleration Event has occurred in which case each Second Lien Debt Creditor may take the same Enforcement Action (other than Enforcement of Transaction Security) (but in respect of the Second Lien Debt Liabilities) as constitutes that Super Senior Acceleration Event and only in respect of the same person;

(ii) a Pari Passu Acceleration Event has occurred in which case each Second Lien Debt Creditor may take the same Enforcement Action (other than Enforcement of Transaction Security) (but in respect of the Second Lien Debt Liabilities) as constitutes that Pari Passu Acceleration Event and only in respect of the same person;

(iii) a Creditor Representative in respect of any Second Lien Notes or Second Lien Facility has given notice (a "**Second Lien Enforcement Notice**") to the Common Security Agent specifying that there has occurred and is continuing an Event of Default under the Second Lien Debt Documents in respect of which it is the Creditor Representative; and

(A) a period (a "**Second Lien Standstill Period**") of not less than:

(1) 120 days in the case of an Event of Default arising from a failure to make a payment of an amount of principal, interest or fees representing the Second Lien Debt Liabilities; and

(2) 150 days in the case of any other Event of Default under a Second Lien Debt Document,

has elapsed from the date on which that Second Lien Enforcement Notice becomes effective in accordance with Clause 32.5 (*Delivery*); and

(B) that Event of Default is continuing at the end of the Second Lien Standstill Period; or

(iv) the Majority Super Senior Creditors and the Required Pari Passu Creditors have given their prior consent.

(b) After the occurrence of an Insolvency Event in relation to a Debtor or Security Grantor against whom an Enforcement Action has been taken, each Second Lien Debt Creditor may (unless otherwise directed by the Common Security Agent or unless the Common Security Agent has taken, or has given notice that it intends to take, action on behalf of that Second Lien Debt Creditor in accordance with Clause 14.5 (*Filing of Claims*)) exercise any right they may otherwise have against that Security Grantor or that Debtor to:

(i) accelerate any of that Security Grantor's or Debtor's Second Lien Debt Liabilities or declare them prematurely due and payable or payable on demand;

(ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Debtor or that Security Grantor, as applicable, in respect of any Second Lien Debt Liabilities;

such period being the period for which the relevant Senior Subordinated Payment Stop Notice is "**outstanding**".

(b) Unless each Creditor Representative in respect of the Senior Subordinated Debt Liabilities waives this requirement:

(i) a new Senior Subordinated Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Senior Subordinated Payment Stop Notice; and

(ii) no Senior Subordinated Payment Stop Notice may be delivered in reliance on a Senior Subordinated Payment Stop Event more than six months after the date on which each relevant Creditor Representative has received notice of that Senior Subordinated Payment Stop Event.

(c) A Creditor Representative may serve only one Senior Subordinated Payment Stop Notice each with respect to the same event or set of circumstances *provided that* if a Senior Subordinated Payment Stop Notice has been served as a result of a breach of clause 22 (*Financial Covenant*) of the Senior Secured Revolving Facilities Agreement (or any Equivalent Provision under any Super Senior Debt Document or Pari Passu Debt Document, as applicable), any subsequent breach of clause 22 (*Financial Covenant*) of the Senior Secured Revolving Facilities Agreement (or any Equivalent Provision under any Super Senior Debt Document or Pari Passu Debt Document, as applicable) shall constitute a new set of circumstances. Subject to paragraph (b) above, this shall not affect the right of that or any other Creditor Representative to issue a Senior Subordinated Payment Stop Notice in respect of any other event or set of circumstances.

(d) No Senior Subordinated Payment Stop Notice may be served by a Creditor Representative in respect of a Senior Subordinated Payment Stop Event which had been notified to each of them at the time at which an earlier Senior Subordinated Payment Stop Notice was issued.

8.6 Effect of Senior Subordinated Payment Stop Event or Senior Subordinated Automatic Block Event

Any failure to make a Payment due under the Senior Subordinated Debt Documents as a result of the issue of a Senior Subordinated Payment Stop Notice or the occurrence of a Senior Subordinated Automatic Block Event or the operation of Clause 8.3 (*Restriction on Payment: Senior Subordinated Liabilities*) shall not prevent:

(a) the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the Senior Subordinated Debt Documents; or

(b) the issue of a Senior Subordinated Enforcement Notice on behalf of Senior Subordinated Debt Creditor.

8.7 Payment Obligations and Capitalisation of Interest Continue

(a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Senior Subordinated Debt Document by the operation of Clauses 8.3 (*Restriction on Payment: Senior*

Subordinated Liabilities) to 8.6 (*Effect of Senior Subordinated Payment Stop Event or Senior Subordinated Automatic Block Event*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest in accordance with the Senior Subordinated Debt Documents shall continue notwithstanding the issue of a Senior Subordinated Payment Stop Notice or the occurrence of a Senior Subordinated Automatic Block Event.

8.8 Cure of Payment Stop: Senior Subordinated Creditors

If:

(a) at any time following the issue of a Senior Subordinated Payment Stop Notice or the occurrence of a Senior Subordinated Automatic Block Event, that Senior Subordinated Payment Stop Notice ceases to be outstanding and/or (as the case may be) the Senior Subordinated Automatic Block Event ceases to be continuing; and

(b) the relevant Debtor then promptly pays to Senior Subordinated Debt Creditor an amount equal to any Payments which had accrued under the Senior Subordinated Debt Documents and which would have been Permitted Senior Subordinated Debt Payments but for that Senior Subordinated Payment Stop Notice or that Senior Subordinated Automatic Block Event,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Senior Subordinated Enforcement Notice which may have been issued as a result of that Event of Default shall be waived and revoked, in each case without any further action being required on the part of Senior Subordinated Debt Creditor.

8.9 No Acquisition of Senior Subordinated Liabilities

(a) Subject to paragraph (b) below, the Debtors shall not, and shall procure that no other member of the Group will, enter into any Liabilities Acquisition in respect of the Senior Subordinated Liabilities or beneficially own all or any part of the share capital of a company that is a party to a Liabilities Acquisition in respect of the Senior Subordinated Liabilities.

(b) Paragraph (a) above shall not apply in respect of:

(i) any action which occurs in accordance with the other provisions of this Agreement and is not otherwise prohibited by any Priority Creditor Debt Document; or

(ii) any action which occurs either:

(A) in order to effect a Liabilities Acquisition of Senior Subordinated Liabilities the Payment of which would have otherwise constituted a Permitted Senior Subordinated Debt Payment;

(B) in order to effect a Liabilities Acquisition of Senior Subordinated Hedging Liabilities the Payment of which would have otherwise constituted a Permitted Hedge Payment;

(C) on or after the Priority Discharge Date; or

(D) with the prior consent of the Required Priority Creditors,

and in accordance with the Senior Subordinated Debt Documents.

8.10 Amendments and Waivers: Senior Subordinated Creditors

(a) Subject to paragraph (b) below, Senior Subordinated Debt Creditors may amend or waive the terms of the Senior Subordinated Debt Documents (other than this Agreement or any Transaction Security Document) in accordance with their terms at any time.

(b) Prior to the Priority Discharge Date, neither the Senior Subordinated Debt Creditors may amend or waive the terms of the Senior Subordinated Debt Documents if the amendment or waiver would result in any Senior Subordinated Debt Document not complying with this Agreement or the terms of the Super Senior Debt Documents, the Pari Passu Debt Documents or the Second Lien Debt Documents without the prior consent of:

(i) (in respect of the Super Senior Debt Documents) the Required Super Senior Creditors;

(ii) (in respect of the Pari Passu Debt Documents) the Required Pari Passu Creditors; and

(iii) (in respect of the Second Lien Debt Documents) the Required Second Lien Creditors.

8.11 Designation of Senior Subordinated Debt Documents

If:

(a) the terms of a document to be designated as a Senior Subordinated Debt Document does not comply with Clause 8.2 (*Incurrence of Senior Subordinated Liabilities*); or

(b) the terms of a document effect a change which would, if that change was effected by way of amendment to, or waiver of, the terms of a Senior Subordinated Debt Document, require the consent of the Required Super Senior Creditors, the Required Pari Passu Creditors and the Required Second Lien Creditors under Clause 8.10 (*Amendments and Waivers: Senior Subordinated Creditors*),

that document shall not constitute a Senior Subordinated Debt Document for the purposes of this Agreement without the prior consent of the Required Priority Creditors.

8.12 Security and Guarantees: Senior Subordinated Liabilities

(a) At any time prior to the Priority Discharge Date, except with the prior consent of the Required Primary Creditors, the Senior Subordinated Creditors may not take, accept or receive the benefit of any Security from the Debtors, any Security Grantor or any other member of the Group, guarantee, indemnity or other assurance against loss from the Debtors or any other member of the Group other than:

(i) as permitted under the Primary Creditor Documents and which (1) in the case of any guarantee, indemnity or assurance against loss, is offered to the other Primary Creditors in respect of their respective liabilities and (subject to the terms of this Agreement) ranks in the same order of priority as that contemplated in Clause 2 (*Ranking and Priority*) or (2) in the case of any Security is offered as Common Transaction Security (x) to the Common Security Agent as trustee and/or agent for the other Priority Creditors in respect of their Liabilities, or (y) in the case of any jurisdiction in which effective Security cannot be granted in favour of the Common Security Agent as trustee and/or agent for the Primary Creditors (A) to the other Primary Creditors in respect of their Liabilities, or (B) to the Common Security Agent under a

parallel debt, joint and several creditorship or other similar or equivalent structure for the benefit of the other Primary Creditors in respect of their Liabilities, and (subject to the terms of this Agreement) ranks in the same order of priority as that contemplated in Clause 2.2 (*Transaction Security*);

(ii) the Common Transaction Security;

(iii) the Notes Escrow Security; and

(iv) a Senior Subordinated Guarantee or any guarantee, indemnity or assurance against loss granted pursuant to the terms of any Senior Subordinated Debt Document, in each case provided such Senior Subordinated Guarantee or other guarantee, indemnity or assurance against loss is from a Debtor which is a guarantor in respect of the Priority Creditor Debt Liabilities and is permitted under the Priority Creditor Documents.

8.13 Restrictions on Enforcement: Senior Subordinated Creditors

At any time prior to the Priority Discharge Date, except as permitted by Clause 8.14 (*Permitted Enforcement: Senior Subordinated Creditors*), no Senior Subordinated Creditor shall be entitled to take or direct the Common Security Agent to take any Enforcement Action:

(a) against any of the Debtors in respect of any of the Senior Subordinated Liabilities including under the Senior Subordinated Guarantees; or

(b) in respect of any of the Common Transaction Security,

except with the prior consent of, or at the request of, an Instructing Group.

8.14 Permitted Enforcement: Senior Subordinated Creditors

Subject to the provisions of Clause 8.16 (*Enforcement on Behalf of Senior Subordinated Creditors*), the restrictions in Clause 8.13 (*Restrictions on Enforcement: Senior Subordinated Creditors*) will not apply in respect of the Senior Subordinated Liabilities or the Common Transaction Security if:

(a) a Super Senior Acceleration Event and a Pari Passu Acceleration Event, or a Second Lien Acceleration Event has occurred, in which case each Senior Subordinated Debt Creditor may take the same Enforcement Action (other than Enforcement of Transaction Security) (but in respect of the Senior Subordinated Debt Liabilities) as constitutes that Super Senior Acceleration Event and Pari Passu Acceleration Event, or Second Lien Acceleration Event (as relevant and only in respect of the same person);

(b) an Event of Default has occurred and is continuing under the relevant Senior Subordinated Debt Documents (the "**Relevant Senior Subordinated Event of Default**");

(c) each other Creditor Representative has received a notice of the Relevant Senior Subordinated Event of Default specifying the event or circumstance in relation to the Relevant Senior Subordinated Event of Default from the relevant Creditor Representative in respect of the Senior Subordinated Liabilities (a "**Senior Subordinated Enforcement Notice**");

(d) the relevant Senior Subordinated Standstill Period has elapsed or otherwise terminated; and

(e) the Relevant Senior Subordinated Event of Default is continuing at the end of the relevant Senior Subordinated Standstill Period.

8.15 Subsequent Senior Subordinated Defaults

The Senior Subordinated Creditors may take Enforcement Action under Clause 8.14 (*Permitted Enforcement: Senior Subordinated Creditors*) in relation to a Relevant Senior Subordinated Event of Default to the extent entitled to under the relevant Senior Subordinated Debt Documents even if, at the end of any relevant Senior Subordinated Standstill Period relating to the Relevant Senior Subordinated Event of Default or at any later time, a further Senior Subordinated Standstill Period in respect of another Relevant Senior Subordinated Event of Default has begun as a result of any other Event of Default in relation to those Senior Subordinated Liabilities.

8.16 Enforcement on Behalf of Senior Subordinated Creditors

If the Common Security Agent has notified the Creditor Representative(s) in respect of the Senior Subordinated Liabilities that it is taking or has been instructed by an Instructing Group to take any Enforcement Action in relation to any Debtor or any part of the Priority Creditor Only Charged Property or the Common Charged Property owned by it, its Holding Companies or its Subsidiaries or a Security Grantor, no Senior Subordinated Creditor may take any action referred to in Clause 8.14 (*Permitted Enforcement: Senior Subordinated Creditors*) against that Debtor, Holding Company or applicable Security Grantor or their Subsidiaries while the Common Security Agent is taking steps to enforce Security or taking Enforcement Action in relation to that Debtor, Holding Company or applicable Security Grantor or their Subsidiaries, in each case in accordance with the instructions of the Instructing Group where such action might be reasonably likely to adversely affect such enforcement or Enforcement Action or the amount of proceeds to be derived therefrom.

9. Unsecured Creditors and Unsecured Liabilities

9.1 Incurrence of Unsecured Liabilities

Until the Final Discharge Date, the Debtors shall not (and shall procure that no other member of the Group will) enter into any Unsecured Creditor Document or any Unsecured Guarantee, borrow any Unsecured Facility or issue any Unsecured Notes or allow any Unsecured Liabilities to remain outstanding unless:

(a) if the Super Senior Debt Discharge Date has not occurred, such incurrence and subsistence of the relevant Unsecured Liabilities and the application of the proceeds thereof is not prohibited by any Super Senior Debt Document (or has been approved by the Required Super Senior Creditors);

(b) if the Pari Passu Debt Discharge Date has not occurred, such incurrence and subsistence of the relevant Unsecured Liabilities and the application of the proceeds thereof is not prohibited by the Senior Secured Facilities Agreements or any other Pari Passu Debt Document (or has been approved by the Required Pari Passu Creditors);

(c) if the Second Lien Discharge Date has not occurred, such incurrence and subsistence of the relevant Unsecured Liabilities and the application of the proceeds thereof is not prohibited by any Second Lien Debt Document (or has been approved by the Required Second Lien Creditors);

(d) if the Senior Subordinated Discharge Date has not occurred, such incurrence and subsistence of the relevant Unsecured Liabilities and the application of the proceeds thereof is not prohibited by the Senior Subordinated Debt Documents (or has been approved by the Required Senior Subordinated Creditors);

(e) if the Unsecured Discharge Date has not occurred, such incurrence of the relevant Unsecured Liabilities and the application of the proceeds thereof is not prohibited by any other Unsecured Creditor Document (or has been approved by the Required Unsecured Creditors); and

(f) each issuer, borrower and guarantor of the relevant Unsecured Liabilities and each Unsecured Creditor (if not already a Party in such capacity) becomes a Party in accordance with Clause 28 *(Changes to the Parties)* before or concurrently with the incurrence of the Unsecured Liabilities.

9.2 Permitted Payments: Unsecured Liabilities

Subject to Clause 9.3 (*Restriction on Payment: Unsecured Payment Stop Notice*), the Debtors may, at any time prior to the Final Discharge Date, make Payments to the Unsecured Creditors in respect of the Unsecured Liabilities in accordance with the Unsecured Creditor Documents (as amended in accordance with the terms of this Agreement and the relevant Unsecured Creditor Documents) provided the Payment is not otherwise prohibited by the Primary Creditor Documents.

9.3 Restriction on Payment: Unsecured Payment Stop Notice

If, at any time prior to the Final Discharge Date, an Unsecured Payment Stop Notice is outstanding in accordance with Clause 9.5 (*Issue of Unsecured Payment Stop Notice*), the Debtors shall not, and shall procure that no other member of the Group will:

(a) make any Payments in respect of any principal, interest or other amount on or in respect of, or make any distribution or Liabilities Acquisition in respect of, any Unsecured Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Unsecured Liabilities; or

(b) exercise any set-off against any Unsecured Liabilities,

except as expressly permitted by:

(i) Clause 9.4 (*Permitted Payments while Unsecured Payment Stop Notice Outstanding*); and

(ii) Clause 9.13 (*Permitted Enforcement: Unsecured Creditors*).

9.4 Permitted Payments while Unsecured Payment Stop Notice Outstanding

The Debtors may, prior to the Final Discharge Date, make Payments to the Unsecured Creditors while an Unsecured Payment Stop Notice is outstanding if:

(a) the Payment is of Creditor Representative Amounts due and payable to the Creditor Representative(s) in respect of the Unsecured Lenders and the Unsecured Noteholders;

(b) the Payment is permitted pursuant to Clause 9.13 (*Permitted Enforcement: Unsecured Creditors*) or Clause 9.14 (*Subsequent Enforcement Action*); or

(c) the Payment is to the Unsecured Creditors in respect of the Unsecured Liabilities and the Instructing Group have given their prior consent to that Payment being made.

9.5 Issue of Unsecured Payment Stop Notice

(a) If, at any time prior to the Final Discharge Date, any of the Transaction Security has become enforceable in accordance with its terms then except with the prior consent of the Instructing Group or as permitted pursuant to Clause 9.4 (*Permitted Payments while Unsecured Payment Stop Notice Outstanding*), the Parent shall procure that no Debtor

or member of the Group shall make, and no Unsecured Creditor may receive from any Debtor or member of the Group, any Payment in respect of the Unsecured Liabilities from the date on which the Common Security Agent (acting on the instructions of the Instructing Group) delivers a notice (an "**Unsecured Payment Stop Notice**") to the Parent and each Creditor Representative in respect of the relevant Unsecured Liabilities specifying the events or circumstances pursuant to which the relevant Transaction Security has become enforceable until the earliest of:

(i) the date falling 179 days after delivery of that Unsecured Payment Stop Notice to the Parent and each Creditor Representative in respect of the relevant Unsecured Liabilities;

(ii) in relation to payments of the Unsecured Liabilities, if an Unsecured Standstill Period is in effect at any time after delivery of that Unsecured Payment Stop Notice, the date on which that Unsecured Standstill Period expires;

(iii) if the relevant Primary Creditor Debt Liabilities have been accelerated and /or Enforcement Action has been taken, the date on which such acceleration and/or such Enforcement Action has been rescinded, revoked or waived, *provided that* at such time no other Event of Default is continuing under any Primary Creditor Document;

(iv) the date on which the Common Security Agent (acting on the instructions of the Instructing Group) delivers a notice to the Parent and each Creditor Representative in respect of the relevant Unsecured Liabilities cancelling the Unsecured Payment Stop Notice; and

(v) the date on which the Unsecured Creditors or a Creditor Representative in respect of any Unsecured Liabilities is permitted to take any Enforcement Action under Clause 9.13 (*Permitted Enforcement: Unsecured Creditors*) and Clause 9.14 (*Subsequent Enforcement Action*) against a member of the Group,

such period being the period for which the relevant Unsecured Payment Stop Notice is "**outstanding**".

(b) Unless each Creditor Representative in respect of the Unsecured Liabilities waives this requirement:

(i) a new Unsecured Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Unsecured Payment Stop Notice; and

(ii) no Unsecured Payment Stop Notice may be delivered in reliance on the events or circumstances pursuant to which the relevant Transaction Security has become enforceable more than six months after the date on which the relevant Transaction Security has become enforceable.

(c) The Common Security Agent may serve only one Unsecured Payment Stop Notice each with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Common Security Agent to issue an Unsecured Payment Stop Notice in respect of any other event or set of circumstances.

9.6 Effect of Unsecured Payment Stop Event

As between the Unsecured Creditors and the Debtors, any failure to make a Payment due under the Unsecured Creditor Documents as a result of the issue of an Unsecured Payment Stop

Notice or the operation of Clause 9.3 (*Restriction on Payment: Unsecured Payment Stop Notice*) shall not prevent:

(a) the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the Unsecured Creditor Documents; or

(b) the issue of an Unsecured Enforcement Notice.

9.7 Payment Obligations and Capitalisation of Interest Continue

(a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Unsecured Creditor Document by the operation of Clauses 9.3 (*Restriction on Payment: Unsecured Payment Stop Notice*) to 9.6 (*Effect of Unsecured Payment Stop Event*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest in accordance with the Unsecured Creditor Documents shall continue notwithstanding the issue of an Unsecured Payment Stop Notice.

9.8 Cure of Payment Stop: Unsecured Creditors

If:

(a) at any time following the issue of an Unsecured Payment Stop Notice, that Unsecured Payment Stop Notice ceases to be outstanding; and

(b) the relevant Debtor then promptly pays to the Unsecured Creditors an amount equal to any Payments which had accrued under the Unsecured Creditor Documents and which would have been Permitted Unsecured Payments but for that Unsecured Payment Stop Notice,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Unsecured Enforcement Notice which may have been issued as a result of that Event of Default shall be waived and revoked, in each case without any further action being required on the part of the Unsecured Creditors.

9.9 Amendments and Waivers: Unsecured Creditors

(a) Subject to paragraph (b) below, the Unsecured Creditors may amend or waive the terms of the Unsecured Creditor Documents (other than this Agreement) in accordance with their terms at any time.

(b) Prior to the Final Discharge Date, the Unsecured Creditors may not amend or waive the terms of the Unsecured Creditor Documents if the amendment or waiver would result in any Unsecured Creditor Document not complying with this Agreement or the terms of the Primary Creditor Documents.

9.10 Designation of Unsecured Creditor Documents

If:

(a) the terms of a document to be designated as an Unsecured Creditor Document does not comply with Clause 9.1 (*Incurrence of Unsecured Liabilities*); or

(b) the terms of a document effect a change which would, if that change was effected by way of amendment to, or waiver of, the terms of an Unsecured Creditor Document,

require the consent under Clause 9.9 (*Amendments and Waivers: Unsecured Creditors*),

that document shall not constitute an Unsecured Creditor Document for the purposes of this Agreement without the prior consent of the Required Primary Creditors.

9.11 Security and Guarantees: Unsecured Liabilities

At any time prior to the Final Discharge Date, except with the prior consent of the Required Primary Creditors, the Unsecured Creditors may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from the Debtors or any other member of the Group or any Security Grantor in respect of their Unsecured Liabilities other than:

(a) in relation only to any guarantee, indemnity or other assurance against loss (and not Security) as permitted under the Primary Creditor Documents;

(b) the Notes Escrow Security; and

(c) an Unsecured Guarantee or any guarantee, indemnity or assurance against loss granted pursuant to the terms of any Unsecured Creditor Document, in each case provided such Unsecured Guarantee or other guarantee, indemnity or assurance against loss is from a member of the Group and is permitted under the Primary Creditor Documents.

9.12 Restrictions on Enforcement: Unsecured Creditors

At any time prior to the Final Discharge Date, except with the prior consent of the Instructing Group or as permitted pursuant to Clause 9.13 (*Permitted Enforcement: Unsecured Creditors*) or Clause 9.14 (*Subsequent Enforcement Action*), no Unsecured Creditor shall be entitled to take, or direct the relevant Creditor Representative in respect of the relevant Unsecured Liabilities to take, any Enforcement Action against any of the Debtors in respect of any of the Unsecured Liabilities (including under any Unsecured Guarantee) from:

(a) provided the notice required pursuant to paragraph (v) of Clause 31.3 (*Notification of Prescribed Events*) has been delivered in accordance with paragraph (v) of Clause 31.3, the date (if any) on which the Common Security Agent delivers a notice in accordance with paragraph (g)(iv) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*) to the relevant Creditor Representative in respect of the relevant Unsecured Liabilities; or

(b) if the notice required pursuant to paragraph (v) of Clause 31.3 (*Notification of Prescribed Events*) has not been delivered in accordance with paragraph (v) of Clause 31.3, the date on which the right to take such Enforcement Action in respect of the Unsecured Liabilities arises.

9.13 Permitted Enforcement: Unsecured Creditors

(a) Subject to the provisions of Clause 9.15 (*Enforcement on Behalf of Unsecured Creditors*), the restrictions in Clause 9.12 (*Restrictions on Enforcement: Unsecured Creditors*) will not apply in respect of the Unsecured Liabilities if:

(i) that Unsecured Creditor is entitled to take such Enforcement Action under the relevant Unsecured Creditor Documents (the "**Relevant Unsecured Enforcement Action**");

(ii) either:

(A) if the provisions of Clause 9.12 (*Restrictions on Enforcement: Unsecured Creditors*) apply pursuant to paragraph (a) of Clause 9.12 (*Restrictions on Enforcement: Unsecured Creditors*):

(1) the Common Security Agent has delivered a notice in accordance with paragraph (g)(iv) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*) to the relevant Creditor Representative in respect of the relevant Unsecured Liabilities; and

(2) following the delivery of the notice specified in paragraph (ii)(A)(1) above, the Common Security Agent has received from the relevant Creditor Representative in respect of the Unsecured Liabilities an Unsecured Enforcement Notice (as defined in paragraph (B) below); or

(B) if the provisions of Clause 9.12 (*Restrictions on Enforcement: Unsecured Creditors*) apply pursuant to paragraph (b) of Clause 9.12 (*Restrictions on Enforcement: Unsecured Creditors*), the Common Security Agent has received from the relevant Creditor Representative in respect of the Unsecured Liabilities a notice detailing the Relevant Unsecured Enforcement Action specifying the event or circumstance the occurrence of which gave rise to the entitlement to take the Relevant Unsecured Enforcement Action (an "**Unsecured Enforcement Notice**");

(iii) the Unsecured Standstill Period initiated by the Unsecured Enforcement Notice has elapsed or otherwise terminated; and

(iv) the event giving rise to the entitlement to take the Relevant Unsecured Enforcement Action is continuing at the end of any applicable Unsecured Standstill Period.

9.14 Subsequent Enforcement Action

The Unsecured Creditors may take Enforcement Action under Clause 9.13 (*Permitted Enforcement: Unsecured Creditors*) in relation to a Relevant Unsecured Enforcement Action to the extent entitled to under the relevant Unsecured Creditor Documents even if, at the end of any relevant Unsecured Standstill Period relating to that Relevant Unsecured Enforcement Action or at any later time, a further Unsecured Standstill Period in respect of another Relevant Unsecured Enforcement Action has begun as a result of any other Event of Default in relation to those Unsecured Liabilities.

9.15 Enforcement on Behalf of Unsecured Creditors

If the Common Security Agent has notified the Creditor Representative(s) in respect of the Unsecured Liabilities that it is taking or has been instructed by an Instructing Group to take any Enforcement Action in relation to any Debtor or any part of the Priority Creditor Only Charged Property or the Common Charged Property owned by it or its Holding Companies or its Subsidiaries or a Security Grantor, no Unsecured Creditor may take any action referred to in Clause 9.13 (*Permitted Enforcement: Unsecured Creditors*) against that Debtor, Holding Company or applicable Security Grantor or their Subsidiaries while the Common Security Agent is taking steps to enforce Security or taking Enforcement Action in relation to that

Debtor, Holding Company or applicable Security Grantor or their Subsidiaries, in each case in accordance with the instructions of the Instructing Group where such action might be reasonably likely to adversely affect such enforcement or Enforcement Action or the amount of proceeds to be derived therefrom.

10. Independent Security Creditors and Independent Security Creditor Liabilities

10.1 Incurrence of Independent Security Creditor Liabilities

Until the Final Discharge Date, the Debtors shall not (and shall procure that no other member of the Group will) enter into any Independent Security Creditor Document or any Independent Security Debt Guarantee, borrow any Independent Security Facility or issue Independent Security Notes or allow any Independent Security Creditor Liabilities to remain outstanding unless:

(a) any Independent Security Creditor Liabilities incurred by the Parent are solely Guarantee Liabilities incurred pursuant to an Independent Security Debt Guarantee;

(b) if the Super Senior Debt Discharge Date has not occurred, such incurrence and subsistence of the relevant Independent Security Creditor Liabilities and the application of the proceeds thereof is not prohibited by the Senior Secured Facilities Agreements or any other Super Senior Debt Document (or has been approved by the Required Super Senior Creditors);

(c) if the Pari Passu Debt Discharge Date has not occurred, such incurrence and subsistence of the relevant Independent Security Creditor Liabilities and the application of the proceeds thereof is not prohibited by the Senior Secured Facilities Agreements or any other Pari Passu Debt Document (or has been approved by the Required Pari Passu Creditors);

(d) if the Senior Subordinated Discharge Date has not occurred, such incurrence and subsistence of the relevant Independent Security Creditor Liabilities and the application of the proceeds thereof is not prohibited by the Senior Subordinated Debt Documents (or has been approved by the Required Senior Subordinated Creditors);

(f) each issuer, borrower and guarantor of the relevant Independent Security Creditor Liabilities and Independent Security Creditor (if not already a Party in such capacity) becomes a Party in accordance with Clause 28 (*Changes to the Parties*) before or concurrently with the incurrence of the Independent Security Creditor Liabilities.

10.2 Permitted Payments: Independent Security Creditor Liabilities

Subject to Clause 10.3 (*Restriction on Payment: Independent Security Payment Stop Notice*), the Debtors may, at any time prior to the Final Discharge Date, make Payments to the Independent Security Creditors in respect of the Independent Security Creditor Liabilities in accordance with the Independent Security Creditor Documents (as amended in accordance with the terms of this Agreement and the relevant Independent Security Creditor Documents) provided the Payment is not otherwise prohibited by the Primary Creditor Documents.

10.3 Restriction on Payment: Independent Security Payment Stop Notice

If, at any time prior to the Final Discharge Date, an Independent Security Payment Stop Notice is outstanding in accordance with Clause 10.5 (*Issue of Independent Security Payment Stop Notice*), the Debtors shall not, and shall procure that no other member of the Group will:

(a) make any Payments in respect of any principal, interest or other amount on or in respect of, or make any distribution or Liabilities Acquisition in respect of, any Independent Security Creditor Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Independent Security Creditor Liabilities; or

(i) Clause 10.4 (*Permitted Payments while Independent Security Payment Stop Notice Outstanding*); and

(ii) Clause 10.13 (*Permitted Enforcement: Independent Security Creditors*).

10.4 Permitted Payments while Independent Security Payment Stop Notice Outstanding

The Debtors may, prior to the Final Discharge Date, make Payments to the Independent Security Creditors while an Independent Security Payment Stop Notice is outstanding if:

(a) the Payment is of Creditor Representative Amounts due and payable to the Creditor Representative(s) in respect of the Independent Security Lenders and the Independent Security Noteholders;

(c) the Payment is to the Independent Security Creditors in respect of the Independent Security Creditor Liabilities and the Instructing Group have given their prior consent to that Payment being made.

10.5 Issue of Independent Security Payment Stop Notice

(a) If, at any time prior to the Final Discharge Date, any of the Transaction Security has become enforceable in accordance with its terms then except with the prior consent of the Instructing Group or as permitted pursuant to Clause 10.4 (*Permitted Payments while Independent Security Payment Stop Notice Outstanding*), the Parent shall procure that no Debtor or member of the Group shall make, and no Independent Security Creditor may receive from any Debtor or member of the Group, any Payment in respect of the Independent Security Creditor Liabilities from the date on which the Common Security Agent (acting on the instructions of the Instructing Group) delivers a notice (an "**Independent Security Payment Stop Notice**") to the Parent and each Creditor Representative in respect of the relevant Independent Security Creditor Liabilities specifying the events or circumstances pursuant to which the relevant Transaction Security has become enforceable until the earliest of:

(i) the date falling 179 days after delivery of that Independent Security Payment Stop Notice to the Parent and each Creditor Representative in respect of the relevant Independent Security Creditor Liabilities;

(ii) in relation to payments of the Independent Security Creditor Liabilities, if an Independent Security Creditor Standstill Period is in effect at any time after delivery of that Independent Security Payment Stop Notice, the date on which that Independent Security Creditor Standstill Period expires;

(iii) if the relevant Primary Creditor Debt Liabilities have been accelerated and /or Enforcement Action has been taken, the date on which such acceleration and/or such Enforcement Action has been rescinded, revoked or waived, *provided that* at such time no other Event of Default is continuing under any Primary Creditor Document;

such period being the period for which the relevant Independent Security Payment Stop Notice is "**outstanding**".

(b) Unless each relevant Independent Security Agent waives this requirement:

(i) a new Independent Security Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Independent Security Payment Stop Notice; and

(ii) no Independent Security Payment Stop Notice may be delivered in reliance on the events or circumstances pursuant to which the relevant Transaction Security has become enforceable more than six months after the date on which the relevant Transaction Security has become enforceable.

(c) The Common Security Agent may serve only one Independent Security Payment Stop Notice each with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Common Security Agent to issue an Independent Security Payment Stop Notice in respect of any other event or set of circumstances.

10.6 Effect of Independent Security Creditor Payment Stop Notice

As between the Independent Security Creditors and the Debtors, any failure to make a Payment due under Independent Security Creditor Documents as a result of the issue of an Independent Security Payment Stop Notice or the operation of Clause 10.3 (*Restriction on Payment: Independent Security Payment Stop Notice*) shall not prevent:

(v) if the Senior Subordinated Discharge Date has not occurred, such incurrence of the relevant Unsecured Convertible Notes Liabilities and the application of the proceeds thereof is not prohibited by the Senior Subordinated Debt Documents (or has been approved by the Required Senior Subordinated Creditors);

(vi) if the Unsecured Discharge Date has not occurred, such incurrence of the relevant Unsecured Convertible Notes Liabilities and the application of the proceeds thereof is not prohibited by any other Unsecured Creditor Document (or has been approved by the Required Unsecured Creditors); and

(vii) if the Unsecured Convertible Notes Discharge Date has not occurred, such incurrence of the relevant Unsecured Convertible Notes Liabilities and the application of the proceeds thereof is not prohibited by any other Unsecured Convertible Notes Document (or has been approved by the relevant Unsecured Convertible Notes Creditors),

provided (in each case) that any such prohibitions in any Super Senior Debt Document, Pari Passu Debt Document, Second Lien Debt Document, Senior Subordinated Debt Document or Unsecured Convertible Notes Document shall not be materially more restrictive than the prohibitions contained in the Initial Senior Secured Credit Agreements and the prohibitions contained in the Initial Unsecured Convertible Notes Documents.

12.5 Restriction on Payment: Unsecured Convertible Notes Liabilities

Until the Priority Discharge Date, the Debtors shall not, and shall procure that no other member of the Group will:

(a) make any Payments in respect of any principal, interest or other amount on or in respect of, or make any distribution or Liabilities Acquisition in respect of any Unsecured Convertible Notes Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Unsecured Convertible Notes Liabilities; or

(b) exercise any set-off against any Unsecured Convertible Notes Liabilities,

except as expressly permitted by:

(i) Clause 12.6 (*Permitted Payments: Unsecured Convertible Notes Liabilities*);

(ii) paragraph (b) of Clause 12.10 (*Payment Obligations and Capitalisation of Interest Continue*); and

(iii) Clause 12.17 (*Permitted Enforcement: Unsecured Convertible Notes Creditors*).

12.6 Permitted Payments: Unsecured Convertible Notes Liabilities

The Parent may:

(a) prior to the Priority Discharge Date:

(i) make Payments to the Unsecured Convertible Noteholders in respect of the Unsecured Convertible Notes Liabilities in accordance with the Unsecured Convertible Notes Documents (as may be amended in accordance with the terms of this Agreement and the relevant Unsecured Convertible Notes Documents) provided the Payment is not otherwise prohibited by the Priority Creditor Documents (*provided (in each case) that* any such prohibitions in any Priority Creditor Documents shall not be materially more restrictive than the prohibitions contained in the Initial Senior Secured Credit Agreements), if no Unsecured Convertible Notes Payment Stop Notice is outstanding and no Unsecured Convertible Notes Automatic Block Event has occurred and is continuing;

(ii) make Payments of Creditor Representative Amount due and payable to the Creditor Representative(s) in respect of the Unsecured Convertible Notes Liabilities, provided the Payment is not otherwise prohibited by the Priority Creditor Documents (*provided (in each case) that* any such prohibitions in any Priority Creditor Documents shall not be materially more restrictive than the prohibitions contained in the Initial Senior Secured Credit Agreements); or

(iii) make Payments to the Unsecured Convertible Noteholders in respect of the Unsecured Convertible Notes Liabilities only if the Required Priority Creditors have given their prior consent to that Payment being made.

(b) On or after the Priority Discharge Date, make Payments to the Unsecured Convertible Noteholders in respect of the Unsecured Convertible Notes Liabilities in accordance with the Unsecured Convertible Notes Documents (as may be amended in accordance with the terms of this Agreement and the relevant Unsecured Convertible Notes Documents).

(c) The Permitted Unsecured Convertible Notes Payments shall be considered "Permitted Payments" for all purposes under the terms of this Agreement.

(d) Notwithstanding anything to the contrary in this Clause 12.6, it is understood and agreed that no Payments of Unsecured Convertible Notes Liabilities are permitted by the Priority Creditor Documents as in effect on the date hereof, provided that, for the avoidance of doubt, the foregoing does not prohibit the accrual of capitalized or "paid-in-kind" interest accruing thereon.

12.7 Occurrence of an Unsecured Convertible Notes Automatic Block Event

Within five Business Days of the occurrence of:

(a) an Unsecured Convertible Notes Automatic Block Event, the Creditor Representative in respect of the relevant Priority Creditor Debt Documents shall deliver a notice to the Parent to notify the Parent of the occurrence of such Unsecured Convertible Notes Automatic Block Event; and

(b) the cessation of an Unsecured Convertible Notes Automatic Block Event, whether by virtue of the relevant Default being remedied or waived by the relevant Creditors, the Creditor Representative in respect of the relevant Priority Creditor Debt Documents shall deliver a notice to the Parent to notify the Parent of the cessation of such Unsecured Convertible Notes Automatic Block Event.

12.8 Issue of Unsecured Convertible Notes Payment Stop Notice

(a) At any time prior to the Priority Discharge Date, if an Unsecured Convertible Notes Payment Stop Event has occurred and is continuing, except with the prior consent of the Required Priority Creditors and subject to Clause 12.20 (*Effect of Insolvency Event*), the Parent shall procure that no Debtor or member of the Group shall make, and no Unsecured Convertible Notes Creditor may receive from any Debtor or member of the Group, any Payment in respect of the Unsecured Convertible Notes Liabilities from the date on which the relevant Creditor Representative in respect of the Priority Creditor Debt Documents (the "**Relevant Representative**") delivers a notice (an "**Unsecured Convertible Notes Payment Stop Notice**") to the Parent, the Common Security Agent and each Creditor Representative in respect of the relevant Unsecured Convertible Notes Liabilities (or, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, each of the relevant Unsecured Convertible Noteholders) specifying the events or circumstances relating to that Unsecured Convertible Notes Payment Stop Event until the earliest of:

(i) the date falling 179 days after delivery of that Unsecured Convertible Notes Payment Stop Notice to the Parent, the Common Security Agent and each Creditor Representative in respect of the relevant Unsecured Convertible Notes Liabilities (or, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, each relevant Unsecured Convertible Noteholders);

(ii) in relation to payments of the Unsecured Convertible Notes Liabilities, if an Unsecured Convertible Notes Standstill Period is in effect at any time after delivery of that Unsecured Convertible Notes Payment Stop Notice, the date on which that Unsecured Convertible Notes Standstill Period expires;

(iii) the date on which the relevant Unsecured Convertible Notes Payment Stop Event is no longer continuing and, if the relevant Priority Creditor Debt Liabilities have been accelerated, such acceleration has been rescinded, revoked or waived, *provided that* at such time no other Event of Default is continuing under any Priority Creditor Debt Document;

(iv) the date on which the Relevant Representative which issued the Unsecured Convertible Notes Payment Stop Notice (and, if at such time an Unsecured Convertible Notes Payment Stop Event is continuing (other than in relation to the debt in respect of which the notice was given) the Relevant Representative in respect of that other debt) delivers a notice to the Parent, the Common Security Agent and each Creditor Representative in respect of the Unsecured Convertible Notes Liabilities (or, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, each of the relevant Unsecured Convertible Noteholders) cancelling the Unsecured Convertible Notes Payment Stop Notice; and

(v) the date on which the relevant Unsecured Convertible Noteholder or Creditor Representative in respect of the relevant Unsecured Convertible Notes Liabilities is permitted to take any Enforcement Action under Clause 12.17

(*Permitted Enforcement: Unsecured Convertible Notes Creditors*) and Clause 12.18 (*Subsequent Enforcement Action*) against the Parent,

such period being the period for which the relevant Unsecured Convertible Notes Payment Stop Notice is "**outstanding**".

(b) Unless each Creditor Representative in respect of the relevant Unsecured Convertible Notes Liabilities (or, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, each of the relevant Unsecured Convertible Noteholders) waives this requirement:

(i) a new Unsecured Convertible Notes Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Unsecured Convertible Notes Payment Stop Notice; and

(ii) no Unsecured Convertible Notes Payment Stop Notice may be delivered in reliance on an Unsecured Convertible Notes Payment Stop Event more than six months after the date on which each relevant Creditor Representative has received notice of that Unsecured Convertible Notes Payment Stop Event.

(c) A Creditor Representative may serve only one Unsecured Convertible Notes Payment Stop Notice each with respect to the same event or set of circumstances *provided that* if an Unsecured Convertible Payment Stop Notice has been served as a result of a breach of clause 22 (*Financial Covenant*) of the Initial Senior Secured Revolving Facilities Agreement or section 7.08 (*Financial Covenant*) of the Initial Senior Secured Term Credit Agreement (or any Equivalent Provision under any Super Senior Debt Document or Pari Passu Debt Document, as applicable (*provided (in each case) that* any such Equivalent Provision in any Super Senior Debt Document or Pari Passu Debt Document shall not be materially more burdensome than the provisions contained in the Initial Senior Secured Revolving Facilities Agreement or the Initial Senior Secured Term Credit Agreement)), any subsequent breach of clause 22 (*Financial Covenant*) of the Initial Senior Secured Revolving Facilities Agreement or section 7.08 (*Financial Covenant*) of the Initial Senior Secured Term Credit Agreement (or any Equivalent Provision under any Super Senior Debt Document or Pari Passu Debt Document, as applicable) shall constitute a new set of circumstances. Subject to paragraph (b) above, this shall not affect the right of that or any other Creditor Representative to issue an Unsecured Convertible Notes Payment Stop Notice in respect of any other event or set of circumstances.

12.9 Effect of Unsecured Convertible Notes Payment Stop Event or Unsecured Convertible Notes Automatic Block Event

As between the Unsecured Convertible Noteholders and the Parent, any failure to make a Payment due under the Unsecured Convertible Notes Documents as a result of the issue of an Unsecured Convertible Notes Payment Stop Notice or the occurrence of an Unsecured Convertible Notes Automatic Block Event or the operation of Clause 12.5 (*Restriction on Payment: Unsecured Convertible Notes Liabilities*) shall not prevent:

(a) the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the Unsecured Convertible Notes Documents; or

(b) the issue of an Unsecured Convertible Notes Enforcement Notice.

12.10 Payment Obligations and Capitalisation of Interest Continue

(a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Unsecured Convertible

Notes Document by the operation of Clauses 12.5 (*Restriction on Payment: Unsecured Convertible Notes Liabilities*) to 12.9 (*Effect of Unsecured Convertible Notes Payment Stop Event or Unsecured Convertible Notes Automatic Block Event*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest in accordance with the Unsecured Convertible Notes Documents shall continue notwithstanding the issue of an Unsecured Convertible Notes Payment Stop Notice or the occurrence of an Unsecured Convertible Notes Automatic Block Event.

12.11 Cure of Payment Stop: Unsecured Convertible Notes Creditors

If:

(a) at any time following the issue of an Unsecured Convertible Notes Payment Stop Notice or the occurrence of an Unsecured Convertible Notes Automatic Block Event, that Unsecured Convertible Notes Payment Stop Notice ceases to be outstanding and/or (as the case may be) the Unsecured Convertible Notes Automatic Block Event ceases to be continuing; and

(b) the Parent then promptly pays to the Unsecured Convertible Noteholders an amount equal to any Payments which had accrued under the Unsecured Convertible Notes Documents and which would have been Permitted Unsecured Convertible Notes Payments but for that Unsecured Convertible Notes Payment Stop Notice or that Unsecured Convertible Notes Automatic Block Event,

then any Event of Default which may have occurred as a result of that suspension of Payments shall be waived and any Unsecured Convertible Notes Enforcement Notice which may have been issued as a result of that Event of Default shall be waived and revoked, in each case without any further action being required on the part of the Unsecured Convertible Noteholders.

12.12 No Acquisition of Unsecured Convertible Notes Liabilities

(a) Subject to paragraph (b) below, the Debtors shall not, and shall procure that no other member of the Group will, enter into any Liabilities Acquisition in respect of the Unsecured Convertible Notes Liabilities or beneficially own all or any part of the share capital of a company that is a party to a Liabilities Acquisition in respect of the Unsecured Convertible Notes Liabilities.

(b) Paragraph (a) above shall not apply in respect of:

(i) any action which occurs in accordance with the other provisions of this Agreement and is not otherwise prohibited by any Primary Creditor Debt Document; or

(ii) any action which occurs either:

(A) in order to effect a Liabilities Acquisition of Unsecured Convertible Notes Liabilities the Payment of which would have otherwise constituted a Permitted Unsecured Convertible Notes Payment;

(B) on or after the Primary Discharge Date; or

(C) with the prior consent of the Required Primary Creditors,

and in accordance with the Unsecured Convertible Notes Documents.

12.13 Amendments and Waivers: Unsecured Convertible Notes Creditors

(a) Subject to paragraph (b) below, the Unsecured Convertible Notes Creditors may amend or waive the terms of the Unsecured Convertible Notes Documents (other than this Agreement) in accordance with their terms at any time.

(b) Prior to the Priority Discharge Date, the Unsecured Convertible Notes Creditors may not amend or waive the terms of the Unsecured Convertible Notes Documents if the amendment or waiver would result in any Unsecured Convertible Notes Document not complying with this Agreement or the terms of the Super Senior Debt Documents, the Pari Passu Debt Documents, the Second Lien Debt Documents or the Senior Subordinated Debt Documents without the prior consent of:

(i) (in respect of the Super Senior Debt Documents) the Required Super Senior Creditors;

(ii) (in respect of the Pari Passu Debt Documents) the Required Pari Passu Creditors;

(iii) (in respect of the Second Lien Debt Documents) the Required Second Lien Creditors; and

(iv) (in respect of the Senior Subordinated Debt Documents) the Required Senior Subordinated Creditors,

(*provided (in each case) that* any such prohibitions in any Super Senior Debt Document, Pari Passu Debt Document, Second Lien Debt Document or Senior Subordinated Debt Document shall not be materially more restrictive than the prohibitions contained in the Initial Senior Secured Credit Agreements.

12.14 Designation of Unsecured Convertible Notes Documents

If:

(a) the terms of a document to be designated as an Unsecured Convertible Notes Document does not comply with Clause 12.4 (*Incurrence of Unsecured Convertible Notes Liabilities*); or

(b) the terms of a document effect a change which would, if that change was effected by way of amendment to, or waiver of, the terms of an Unsecured Convertible Notes Document, require the consent of the Required Super Senior Creditors, the Required Pari Passu Creditors or the Required Second Lien Creditors or the Required Senior Subordinated Creditors under Clause 12.13 (*Amendments and Waivers: Unsecured Convertible Noteholder*),

that document shall not constitute an Unsecured Convertible Notes Document for the purposes of this Agreement without the prior consent of the Required Primary Creditors.

12.15 Security and Guarantees: Unsecured Convertible Notes Liabilities

At any time prior to the Final Discharge Date, except with the prior consent of the Required Primary Creditors, the Unsecured Convertible Noteholders may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from the Debtors or any other member of the Group or any Security Grantor in respect of their Unsecured

Convertible Notes Liabilities other than any indemnity or assurance against loss granted by the Parent pursuant to the terms of any Unsecured Convertible Notes Document.

12.16 Restrictions on Enforcement: Unsecured Convertible Noteholder

At any time prior to the Final Discharge Date in respect of any Liabilities having a final maturity date falling no later than the Maturity Date (as defined in the Initial Senior Secured Term Credit Agreement) for the Initial Term Facility (as defined in the Initial Senior Secured Term Credit Agreement), except with the prior consent of the Required Primary Creditors or as permitted pursuant to Clause 12.17 (*Permitted Enforcement: Unsecured Convertible Notes Creditors*) or Clause 12.18 (*Subsequent Enforcement Action*), no Unsecured Convertible Notes Creditor shall be entitled to take, or direct the relevant Creditor Representative in respect of the relevant Unsecured Convertible Notes Liabilities to take, any Enforcement Action against any of the Debtors in respect of any of the Unsecured Convertible Notes Liabilities.

12.17 Permitted Enforcement: Unsecured Convertible Notes Creditors

Subject to Clause 12.19 (*Enforcement on Behalf of Unsecured Convertible Notes Creditors*), the restrictions in Clause 12.16 (*Restrictions on Enforcement: Unsecured Convertible Noteholder*) will not apply in respect of the Unsecured Convertible Notes Liabilities if:

(a) a Super Senior Acceleration Event, a Pari Passu Acceleration Event, a Second Lien Acceleration Event or a Senior Subordinated Acceleration Event has occurred (in each case as it relates to the Parent only and, for the avoidance of doubt, including any Super Senior Acceleration Event, Pari Passu Acceleration Event, a Second Lien Acceleration Event or a Senior Subordinated Acceleration Event that has been taken in relation to a procurement obligation on the part of the Parent with respect to any member of the Group, but excluding any failure to comply, breach or Event of Default by any member of the Group (other than the Parent)), in which case each Unsecured Convertible Notes Creditor may take the same Enforcement Action (but in respect of the Unsecured Convertible Notes Liabilities) as constitutes that Super Senior Acceleration Event, Pari Passu Acceleration Event, Second Lien Acceleration Event or a Senior Subordinated Acceleration Event (as relevant and only in respect of the Parent);

(b) an Event of Default has occurred and is continuing under the relevant Unsecured Convertible Notes Documents (in each case as it relates to the Parent only and, for the avoidance of doubt, excluding any Event of Default in relation to the procurement obligations on the part of the Parent with respect to any member of the Group, and any failure to comply, breach or Event of Default by any member of the Group (other than the Parent)) (the "**Relevant Unsecured Convertible Notes Event of Default**");

(c) each other Creditor Representative has received a notice of the Relevant Unsecured Convertible Notes Event of Default specifying the event or circumstance in relation to the Relevant Unsecured Convertible Notes Event of Default from the relevant Creditor Representative in respect of the Unsecured Convertible Notes Liabilities (or, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, any of the relevant Unsecured Convertible Noteholders), in each case, on instructions of the Required Unsecured Convertible Notes Creditors (an "**Unsecured Convertible Notes Enforcement Notice**");

(d) the Unsecured Convertible Notes Standstill Period initiated by the Unsecured Convertible Notes Enforcement Notice has elapsed or otherwise terminated; and

(e) the Relevant Unsecured Convertible Notes Event of Default is continuing at the end of the relevant Unsecured Convertible Notes Standstill Period,

provided that, after the occurrence of an Insolvency Event in relation to the Parent, any Unsecured Convertible Notes Creditor may (unless otherwise directed by the Common Security Agent), exercise any right it may otherwise have against the Parent to:

(i) accelerate the Parent's Unsecured Convertible Notes Liabilities or declare them prematurely due and payable or payable on demand; or

(ii) claim and prove in the liquidation, administration or other insolvency proceedings of the Parent for the Unsecured Convertible Notes Liabilities owing to it.

12.18 Subsequent Enforcement Action

The Unsecured Convertible Noteholder may take Enforcement Action under Clause 12.17 (*Permitted Enforcement: Unsecured Convertible Notes Creditors*) in relation to a Relevant Unsecured Convertible Notes Event of Default to the extent entitled to under the relevant Unsecured Convertible Notes Creditor Documents even if, at the end of any relevant Unsecured Convertible Notes Standstill Period relating to that Relevant Unsecured Convertible Notes Event of Default or at any later time, a further Unsecured Convertible Notes Standstill Period in respect of another Relevant Unsecured Convertible Notes Event of Default has begun as a result of any other Event of Default in relation to those Unsecured Convertible Notes Liabilities.

12.19 Enforcement on Behalf of Unsecured Convertible Notes Creditors

If the Common Security Agent has notified the Creditor Representative(s) in respect of the Unsecured Convertible Notes Liabilities (or, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, each of the relevant Unsecured Convertible Noteholders) that it is taking or has been instructed by an Instructing Group to take any Enforcement Action in relation to any Debtor or any part of the Priority Creditor Only Charged Property or the Common Charged Property owned by it, its Holding Companies or its Subsidiaries or a Security Grantor, no Unsecured Convertible Notes Creditor may take any action referred to in Clause 12.17 (*Permitted Enforcement: Unsecured Convertible Notes Creditors*) against that Debtor, Holding Company or applicable Security Grantor or their Subsidiaries while the Common Security Agent is taking steps to enforce Security or taking Enforcement Action in relation to that Debtor, Holding Company or applicable Security Grantor or their Subsidiaries, in each case in accordance with the instructions of the Instructing Group where such action might be reasonably likely to adversely affect such enforcement or Enforcement Action or the amount of proceeds to be derived therefrom.

12.20 Effect of Insolvency Event

(a) Without limitation to Clause 12.21 (*Turnover of Receipts*), after the occurrence of an Insolvency Event in relation to the Parent, each of the Unsecured Convertible Notes Creditors shall, to the extent it is entitled to do so, direct the person responsible for the distribution of the assets of the Parent to make that distribution to the Common Security Agent (or to such other person as the Common Security Agent shall direct) until the Liabilities owing to the Secured Parties have been paid in full.

(b) The Common Security Agent shall apply distributions made to it under paragraph (a) above in accordance with Clause 23 (*Application of Proceeds*).

(c) To the extent that any of the Unsecured Convertible Notes Liabilities are discharged by way of set-off (mandatory or otherwise) after the occurrence of an Insolvency Event in relation to the Parent, any Unsecured Convertible Notes Creditor which benefited from that set-off shall pay an amount equal to the amount of the Unsecured Convertible

Notes Liabilities owed to it which are discharged by that set-off to the Common Security Agent for application in accordance with Clause 23 (*Application of Proceeds*).

(d) Each Unsecured Convertible Notes Creditor will:

(i) do all things that the Common Security Agent requests in order to give effect to this Clause 12.20; and

(ii) if the Common Security Agent is not entitled to take any of the actions contemplated by this Clause 12.20 or if the Common Security Agent requests that an Unsecured Convertible Notes Creditor take that action, undertake that action itself in accordance with the instructions of the Common Security Agent or grant a power of attorney to the Common Security Agent (on such terms as the Common Security Agent may reasonably require) to enable the Common Security Agent to take such action.

12.21 Turnover of Receipts

(a) Subject to paragraph (b) below, if at any time prior to the Final Discharge Date, any Unsecured Convertible Notes Creditor receives from any member of the Group:

(i) any Payment or distribution of, or on account of or in relation to, any of the Unsecured Convertible Notes Liabilities which is not a Permitted Unsecured Convertible Notes Payment;

(ii) any amount by way of set-off in respect of any of the Unsecured Convertible Notes Liabilities owed to it which does not give effect to a Permitted Unsecured Convertible Notes Payment;

(iii) notwithstanding paragraphs (i) and (ii) above, and other than where paragraph (c) of Clause 12.20 (*Effect of Insolvency Event*) applies, any amount:

(A) on account of, or in relation to any of the Unsecured Convertible Notes Liabilities:

(1) after the occurrence of a Distress Event; or

(2) as a result of any other litigation or proceedings against a member of the Group, a Debtor or a Security Grantor (other than after the occurrence of an Insolvency Event in respect of that member of the Group, Security Grantor or Debtor); or

(B) by way of set-off in respect of any of the Unsecured Convertible Notes Liabilities owed to it after the occurrence of a Distress Event; or

(iv) other than where paragraph (c) of Clause 12.20 (*Effect of Insolvency Event*) applies, any distribution in cash or in kind or Payment of, or on account of or in relation to, any of the Unsecured Convertible Notes Liabilities owed by the Parent which is not in accordance with Clause 23 (*Application of Proceeds*) and which is made as a result of, or after, the occurrence of an Insolvency Event in respect of the Parent; or

(v) any proceeds of an Enforcement except where received or recovered in accordance with Clause 23 (*Application of Proceeds*),

that Unsecured Convertible Notes Creditor will:

(A) in relation to receipts and recoveries not received or recovered by way of set-off:

(1) hold an amount of that receipt or recovery equal to the Relevant Liabilities (or if less, the amount received or recovered) on trust and/or as agent for the Common Security Agent and promptly pay or distribute that amount to the Common Security Agent for application in accordance with the terms of this Agreement; and

(2) promptly pay or distribute an amount equal to the amount (if any) by which the receipt or recovery exceeds the Relevant Liabilities to the Common Security Agent for application in accordance with the terms of this Agreement; and

(B) in relation to receipts and recoveries received or recovered by way of set-off, promptly pay an amount equal to that recovery to the Common Security Agent for application in accordance with the terms of this Agreement.

In any jurisdiction the courts of which would not recognise or give effect to the trust on which an Unsecured Convertible Notes Creditor is expressed in sub-paragraph above to hold an amount of a receipt or recovery the relationship of the Common Security Agent to that Unsecured Convertible Notes Creditor shall be construed as one of principal and agent.

(b) Nothing in this Agreement shall restrict the ability of any Unsecured Convertible Notes Creditor to:

(i) arrange with any person which is not a member of the Group or a Security Grantor any assurance against loss in respect of, or reduction of its credit exposure to the Parent (including assurance by way of credit based derivative or sub-participation), as permitted by (as applicable) the Super Senior Debt Documents, the Pari Passu Debt Documents, the Second Lien Debt Documents, and the Senior Subordinated Debt Documents, *provided (in each case) that* any such prohibitions in any Super Senior Debt Documents, the Pari Passu Debt Documents, the Second Lien Debt Documents, and the Senior Subordinated Debt Documents shall not be materially more restrictive than the prohibitions contained in the Initial Senior Secured Credit Agreements; or

(ii) make any assignment or transfer of its rights and/or obligations under any of the Unsecured Convertible Notes Documents or of its Unsecured Convertible Notes Liabilities, *provided that* if, as a result of such assignment or transfer, any person becomes: (i) a creditor representative with respect to any Unsecured Convertible Notes Liabilities and/or (ii) an Unsecured Convertible Noteholder, as applicable, such person shall accede to this Agreement as a "Creditor Representative" or "Unsecured Convertible Noteholder" (as applicable) in accordance with the terms of Clause 12.24 (*Accession of Creditor Representatives and Creditors in Respect of Unsecured Convertible Notes Liabilities*),

which is not in breach of Clause 12.12 (*No Acquisition of Unsecured Convertible Notes Liabilities*) and that Unsecured Convertible Notes Creditor shall not be obliged to account to any other Party for any sum received by it as a result of that action.

(c) If, for any reason, any of the trusts expressed to be created in this Clause 12.21 should fail or be unenforceable, the affected Unsecured Convertible Notes Creditor will promptly pay or distribute an amount equal to that receipt or recovery to the Common Security Agent to be held on trust and/or as agent by the Common Security Agent for application in accordance with the terms of this Agreement.

12.22 Application of Proceeds

Clause 23 (*Application of Proceeds*) shall apply to the Unsecured Convertible Notes Liabilities.

12.23 Security Agent

(a) Nothing in this Agreement constitutes the Security Agent as an agent, trustee or fiduciary of any Unsecured Convertible Notes Creditor.

(b) Each Unsecured Convertible Notes Creditor shall supply the Security Agent with any information that the Security Agent may reasonably specify as being necessary or desirable to enable the Security Agent to perform its function as Security Agent.

12.24 Accession of Creditor Representatives and Unsecured Convertible Noteholders in Respect of Unsecured Convertible Notes

(a) The Parent shall use its best efforts to procure that all trustees or other creditor representatives in respect of any Unsecured Convertible Notes Liabilities and, to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, the Unsecured Convertible Noteholders, accede to this Agreement as "Creditor Representatives" or "Unsecured Convertible Noteholder" (as applicable) in respect of such Unsecured Convertible Notes Liabilities, pursuant to Clause 28.24 (*Creditor/Creditor Representative Accession Undertaking*), *provided that* the foregoing shall not apply to any trustee or other creditor representative in respect of the Initial Unsecured Convertible Notes, or an Initial Unsecured Convertible Noteholder, that is a day-one Party to this Agreement. For the avoidance of doubt, this provision applies to any assignments and transfers of any Unsecured Convertible Notes Liabilities.

(b) In order for indebtedness in respect of any issuance of debt securities to constitute "Unsecured Convertible Notes Liabilities" for the purposes of this Agreement:

(i) the Parent shall designate: (A) any relevant issuance of debt securities as Unsecured Convertible Notes; (B) the indenture pursuant to which the principal terms of any such debt securities are documented as an Unsecured Convertible Notes Indenture; and (C) the Liabilities incurred pursuant to or in connection therewith as Unsecured Convertible Notes Liabilities, by written notice to the Common Security Agent;

(ii) the incurrence of those debt securities as Unsecured Convertible Notes Liabilities under this Agreement must not breach the terms of any of the existing Primary Creditor Documents, Unsecured Creditor Documents, Unsecured Convertible Notes Documents, Unsecured Convertible Notes Documents or Independent Security Creditor Documents, *provided (in each case) that* any such prohibitions in any Primary Creditor Documents, Unsecured Creditor Documents, Unsecured Convertible Notes Documents, Unsecured Convertible Notes Documents or Independent Security Creditor Documents shall not be materially more restrictive than the prohibitions contained in the Initial Senior Secured Credit Agreements; and

(iii) either: (x) the creditor representative in respect of those notes shall accede to this Agreement as the Creditor Representative in respect of those Unsecured Convertible Note, or (y) to the extent that the relevant Unsecured Convertible Notes do not have a Creditor Representative, the relevant noteholders accede to this Agreement as Unsecured Convertible Noteholders, pursuant to Clause 28.24 (*Creditor/Creditor Representative Accession Undertaking*),

provided that the foregoing designation shall not apply to the Unsecured Convertible Notes Indenture, the Unsecured Convertible Notes Liabilities or the Unsecured Convertible Notes Documents, in each case as they relate to the Initial Unsecured Convertible Notes, which shall constitute Unsecured Convertible Notes on and from the date of this Agreement.

12.25 Amendment and waivers

(a) Any amendment or waiver of this Clause 12 requires the approval of the Unsecured Convertible Noteholders whose participations in the Unsecured Convertible Notes outstanding at that time aggregate more than 50 *per cent.* of the total Unsecured Convertible Notes participations at that time, *provided that* if such amendment or waiver may impose new or additional obligations on or withdraw or reduce the rights of any: (x) Unsecured Convertible Noteholders, the consent of that Unsecured Convertible Noteholder shall be required; or (y) a class of Unsecured Convertible Noteholders, the consent of the Unsecured Convertible Noteholders whose participations in the Unsecured Convertible Notes in that class outstanding at that time aggregate more than 50 *per cent.* of the total Unsecured Convertible Notes participations in that class at that time shall be required.

13. Subordinated Liabilities

13.1 Incurrence of Subordinated Liabilities

Until the Final Discharge Date, the Debtors shall not (and shall procure that no other member of the Group will) enter into any Subordinated Debt Documents, borrow, issue or incur any Subordinated Liabilities or allow any Subordinated Liabilities to remain outstanding unless:

(a) if the Super Senior Debt Discharge Date has not occurred, such incurrence of the relevant Subordinated Liabilities and the application of the proceeds thereof is not prohibited by any Super Senior Debt Document (or has been approved by the Required Super Senior Creditors);

(b) if the Pari Passu Debt Discharge Date has not occurred, such incurrence of the relevant Subordinated Liabilities and the application of the proceeds thereof is not prohibited by the Senior Secured Facilities Agreements or any other Pari Passu Debt Document (or has been approved by the Required Pari Passu Creditors);

(c) if the Second Lien Discharge Date has not occurred, such incurrence of the relevant Subordinated Liabilities and the application of the proceeds thereof is not prohibited by any Second Lien Debt Document (or has been approved by the Required Second Lien Creditors);

(d) if the Senior Subordinated Discharge Date has not occurred, such incurrence of the relevant Subordinated Liabilities and the application of the proceeds thereof is not prohibited by the Senior Subordinated Debt Documents (or has been approved by the Required Senior Subordinated Creditors);

(e) if the Unsecured Discharge Date has not occurred, such incurrence of the relevant Subordinated Liabilities and the application of the proceeds thereof is not prohibited by any other Unsecured Creditor Document (or has been approved by the Required Unsecured Creditors); and

(f) if the Unsecured Convertible Notes Discharge Date has not occurred, such incurrence of the relevant Subordinated Liabilities and the application of the proceeds thereof is not prohibited by any other Unsecured Convertible Notes Document (or has been approved by the relevant Unsecured Convertible Notes Creditors),

and in each case, the Subordinated Liabilities would satisfy the requirement of "Subordinated Financing" as defined in the Senior Secured Revolving Facilities Agreement, the Senior Secured Term Facilities Agreement and any Equivalent Provision in any other Primary Creditor Document.

13.2 Restriction on Payment: Subordinated Liabilities

Prior to the Final Discharge Date, the Group Debtors shall not, and shall procure that no other member of the Group will:

(a) make any Payments in respect of any principal, interest or other amount on or in respect of, or make any distribution or Liabilities Acquisition in respect of any Subordinated Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Subordinated Liabilities; or

(b) exercise any set-off against any Subordinated Liabilities,

except as expressly permitted by:

(i) Clause 13.3 (*Permitted Payments: Subordinated Liabilities*); and

(ii) Clause 13.9 (*Permitted Enforcement: Subordinated Creditor*).

13.3 Permitted Payments: Subordinated Liabilities

(a) Subject to paragraph (b) below, payments in respect of the Subordinated Liabilities may not be made unless:

(i) prior to the Super Senior Discharge Date, the Payment is expressly permitted by the Super Senior Facility Agreement or the Required Super Senior Creditors consent to that Payment being made;

(ii) prior to the Pari Passu Discharge Date, the Payment is expressly permitted by the Pari Passu Facility Agreement or the Required Pari Passu Creditors consent to that Payment being made;

(iii) prior to the Second Lien Discharge Date, the Payment is expressly permitted by the Second Lien Facility Agreement or the Required Second Lien Creditors consent to that Payment being made; and

(iv) prior to the Senior Subordinated Discharge Date, the Payment is expressly permitted by the Senior Subordinated Facility Agreement or the Required Senior Subordinated Creditors consent to that Payment being made;

(v) prior to the Unsecured Discharge Date, the Payment is expressly permitted by the Unsecured Creditor Documents or the Required Unsecured Creditors consent to that Payment being made; and

(vi) prior to the Unsecured Convertible Notes Discharge Date, the Payment is expressly permitted by the Unsecured Convertible Notes Documents or the Required Unsecured Convertible Notes Creditors consent to that Payment being made.

(c) Nothing in this Clause 13 will restrict:

(i) the roll-up or capitalisation of interest on the Subordinated Liabilities or the payment of interest on Subordinated Liabilities by the issue by the Parent of payment-in-kind instruments (provided that, in any such case, there is no payment in cash or cash equivalents) and such rolled up capitalised interest or payment in kind instruments shall constitute Subordinated Liabilities (to the extent permitted under the Super Senior Facility Agreement, the Pari Passu Facility Agreement the Second Lien Facility Agreement, the Senior Subordinated Facility Agreement, the Unsecured Creditor Documents or the Unsecured Convertible Notes Document); or

(c) that amendment, waiver or agreement is of minor and administrative nature and is not prejudicial to the Primary Creditors, provided that (without any limitation) any amendment or waiver which would result in any Subordinated Liabilities no longer qualifying as a "Subordinated Financing" as defined in the Senior Secured Revolving Facilities Agreement, the Senior Secured Term Facilities Agreement and any Equivalent Provision in any other Primary Creditor Document shall be deemed to be prejudicial to the Primary Creditors.

13.7 Security: Subordinated Creditor

The Subordinated Creditors may not take, accept or receive the benefit of, and no member of the Group may provide, any Security, guarantee, indemnity or other assurance against loss from

any member of the Group in respect of any of the Subordinated Liabilities prior to the Final Discharge Date unless:

14.5 Filing of Claims

Without prejudice to any Ancillary Lender's and Cash Management Facility Lenders' right of netting or set-off relating to a Multi-account Overdraft Facility (to the extent that the netting or set-off represents a reduction of the Gross Outstandings of that Multi-account Overdraft Facility to or towards an amount equal to its Net Outstandings), after the occurrence of an Insolvency Event in relation to any member of the Group, any Debtor or any Security Grantor each Creditor (other than the Independent Security Creditors or the Unsecured Creditors) irrevocably authorises the Common Security Agent, on its behalf, to:

(a) take any Enforcement Action (in accordance with the terms of this Agreement) against that member of the Group, Debtor or Security Grantor (as the case may be);

14.6 Further Assurance – Insolvency Event

Each Creditor will:

(a) do all things that the Common Security Agent (acting in accordance with Clause 14.7 (*Common Security Agent Instructions*)) requests in order to give effect to this Clause 14; and

(b) if the Common Security Agent is not entitled to take any of the actions contemplated by this Clause 14 or if the Common Security Agent (acting in accordance with Clause 14.7 (*Common Security Agent Instructions*)) requests that a Creditor (other than an Independent Security Creditor or an Unsecured Creditor) take that action, undertake that action itself in accordance with the instructions of the Common Security Agent or grant a power of attorney to the Common Security Agent (on such terms as the Common Security Agent (acting in accordance with Clause 14.7 (*Common Security Agent Instructions*)) may reasonably require) to enable the Common Security Agent to take such action.

14.7 Common Security Agent Instructions

For the purposes of Clause 14.2 (*Distributions*), Clause 14.5 (*Filing of Claims*) and Clause 14.6 (*Further Assurance – Insolvency Event*) the Common Security Agent shall:

(a) act on the instructions of the Required Pari Passu Creditors; provided that, the Common Security Agent shall not be required to take any action or follow any instruction that may (in the reasonable judgment of the Common Security Agent) expose it to liability or that is contrary to applicable law; and

(b) in the absence of any such instructions, be entitled, but not obliged, to act as the Common Security Agent sees fit.

14.8 US Insolvency Proceedings

Notwithstanding anything to the contrary in this Agreement, in the event that a Security Grantor or member of the Group is the subject of any US Insolvency or Liquidation Proceeding, the following provisions shall apply with respect thereto (and, in the event of any conflict between the provisions of this Clause 14.8 and any other provisions of this Agreement, the provisions of this Clause 14.8 shall govern).

(a) Enforceability

(i) This Agreement is intended to be and shall constitute a "subordination agreement" for the purposes of Section 510(a) of the Bankruptcy Code and shall be enforceable in any US Bankruptcy Case in accordance with its terms.

(ii) This Agreement shall be effective before, during and after the commencement of a US Insolvency or Liquidation Proceeding. The relative rights as to the Charged Property and other collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition.

(iii) This is a continuing agreement of lien subordination and the Secured Parties may continue to extend credit and other financial accommodations and lend monies to or for the benefit of any member of the Group constituting Secured Obligations in reliance hereon. The terms of this Agreement shall survive, and shall continue in full force and effect, in any US Insolvency or Liquidation Proceeding.

(iv) Notwithstanding the foregoing, or any other provision in this Agreement, in the event that any Debtor becomes subject to an Insolvency Event under the Bankruptcy Code, no Secured Party, or any representative thereof, shall exercise any rights with respect to the Security Property of such Debtor, and each such persons hereby agrees not to take any action under the applicable bankruptcy proceedings that would be inconsistent with its agreement hereunder without the Consent of the Required Pari Passu Creditors prior to the Pari Passu Discharge Date; provided that the Instructing Group may instruct the Common Security Agent in an Enforcement (including any disposal of any Collateral free and clear of its Liens or other claims under Section 363 of the Bankruptcy Code) so long as the proceeds are applied in accordance with Section 23.

(b) DIP Financing and Cash Collateral

(i) In any US Insolvency or Liquidation Proceeding the provision of any debtor-in-possession financing (each a "**DIP Financing**") under section 364 of the Bankruptcy Code (or analogous provision of other US Debtor Relief Law) that is secured by liens (the "**DIP Financing Liens**") senior to or pari passu with the liens securing the Pari Passu Liabilities and/or any use of cash collateral under section 363 of the Bankruptcy Code (or analogous provision of other US Debtor Relief Law) ("**Cash Collateral**" and together with DIP Financing, a "**Bankruptcy Financing**") shall be permitted with the consent of the Required Pari Passu Creditors, and no Creditor may oppose or contest any DIP Financing or Cash Collateral use that is consented to by the Required Pari Passu Creditors. Subject to paragraph (b) (iii) below, any party may provide a DIP Financing.

(ii) To the extent that the Security securing the Pari Passu Liabilities is subordinated to or pari passu with the Security securing any DIP Financing, each of the Second Lien Representative and the Senior Subordinated Representative will subordinate its Security to the following (and enter into appropriate documentation to give effect to such subordination at the time such DIP Financing is provided): (A) the Security securing such DIP Financing (and all Liabilities relating thereto and any customary "carve-out" agreed to by the Majority Super Senior Creditors and the Required Pari Passu Creditors) and (B) any adequate protection Security granted to the Super Senior Creditors, the Senior Creditors and the Pari Passu Creditors on the same basis that the Security securing the Second Lien Liabilities and Senior Subordinated Liabilities are subordinated to the Security securing the Pari Passu Liabilities under this Agreement.

(iii) The Second Lien Representative, the Second Lien Creditors, the Senior Subordinated Representative and the Senior Subordinated Creditors and the Unsecured Convertible Notes Representative, the Unsecured Convertible Notes Creditors and the Subordinated Creditors each agree that it will only propose or offer (or support any other person proposing or offering) any Bankruptcy Financing to which either (A) the Majority Super Senior Creditors and the Required Pari Passu Creditors have given their Consent or (B) any DIP Financing that results in the Pari Passu Debt Liabilities being fully and finally discharged, and paid in full in cash, to the satisfaction (acting reasonably) of the Creditor Representative(s) for each of the Pari Passu Lenders and the Pari Passu Noteholders.

(c) Adequate Protection

(i) No Creditor shall contest (or support any other person contesting):

(A) any request by a Pari Passu Representative or Super Senior Representative or Super Senior Creditors or Pari Passu Creditor for adequate protection; or

(B) any objection by any Pari Passu Representative or Super Senior Representative or any Super Senior Creditor or any Pari Passu Creditor to any motion, relief, action or proceeding asserting a lack of adequate protection,

provided that, if the Super Senior Creditors and the Pari Passu Creditors (or any subset thereof) are granted adequate protection in the form of Security on additional collateral, then the Second Lien Representative, on behalf of itself or any of the Second Lien Creditors, and/ or the Senior Subordinated Representative, on behalf of itself or any of the Senior Subordinated Creditors may seek or request adequate protection in the form of Security on the same additional collateral, which Security will be subordinated to the Super Senior Creditors' and the Pari Passu Creditors' additional Security on the same basis as the Security securing the Second Lien Liabilities and/or the Senior Subordinated Liabilities are subordinated to the Security securing the Pari Passu Liabilities under this Agreement; and

(ii) Nothing contained herein shall prohibit or in any way limit the Super Senior Representative or Pari Passu Representative or any Super Senior Creditor or any Pari Passu Creditor from objecting in any Bankruptcy Case or otherwise to any action taken by (x) any Second Lien Representative or any of the Second Lien Creditors, including the seeking by the Second Lien Representative or any of the Second Lien Creditors of adequate protection or the asserting by the Second Lien Representative or any of the Second Lien Creditors of any of its rights and remedies under the Second Lien Debt Documents or otherwise and/or (y) any Senior Subordinated Representative or any of the Senior Subordinated Creditors, including the seeking by the Senior Subordinated Representative or any of the Senior Subordinated Creditors of adequate protection or the asserting by the Senior Subordinated Representative or any of the Senior Subordinated Creditors of any of its rights and remedies under the Senior Subordinated Debt Documents or otherwise.

(iii) In the event either (x) the Second Lien Representative, on behalf of itself or any of the Second Lien Creditors, seeks or requests adequate protection in respect of the Second Lien Liabilities and such adequate protection is granted in the form of additional collateral, then the Second Lien Representative, on behalf of itself or any of the Second Lien Creditors and/or (y) the Senior Subordinated Representative, on behalf of itself or any of the Senior Subordinated Creditors, seeks or requests adequate protection in respect of the Senior Subordinated Liabilities and such adequate protection is granted in the form of additional collateral, then the Senior Subordinated Representative, on behalf of itself or any of the Senior Subordinated Creditors, each agrees (A) that the Pari Passu Representative shall also be granted a senior Security on such additional collateral as security for the Pari Passu Liabilities and the Super Senior Representative shall be granted a super senior Security on such additional collateral as security for the Super Senior Liabilities and for any DIP Financing provided by Super Senior Creditors or Pari Passu Creditors and (B) that any Security on such additional collateral securing the Second Lien Liabilities and/or Senior Subordinated Liabilities shall be subordinated to the

Security on such collateral securing the Pari Passu Liabilities and any Super Senior Liabilities and any such DIP Financing provided by Super Senior Creditors or Pari Passu Creditors (and all Liabilities relating thereto and any customary "carve-out" agreed to by the Majority Super Senior Creditors and the Required Pari Passu Creditors) and to any other Security granted to the Super Senior Creditors and the Pari Passu Creditors as adequate protection on the same basis as the other Security securing the Second Lien Liabilities and/or Senior Subordinated Liabilities are so subordinated to such Pari Passu Liabilities and any Super Senior Liabilities under this Agreement.

(d) Automatic Stay

Until the Pari Passu Discharge Date and any Super Senior Discharge Date, each Creditor agrees that none of them shall (i) seek (or support any other person seeking) relief from the automatic stay or any other stay in any US Insolvency or Liquidation Proceeding in respect of the Transaction Security, without the prior written consent of the Super Senior Representative or Pari Passu Representative (as applicable) or (ii) oppose (or support any other person in opposing) any request by any Pari Passu Creditor or Super Senior Creditor for relief from such stay.

(e) Voting

(i) The Super Senior Creditors and the Pari Passu Creditors, notwithstanding anything to the contrary contained herein, shall retain all rights to vote to accept or reject any plan of reorganisation, composition, arrangement or liquidation. For the avoidance of doubt, nothing in this Agreement shall limit the ability of the Super Senior Creditors or the Pari Passu Creditors to make a proposal to the Group or the bankruptcy court to provide Bankruptcy Financing to any Debtor, Security Guarantor or member of the Group.

(ii) No Second Lien Representative, Second Lien Creditor, Senior Subordinated Representative, the Senior Subordinated Creditor, Unsecured Convertible Notes Representative and or Unsecured Convertible Notes Creditor shall propose, vote to accept or otherwise support any plan of reorganisation, composition, arrangement or liquidation unless (a) such plan of reorganisation, composition, arrangement or liquidation pay off, in cash in full, the Super Senior Debt Liabilities and the Pari Passu Debt Liabilities or (b) is approved by each Super Senior Representative and each Pari Passu Representative.

(f) No Creditor shall oppose or otherwise contest any sale or disposition (including bidding procedures) in respect of any assets constituting Transaction Security under section 363 of the U.S. Bankruptcy Code or any other U.S. insolvency or debtor relief law, or object to the retention of any professionals if the Majority Super Senior Creditors and the Required Pari Passu Creditors (or the creditor representative acting on their behalf) shall have consented to such sale or disposition (including bidding procedures), or the retention of such professionals. All liens shall attach to the proceeds of any such sale or disposition in the same relative and respective priorities as set forth in this Agreement.

(g) Rights as Unsecured Creditor. The Second Lien Representative, the Second Lien Creditors, the Senior Subordinated Representative and the Senior Subordinated Creditors may exercise rights and remedies as unsecured creditors in accordance with the Second Lien Documents and/or Senior Subordinated Documents and applicable law (other than initiating or joining in an involuntary case or with respect to any Debtor, Security Guarantor or member of the Group); provided that such exercise shall not be inconsistent with the terms of this Agreement.

(h) Waivers. The Second Lien Representative, Section Lien Creditors, Senior Subordinated Representative and the Senior Subordinated Creditors each waive their right to (i) challenge the liens or claims of any of the Pari Passu Representative, Super Senior Representative, Super Senior Creditors and/or Pari Passu Creditors and (ii) make an election under section 1111(b) of the U.S. Bankruptcy Code.

(i) Post-Petition Interest

(i) No Creditor shall oppose or seek to challenge any claim by the Super Senior Representative or Pari Passu Representative or any Super Senior Creditors or any Pari Passu Creditor for allowance in any US Insolvency or Liquidation Proceeding of Pari Passu Liabilities consisting of Post-Petition Interest, fees or expenses to the extent of the value of the Transaction Security.

(ii) Regardless of whether any claim for Post-Petition Interest, fees or expenses is allowed or allowable, and without limiting the generality of the other provisions of this Agreement, this Agreement expressly is intended to include and does include the "rule of explicitness" in that this Agreement expressly entitles Secured Parties, and is intended to provide the Secured Parties with the right, to receive payment of all Post-Petition interest, fees or expenses through distributions made pursuant to the provisions of this Agreement even though such interest, fees and expenses are not allowed or allowable against the bankruptcy estate of any member of the Group under Section 502(b)(2) or Section 506(b) of the Bankruptcy Code or under any other provision of the Bankruptcy Code or any other Debtor Relief Law.

(j) Recovery

If any Super Senior Secured Creditor or Pari Passu Creditor is required in any US Insolvency or Liquidation Proceeding to turn over or otherwise pay to the estate of the any Security Grantor or member of the Group any amount paid in respect of Super Senior Liabilities or Pari Passu Liabilities (a "**Recovery**"), then such Super Senior Secured Creditor and/or Pari Passu Creditor shall be entitled to a reinstatement of its Super Senior Liabilities or Pari Passu Liabilities, as applicable, with respect to all such recovered amounts on the date of such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

(k) Reorganization Securities

If, in any US Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization, arrangement, compromise or liquidation or similar dispositive restructuring plan then, to the extent the debt obligations distributed on account of the Super Senior Liabilities and/or Pari Passu Liabilities and on account of the Second Lien Liabilities are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(l) Separate Grants of Security

Each Pari Passu Creditor, each Super Senior Creditor and each Second Lien Creditor acknowledges and agrees that the grants of Security to each of them pursuant to the Security Documents constitute two separate and distinct grants of Security and because of, among other things, their differing rights in the Transaction Security, the Second Lien Liabilities, on the one hand, are fundamentally different from the Pari Passu

Liabilities and Super Senior Liabilities on the other hand, and must be separately classified in any plan of reorganization proposed or adopted in a bankruptcy or insolvency proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Pari Passu Creditors, the Super Senior Creditors and the Second Lien Creditors in respect of the Transaction Security constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Debtors in respect of the Transaction Security (with the effect being that, to the extent that the aggregate value of the Transaction Security is sufficient (for this purpose ignoring all claims held by the Second Lien Creditors), the Pari Passu Creditors and the Super Senior Creditors shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing (or that would be owing if there were such separate classes of senior and junior secured claims) in respect of post-petition interest (including any additional interest payable pursuant to the Pari Passu Debt Documents and/or the Super Senior Debt Documents, arising from or related to a default, which is disallowed as a claim in any US Insolvency or Liquidation Proceeding) before any distribution is made in respect of the claims held by the Second Lien Creditors with respect to the Transaction Security, with each Second Lien Creditor, hereby acknowledging and agreeing to turn over to the Common Security Agent, on behalf of each Pari Passu Creditor and Super Senior Creditor, Transaction Security or proceeds thereof otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Lien Creditors).

As among the Senior Secured Term Facilities Lenders, Senior Secured Export Credit Agency Facilities Lender and Senior Secured Revolving Facilities Lenders, if it is held that the Senior Secured Revolving Facilities Liabilities, Senior Secured Export Credit Agency Facilities Liabilities and the Senior Secured Term Facilities Obligations constitute only one secured claim (rather than separate classes of secured claims) in any US Insolvency or Liquidation Proceeding, then (i) the Senior Secured Term Facilities Lenders agree that they will not propose, support or vote in favor of any plan of reorganization or similar dispositive restructuring plan (other than a plan of reorganization or similar dispositive restructuring plan that provides for the payment in full in cash of the Senior Secured Revolving Facilities Liabilities and the Senior Secured Export Credit Agency Facilities Liabilities on the effective date thereof) in connection with any US Insolvency or Liquidation Proceeding (A) unless more than two-thirds in amount of allowed claims held by each of the Senior Secured Revolving Facilities Lenders and, solely during an Export Credit Agency Facilities Enforcement Period, the Senior Secured Export Credit Agency Facilities Lender agree to vote for any such plan and (B) that is not in compliance with the terms and conditions of this Agreement; (ii) the Senior Secured Revolving Facilities Lenders agree that they will not propose, support or vote in favor of any plan of reorganization or similar dispositive restructuring plan (other than a plan of reorganization or similar dispositive restructuring plan that provides for the payment in full in cash of the Senior Secured Term Facilities Obligations and the Senior Secured Export Credit Agency Facilities Liabilities on the effective date thereof) in connection with a proceeding under any US Insolvency or Liquidation Proceeding (A) unless more than two-thirds in amount of allowed claims held by the Senior Secured Term Facilities Lenders and, solely during an Export Credit Agency Facilities Enforcement Period, the Senior Secured Export Credit Agency Facilities Lender agree to vote for any such plan and (B) that is not in compliance with the terms and conditions of this Agreement; and (iii) the Senior Secured Export Credit Agency Facilities Lender agrees that they will not propose,

support or vote in favor of any plan of reorganization or similar dispositive restructuring plan (other than a plan of reorganization or similar dispositive restructuring plan that provides for the payment in full in cash of the Senior Secured Term Facilities Obligations and the Senior Secured Revolving Facilities Liabilities on the effective date thereof) in connection with a proceeding under any US Insolvency or Liquidation Proceeding (A) unless more than two-thirds in amount of allowed claims held by each of the Senior Secured Term Facilities Lenders and the Senior Secured Revolving Facilities Lenders agree to vote for any such plan and (B) that is not in compliance with the terms and conditions of this Agreement.

15. Turnover of Receipts

15.1 Pari Passu Facility Cash Cover

This Clause 15 is subject to Clause 23.5 (*Treatment of Super Senior Facility Cash Cover, Super Senior Lender Cash Collateral, Pari Passu Facility Cash Cover and Pari Passu Lender Cash Collateral*) and Clause 27.5 (*Turnover Obligations*).

15.2 Turnover by Creditors

Subject to Clause 15.3 (*Exclusions*) and to Clause 15.4 (*Permitted Assurance and Receipts*), if at any time prior to the Final Discharge Date, any Creditor receives or recovers from any Security Grantor, Debtor or member of the Group:

(a) any Payment or distribution of, or on account of or in relation to, any of the Liabilities which is neither:

(i) a Permitted Payment; nor

(ii) made in accordance with Clause 23 (*Application of Proceeds*);

(b) other than where paragraph (a) of Clause 14.3 (*Set-Off*) applies (or would have applied but for paragraph (b) of that Clause), any amount by way of set-off in respect of any of the Liabilities owed to it which does not give effect to a Permitted Payment;

(c) notwithstanding paragraphs (a) and (b) above, and other than where paragraph (a) of Clause 14.3 (*Set-Off*) applies (or would have applied but for paragraph (b) of that Clause), any amount:

(i) on account of, or in relation to any of the Liabilities:

(A) after the occurrence of a Distress Event; or

(B) as a result of any other litigation or proceedings against a member of the Group, a Debtor or a Security Grantor (other than after the occurrence of an Insolvency Event in respect of that member of the Group, Security Grantor or Debtor); or

(ii) by way of set-off in respect of any of the Liabilities owed to it after the occurrence of a Distress Event,

other than, in each case, any amount received or recovered in accordance with Clause 23 (*Application of Proceeds*) or that constitutes or gives effect to a Permitted Independent Security Creditor Payment or a Permitted Unsecured Payment;

(d) other than where paragraph (a) of Clause 14.3 (*Set-Off*) applies (or would have applied but for paragraph (b) of that Clause), any distribution in cash or in kind or Payment of, or on account of or in relation to, any of the Liabilities owed by a member of the Group

or a Debtor which is not in accordance with Clause 23 (*Application of Proceeds*) (other than a Payment that constitutes or gives effect to a Permitted Independent Security Creditor Payment or a Permitted Unsecured Payment) and which is made as a result of, or after, the occurrence of an Insolvency Event in respect of that member of the Group or that Debtor; or

(e) any proceeds of an Enforcement except where received or recovered in accordance with Clause 23 (*Application of Proceeds*),

that Creditor will:

(i) in relation to receipts and recoveries not received or recovered by way of set-off:

(A) hold an amount of that receipt or recovery equal to the Relevant Liabilities (or if less, the amount received or recovered) on trust and/or as agent for the Common Security Agent and promptly pay or distribute that amount to the Common Security Agent for application in accordance with the terms of this Agreement; and

(B) promptly pay or distribute an amount equal to the amount (if any) by which the receipt or recovery exceeds the Relevant Liabilities to the Common Security Agent for application in accordance with the terms of this Agreement; and

(ii) in relation to receipts and recoveries received or recovered by way of set-off, promptly pay an amount equal to that recovery to the Common Security Agent for application in accordance with the terms of this Agreement.

In any jurisdiction the courts of which would not recognise or give effect to the trust on which a Creditor is expressed in sub-paragraph (A) above to hold an amount of a receipt or recovery, or where the Creditor in sub-paragraph (A) above is the Senior Secured Facilities Agent, the relationship of the Common Security Agent to that Creditor shall be construed as one of principal and agent.

15.4 Permitted Assurance and Receipts

Nothing in this Agreement shall restrict the ability of any Primary Creditor, Independent Security Creditor or Unsecured Creditor to:

which:

and that Primary Creditor, Independent Security Creditor or Unsecured Creditor shall not be obliged to account to any other Party for any sum received by it as a result of that action.

15.5 Amounts Received by Debtors or Security Grantors

If any of the Debtors or Security Grantors receives or recovers any amount which, under the terms of any of the Debt Documents, should have been paid to the Common Security Agent, that Debtor or Security Grantor will:

15.6 Saving Provision

If, for any reason, any of the trusts expressed to be created in this Clause 15 should fail or be unenforceable, the affected Creditor, Debtor or Security Grantor will promptly pay or distribute an amount equal to that receipt or recovery to the Common Security Agent to be held on trust and/or as agent by the Common Security Agent for application in accordance with the terms of this Agreement.

15.7 Turnover of Non-Cash Consideration

For the purposes of this Clause 15, if any Creditor receives or recovers any amount or distribution in the form of Non-Cash Consideration which is subject to Clause 15.2 (*Turnover by Creditors*) the cash value of that Non-Cash Consideration shall be determined in accordance with Clause 21.2 (*Cash Value of Non-Cash Recoveries*).

16. Redistribution

16.1 Recovering Creditor's Rights

(a) Any amount paid or distributed by a Creditor (a "**Recovering Creditor**") to the Common Security Agent under Clause 14 (*Effect of Insolvency Event*) or Clause 15 (*Turnover of Receipts*) shall be treated as having been paid or distributed by the relevant Debtor and shall be applied by the Common Security Agent in accordance with Clause 23 (*Application of Proceeds*).

(b) On an application by the Common Security Agent pursuant to Clause 23 (*Application of Proceeds*) of a Payment or distribution received by a Recovering Creditor from a Debtor, as between the relevant Debtor and the Recovering Creditor an amount equal to the amount received or recovered by the Recovering Creditor and paid or distributed to the Common Security Agent by the Recovering Creditor (the "**Shared Amount**") will be treated as not having been paid or distributed by that Debtor.

16.2 Reversal of Redistribution

(a) If any part of the Shared Amount received or recovered by a Recovering Creditor becomes repayable or returnable to a Debtor and is repaid or returned by that Recovering Creditor to that Debtor, then:

(i) each Party that received any part of that Shared Amount pursuant to an application by the Common Security Agent of that Shared Amount under Clause 16.1 (*Recovering Creditor's Rights*) (a "**Sharing Party**") shall (subject to Clause 27 (*Notes Trustee Protections*)), upon request of the Common Security Agent, pay or distribute to the Common Security Agent for the account of that Recovering Creditor an amount equal to the appropriate part of its share of the Shared Amount (together with an amount as is necessary to reimburse that Recovering Creditor for its proportion of any interest on the Shared Amount which that Recovering Creditor is required to pay) (the "**Redistributed Amount**"); and

(ii) as between the relevant Debtor and each relevant Sharing Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid or distributed by that Debtor.

(b) The Common Security Agent shall not be obliged to pay or distribute any Redistributed Amount to a Recovering Creditor under paragraph (a)(i) above until it has been able to establish to its satisfaction that it has actually received that Redistributed Amount from the relevant Sharing Party.

16.3 Deferral of Subrogation

(a) Subject to paragraph (c) below, if any Priority Creditor Liabilities are wholly or partly paid out of any proceeds received in respect of or on account of the Senior Subordinated Liabilities owing to one or more Senior Subordinated Creditors, those Senior Subordinated Creditors will to that extent be subrogated to the Priority Creditor

Liabilities so paid (and all securities and guarantees for those Priority Creditor Liabilities).

(b) Subject to paragraph (c) below, to the extent that a Senior Subordinated Creditor (a "**Subrogated Creditor**") is entitled to exercise rights of subrogation, each other Creditor (subject in each case to it being indemnified to its reasonable satisfaction against any resulting costs, expenses and liabilities) will give such assistance to enable such rights so to be exercised as such Subrogated Creditor may reasonably request.

(c) No Creditor or Debtor or Security Grantor will exercise any rights which it may have by reason of the performance by it of its obligations under the Debt Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Creditor which ranks ahead of it in accordance with the priorities set out in Clause 2 (*Ranking and Priority*) or the order of application in Clause 23 (*Application of Proceeds*) until such time as all of the Liabilities owing to each prior ranking Creditor (or, in the case of any Debtor or Security Grantor, owing to each Creditor) have been irrevocably discharged in full. This paragraph (c) does not apply to Independent Security Creditors or Unsecured Creditors.

(d) No Security Grantor shall exercise any rights which it may have to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Primary Creditor until such time as all of the Liabilities owing to each Primary Creditor have been irrevocably discharged in full.

17. Enforcement of Transaction Security

17.1 Pari Passu Facility Cash Cover

This Clause 17 is subject to Clause 23.5 (*Treatment of Super Senior Facility Cash Cover, Super Senior Lender Cash Collateral, Pari Passu Facility Cash Cover and Pari Passu Lender Cash Collateral*).

17.2 Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights

(a) The Secured Parties shall not give instructions to a Common Security Agent as to Enforcement of Transaction Security other than in accordance with this Agreement.

(b) The Common Security Agent may refrain from enforcing (including by way of set-off) the Priority Creditor Only Transaction Security or the Common Transaction Security or the Transaction Security or taking any other action as to Enforcement unless instructed otherwise by:

(i) the Instructing Group in accordance with Clauses 17.9 (*Consultation: Pari Passu Creditors*), 17.10 (*Consultation: Majority Super Senior Creditors*) and 17.11 (*Consultation Period – General*);

(ii) if required under paragraph (d) below, the Creditor Representative(s) for the Second Lien Creditors (acting on the instructions of the Majority Second Lien Creditors); or

(iii) if required under paragraph (e) below, the Creditor Representative(s) for the Senior Subordinated Creditors (acting on the instructions of the Majority Senior Subordinated Creditors),

in each case, provided that the instructions as to Enforcement are consistent with the Enforcement Principles.

(c) Subject to the Transaction Security having become enforceable in accordance with its terms and subject to Clauses 17.9 (*Consultation: Pari Passu Creditors*), 17.10 (*Consultation: Majority Super Senior Creditors*) and 17.11 (*Consultation Period – General*):

(i) the Instructing Group may give or refrain from giving instructions to the Common Security Agent to take action as to Enforcement;

(ii) if required under paragraph (d) below, the Creditor Representative(s) for the Second Lien Creditors (acting on the instructions of the Majority Second Lien Creditors) may give or refrain from giving instructions to the Common Security Agent to enforce the Common Transaction Security or Priority Creditor Only Transaction Security or Transaction Security;

(iii) if required under paragraph (e) below, the Creditor Representative(s) for the Senior Subordinated Creditors (acting on the instructions of the Majority Senior Subordinated Creditors) may give or refrain from giving instructions to the Common Security Agent to enforce the Common Transaction Security or the Transaction Security,

in each case, *provided that* the instructions as to Enforcement are consistent with the Enforcement Principles.

(d) Prior to the Senior Discharge Date:

(i) if the Instructing Group has instructed the Common Security Agent to cease or not to proceed with Enforcement; or

(ii) in the absence of instructions as to Enforcement from the Instructing Group,

the Common Security Agent shall give effect to any instructions to enforce the Common Transaction Security or the Priority Creditor Only Transaction Security or the Transaction Security which the Creditor Representative(s) for the Second Lien Creditors (acting on the instructions of the Majority Second Lien Creditors) are then entitled to give to the Common Security Agent under Clause 6.13 (*Permitted Enforcement: Second Lien Debt Creditors*), *provided that* the instructions are consistent with the Enforcement Principles.

(e) Prior to the Priority Discharge Date:

(i) if the Instructing Group has instructed the Common Security Agent to cease or not to proceed with Enforcement; or

(ii) in the absence of instructions as to Enforcement from the Instructing Group,

the Common Security Agent shall give effect to any instructions to enforce the Common Transaction Security which the Creditor Representative(s) for the Senior Subordinated Creditors (acting on the instructions of the Majority Senior Subordinated Creditors) are then entitled to give to the Common Security Agent under Clause 8.14 (*Permitted Enforcement: Senior Subordinated Creditors*), *provided that* the instructions are consistent with the Enforcement Principles.

(f) Notwithstanding the preceding paragraphs (d) and (e), if at any time the Creditor Representative(s) for the Second Lien Creditors or Senior Subordinated Creditors are then entitled to give the Common Security Agent instructions as to enforcement of the

Priority Creditor Only Transaction Security or Common Transaction Security or Transaction Security pursuant to the preceding paragraphs (d) or (e) and the relevant Creditor Representative(s) gives such instructions (or indicate(s) any intention to give such instructions), then the Instructing Group may give instructions to the Common Security Agent as to Enforcement in lieu of any instructions to enforce given by the Creditor Representative for the Second Lien Creditors under Clause 6.13 (*Permitted Enforcement: Second Lien Debt Creditors*) or Senior Subordinated Creditors under Clause 8.14 (*Permitted Enforcement: Senior Subordinated Creditors*) and the Common Security Agent shall act on such instructions received from the Instructing Group instead.

(g) If the Transaction Security has become enforceable in accordance with its terms, the Instructing Group then entitled to give instructions to take Enforcement Action in accordance with this Clause 17 (*Enforcement of Transaction Security*) may instruct the Common Security Agent to:

(i) deliver an Independent Security Payment Stop Notice, as contemplated by Clause 10.5 (*Issue of Independent Security Payment Stop Notice*);

(ii) give notice to the Independent Security Agent(s) (on behalf of each relevant Independent Security Creditor) and the Debtors notifying each of them that no Independent Security Creditor (and no Creditor Representative on its behalf) may take Enforcement Action in respect of the Independent Security Creditor Liabilities;

(iii) deliver an Unsecured Payment Stop Notice, as contemplated by Clause 9.5 (*Issue of Unsecured Payment Stop Notice*); and

(iv) give notice to the Unsecured Creditors (which may be through their respective Creditor Representatives) and the Debtors notifying each of them that the Unsecured Creditors may not take Enforcement Action with respect to the Unsecured Liabilities.

(h) The Common Security Agent is entitled to rely on and comply with instructions given in accordance with this Clause 17.2 without any liability on their part for having so acted or refraining from so acting in accordance with such instructions unless due to the Common Security Agent's gross negligence or wilful misconduct.

17.3 No Independent Powers of Enforcement

No Secured Party shall have any independent power to enforce, or to have recourse to, any Transaction Security or to exercise any rights or powers arising under the Transaction Security Documents except through the Common Security Agent.

17.4 Manner of Enforcement: Priority Creditor Only Transaction Security and Common Transaction Security

If the Priority Creditor Only Transaction Security or the Common Transaction Security or Transaction Security is being enforced or other action as to Enforcement is being taken pursuant to Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*), the Common Security Agent shall enforce the Priority Creditor Only Transaction Security and/or Common Transaction Security and/or the Transaction Security (as applicable) or take other action as to Enforcement in such manner (including the selection of

any administrator (or any analogous officer in any jurisdiction) of any Debtor to be appointed by the Common Security Agent) as:

(a) the Instructing Group shall instruct; or

(b) if, prior to the Senior Discharge Date:

(i) the Common Security Agent has, pursuant to paragraph (d) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and blocking of Unsecured Creditor and Independent Security Creditor rights*), received instructions given by the Majority Second Lien Creditors to enforce the Common Transaction Security or Priority Creditor Only Transaction Security; and

(ii) the Instructing Group has not given instructions as to Enforcement,

the Majority Second Lien Creditors shall instruct, or, in the absence of any such instructions, as the Common Security Agent considers in its discretion to be appropriate; or

(c) if, prior to the Priority Discharge Date:

(i) the Common Security Agent has, pursuant to paragraph (e) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*), received instructions given by the Majority Senior Subordinated Creditors to enforce the Common Transaction Security or Transaction Security; and

(ii) the Instructing Group has not given instructions as to Enforcement,

the Majority Senior Subordinated Creditors shall be entitled to instruct the Common Security Agent and, in the absence of any such instructions, the Common Security Agent shall be entitled, but not obliged, to act as it sees fit,

in each case, *provided that* any such instructions from the relevant Creditors as to Enforcement are consistent with the Enforcement Principles and any action taken by the Common Security Agent takes into account the requirements of each relevant Transaction Security Document and the Enforcement Principles.

17.5 Exercise of Voting Rights

(a) Subject to paragraph (c) below, each Creditor (other than each Creditor Representative, each Arranger, each Independent Security Creditor and each Unsecured Creditor) will (to the fullest extent permitted by law at the relevant time) cast its vote in any proposal relating to or in connection with any Enforcement put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceedings relating to any Debtor, Security Grantor or member of the Group as instructed by the Common Security Agent.

(b) Subject to paragraph (c) below, the Common Security Agent shall give instructions for the purposes of paragraph (a) above in accordance with any instructions given to it by the Instructing Group; *provided that* any such instructions have been given in accordance with Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*).

(c) Nothing in this Clause 17.5 entitles any party to exercise or require any other Primary Creditor to exercise such power of voting or representation to waive, reduce, discharge, extend the due date for (or change the basis for accrual of any) payment of or reschedule any of the Liabilities owed to that Primary Creditor.

17.6 Waiver of Rights

To the extent permitted under applicable law and subject to Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*), Clause 17.4 (*Manner of Enforcement: Priority Creditor Only Transaction Security and Common Transaction Security*), Clause 20.3 (*Proceeds of Distressed Disposals and Debt Disposals*) to Clause 20.8 (*Common Security Agent's Actions*) and Clause 23 (*Application of Proceeds*), each of the Secured Parties, the Debtors and the Security Grantors waives all rights it may otherwise have to require that the Transaction Security be enforced in any particular order or manner or at any particular time or that any amount received or recovered from any person, or by virtue of the enforcement of any of the Transaction Security or of any other Security, which is capable of being applied in or towards discharge of any of the Secured Obligations is so applied.

17.7 Duties Owed

Each of the Secured Parties, the Debtors and the Security Grantors acknowledges that, in the event that the Common Security Agent enforces or is instructed to enforce any part of the Transaction Security, the duties of the Common Security Agent and of any Receiver or Delegate owed to them in respect of the method, type and timing of that enforcement or of the exploitation, management or realisation of any of that Transaction Security shall, subject to Clauses 20.3 (*Proceeds of Distressed Disposals and Debt Disposals*) to 20.8 (*Common Security Agent's Actions*) (where applicable), be no different to or greater than the duty that is owed by the Common Security Agent, Receiver or Delegate to the Debtors or Security Grantors under general law.

17.8 Alternative Enforcement Actions

After the Common Security Agent has commenced Enforcement, it shall not accept any subsequent instructions as to Enforcement (save for instructions as to Enforcement (i) given by the Second Lien Creditors where paragraph (d) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*) applies, (ii) given by the Senior Subordinated Creditors where paragraph (e) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*) applies or (iii) given by the Instructing Group in accordance with paragraph (f) of Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*)) from anyone other than the Instructing Group that instructed it to commence such Enforcement, regarding any other enforcement of the Transaction Security over or relating to shares or assets directly or indirectly the subject of the enforcement of the Transaction Security which has been commenced.

17.9 Consultation: Pari Passu Creditors

(a) If either the Required RCF Lenders, the Required TLB Lenders or (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender wish to instruct the Common Security Agent to commence Enforcement of any Transaction Security, such group of Creditors must first deliver a copy of the proposed instructions as to Enforcement which are consistent with the Enforcement Principles (the "**Pari Passu Enforcement Proposal**") to the Common

Security Agent and the Creditor Representatives for each of the Pari Passu Debt Creditors (as applicable) at least 30 days prior to the proposed date of issuance of instructions under such Pari Passu Enforcement Proposal (such period, the "**Pari Passu Standstill Period**"); *provided* that the Pari Passu Standstill Period shall be reduced to 20 days in the event of Exigent Circumstances.

(b) Until the Pari Passu Discharge Date and subject to paragraphs (c) and (d) below, if the Common Security Agent has received Pari Passu Enforcement Proposals by or on behalf of both the Required RCF Lenders and the Required TLB Lenders and/or (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender that are inconsistent as to the manner of Enforcement (including any inconsistency as to the timeframe for realising value from an enforcement of the Transaction Security or a Distressed Disposal), the Common Security Agent shall promptly notify each Creditor Representative for each of the Senior Secured Revolving Facilities Lenders and the Senior Secured Term Facilities Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender and each such Creditor Representative will consult with each other and the Common Security Agent in good faith for a period of not less than 15 days (or such shorter period as the relevant Creditor Representative and Common Security Agent may agree) (the "**Pari Passu Consultation Period**") from the earlier of (i) the date of the latest such conflicting Pari Passu Enforcement Proposal and (ii) the date falling 30 days after the date the original Pari Passu Enforcement Proposal is delivered in accordance with paragraph (a) above, with a view to co-ordinating instructions as to Enforcement.

(c) Where the Creditor Representatives for each of the Senior Secured Revolving Facilities Lenders and the Senior Secured Term Facilities Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender are in agreement with regard to any proposed Enforcement Action, no Pari Passu Standstill Period or Pari Passu Consultation Period, or such shorter consultation period as determined by the Common Security Agent, shall apply. In addition, the Creditor Representatives for each of the Senior Secured Revolving Facilities Lenders and the Senior Secured Term Facilities Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender shall not be obligated to consult in accordance with paragraph (b) above or paragraph (e) below if:

(i) the Transaction Security has become enforceable as a result of an Insolvency Event;

(ii) the Required RCF Lenders or the Required TLB Lenders or (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender determine in good faith (and notify the Creditor Representatives of the Senior Secured Revolving Facilities Lenders or the Senior Secured Term Facilities Lenders (as applicable)) that to enter into such consultations and thereby delay the commencement of enforcement of the Transaction Security could reasonably be expected to have a material adverse effect on:

(A) the Common Security Agent's ability to enforce any of the Transaction Security or undertake a Distressed Disposal; or

(B) the realisation proceeds of any enforcement of the Transaction Security; or

(iii) the relevant Creditor Representatives agree no Pari Passu Consultation Period is required.

(d) If consultation has taken place for at least 15 days as set out in paragraph (b) above (or such shorter period as determined under paragraph (c) above) (or if consultation was not required to occur as provided for in paragraph (c) above) there shall be no further obligation to consult (the last date of such period, the "**Consultation End Date**"), the Common Security Agent may act in accordance with the Pari Passu Enforcement Proposal which are consistent with the Enforcement Principles then or previously received from the Enforcing Pari Passu Creditors (determined in accordance with the definition of Enforcing Pari Passu Creditors, which shall initially be the "Initial Enforcing Pari Passu Creditors" as provided for therein).

(e) If the Required RCF Lenders or the Required TLB Lenders or (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender (acting reasonably) consider that the Common Security Agent is enforcing the Transaction Security in a manner which is not consistent with the Enforcement Principles, subject to paragraph (c) above, the Creditor Representative for the Senior Secured Revolving Facilities Lenders or the Senior Secured Term Facilities Lenders or (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender (as applicable) shall give notice to the Creditor Representatives for the Senior Secured Revolving Facilities Lenders and the Senior Secured Term Facilities Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender (as appropriate) after which the Creditor Representatives for the Senior Secured Revolving Facilities Lenders or the Senior Secured Term Facilities Lenders or (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender (as applicable) shall consult with the Common Security Agent for a period of 10 Business Days (or such lesser period as the relevant Creditor Representatives may agree) with a view to agreeing the manner of Enforcement *provided that* such Creditor Representative shall not be obliged to consult under this paragraph (e) more than once in relation to each Enforcement.

(f) The provisions of this Clause 17.9 shall be for the benefit of the Senior Secured Revolving Facilities Lenders and the Senior Secured Term Facilities Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender only, and the procedural requirements of this Clause 17.9 relating to the Enforcement of any Transaction Security may be amended or waived with only the consent of the Required RCF Lenders and the Required TLB Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender.

17.10 Consultation: Majority Super Senior Creditors

(a) If either of the Majority Super Senior Creditors or the Enforcing Pari Passu Creditors wish to instruct the Common Security Agent to commence Enforcement of any Transaction Security, such group of Creditors must deliver a copy of the proposed instructions as to Enforcement (the "**Enforcement Proposal**") to the Common Security Agent and the Creditor Representatives for each of the Super Senior Creditors or the Pari Passu Creditors (as applicable) at least 10 Business Days prior to the proposed date of issuance of instructions under such Enforcement Proposal.

(b) Until the Senior Discharge Date and subject to paragraphs (c) and (d) below, if the Common Security Agent has received Conflicting Enforcement Instructions, the Common Security Agent shall promptly notify each Creditor Representative for each of the Super Senior Creditors or the Pari Passu Creditors (as applicable) and each such

(c) Where the Creditor Representatives for each of the Super Senior Creditors and the Pari Passu Creditors are in agreement with regard to any proposed Enforcement Action, no Senior Consultation Period, or such shorter consultation period as determined by the Common Security Agent, shall apply. In addition, the Creditor Representatives for each of the Super Senior Creditors and the Pari Passu Creditors shall not be obligated to consult in accordance with paragraph (b) above or paragraph (e) below if:

(i) the Transaction Security has become enforceable as a result of an Insolvency Event;

(ii) the Majority Super Senior Creditors or the Enforcing Pari Passu Creditors determine in good faith (and notify the Creditor Representatives of the other Super Senior Creditors and Pari Passu Creditors (as applicable)) that to enter into such consultations and thereby delay the commencement of enforcement of the Transaction Security could reasonably be expected to have a material adverse effect on:

(A) the Common Security Agent's ability to enforce any of the Transaction Security or undertake a Distressed Disposal; or

(B) the realisation proceeds of any enforcement of the Transaction Security; or

(iii) the relevant Creditor Representatives agree no Senior Consultation Period is required.

(d) If consultation has taken place for at least 10 Business Days as set out in paragraph (b) above (or such shorter period as determined under paragraph (c) above) (or if consultation was not required to occur as provided for in paragraph (c) above) there shall be no further obligation to consult, the Common Security Agent may act in accordance with the instructions as to Enforcement then or previously received from the Instructing Group and the Instructing Group may issue instructions as to Enforcement to the Common Security Agent at any time thereafter.

(e) If the Majority Super Senior Creditors or the Enforcing Pari Passu Creditors (acting reasonably) consider that the Common Security Agent is enforcing the Transaction Security in a manner which is not consistent with the Enforcement Principles, subject to paragraph (c) above, the Creditor Representative for the relevant Super Senior Creditors or the Pari Passu Creditors shall give notice to the Creditor Representatives for the other Super Senior Creditors and the other Pari Passu Creditors (as appropriate) after which the Creditor Representatives for the other Super Senior Creditors and the other Pari Passu Creditors shall consult with the Common Security Agent for a period of 10 Business Days (or such lesser period as the relevant Creditor Representatives may agree) with a view to agreeing the manner of Enforcement *provided that* such Creditor Representative shall not be obliged to consult under this paragraph (e) more than once in relation to each Enforcement.

(f) The provisions of this Clause 17.10 shall be for the benefit of the Super Senior Creditors and the Pari Passu Creditors only and, in addition, shall only apply to the

extent that Super Senior Liabilities have been designated in accordance with Clause 28.20 (*Accession of Creditors*) (and such Super Senior Liabilities remain outstanding as Super Senior Liabilities).

17.11 Consultation Period – General

(a) Subject to paragraph (b) below, before giving any instructions to the Common Security Agent to:

(i) enforce any Transaction Security; or

(ii) take any other Enforcement Action to instigate or effect a Distressed Disposal,

the Creditor Representative(s) of the Creditors represented in the Instructing Group concerned shall consult with each Creditor Representative representing the Second Lien Debt Creditors and the Common Security Agent in good faith about the instructions to be given by the Instructing Group for a period of up to 10 Business Days (or such shorter period as such Creditor Representative(s) and the Common Security Agent shall agree) (the "**Consultation Period**"), and, subject to paragraph (b) below, only following the expiry of a Consultation Period shall the Instructing Group be entitled to give any instructions to the Common Security Agent to enforce that Transaction Security or take any other Enforcement Action.

(b) No Creditor Representative shall be obliged to consult in accordance with paragraph (a) above, and the Instructing Group shall be entitled to give any instructions to the Common Security Agent to enforce the Transaction Security or take any other Enforcement Action prior to the end of a Consultation Period, if:

(ii) the Instructing Group or any Creditor Representative of the Creditors represented in the Instructing Group determines in good faith (and notifies each other Creditor Representative and the Common Security Agent) that to enter into such consultation and delay the commencement of enforcement of the Transaction Security could reasonably be expected to have a material adverse effect on:

(A) the Common Security Agent's ability to enforce any of the Transaction Security; or

(B) the amount of realisation proceeds of any enforcement of any Transaction Security.

18. Enforcement of Independent Transaction Security

At any time prior to the Final Discharge Date, subject to the restrictions and permissions set out in Clause 10 (*Independent Security Creditors and Independent Security Creditor Liabilities*) the Independent Security Creditors shall be free to enforce (or to direct the relevant Independent Security Agent to enforce) any of the Independent Transaction Security in accordance with the terms of the Independent Security Creditor Documents.

(ii) in respect of, and in order to effect, any merger, reorganisation or transaction in connection with which:

(A) an asset of a member of the Group; or

(B) an asset which is subject to the Priority Creditor Only Transaction Security or the Common Transaction Security,

that release of that asset shall be a "**Mandatory Release**" and Clause 19.2 (*Facilitation of Non-Distressed Disposals and Mandatory Releases*) shall apply.

19.2 Facilitation of Non-Distressed Disposals and Mandatory Releases

(a) If:

(i) the disposal of an asset is a Non-Distressed Disposal; or

(ii) the release of an asset from the Priority Creditor Only Transaction Security or the Common Transaction Security or any other claim (relating to a Debt Document, excluding any claim under or relating to an Unsecured Creditor Document or an Independent Security Creditor Document) over that asset is a Mandatory Release,

(A) to release the Priority Creditor Only Transaction Security and/or the Common Transaction Security or any other claim (relating to a Debt Document, excluding any claim under or relating to an Unsecured Creditor Document or an Independent Security Creditor Document) over that asset;

(B) where that asset consists of shares in the capital of a member of the Group or a Debtor, to release the Priority Creditor Only Transaction Security and/or the Common Transaction Security or any other claim (relating to a Debt Document) over that member of the Group's Property and/or that member of the Group's shares; and

(C) to execute and deliver or enter into any release of the Priority Creditor Only Transaction Security and/or the Common Transaction Security or any claim mentioned in paragraph (A) or (B) above, and issue any certificates of non-crystallisation of any floating charge or any consent to dealing, as reasonably requested by the Parent subject to the terms hereof.

(d) The Common Security Agent may, in its absolute discretion, rely on a certification from the Parent that the disposal of an asset is a Non-Distressed Disposal or the release of an asset from the Priority Creditor Only Transaction Security and/or the Common Transaction Security or any other claim (relating to a Debt Document, excluding any claim under or relating to an Unsecured Creditor Document or an Independent Security Creditor Document) is a Mandatory Release.

(e) Notwithstanding anything to the contrary in any Debt Document, nothing in thisAgreement, any Priority Creditor Only Transaction Security Document, any Common Transaction Security Document or any Independent Security Document shall operate or be construed so as to prevent any transaction, matter or other step not prohibited by the terms of this Agreement and the Primary Creditor Documents (a "Permitted Transaction"). The Common Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Party) that it shall (at the request and cost of the Parent) promptly execute any release or other document and/or take such other action under or in relation to any Debt Document (or any asset subject or expressed to be subject to any Security Document) as is reasonably requested by the Parent in order to complete, implement or facilitate such Permitted Transaction.

19.3 Disposal and Other Mandatory Prepayment Proceeds

If, and at such time when, any Disposal Proceeds or Other Mandatory Prepayment Proceeds are required to be applied in mandatory prepayment of the Super Senior Liabilities, Pari Passu Liabilities, the Second Lien Liabilities or the Senior Subordinated Liabilities (as applicable) under the terms of the relevant Debt Documents, then those Disposal Proceeds or Other Mandatory Prepayment Proceeds (as applicable) shall be applied in or towards Payment or (to the extent provided for in the relevant Debt Document) the making of an offer of Payment of:

and the consent of any other Party shall not be required for that application.

19.4 Release of Unrestricted Subsidiaries

(b) The Parent (or, if the Parent so elects, the relevant Debtor) shall, promptly on demand, pay the Common Security Agent the amount of all reasonable costs and expenses incurred by the Common Security Agent in doing any of the things that it is authorised and obliged to do pursuant to the preceding provisions of this Clause 19.4.

(c) The Common Security Agent may, in its absolute discretion, rely on a certification from the Parent that the release pursuant to this Clause 19.4 of an asset from the Priority Creditor Only Transaction Security and/or the Common Transaction Security is permitted by the terms of the applicable Debt Documents.

It is understood and agreed that, as of the date hereof, there are no Unrestricted Subsidiaries permitted under the Senior Secured Term Facilities Agreement or the Senior Secured Revolving Facilities Agreement.

(b) any Appropriation has occurred,

as if that Liabilities Sale, or any reduction in the Secured Obligations resulting from that Appropriation, had not occurred.

20.4 Fair Value

(a) If:

(i) a Distressed Disposal; or

(ii) a Liabilities Sale,

is effected by or at the request of the Common Security Agent (acting in accordance with Clause 20.8 (*Common Security Agent's Actions*)), the Common Security Agent shall, subject to Clause 20.7 (*Appointment of Financial Adviser*), use commercially reasonable efforts to obtain a fair market price in the prevailing market conditions (though the Common Security Agent shall have no obligation to postpone (or request the postponement of) any such Distressed Disposal or Liabilities Sale in order to achieve a higher price).

(b) Notwithstanding Clause 20.1 (*Facilitation of Distressed Disposals and Appropriation*), if a Distressed Disposal is instigated by, or at the request of, the Majority Super Senior Creditors or the Common Security Agent on their behalf (or consented to by the Majority Super Senior Creditors, but not by the Enforcing Pari Passu Creditors), then the Common Security Agent (or any other relevant person) will only have authority to release any Borrowing Liabilities, Guarantee Liabilities or Other Liabilities which in each case constitute Pari Passu Liabilities, or any Transaction Security granted in favour of the Pari Passu Creditors as security for any Pari Passu Liabilities or to dispose of or transfer the Pari Passu Liabilities as contemplated by Clause 20.1 (*Facilitation of Distressed Disposals and Appropriation*):

and such proceeds are applied in accordance with the terms of this Agreement; and

(B) the sale or disposal is made:

(1) pursuant to a public auction or pursuant to any other competitive bid process or pursuant to any other process

agreed to by the relevant Creditor Representative on behalf of the Pari Passu Creditors, in each case with a view to obtaining the best price reasonably obtainable taking into account all relevant circumstances in which the Pari Passu Creditors are entitled to participate as bidders or financiers to the potential purchaser(s) or (following the sale) the Group; or

(2) in circumstances where:

(I) the Common Security Agent (acting in good faith) considers that a sale or disposal made pursuant to sub-paragraph (1) above is not reasonably practicable taking into account all relevant circumstances; or

(II) following an attempted sale or disposal pursuant to sub-paragraph (1) above the Pari Passu Creditors make the highest final binding offer of all the offers received for those shares or assets but that offer is less than the aggregate par value of the outstanding Super Senior Facility Liabilities,

and the sale or disposal is made pursuant to a sale process in respect of which the Common Security Agent has received an opinion (for the avoidance of doubt including an enterprise valuation of the Group) (which, to the extent commercially reasonable, can be relied upon by the Common Security Agent and disclosed to the relevant Creditor Representative(s) on behalf of the Pari Passu Creditors and to the relevant Creditor Representative(s) on behalf of the Pari Passu Creditors) from an independent internationally recognised investment bank or an independent internationally recognised firm of accountants or (if it is not possible for such opinion to be provided by any of the foregoing for reasons of conflict of interests) another third party professional firm which is regularly engaged in providing valuations in respect of the relevant type of assets in each case not being the firm appointed as the relevant Debtor's administrator or other relevant officer selected by the Common Security Agent and which has been provided with all information which the Common Security Agent reasonably considers relevant for such purpose confirming that the sale or disposal price is fair from a financial point of view taking into account all relevant circumstances; or

(3) pursuant to any process or proceedings approved or supervised by or on behalf of any court of law.

(c) If, prior to the Super Senior Discharge Date, a Distressed Disposal is being effected at a time when the Enforcing Pari Passu Creditors are entitled to give, and have given, instructions under Clause 17.4 (*Manner of Enforcement: Priority Creditor Only Transaction Security and Common Transaction Security*), the Common Security Agent is not authorised to release any Debtor, Subsidiary of the Parent or Holding Company of the Parent from any Super Senior Liabilities owed to any Super Senior Creditor or release any Transaction Security in respect of any Super Senior Liabilities unless those Super Senior Liabilities will be paid (or repaid) in full in cash (or, in the case of any contingent Liability relating to a Letter of Credit or an Ancillary Facility, made the

subject of cash collateral arrangements acceptable to the relevant Super Senior Creditor), following that release.

(d) If, before the Second Lien Discharge Date, a Distressed Disposal or Liabilities Sale is being effected such that the Second Lien Debt Liabilities or Priority Creditor Only Transaction Security or Common Transaction Security will be released, transferred or disposed of under Clause 20.1 (*Facilitation of Distressed Disposals and Appropriation*), it is a further condition to the release, transfer or disposal that either:

(i) each Creditor Representative in respect of the Second Lien Debt Creditors has approved the release or disposal on the instructions of the Required Second Lien Creditors; or

(ii) where shares or assets of an issuer of Second Lien Notes or borrower of Second Lien Facility or Second Lien Guarantor are sold:

(A) the proceeds of such sale or disposal are:

(1) in cash; or

(2) (only if the consideration in respect of each other cash offer received for those shares or assets is less than the aggregate par value of the outstanding Pari Passu Liabilities) not in cash, *provided that* the requirements of paragraph (C)(3) below are satisfied;

(B) at the time of the completion of the sale, disposal or transfer (I) all of the Super Senior Liabilities and Pari Passu Liabilities (each a "**Relevant Claim**") are (to the same extent) released and discharged or unconditionally transferred to the purchaser and/or its Affiliates (and are not assumed by the purchaser or one of its Affiliates) and (II) all the Transaction Security granted in favour of all the Primary Creditors over the assets sold or disposed of is released and discharged unless each Creditor Representative in respect of the Super Senior Debt Creditors or Pari Passu Debt Creditors, as applicable:

(1) determines, acting reasonably and in good faith, that a sale, disposal or transfer of a Relevant Claim will facilitate a recovery by the Super Senior Creditors and the Pari Passu Creditors that is greater than the one they would achieve if such Relevant Claim was released or discharged and/or unconditionally transferred in accordance with sub-paragraph (B) above; and

(2) serves a notice on the Common Security Agent notifying the Common Security Agent of the same,

in which case the Common Security Agent shall be entitled immediately to sell and transfer the Relevant Claim to such purchaser (or an Affiliate of such purchaser); and

(C) such sale or disposal (including any sale or disposal or any claim) is made:

(1) pursuant to a Competitive Sales Process;

(2) pursuant to any process or proceedings approved or supervised by or on behalf of any court of law where there is a determination and, in either case of value by or on behalf of the court; or

(3) in circumstances where:

(I) the Common Security Agent (acting in good faith) considers that a sale, disposal or transfer made pursuant to sub-paragraph (C)(1) above is not reasonably practicable taking into consideration all relevant circumstances; or

(II) following an attempted sale or disposal pursuant to sub-paragraph (C)(1) above, the Pari Passu Creditors, as applicable, make the highest final bidding offer of all the offers received pursuant to sub-paragraph (C)(1) above but that offer is less than the aggregate par value of the aggregate of the Super Senior Liabilities and the Pari Passu Liabilities,

and (in the case of (I) or (II) above), a Financial Adviser appointed by the Common Security Agent pursuant to Clause 20.7 (*Appointment of Financial Adviser*) has delivered a Fairness Opinion to the Common Security Agent in respect of that Distressed Disposal or Liabilities Sale.

(b) at a time when the Majority Second Lien Creditors are entitled to give, and have given, instructions under Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*)) or Clause 17.4 (*Manner of enforcement: Priority Creditor Only Transaction Security and Common Transaction Security*)), the Common Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from any Borrowing Liabilities or Guarantee Liabilities or Other Liabilities owed to any Pari Passu Creditor unless those Borrowing Liabilities or Guarantee Liabilities or Other Liabilities and any other Super Senior Liabilities and Pari Passu Liabilities will be paid (or repaid) in cash in full (or, in the case of any contingent Liability relating to a Letter of Credit or an Ancillary Facility, made the subject of cash collateral arrangements acceptable to the relevant Super Senior Creditor and Pari Passu Creditor, as applicable) upon that release; and

(c) at a time when the Majority Senior Subordinated Creditors are entitled to give, and have given, instructions under Clause 17.2 (*Enforcement Instructions: Priority Creditor Only Transaction Security and Common Transaction Security and Blocking of Unsecured Creditor and Independent Security Creditor Rights*)) or Clause 17.4 (*Manner of Enforcement: Priority Creditor Only Transaction Security and Common Transaction Security*)), the Common Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from any Borrowing Liabilities or Guarantee

(ii) hold any Non-Cash Recoveries through another person; and

(iii) hold any amount of Non-Cash Recoveries for so long as that Creditor Representative shall think fit for later application pursuant to paragraph (a) above.

(c) If the Common Security Agent has reasonable grounds for believing that it would in any way be adversely affected by holding, managing, exploiting or collecting any Retained Non-Cash held by it for a Cash Only Creditor (each as defined in Clause 21.4 (*Alternative to Non-Cash Consideration*)), the Common Security Agent may at any time, after notifying that Cash Only Creditor and notwithstanding any instruction from a Creditor or group of Creditors pursuant to the terms of any Debt Document, immediately realise and dispose of that Retained Non-Cash for cash consideration (and distribute any Cash Proceeds of that Retained Non-Cash to that Cash Only Creditor in accordance with Clause 23 (*Application of Proceeds*)).

22. Further Assurance – Disposals and Releases

Each Creditor (other than an Independent Security Creditor or an Unsecured Creditor), each Debtor and each Security Grantor will:

(b) if the Common Security Agent is not entitled to take any of the actions contemplated by those Clauses or if the Common Security Agent requests that any Creditor, Debtor or Security Grantor take any such action, take that action itself in accordance with the instructions of the Common Security Agent,

(c) If, other than as expressly provided elsewhere herein, any Creditor (other than in its capacity as Ancillary Lender) shall obtain on account of the Liabilities owed to it, any

payment (whether voluntary, involuntary through the exercise of any right of set-off, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Creditor shall immediately (a) notify the Common Security Agent of such fact and (b) purchase from the other Creditors such participations in the Liabilities owed to them as shall be necessary to cause such purchasing Creditor to share the excess payment in respect of such Liabilities pro rata with each of them, provided, however, that any such excess payment shall comply with the Debt Documents.

(d) To the extent that any Equitably Subordinated Liabilities would result in the subordination of Liabilities towards any other Creditors under any Debt Document pursuant to Section 39 para. 1 s. 1 no. 5 of the German Insolvency Code (Insolvenzordnung) or prejudice the validity or enforceability of any Transaction Security or guarantee and/or indemnity provided to any Creditor pursuant to the Debt Documents in any way (in each case unless other applicable laws or regulations in force from time to time provide that no such subordination would apply or be prejudicial for the validity or enforceability of any Transaction Security or guarantee and/or indemnity), the relevant Equitably Subordinated Creditor shall be deemed not to be a Secured Party under any Transaction Security Document and shall not benefit from the guarantee or indemnity.

24.2 Implementation of Equalisation

(a) The provisions of this Clause 24 shall be applied at such time or times after the Enforcement Date as the Common Security Agent shall consider appropriate.

(b) Without prejudice to the generality of paragraph (a) above, if the provisions of this Clause 24 have been applied before all the Liabilities have matured and/or been finally quantified, the Common Security Agent may elect to re-apply those provisions on the basis of revised Exposures and the relevant Creditors shall make appropriate adjustment payments amongst themselves.

(c) If, for any reason, any Super Senior Liabilities remain unpaid after the Enforcement Date and the resulting losses are not borne by the Super Senior Creditors in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures of all the Super Senior Creditors at the Enforcement Date, the Super Senior Creditors will make such payments amongst themselves to put the Super Senior Creditors in such a position that (after taking into account such payments) those losses are borne in those proportions.

(d) If, for any reason, any Pari Passu Liabilities remain unpaid after the Enforcement Date and the resulting losses are not borne by the Pari Passu Creditors in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures of all the Pari Passu Creditors at the Enforcement Date, the Pari Passu Creditors will make such payments amongst themselves to put the Pari Passu Creditors in such a position that (after taking into account such payments) those losses are borne in those proportions.

24.3 Turnover of Enforcement Proceeds (Super Senior Creditors)

If:

(a) the Common Security Agent or a Creditor Representative is not entitled, for reasons of applicable law, to pay or distribute amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Priority Creditor Only Transaction Security and/or the Common Transaction Security to the relevant Priority Creditors but is entitled to pay or distribute those amounts to Primary Creditors who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the relevant Super Senior Creditors; and

(b) the Priority Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Primary Creditors subordinated as mentioned in paragraph (a) above shall make such payments or distributions to the relevant Super Senior Creditors to place the relevant Super Senior Creditors in the position they would have been in had such amounts been available for application against the Super Senior Liabilities.

24.4 Turnover of Enforcement Proceeds (Pari Passu Creditors)

If:

(a) the Common Security Agent or a Creditor Representative is not entitled, for reasons of applicable law, to pay or distribute amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Priority Creditor Only Transaction Security and/or the Common Transaction Security to the relevant Priority Creditors but is entitled to pay or distribute those amounts to Primary Creditors who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the relevant Pari Passu Creditors; and

(b) the Priority Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Primary Creditors subordinated as mentioned in paragraph (a) above shall make such payments or distributions to the relevant Pari Passu Creditors to place the relevant Pari Passu Creditors in the position they would have been in had such amounts been available for application against the Pari Passu Liabilities.

24.5 Turnover of Enforcement Proceeds (Second Lien Creditors)

If:

(a) the Common Security Agent or a Creditor Representative is not entitled, for reasons of applicable law, to pay or distribute amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Priority Creditor Only Transaction Security and/or the Common Transaction Security to the relevant Second Lien Creditors but is entitled to pay or distribute those amounts to Primary Creditors who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the relevant Second Lien Creditors; and

(b) the Second Lien Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Primary Creditors subordinated as mentioned in paragraph (a) above (after making any payments as may be required pursuant to Clause 24.4 (*Turnover of Enforcement Proceeds (Pari Passu Creditors)*)) shall make such payments or distributions to the relevant Second Lien Creditors to place the relevant Second Lien Creditors in the position they would have been in had such amounts been available for application against the Second Lien Liabilities.

24.6 Notification of Exposure

Before each occasion on which it intends to implement the provisions of this Clause 24, the Common Security Agent shall send notice to each Hedge Counterparty and the relevant Creditor Representative (on behalf of the Super Senior Debt Creditors, Pari Passu Debt Creditors, the Second Lien Debt Creditors and Senior Subordinated Debt Creditors) requesting that the Common Security Agent be notified of, respectively, the respective Exposures of each Hedge Counterparty owed Super Senior Hedging Liabilities, each Hedge Counterparty owed Pari Passu Hedging Liabilities, each Hedge Counterparty owed Second Lien Hedging Liabilities, each Hedge Counterparty owed Senior Subordinated Hedging Liabilities, each Super Senior Debt Creditor, each Pari Passu Debt Creditor, each Second Lien Debt Creditor and/or each Senior Subordinated Debt Creditor (if any).

24.8 Equitably Subordinated Creditors

No Equitably Subordinated Creditor shall have any rights or claims under this Clause 24 in relation to any proceeds received from an insolvent German Debtor or the enforcement of the Transaction Security provided by such insolvent German Debtor and shall turn over all such proceeds to such Creditors as the Common Security Agent shall require.

25. Primary Creditor Debt Liabilities

25.1 Further Assurance

(a) Subject to the terms of the rest of this Clause 25, each Creditor Representative and/or the Common Security Agent, as the case may be, shall, on behalf of, as applicable, the Secured Parties and the Creditors (unless a Creditor or Secured Party is required under applicable law to do so in its own name, in which case the relevant Secured Party or Creditor shall) and is hereby authorised and instructed at the expense of the Parent (without the requirement for any further Consent, authorisation or instruction from any other Secured Party or Creditor) to enter into such agreement or agreements with the Debtors, Security Grantors and/or, as applicable, the proposed Creditors in respect of proposed Permitted Liabilities and/or their proposed Creditor Representatives in order to effect any confirmation, amendment, replacement of, or supplement to, the Debt Documents (including, any supplement or amendment to, or confirmation of, any Transaction Security Document or any grant of Transaction Security pursuant to a new Transaction Security Document or the execution of a supplement to or amendment and/or restatement of this Agreement or an additional intercreditor agreement) and/or take any other action (subject to the Agreed Security Principles) which is, in each case, necessary in order to enable and facilitate the establishment of any Permitted Liabilities entered into in compliance with this Agreement and the other Debt Documents.

(b) Any agreement or agreements referred to in paragraph (a) above shall be effective and binding upon all Parties upon the execution thereof by the parties expressed to be a party thereto.

(c) Each Debtor and Security Grantor confirms:

(i) the authority of the Parent to agree, implement and establish any Permitted Liabilities in accordance with this Agreement and the other Debt Documents;

(iii) all Common Transaction Security granted by it will (to the extent provided pursuant to the terms of the relevant Permitted Liabilities) entitle the persons providing Permitted Liabilities which are Primary Creditor Debt Liabilities to

benefit from such Transaction Security and extend to include all such Permitted Liabilities.

(d) Notwithstanding the foregoing, nothing in this Clause 25.1 shall oblige the Common Security Agent, a Creditor Representative, any Independent Security Creditor, any Unsecured Creditor or any other Secured Party to execute any agreement or agreements or take any other action if it would impose personal liabilities or obligations on, or adversely affect the rights, duties or immunities of the Common Security Agent, a Creditor Representative, any Independent Security Creditor, any Unsecured Creditor or any other Secured Party (*provided that* the incurrence or implementation of Permitted Liabilities in of itself shall not be deemed to adversely affect the rights of the Common Security Agent, a Creditor Representative, any Independent Security Creditor, any Unsecured Creditor or any Secured Party) and nothing in this Clause 25.1 shall be construed as a commitment to advance, arrange, establish or implement any Permitted Liabilities.

25.2 Additional Transaction Security

then, to the extent any Permitted Liabilities which are Primary Creditor Debt Liabilities are not and cannot be secured by the then existing Transaction Security Documents (the "**Initial Security Documents**"), the Parties agree that any such Permitted Liabilities may (subject to the Agreed Security Principles) be secured (along with the other relevant Secured Obligations which are secured by those Initial Security Documents) pursuant to the execution of additional security documents (the "**Additional Security Documents**") in accordance with paragraph (b) and (c) below and such Permitted Liabilities will nonetheless be deemed and treated for the purpose of this Agreement and Clause 23 (*Application of Proceeds*) as secured by the Initial Security Documents and the Additional Security Documents *pari passu* with other Liabilities which would otherwise have had the same ranking and treatment under this Agreement and Clause 23 (*Application of Proceeds*) if the Initial Security Documents had already secured those Permitted Liabilities.

(b) Without prejudice to paragraph (a), any such Additional Security Documents shall be treated for the purposes of this Agreement as Common Transaction Security Documents (if securing Primary Creditor Debt Liabilities) and Priority Creditor Only Transaction Security Documents (if securing Priority Creditor Debt Liabilities).

(c) Notwithstanding any other terms, conditions or restrictions in any other Debt Document which are, at all times, subject in all respects to this Clause 25.2, the Parties agree that in order to ensure that any Permitted Liabilities entered into in compliance with this Agreement and the other Debt Documents (excluding Independent Security Creditor Liabilities, Unsecured Liabilities and any other Permitted Liabilities not

intended to be secured by the relevant Transaction Security Documents) are secured by the relevant Transaction Security Documents (to the extent that they are not already):

(i) each Debtor, each Security Grantor and the Common Security Agent is authorised to enter into any Additional Security Document and/or amend, supplement, vary, restate or waive any terms of any Initial Security Documents (in each case to the extent that such amendment, supplement, variance, restatement or waiver does not implement or constitute a release of existing Transaction Security) subject to any such Additional Security Document and each Initial Security Document being or remaining:

(A) subject to the Agreed Security Principles and applicable law, granted in favour of the Common Security Agent for and on behalf of the relevant Creditors (as applicable) and other creditors (as the case may be) and the then existing Secured Parties;

(B) (where applicable) on terms substantially the same (except that it shall also secure the relevant Liabilities arising from any such Permitted Liabilities) as the terms of the relevant existing Initial Security Document over equivalent asset(s); and

(C) for the purposes of this Agreement, treated as not securing amounts in priority to the then existing Transaction Security; and

(ii) (if the Security Condition is not or would not be satisfied in relation to Additional Security Documents being entered into in respect of Permitted Liabilities as contemplated by paragraph (a) above) each Debtor and the Common Security Agent is authorised to enter into any amendment, supplement, variance, restatement or waiver of any terms of any Initial Security Documents (in each case to the extent that such amendment, supplement, variance, restatement or waiver does implement or constitute a release of existing Transaction Security) and/or a release and re-grant (of at least equivalent ranking over the same assets) of or in respect of Transaction Security granted under the Initial Security Documents subject to:

(A) each Initial Security Document and each such re-grant of or in respect of Transaction Security granted under the Initial Security Documents being or remaining:

(1) subject to the Agreed Security Principles and applicable law, granted in favour of the Common Security Agent for and on behalf of the relevant Creditors of the Permitted Liabilities and the then relevant existing Secured Parties;

(2) (if applicable) on terms substantially the same (except that it shall also secure the relevant Liabilities arising from any such Permitted Liabilities) as the terms of the relevant existing Initial Security Document over equivalent asset(s); and

(3) for the purposes of this Agreement, treated as not securing amounts in priority to the then existing Transaction Security;

(B) such amendment, supplement, variance, restatement, waiver and/or release and re-grant being required (in the opinion of the Parent, acting reasonably) under the terms of the Permitted Liabilities;

(C) any re-grant of or in respect of Transaction Security granted under the Initial Security Documents which is being released, taking effect, upon giving effect to that release, subject to the Agreed Security Principles and applicable law on the terms contemplated by paragraph (A) above; and

(D) either:

(1) such amendment, supplement, variance, restatement, waiver and/or release and re-grant not resulting in any material risk of any new hardening periods beginning; or

(2) (if such amendment, supplement, variance, restatement, waiver and/or release and re-grant does result in any material risk of any extension of hardening or preference periods or new hardening periods beginning) the Parent delivering to the Common Security Agent (in form and substance reasonably satisfactory to the Common Security Agent (acting reasonably)) either (x) a solvency opinion from an internationally recognised investment bank or accounting firm confirming the solvency of the Parent and its Subsidiaries, after giving effect to any transactions related to any such amendment, supplement, variance, restatement, waiver and/or release and re-grant; or (y) a certificate from the board of directors or chief financial officer of the Parent confirming the solvency of the Debtors which are party to any such amendment, supplement, variance, restatement, waiver and/or release and re-grant after giving effect to any such amendment, supplement, variance, restatement, waiver and/or release and re-grant.

(d) Nothing shall restrict the Secured Parties benefiting from any existing Transaction Security Document from enforcing and/or releasing the existing Transaction Security Documents in accordance with, and to the extent permitted by, this Agreement and the other Debt Documents and subject to the terms of such existing Transaction Security Document.

(e) No Secured Party benefiting from any existing Transaction Security Document shall incur any liability to the beneficiaries of the Additional Security Documents for the manner of exercise or any non-exercise of their rights, remedies, powers, authority or discretions under such already existing Transaction Security or for any waivers, consents or releases.

(ii) perform such duties and exercise such rights and powers under this Agreement and the Transaction Security Documents as are specifically delegated to the Common Security Agent by the terms, together with such rights, powers and discretions as are reasonably incidental thereto.

(d) Each of the Secured Parties authorises the Common Security Agent to perform on its behalf and/or in the name and for the benefit of each Secured Party, (as the case may be) the duties, obligations and responsibilities and/or to exercise the rights, powers, authorities and discretions specifically given to the Common Security Agent under or in connection with the Debt Documents together with any other incidental rights, powers, authorities and discretions (even if it involves self-contracting (*autocontratación*), multi-representation or conflict of interest), including, without limitation, to enter into any document related to this mandate and, specifically, those deemed necessary or appropriate according to the mandate received (including, but not limited to, documents of formalisation, acknowledgement, confirmation, modification or release, acceptance of any security interest and acceptance of acknowledgement of debts by Debtors).

(e) Each Secured Party accepts and acknowledges that the powers and authorities conferred to the Common Security Agent pursuant to the provisions of this Agreement and in compliance with the formalities of English law are, in their view, enough and shall be considered valid to all effects for their use before any authorities of other jurisdictions, without prejudice to the granting of any additional powers, authorities, deeds and/or documents (whether public or private) which are or may be from time to time required in any other jurisdiction to ratify, clarify, confirm and/or complete the authorities granted to the Common Security Agent pursuant to this Agreement.

(f) The Common Security Agent shall be entitled to all of the rights, protections, immunities, and indemnities granted to the "Collateral Agent" under the Senior Secured Term Facilities Agreement and to the "Common Security Agent" under the Senior Secured Revolving Facilities Agreement as if such rights, protections, immunities, and indemnities were full set forth herein.

(g) The Common Security Agent may carry out what in its discretion it considers to be administrative acts, or acts which are incidental to any instruction, without any instructions (though not contrary to any such instruction), but so that no such instruction shall have any effect in relation to any administrative or incidental act performed prior to actual receipt of such instruction by the Common Security Agent.

26.2 Common Security Agent as Trustee and/or Agent

(a) Subject to Clause 26.3 (*German Law Security Property*), the Common Security Agent declares that it holds the Priority Creditor Only Security Property on trust and/or as agent for the Secured Parties on the Secured Parties' name and behalf and for the Secured Parties' benefit (as applicable) the Priority Creditor Only Secured Parties on the terms contained in this Agreement.

(b) Subject to Clause 26.3 (*German Law Security Property*), the Common Security Agent declares that it holds the Common Security Property on trust and/or as agent for the Secured Parties on the Secured Parties' name and behalf and for the Secured Parties' benefit (as applicable) the Common Secured Parties on the terms contained in this Agreement.

(c) Each of the Primary Creditors, the Unsecured Creditors and the Independent Security Creditors authorises the Common Security Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Common Security Agent under or in connection with the Debt Documents together with any other incidental rights, powers, authorities and discretions and each of the Primary Creditors authorises the Common Security Agent to execute each Transaction Security Document to be executed by the Common Security Agent on its behalf or in its own name under the Parallel Debt.

(d) The above notwithstanding, the Common Security Agent, acting at its discretion and to the extent reasonably possible, may invite the Secured Parties to enter into and/or to enforce rights under each Debt Document jointly with the Common Security Agent, but this does not grant any Secured Party the right to enter into and/or to enforce any rights under any Debt Document jointly with the Common Security Agent.

(e) Subject to Clause 26.3 (*German Law Security Property*), each Secured Party irrevocably (i) appoints the Common Security Agent in its name and on its behalf to act as its agent under and in connection with the Transaction Security Documents, (ii) authorises the Common Security Agent in its name and on its behalf to hold, sign, execute and enforce the Transaction Security Documents as regulated by, and as provided for, in the relevant Transaction Security Document and (iii) authorises the Common Security Agent in its name and on its behalf to perform the duties and to exercise the rights, powers, authorities and discretions that are specifically given to it under or in connection with the Transaction Security Documents, together with any other incidental rights, powers, authorities and discretions.

26.3 German Law Security Property

(a) Each Secured Party hereby appoints the Common Security Agent as trustee (*Treuhänder*) and administrator for the purpose of accepting and administering the

Security Property governed by German law ("**German Security Property**") for and on behalf of the other Secured Parties.

(b) The Common Security Agent shall:

(i) hold, administer and, as the case may be, release and (subject to the same having become enforceable and to the terms of this Agreement) realise any German Security Property which is a land charge, security assignment (*Sicherungsabtretung / Sicherungsgrundschuld*) or otherwise transferred or granted under a non-accessory security right (*nicht-akzessorische Sicherheit*) to it in its own name as trustee (*treuhänderisch*) for the benefit of the Secured Parties which have the benefit of such German Security Property in accordance with this Agreement and the respective German Security Document; and

(ii) administer and, as the case may be, release and (subject to the same having become enforceable and to the terms of this Agreement) realise in the name of and on behalf of the Secured Parties any German Security Property which is pledged (*Verpfändung*) or otherwise transferred to any Secured Party under an accessory security right (*akzessorische Sicherheit*) in the name and on behalf of the Secured Parties.

(c) Each Secured Party which becomes a party to this Agreement ratifies and approves all acts and declarations previously done by the Common Security Agent on such Secured Party's behalf (including for the avoidance of doubt the declarations made by the Common Security Agent as representative ("*offenes Geschäft für den, den es angeht*")) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of any Secured Party in respect of the German Security Property.

(d) Each of the Secured Parties (other than the Common Security Agent) hereby authorises the Common Security Agent (whether or not by or through employees or agents):

(i) to act on its behalf and in its name in connection with the preparation, execution and delivery of the German Security Documents and the perfection and monitoring of the German Security Property;

(ii) to execute on behalf of itself and each other Party where relevant without the need for any further referral to, or authority from, any other person all necessary releases or confirmations of any Security created under the German Security Documents in relation to the disposal of any asset which is permitted under the German Security Documents or consented or agreed upon in accordance with the Debt Documents;

(iii) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Common Security Agent under the German Security Documents together with such powers and discretions as are reasonably incidental thereto;

(iv) to take such action on its behalf as may from time to time be authorised under or in accordance with the German Security Documents;

(v) to accept as its representative (*Stellvertreter*) any pledge or other creation of any accessory security right granted in favour of such Secured Parties in connection with the Debt Documents governed by German law and to act, to agree to and execute on its behalf as its representative (*Stellvertreter*) any accessions, amendments and/or alterations to, and to carry out similar dealings with regard to, any German Security Documents which create a pledge or any

other accessory security right (*akzessorische Sicherheit*) including the release or confirmation of release of such German Security Documents; and

(vi) to make all statements necessary or appropriate in connection with the foregoing paragraphs.

(e) To the fullest extent legally possible, each of the Secured Parties hereby releases the Common Security Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of section 181 German Civil Code (*Bürgerliches Gesetzbuch*), to enable it to make use of any authorisation granted under this Agreement and to perform its duties and obligations as Common Security Agent hereunder and under the Transaction Security Documents. A Secured Party which is barred from its constitutional documents or by-laws from granting such exemption shall notify the Common Security Agent accordingly.

(f) Each Secured Party hereby ratifies and approves all acts and declarations previously done by the Common Security Agent on such Secured Party's behalf.

(g) At the request of the Common Security Agent, each other Secured Party shall provide the Common Security Agent with a separate written power of attorney (*Spezialvollmacht*) for the purposes of executing any relevant agreements and documents on their behalf.

(h) Each Secured Party hereby authorises the Common Security Agent to (sub-) delegate any powers granted to it under this Clause 26.3 to any attorney it may elect in its discretion and to grant powers of attorney to any such attorney (including the exemption from self-dealing and representing several persons (in particular from the restrictions of section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) (in each case to the extent legally possible))).

26.4 Parallel Debt (Covenant to Pay the Common Security Agent)

(a) Each Debtor and each Security Grantor hereby irrevocably and unconditionally undertakes (each such Debtor's and Security Grantor's undertaking and the obligations and liabilities which are a result thereof, hereinafter being referred to as its "**Parallel Debt**") to pay to the Common Security Agent amounts equal to any Primary Creditor Liabilities owing from time to time by that Debtor or Security Grantor (its "**Corresponding Debt**") in accordance with the terms and conditions of such Corresponding Debt. The Parallel Debt of each Debtor and each Security Grantor shall become due and payable as and when its Corresponding Debt becomes due and payable.

(b) Each Debtor, each Security Grantor and the Common Security Agent acknowledge that the Parallel Debt of each Debtor and each Security Grantor is several and are separate and independent from, and shall not in any way limit or affect, the Corresponding Debt of that Debtor or that Security Grantor to any Secured Party under any Primary Creditor Document nor shall the amounts for which each Debtor and each Security Grantor is liable under its Parallel Debt be limited or affected in any way by its Corresponding Debt *provided that*:

(i) the Parallel Debt of each Debtor and each Security Grantor shall be decreased to the extent that its Corresponding Debt has been irrevocably paid or (in the case of guarantee obligations) discharged;

(ii) the Corresponding Debt of each Debtor and each Security Grantor shall be decreased (the portion of the Corresponding Debt that would have subsisted but for that decrease being the "**Discharged Corresponding Debt Amount**")

to the extent that its Parallel Debt has been irrevocably paid or (in the case of guarantee obligations) discharged; and

(iii) the amount of the Parallel Debt of a Debtor or a Security Grantor shall at all times be equal to the amount of its Corresponding Debt.

(c) For the purpose of this Clause 26.4, the Common Security Agent acts in its own name and not as a trustee or agent and its claims in respect of each Parallel Debt shall not be held on trust. The Security granted under the Transaction Security Documents to the Common Security Agent to secure each Parallel Debt is granted to the Common Security Agent in its capacity as sole creditor of each Parallel Debt and shall not be held on trust.

(d) If the Parallel Debt of a Debtor or a Security Grantor has been irrevocably paid or (in the case of guarantee obligations) discharged (with the result that its Corresponding Debt is decreased pursuant to paragraph (b)(ii) above):

(i) the Common Security Agent shall pay to the Creditor(s) to whom (but for the operation of paragraph (b)(ii) above) the resulting Discharged Corresponding Debt Amount would have been owed an amount equal to that Discharged Corresponding Debt Amount; and

(ii) the recipients of the payment made by the Common Security Agent pursuant to paragraph (i) above shall treat that payment as if it had been made by that Debtor or that Security Grantor on account of the relevant Corresponding Debt.

(e) All amounts received or recovered by the Common Security Agent from or by the enforcement of any Security granted to secure each Parallel Debt shall be applied in or towards the discharge of the applicable Debtor's or Security Grantor's Parallel Debt in accordance with Clause 23 (*Application of Proceeds*), subject to limitations (if any) expressly provided for in any Transaction Security Document, which application shall be treated as an irrevocable payment of that Debtor's or that Security Grantor's Parallel Debt (and so, to that extent, thereupon decrease that Debtor's or that Security Grantor's Corresponding Debt) and whereupon paragraph (d) above shall apply.

(f) Without limiting or affecting the Common Security Agent's rights against the Debtors and the Security Grantors (whether under this Clause 26.4 or under any other provision of the Debt Documents), each Debtor and each Security Grantor acknowledges that:

(i) nothing in this Clause 26.4 shall impose any obligation on the Common Security Agent to advance any sum to any Debtor or any Security Grantor or otherwise under any Debt Document, except in its capacity as a Primary Creditor or as otherwise provided under any Debt Document; and

(ii) for the purpose of any vote taken under any Debt Document, the Common Security Agent shall not be regarded as having any participation or commitment other than those which it has in its capacity as a Primary Creditor.

26.5 Instructions

(a) The Common Security Agent shall:

(i) subject to paragraphs (d) and (e) below, exercise or refrain from exercising any right, duty, determination, instruction, approval, demand, requirements, apportionment, request or power, authority or discretion (including any obligation to make calculations) vested in it as Common Security Agent in accordance with any instructions given to it by the Instructing Group (or, if this

Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors); and

(ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, in accordance with instructions given to it by that Creditor or group of Creditors) and shall be entitled to assume that any instructions received by it from a Creditor or group of Creditors are duly given in accordance with the terms of the Debt Documents.

(b) The Common Security Agent shall be entitled to request direction or instructions, or clarification of any instruction, from the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Common Security Agent may refrain from acting unless and until it receives those instructions or that clarification.

(c) Save in the case of decisions stipulated to be a matter for any other Creditor or group of Creditors under this Agreement and unless a contrary intention appears in this Agreement, any instructions given to the Common Security Agent by the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from that Creditor or group of Creditors) shall override any conflicting instructions given by any other Parties and will be binding on all Secured Parties.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in this Agreement;

(ii) where this Agreement requires the Common Security Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Common Security Agent's own position in its personal capacity as opposed to its role of Common Security Agent for the Secured Parties including, without limitation, Clause 26.8 (*No Duty to Account*) to Clause 26.13 (*Exclusion of Liability*), Clause 26.16 (*Confidentiality*) to Clause 26.22 (*Custodians and Nominees*) and Clause 26.25 (*Acceptance of Title*) to Clause 26.28 (*Disapplication of Trustee Acts*);

(iv) in respect of the exercise of the Common Security Agent's discretion to exercise a right, power or authority under any of:

(A) Clause 19 (*Non-Distressed Disposals*);

(B) Clause 23.1 (*Order of Application: Common Recoveries*);

(C) Clause 23.4 (*Prospective Liabilities*);

(D) Clause 23.5 (*Treatment of Super Senior Facility Cash Cover, Super Senior Lender Cash Collateral, Pari Passu Facility Cash Cover and Pari Passu Lender Cash Collateral*); and

(E) Clause 23.8 (*Permitted Deductions*).

(e) If giving effect to instructions given by the Instructing Group (or, if this Agreement stipulates the matter is a decision for any other Creditor or group of Creditors, from

that Creditor or group of Creditors) would (in the Common Security Agent's opinion) have an effect equivalent to an Intercreditor Amendment, the Common Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Common Security Agent) whose consent would have been required in respect of that Intercreditor Amendment.

(f) In exercising any discretion to exercise a right, power or authority under the Debt Documents where either:

(i) it has not received any instructions as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Common Security Agent may:

(A) other than where paragraph (B) or (C) below applies, do so having regard to the interests of all the Secured Parties;

(B) if (in its opinion) there is a Creditor Conflict in relation to the matter in respect of which the discretion is to be exercised, do so having regard only to the interests of all the Super Senior Creditors and the Pari Passu Creditors; and

(C) if (in its opinion) there is a Senior Subordinated Creditor Conflict in relation to the matter in respect of which the discretion is to be exercised, do so having regard only to the interests of all the Priority Creditors.

(g) The Common Security Agent may refrain from acting in accordance with any instructions of any Creditor or group of Creditors until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Debt Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.

(h) Without prejudice to the provisions of Clause 17 (*Enforcement of Transaction Security*) and the remainder of this Clause 26, in the absence of instructions, the Common Security Agent may act (or refrain from acting) as it considers in its discretion to be appropriate.

26.6 Duties of the Common Security Agent

(a) The Common Security Agent's duties under the Debt Documents are solely mechanical and administrative in nature.

(b) The Common Security Agent shall promptly:

(i) forward to each Creditor Representative and to each Hedge Counterparty a copy of any document received by the Common Security Agent from any Debtor or any Security Grantor under any Debt Document; and

(ii) forward to a Party the original or a copy of any document which is delivered to the Common Security Agent for that Party by any other Party.

(c) The Common Security Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(d) Without prejudice to Clause 31.3 (*Notification of Prescribed Events*), if the Common Security Agent receives notice from a Party referring to any Debt Document, describing

a Default and stating that the circumstance described is a Default, it shall promptly notify the Primary Creditors.

(e) To the extent that a Party (other than the Common Security Agent) is required to calculate a Common Currency Amount and such rate is not provided for in Clause 1.4 (*Exchange Rate*), the Common Security Agent shall upon a request by that Party, promptly notify that Party of the Spot Rate of Exchange.

(f) The Common Security Agent shall have only those duties, obligations and responsibilities expressly specified in the Debt Documents to which it is expressed to be a party (and no others shall be implied).

(g) The Common Security Agent is not responsible or liable for or under an obligation to verify the accuracy or completeness of any information (whether written or oral) supplied by a Party in connection with the Debt Documents or the transactions contemplated by the Debt Documents or any other agreements, arrangements or document entered into, made or executed under or in connection with any Debt Documents.

(h) Notwithstanding anything in any Debt Document to the contrary, the Common Security Agent shall not do, or be authorised or required to do, anything which might constitute a regulated activity for the purpose of the Financial Services and Markets Act 2000 ("**FSMA**"), unless it is authorised under FSMA to do so. The Common Security Agent shall have the discretion at any time:

(i) to delegate any of the functions which fall to be performed by an authorised person under FSMA to any other agent or person which also has the necessary authorisations and licences; and

(ii) to apply for authorisation under FSMA and perform any or all such functions itself if, in its absolute discretion, it considers it necessary, desirable or appropriate to do so.

(i) The powers conferred on the Common Security Agent under the Senior Secured Facilities Agreements, the other Debt Documents, this Agreement and related Transaction Security Documents are solely to protect its interest in the Transaction Security and shall not impose any duty upon it to exercise any such powers. Except for the safe custody and preservation of the Transaction Security in its possession and the accounting for monies actually received by it, the Common Security Agent shall have no other duty as to the Transaction Security, whether or not the Common Security Agent has or is deemed to have knowledge of any matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to the Transaction Security. The Common Security Agent hereby agrees to exercise reasonable care in respect of the custody and preservation of the Transaction Security. The Common Security Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Transaction Security in its possession if such Transaction Security is accorded treatment substantially equal to that which the Common Security Agent accords its own property.

26.7 No Fiduciary Duties to Debtors, Subordinated Creditors or Security Grantors

Nothing in this Agreement constitutes the Common Security Agent as an agent, trustee or fiduciary of any Debtor, Unsecured Convertible Notes Creditor, Subordinated Creditor or any Security Grantor.

26.8 No Duty to Account

The Common Security Agent shall not be bound to account to any other Secured Party for any sum or the profit element of any sum received by it for its own account.

26.9 Business with the Parent, the Group and Security Grantors

The Common Security Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group, Debtor or any Security Grantor.

26.10 Rights and Discretions

(a) The Common Security Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;

(ii) rely on any certificate or statement made by a director, authorised signatory or employee of any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify and may rely on the truth and accuracy of that statement or certificate; and

(iii) assume that:

(A) any instructions received by it from the Instructing Group, any Creditors or any group of Creditors are duly given in accordance with the terms of the Debt Documents;

(B) unless it has received notice of revocation, that those instructions have not been revoked; and

(C) if it receives any instructions to act in relation to the Transaction Security, that all applicable conditions under the Debt Documents for so acting have been satisfied; and

(iv) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Common Security Agent may assume (unless it has received notice to the contrary in its capacity as security trustee for the relevant Secured Parties) that:

(i) no Default has occurred and no Debtor or other person is in breach of or default under its obligations under any of the Debt Documents;

(ii) any right, power, authority or discretion vested in any Party or any group of Creditors has not been exercised;

(iii) any notice made by any member of the Group is made on behalf of and with the consent and knowledge of all the Debtors and all the Security Grantors; and

(iv) if it receives any instructions or directions under Clause 17 (*Enforcement of Transaction Security*) to take any action in relation to the Common Transaction Security, assume that all applicable conditions under the Debt Documents for taking that action have been satisfied.

(c) The Common Security Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Common Security Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Common Security Agent (and so separate from any lawyers instructed by any Primary Creditor) if the Common Security Agent in its reasonable opinion deems this to be desirable, including for the purposes of determining the consent level required for effecting any consent.

(e) The Common Security Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Common Security Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Common Security Agent, any Receiver and any Delegate may act in relation to the Debt Documents and the Security Property through its officers, employees and agents and shall not:

(i) be liable for any error of judgment made by any such person; or

(ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Common Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct.

(g) Unless this Agreement expressly specifies otherwise, the Common Security Agent may disclose to any other Party any information it reasonably believes it has received as security trustee under this Agreement.

(h) Notwithstanding any other provision of any Debt Document to the contrary, the Common Security Agent is not obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality and the Common Security Agent may do anything which is, in its opinion, necessary to comply with any such law, directive, regulation fiduciary duty or duty of confidentiality. In particular, and for the avoidance of doubt, nothing in any Debt Document shall be construed so as to constitute an obligation of the Common Security Agent to perform any services which it would not be entitled to render pursuant to the provisions of the German Act on Rendering Legal Services (*Rechtsdienstleistungsgesetz*) or pursuant to the provisions of the German Tax Advisory Act (*Steuerberatungsgesetz*) or any other services that require an express official approval, licence or registration, unless the Common Security Agent holds the required approval, licence or registration.

(i) Notwithstanding any other provision of any Debt Document to the contrary, the Common Security Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

(j) The Common Security Agent hereby confirms and agrees that (i) it is a "securities intermediary" (as defined in Section 8-102(a)(14) of the UCC) in respect of any certificated securities held in a securities account (the "Account"), and that all properties (except for Cash) credited to the Account shall be treated as "financial assets" (as defined in Section 8-102(a)(9) of the UCC), and (ii) with respect to all Cash held, credited, or carried by, in or to the Account or a deposit account, the Securities Intermediary will maintain such Account or a deposit account as a "deposit account" within the meaning of Section 9-102 of the UCC. The Securities Intermediary confirms that it is acting as a bank within the meaning of Article 9 of the UCC with respect to any Cash that may be held, credited, or carried by or in the Account.

26.11 Responsibility for Documentation

None of the Common Security Agent, any Receiver nor any Delegate is responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Common Security Agent, a Debtor, a Security Grantor or any other person in or in connection with any Debt Document or the transactions contemplated in the Debt Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Debt Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Debt Document or the Security Property; or

(c) any determination as to whether any information provided or to be provided to any Secured Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

26.12 No Duty to Monitor

The Common Security Agent shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Party of its obligations under any Debt Document; or

(c) whether any other event specified in any Debt Document has occurred.

26.13 Exclusion of Liability

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Debt Document excluding or limiting the liability of the Common Security Agent, any Receiver or Delegate), none of the Common Security Agent, any Receiver nor any Delegate will be liable for:

(i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Debt Document or the Security Property unless directly caused by its gross negligence or wilful misconduct;

(ii) exercising or not exercising any right, power, authority or discretion given to it by, or in connection with, any Debt Document, including, without limitation, when (x) acting as attorney of any Party under any Debt Document and (y) exercising any right, power or authority in accordance with paragraph (f) of

Clause 26.5 (*Instructions*) above, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Debt Document or the Security Property;

(iii) any shortfall which arises on the enforcement or realisation of the Security Property; or

(iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs, losses, any diminution in value or any liability whatsoever arising as a result of:

(A) any act, event or circumstance not reasonably within its control; or

(B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets; breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party (other than the Common Security Agent, that Receiver or that Delegate (as applicable)) may take any proceedings against any officer, employee or agent of the Common Security Agent, a Receiver or a Delegate in respect of any claim it might have against the Common Security Agent, a Receiver or a Delegate or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Debt Document or any Security Property and any officer, employee or agent of the Common Security Agent, a Receiver or a Delegate may rely on this Clause 26.13 subject to Clause 1.3 (*Third Party Rights*) and the provisions of the Third Parties Act.

(c) Nothing in this Agreement shall oblige the Common Security Agent to carry out:

(i) any "know your customer" or other checks in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Primary Creditor,

on behalf of any Primary Creditor and each Primary Creditor confirms to the Common Security Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Common Security Agent.

(d) Without prejudice to any provision of any Debt Document excluding or limiting the liability of the Common Security Agent, any Receiver or Delegate, any liability of the Common Security Agent, any Receiver or Delegate arising under or in connection with any Debt Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Common Security Agent, Receiver or Delegate (as the case may be) or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Common Security Agent, Receiver or Delegate (as the case may be) at any time which increase the amount of that loss. In no event shall the Common Security Agent, any Receiver or Delegate be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential

damages, whether or not the Common Security Agent, Receiver or Delegate (as the case may be) has been advised of the possibility of such loss or damages.

(e) In the event that the Common Security Agent is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any obligation for the benefit of another, which in the Common Security Agent's sole discretion may cause the Common Security Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause the Common Security Agent to incur liability under CERCLA or any other federal, state or local law, the Common Security Agent reserves the right, instead of taking such action, to either resign as the Common Security Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Except for such claims or actions arising directly from the gross negligence or willful misconduct of the Common Security Agent, the Common Security Agent shall not be liable to any person or entity for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Common Security Agent's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time after any foreclosure on the Transaction Security (or a transfer in lieu of foreclosure) upon the exercise of remedies in accordance with this Agreement and the applicable Debt Documents it is necessary or advisable to take possession, own, operate or manage any portion of the Transaction Security by any person or entity other than the Borrower, the Common Security Agent shall appoint an appropriately qualified person to possess, own, operate or manage such Transaction Security.

26.14 Primary Creditors' Indemnity to the Common Security Agent

(a) Each Primary Creditor (other than any Creditor Representative) shall (in the proportion that the Liabilities due to it bear to the aggregate of the Liabilities due to all the Primary Creditors (other than any Creditor Representative) for the time being (or, if the Liabilities due to the Primary Creditors (other than any Creditor Representative) are zero, immediately prior to their being reduced to zero)), indemnify the Common Security Agent and every Receiver and every Delegate, within three Business Days of demand, against any cost, loss or liability incurred by any of them (otherwise than by reason of the Common Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct) in acting as Common Security Agent, Receiver or Delegate under, or exercising any authority conferred under, the Debt Documents (unless the Common Security Agent, Receiver or Delegate has been reimbursed by a Debtor or a Security Grantor pursuant to a Debt Document). Each indemnity given by each Primary Creditor (other than any Creditor Representative) under or in connection with a Debt Document is a continuing obligation, independent of any other obligation of that Primary Creditor (other than any Creditor Representative) under or in connection with that or any other Debt Document and survives after the Debt Documents are terminated. It is not necessary for the Common Security Agent to pay any amount or incur any expense before enforcing an indemnity under or in connection with a Debt Document.

(b) For the purposes only of paragraph (a) above, to the extent that any hedging transaction under a Hedging Agreement has not been terminated or closed-out, the Hedging Liabilities due to any Hedge Counterparty in respect of that hedging transaction will be deemed to be:

(i) if the relevant Hedging Agreement is based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of those hedging transactions, if the date on which the calculation is made was deemed to be an Early Termination Date (as defined in the relevant

ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or

26.15 Resignation of the Common Security Agent

(a) The Common Security Agent may resign and appoint one of its Affiliates acting through an office in the United Kingdom or the European Union as successor, in each case, by giving notice to the Primary Creditors and the Parent.

(b) Alternatively, the Common Security Agent may resign by giving thirty (30) days' notice to the Primary Creditors and the Parent, in which case the Required Pari Passu Creditors (or, following the Pari Passu Debt Discharge Date but prior to the Super Senior Discharge Date, the Required Super Senior Creditors, or following the Senior Discharge Date but prior to the Priority Discharge Date, the Required Second Lien Creditors or, following the Priority Discharge Date, the Required Senior Subordinated Creditors) may appoint a successor Common Security Agent.

(c) If the Required Pari Passu Creditors (or, following the Pari Passu Debt Discharge Date but prior to the Super Senior Discharge Date, the Required Super Senior Creditors, or, following the Senior Discharge Date but prior to the Priority Discharge Date, the Required Second Lien Creditors or, following the Priority Discharge Date, the Required Senior Subordinated Creditors) have not appointed a successor Common Security Agent in accordance with paragraph (b) above within twenty (20) days after notice of resignation was given, the retiring Common Security Agent (after consultation with the Creditor Representatives and the Hedge Counterparties of not more than five Business Days) may appoint a successor Common Security Agent.

(d) If the Common Security Agent is entitled to appoint a successor Common Security Agent under paragraph (c) above, the Common Security Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Common Security Agent to become a party to this Agreement as Common Security Agent) agree with the proposed successor Common Security Agent and the Parent (acting reasonably) amendments to this Clause 26 consistent with then current market practice for the appointment and protection of corporate trustees together with, subject to the consent of the Parent if the amendments would have the effect of increasing the agency fee above the level paid to the Common Security Agent at the

(e) The retiring Common Security Agent shall make available to the successor Common Security Agent such documents and records and provide such assistance as the successor Common Security Agent may reasonably request for the purposes of performing its functions as Common Security Agent under the Debt Documents. The Parent shall, within 15 Business Days of demand, reimburse the retiring Common Security Agent for the amount of all costs and expenses (including legal fees up to a pre-agreed cap) properly incurred by it in making available such documents and records and providing such assistance.

(f) The Common Security Agent's resignation notice shall only take effect upon:

(i) the appointment of a successor; and

(ii) the transfer of all the Security Property to that successor.

(g) Upon the appointment of a successor, the retiring Common Security Agent shall be discharged from any further obligation in respect of the Debt Documents (other than its obligations under paragraph (b) of Clause 26.26 (*Winding Up of Trust*) and paragraph (d) above) but shall remain entitled to the benefit of this Clause 26 and Clause 30.1 (*Indemnity to the Common Security Agent*) (and any Common Security Agent fees for the account of the retiring Common Security Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if that successor had been an original Party.

(c) Notwithstanding any other provision of any Debt Document to the contrary, the Common Security Agent is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

(b) Where the Common Security Agent is named on any insurance policy as an insured party, it shall not be liable for any damages, costs or losses to any person as a result of its failure to notify the insurers of any material fact relating to the risk assumed by such insurers or any other information of any kind, unless the Instructing Group or the Required Senior Subordinated Creditors shall request it to do so in writing and the Common Security Agent fails to do so within fourteen days after receipt of that request.

26.22 Custodians and Nominees

The Common Security Agent may appoint and pay any person to act as a custodian or nominee on any terms in relation to any asset of the trust and/or any asset by it as agent as the Common Security Agent may determine, including for the purpose of depositing with a custodian this Agreement or any document relating to the trust and/or agency created under this Agreement or the Debt Documents and the Common Security Agent shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Agreement or be bound to supervise the proceedings or acts of any person.

(c) The remuneration that the Common Security Agent may pay to that person, and any costs and expenses (together with any applicable VAT) incurred by that person in performing its functions pursuant to that appointment shall, for the purposes of this Agreement, be treated as costs and expenses incurred by the Common Security Agent.

26.25 Acceptance of Title

The Common Security Agent shall be entitled to accept without enquiry, and shall not be obliged to investigate, any right and title that any Debtor or any Security Grantor may have to any of the Charged Property and shall not be liable for, or bound to require any Debtor or any Security Grantor to remedy, any defect in its right or title.

26.26 Winding Up of Trust

27. Notes Trustee Protections

27.1 Limitation of Notes Trustee liability

It is expressly understood and agreed by the Parties that this Agreement is executed and delivered by each Notes Trustee not individually or personally but solely in its capacity as a Notes Trustee in the exercise of the powers and authority conferred and vested in it under the relevant Primary Creditor Documents or Unsecured Creditor Documents (as applicable). It is further understood by the Parties that in no case shall a Notes Trustee be (i) responsible or accountable in damages or otherwise to any other Party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by it in good faith in accordance with this Agreement and in a manner that the relevant Notes Trustee believed to be within the scope of the authority conferred on the Notes Trustee by this Agreement and the relevant Debt Documents or by law, or (ii) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Party, all such liability, if any, being expressly waived by the Parties and any person claiming by, through or under such Party, *provided however*, *that* a Notes Trustee shall be personally liable under

this Agreement for its own gross negligence or wilful misconduct. It is also acknowledged that a Notes Trustee shall not have any responsibility for the actions of any individual Noteholder.

27.2 Notes Trustee Not Fiduciary for Other Creditors

A Notes Trustee shall not be deemed to owe any fiduciary duty to any of the Creditors (other than the Noteholders for which it is the Creditor Representative) or any member of the Group and shall not be liable to any Creditor (other than the Noteholders for which it is the Creditor Representative) or any member of the Group if a Notes Trustee shall in good faith mistakenly pay over or distribute to the Noteholders for which it the Creditor Representative or to any other person cash, property or securities to which any Creditor (other than the Noteholders for which it is the Creditor Representative) shall be entitled by virtue of this Agreement or otherwise. With respect to the Creditors (other than the Noteholders for which it is the Creditor Representative), each Notes Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in the relevant Debt Documents (including this Agreement) and no implied covenants or obligations with respect to Creditors (other than the Noteholders for which it is the Creditor Representative) shall be read into this Agreement against a Notes Trustee.

Furthermore, prior to taking any action under this Agreement or the relevant Debt Documents, as the case may be, the relevant Notes Trustee may reasonably request and rely upon an opinion of counsel or opinion of another qualified expert, at the Parent's expense, as applicable; *provided*, *however*, *that* any such opinions shall be at the expense of the relevant Noteholders, if such actions are on the instructions of the relevant Noteholders.

Notwithstanding any provision in this Agreement to the contrary, a Notes Trustee shall only have an obligation to turn over or repay amounts received or recovered under this Agreement by it (i) if it had actual knowledge that the receipt or recovery is an amount received in breach of a provision of this Agreement (a "**Turnover Receipt**") and (ii) to the extent that, prior to receiving that knowledge, it has not distributed the amount of the Turnover Receipt to the Noteholders for which it is the Creditor Representative in accordance with the provisions of the relevant Notes Indenture. For the purpose of this Clause 27.5, (i) "actual knowledge" of the Notes Trustee shall be construed to mean the Notes Trustee shall not be charged with knowledge (actual or otherwise) of the existence of facts that would impose an obligation on it to make any payment or prohibit it from making any payment unless a responsible officer of such Notes Trustee has received, not less than two Business Days' prior to the date of such payment, a written notice that such payments are required or prohibited by this Agreement; and (ii) "responsible officer" when used in relation to the Notes Trustee means any person who is an officer within the corporate trust and agency department of the relevant Notes Trustee, including any director, associate director, vice president, assistance vice president, senior associate, assistant treasurer, trust officer, or any other officer of the relevant Notes Trustee

Schedule 5

Hedge Counterparties' Guarantee and Indemnity

1. Guarantee and Indemnity

1.1 Subject to any limitation set forth under this Schedule 5, each Debtor, which is a guarantor in respect of the Senior Secured Facilities Agreements (each a "**Hedging Debtor**") irrevocably and unconditionally jointly and severally:

(a) guarantees to each Hedge Counterparty punctual performance by each other Hedging Debtor of all that Hedging Debtor's obligations under the Hedging Agreements to which that Hedge Counterparty is a party ("**Relevant Hedging Agreement**");

(b) undertakes with each Hedge Counterparty that whenever another Hedging Debtor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Relevant Hedging Agreement, that Hedging Debtor shall immediately on demand pay that amount as if it was the counterparty; and

(c) agrees with each Hedge Counterparty that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Hedge Counterparty immediately on demand against any cost, loss or liability it incurs as a result of a Hedging Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Relevant Hedging Agreement on the date when it would have been due. The amount payable by a Hedging Debtor under this indemnity will not exceed the amount it would have had to pay under this Schedule 5 if the amount claimed had been recoverable on the basis of a guarantee.

1.2 In respect of a German Debtor only, and for the avoidance of doubt, this guarantee and indemnity shall not constitute a guarantee upon first demand (*Garantie auf erstes Anfordern*) in accordance with German law.

2. Continuing Guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Hedging Debtor under the Relevant Hedging Agreements, regardless of any intermediate payment or discharge in whole or in part.

3. Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Debtor, or any security for those obligations or otherwise) is made by a Hedge Counterparty in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Hedging Debtor under this Schedule 5 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

4. Waiver of Defences

The obligations of each Hedging Debtor under this Schedule 5 will not be affected by an act, omission, matter or thing which, but for this Schedule 5, would reduce, release or prejudice any of its obligations under this Schedule 5 (without limitation and whether or not known to it or any Hedge Counterparty), including:

(a) any time, waiver or consent granted to, or composition with, any Debtor or other person;

(b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Hedging Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Hedging Debtor or any other person;

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Relevant Hedging Agreement or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any Hedging Liabilities or the addition of any new Hedging Liabilities under any Relevant Hedging Agreement or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Relevant Hedging Agreement or any other document or security; or

(g) any insolvency or similar proceedings.

5. Debtor Intent

Without prejudice to the generality of paragraph 4 (*Waiver of Defences*) of this Schedule 5, each Hedging Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any liabilities under a Relevant Hedging Agreement and/or any facility or amount made available under any of the Relevant Hedging Agreements for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

6. Immediate Recourse

No Hedge Counterparty (or any trustee or agent on its behalf) will be required to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Hedging Debtor under this Schedule 5. This applies irrespective of any law or any provision of a Relevant Hedging Agreement to the contrary.

7. Appropriations

Until all amounts which may be or become payable by the Hedging Debtors under or in connection with the Relevant Hedging Agreements have been irrevocably paid in full, each Hedge Counterparty may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Hedge Counterparty (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any moneys received from any Hedging Debtor or on account of any Hedging Debtor's liability under this Schedule 5.

8. Deferral of Debtors' Rights

Until all amounts which may be or become payable by the Hedging Debtor under or in connection with the Relevant Hedging Agreements have been irrevocably paid in full and unless the Common Security Agent otherwise directs, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under the Relevant Hedging Agreements or by reason of any amount being payable, or liability arising, under this Schedule 5:

(a) to be indemnified by a Hedging Debtor;

(b) to claim any contribution from any other guarantor of any Hedging Debtor's obligations under a Relevant Hedging Agreement;

(c) to bring legal or other proceedings for an order requiring any Hedging Debtor to make any payment, or perform any obligation, in respect of which any Hedging Debtor has given a guarantee, undertaking or indemnity under paragraph 1 (*Guarantee and Indemnity*) of this Schedule 5;

(d) to claim or prove as a creditor of any Hedging Debtor in competition with any Hedge Counterparty;

(e) to exercise any right of set-off against any Hedging Debtor; and/or

(f) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Hedge Counterparty under any Relevant Hedging Agreement or of any other guarantee or security taken pursuant to, or in connection with, any Relevant Hedging Agreement by any Hedge Counterparty.

If a Hedging Debtor receives any benefit, payment or distribution in relation to such rights, it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Hedge Counterparties by the Hedging Debtors under or in connection with any Relevant Hedging Agreement to be repaid in full on trust for the relevant Hedge Counterparties and shall promptly pay or transfer the same to the Common Security Agent or as the Common Security Agent may direct for application in accordance with Clause 23.1 (*Order of Application: Common Recoveries*) (whereby it shall be treated as the proceeds of Common Transaction Security) of this Agreement.

9. Release of Debtors' Right of Contribution

If any Hedging Debtor (a "**Retiring Debtor**") ceases to be a Hedging Debtor or a guarantor in respect of the Senior Secured Facilities Agreements in accordance with the terms of any Relevant Hedging Agreement for the purpose of any sale or other disposal of that Retiring Debtor, then on the date such Retiring Debtor ceases to be a Hedging Debtor or a guarantor in respect of the Senior Secured Facilities Agreements:

(a) that Retiring Debtor is released by each other Hedging Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Hedging Debtor arising by reason of the performance by any other Hedging Debtor of its obligations under that Relevant Hedging Agreement; and

(b) each other Hedging Debtor waives any rights it may have by reason of the performance of its obligations under that Relevant Hedging Agreement to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Hedge Counterparties under that Relevant Hedging Agreement or of any other security taken

pursuant to, or in connection with, that Relevant Hedging Agreement where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

10. Additional Security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Hedge Counterparty.

11. Guarantee Limitations – Financial Assistance

11.1 Without limiting any specific exemptions set out below:

(a) no Hedging Debtor's obligations and liabilities under this Schedule 5 and under any other guarantee or indemnity provision in a Hedging Agreement (the "**Hedging Guarantee Obligations**") will extend to include any obligation or liability; and

(b) no Transaction Security granted by a Hedging Debtor will secure any Hedging Guarantee Obligations,

if to the extent doing so would be unlawful financial assistance (notwithstanding any applicable exemptions and/or undertaking of any applicable prescribed whitewash or similar financial assistance procedures) in respect of the acquisition of shares in itself or its Holding Company or a member of the Group under the laws of its jurisdiction of incorporation (or that of its Holding Company, as the case may be).

11.2 Without limiting any specific exemptions set out below, in relation to any additional Debtor which is not a German Guarantor (as defined in paragraph 13.1 (*Guarantee limitation - German Guarantors*) below), limitations in relation to the guarantee and indemnity granted under this Schedule 5 may be agreed in any accession deed relating to the additional Debtor.

12. Excluded Swap Obligations

12.1 Notwithstanding anything to the contrary in any Debt Document, the guarantee contained in this Schedule 5 does not apply to any Excluded Swap Obligation of any Hedging Debtor.

12.2 In this paragraph 12 (*Excluded Swap Obligations)*:

"**CEA**" means the Commodity Exchange Act (7 U.S.C. § 1 *et seq.*), as amended from time to time, and any successor statute;

"**Excluded Swap Obligation**" means, with respect to any Hedging Debtor, any Swap Obligation if, and to the extent that, all or a portion of the guarantee of such Hedging Debtor that relates to such Swap Obligation (or any Guarantee thereof) is or becomes illegal under the CEA or any rule, regulation or order of the US Commodity Futures Trading Commission (or the application or official interpretation of any thereof) by virtue of such Hedging Debtor's failure for any reason to constitute an "*eligible contract participant*" as defined in the Commodity Exchange Act and the regulations thereunder at the time the guarantee given by such Hedging Debtor becomes effective with respect to such Swap. If a Swap Obligation arises under a master agreement governing more than one Swap, such exclusion shall apply only to the portion of such Swap Obligation that is attributable to Swaps for which such guarantee or security interest is or becomes illegal;

"**Swap**" means any agreement, contract or transaction that constitutes a "*swap*" within the meaning of section 1a(47) of the CEA; and

"**Swap Obligation**" means, with respect to any person, any obligation to pay or perform under any Swap.

13. Guarantee Limitations in Relation to Debtors

13.1 **Guarantee limitation - German Guarantors**

(a) This paragraph 13.1 shall apply to a Debtor incorporated under the laws of Germany as a limited liability company (*GmbH*) or a limited partnership with a limited liability company as its sole general partner (*GmbH & Co. KG*) (in each case, a "**German Guarantor**"). If the German Guarantor is a GmbH & Co. KG, each reference made in this paragraph 13.1 to its Net Assets shall refer to its general partner's Net Assets, and the same shall apply in regard to any Capital Impairment of that German Guarantor.

(b) The restrictions set out in paragraph (c) below shall not apply to the extent:

(i) the German Guarantor guarantees any indebtedness of any of its direct or indirect Subsidiaries;

(ii) the German Guarantor secures any indebtedness under any Debt Document in respect of loans to the extent they are passed on (directly or indirectly) to the relevant German Guarantor or its Subsidiaries and such amount passed on is not repaid;

(iii) the German Guarantor (as dominated entity) is subject to a domination and/or profit transfer agreement (*Beherrschungs- und/oder Gewinnabführungsvertrag*) (a "**DPTA**") with the relevant German Guarantor's shareholder whose obligations are guaranteed, whether directly or indirectly through a chain of DPTAs between each company and its shareholder (or in case of a German GmbH & Co. KG Guarantor between its general partner and its shareholder) other than if such DPTA has been effectively cancelled or terminated, in each case to the extent the existence of such domination and/or profit transfer agreement (*Beherrschungs- und/oder Gewinnabführungsvertrag*) leads to the inapplicability of section 30 paragraph 1 sentence 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*) ("**GmbHG**");

(iv) they are not necessary for the purposes of protecting the German Guarantor's directors against personal liability due to a violation of section 30 GmbHG or section 43 GmbHG; or

(v) the payment under the guarantee is covered (*gedeckt*) by means of a fully valuable and recoverable consideration or recourse claim (*vollwertiger Gegenleistungs- oder Rückgewähranspruch*) within the meaning of section 30 paragraph 1 sentence 2 GmbHG of the German Guarantor against the affiliate/shareholder whose obligations are guaranteed.

(c) The right to enforce any obligations and liabilities of any German Guarantor created or incurred under the guarantee and indemnity granted by it under this Agreement (including, for the avoidance of doubt, any Cash Management Guarantee Obligations) and, in addition, any other joined liability created or incurred by it under the Debt Documents (including, for the avoidance of doubt, any parallel debt or similar undertaking) (the "**Guarantee Obligations**") against a German Guarantor shall be limited if and to the extent that such Guarantee Obligation secures any obligation of an affiliated company (*verbundenes Unternehmen*) of such German Guarantor within the meaning of section 15 German Stock Corporation Act (*Aktiengesetz*) (in each case other than any of the German Guarantor's direct or indirect Subsidiaries) (such Guarantee Obligations also referred to in this paragraph 13.1 as up-stream and/or

cross-stream Guarantee Obligations) and the enforcement of such Guarantee Obligation would cause:

(i) the German Guarantor's Net Assets, as defined and calculated pursuant to paragraph (d) below, to be less than its registered share capital (*Stammkapital*) (*Begründung einer Unterbilanz*); or

(ii) if the German Guarantor's Net Assets are already less than its registered share capital, the German Guarantor's Net Assets to be further reduced (*Vertiefung einer Unterbilanz*)

(in each case a "**Capital Impairment**").

(d) For the purposes of this paragraph 13.1, "**Net Assets**" means the aggregate amount of a German Guarantor's assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 lit. A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch*) ("**HGB**") less the aggregate amount of that German Guarantor's liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 lit. B, C, D and E HGB)), as determined in accordance with the principle of orderly bookkeeping (*Grundsätze ordnungsmäßiger Buchführung*) applying the same accounting principles (*Bilanzierungsgrundsätze*) which have been consistently applied by the relevant German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss*) (section 42 GmbHG, sections 242, 264 HGB) in the previous years, save that the following balance sheet items shall be adjusted as follows:

(i) the amount of any increase in the registered share capital with company funds (*Kapitalerhöhung aus Gesellschaftsmitteln*) of that German Guarantor, which was carried out after that German Guarantor became a party to this Agreement, without the prior written consent of the Common Security Agent, shall be deducted from the amount of the registered share capital of that German Guarantor;

(ii) as far as the registered share capital is not paid in full, the amount not yet paid in shall be deducted from the amount of the registered share capital of that German Guarantor;

(iii) loans provided to that German Guarantor by a member of the Group shall be disregarded, if and to the extent that such loans are subordinated pursuant to section 39 paragraph 1 sentence 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) (or would be subordinated in case of insolvency);

(iv) the amount of non-distributable assets according to section 253 paragraph 6 HGB shall be disregarded;

(v) the amount of non-distributable assets according to section 268 paragraph 8 HGB shall be disregarded;

(vi) the amount of non-distributable assets according to section 272 paragraph 5 HGB shall be disregarded; and

(vii) financial liabilities incurred by that German Guarantor in wilful or negligent breach of the Debt Documents shall not be taken into account as liabilities.

(e) The relevant German Guarantor will notify the Common Security Agent in writing in reasonable detail within ten (10) Business Days after the Common Security Agent

notified that German Guarantor of its intention to demand payment under the Guarantee Obligations whether and to what extent a Capital Impairment would occur if a payment under the Guarantee Obligations was made (the "**Management Notification**"). Demanding payment under the Guarantee Obligations from such German Guarantor up to the amount which, according to the Management Notification, would not result in a Capital Impairment is permitted without limitation.

(f) If the Common Security Agent (acting on the instructions of the Majority Senior Secured Revolving Facilities Lenders) disagrees with the Management Notification, it may as soon as possible following its receipt request the relevant German Guarantor to provide an auditors' determination by a firm of recognised international auditors within thirty (30) Business Days from the date on which the Common Security Agent requested such determination from that German Guarantor (the "**Auditors' Determination**"). Such Auditors' Determination shall set out:

(i) the amount of Net Assets of that German Guarantor taking into account the adjustments set out in paragraph (d) above; and

(ii) the extent of the Capital Impairment taking into account the anticipated payment.

Demanding payment under the Guarantee Obligations from such German Guarantor up to the amount which, according to the Auditors' Determination, would not result in a Capital Impairment is permitted without limitation. The results of the Auditors' Determination are, save for manifest errors, binding on all parties.

(g) If the relevant German Guarantor does not provide the Management Notification or the Auditors' Determination within the time frame set out above, demanding payment under the Guarantee Obligations shall not be limited by this paragraph 13.1, and paragraph (c) shall not be applicable in that regard.

(h) The Secured Parties shall upon written demand of the relevant German Guarantor to the Common Security Agent (on behalf of the Secured Parties) repay to the relevant German Guarantor any amount which the Common Security Agent would not have been entitled to enforce had the Management Notification or the Auditors' Determination (as applicable) been delivered in time or the difference between the amount paid and the amount payable resulting from the Auditors' Determination calculated as of the date the demand in respect of a Guarantee Obligation was made.

(i) If the Management Notification shows that a Capital Impairment would occur upon payment under a Guarantee Obligation, the relevant German Guarantor shall realise, to the extent legally permitted and commercially justifiable (also taking into account the costs and efforts involved), all of its assets that are (i) not required for its business (*nicht betriebsnotwendig*) and (ii) shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the assets to the extent this is necessary to fulfil its obligations under the guarantee within three months after a written request by the Common Security Agent (it being understood that this paragraph creates no obligation to realise any assets below their market value). If the relevant assets are necessary for that German Guarantor's business (*betriebsnotwendig*), it will use its best efforts to realise the market value by sale-and-lease-back or similar measures.

(j) This paragraph 13.1 shall not affect the enforceability (other than as specifically set out herein), legality or validity of the Guarantee Obligations and each Secured Party is entitled to claim in court that making payments under a Guarantee Obligation by the relevant German Guarantor does not trigger a personal liability of the relevant German Guarantor's directors pursuant to section 30 GmbHG or section 43 GmbHG. The

Secured Parties' rights to any remedies they may have against the relevant German Guarantor shall not be limited if it is finally ascertained in court that a personal liability of the relevant German Guarantor's directors pursuant to section 30 GmbHG or section 43 GmbHG is not triggered by making payments under a Guarantee Obligation by the relevant German Guarantor. The agreement of the Secured Parties to abstain from demanding any or part of the payment under the Guarantee Obligations in accordance with the provisions above shall not constitute a waiver (Verzicht) of any right granted under this Agreement or any other Debt Document to the Common Security Agent or any Secured Party.

13.2 **Guarantee limitation - Singapore Guarantors**

Any Guarantee given by a Guarantor incorporated in Singapore (other than Woowa DH Asia Pte. Ltd.) does not apply to any liability to the extent that it would result in that Guarantor breaching any applicable law and/or regulation (including any financial assistance laws, including, but not limited to, Section 76 of the Companies Act 1967 of Singapore) and, with respect to any Discretionary Guarantor incorporated in Singapore, is subject to any limitations applicable to such Discretionary Guarantor set out in the guaranty or guaranty supplement delivered by such Discretionary Guarantor (which limitations reasonably reflect the Agreed Security Principles or are otherwise agreed with the Administrative Agent (acting reasonably)).

Schedule 6

Cash Management Facility Creditors' Guarantee and Indemnity

1. Guarantee and indemnity

Each Cash Management Facility Guarantor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Cash Management Facility Creditor punctual performance by each other Cash Management Facility Debtor of all that Cash Management Facility Debtor's obligations under the Cash Management Facility Finance Documents;

(b) undertakes with each Cash Management Facility Creditor that whenever another Cash Management Facility Debtor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Cash Management Facility Finance Document, that Cash Management Facility Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and

(c) agrees with each Cash Management Facility Creditor that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Cash Management Facility Creditor immediately on demand against any cost, loss or liability it incurs as a result of a Cash Management Facility Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Cash Management Facility Finance Document on the date when it would have been due.

The amount payable by a Cash Management Facility Guarantor under this indemnity will not exceed the amount it would have had to pay under this Schedule 6 if the amount claimed had been recoverable on the basis of a guarantee.

2. Continuing Guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Cash Management Facility Debtor under the Cash Management Facility Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

3. **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Cash Management Facility Debtor or any security for those obligations or otherwise) is made by a Cash Management Facility Creditor in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Cash Management Facility Guarantor under this Schedule 6 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

4. Waiver of defences

The obligations of each Cash Management Facility Guarantor under this Schedule 6 will not be affected by an act, omission, matter or thing which, but for this Schedule 6, would reduce, release or prejudice any of its obligations under this Schedule 6 (without limitation and whether or not known to it or any Cash Management Facility Creditor) including:

(a) any time, waiver or consent granted to, or composition with, any Cash Management Facility Debtor or other person;

(b) the release of any Cash Management Facility Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Cash Management Facility Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Cash Management Facility Debtor or any other person;

(e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Cash Management Facility Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Cash Management Facility Finance Document or any other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Cash Management Facility Finance Document or any other document or security; or

(g) any insolvency or similar proceedings.

5. Cash Management Facility Guarantor Intent

Without prejudice to the generality of paragraph 4 (*Waiver of defences*), each Cash Management Facility Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Cash Management Facility Finance Documents and/or any facility or amount made available under any of the Cash Management Facility Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

6. Immediate recourse

Each Cash Management Facility Guarantor waives any right it may have of first requiring any Cash Management Facility Creditor (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Cash Management Facility Guarantor under this Schedule 6. This waiver applies irrespective of any law or any provision of a Cash Management Facility Finance Document to the contrary.

7. **Appropriations**

Until all amounts which may be or become payable by the Cash Management Facility Debtors under or in connection with the Cash Management Facility Finance Documents have been irrevocably paid in full, each Cash Management Facility Creditor (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Cash Management Facility Creditor (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Cash Management Facility Guarantor shall be entitled to the benefit of the same; and

(b) in respect of any amounts received or recovered by any Cash Management Facility Creditor after a claim pursuant to this guarantee in respect of any sum due and payable by any Cash Management Facility Debtor under this Schedule 6 place such amounts in a suspense account (bearing interest at a market rate usual for accounts of that type) unless and until such moneys are sufficient in aggregate to discharge in full all amounts then due and payable under this guarantee or any other Cash Management Facility Finance Documents.

8. Deferral of Cash Management Facility Guarantors' rights

Until all amounts which may be or become payable by the Cash Management Facility Debtors under or in connection with the Cash Management Facility Finance Documents have been irrevocably paid in full and unless the Common Security Agent otherwise directs, no Cash Management Facility Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Cash Management Facility Finance Documents or by reason of any amount being payable, or liability arising, under this Schedule 6:

(a) to be indemnified by a Cash Management Facility Debtor;

(b) to claim any contribution from any other guarantor of any Cash Management Facility Debtor's obligations under the Cash Management Facility Finance Documents;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Cash Management Facility Creditors under the Cash Management Facility Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Cash Management Facility Finance Documents by any Cash Management Facility Creditor;

(d) other than where a Cash Management Facility Creditor has acted fraudulently or with wilful misconduct, to bring legal or other proceedings for an order requiring any Cash Management Facility Debtor to make any payment, or perform any obligation, in respect of which any Cash Management Facility Guarantor has given a guarantee, undertaking or indemnity under paragraph 1 (*Guarantee and indemnity*) above;

(e) to exercise any right of set off against any Cash Management Facility Debtor; and/or

(f) to claim or prove as a creditor of any Cash Management Facility Debtor in competition with any Cash Management Facility Creditor,

in each case, unless the exercise of any such right is necessary or advisable to avoid any risk of personal or criminal liability for any current or former managing director of that Cash Management Facility Debtor.

If a Cash Management Facility Guarantor receives any benefit, payment or distribution in relation to such rights it shall, other than to the extent such Cash Management Facility Debtor is permitted to retain such benefit, payment or distribution in accordance with this Agreement hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Cash Management Facility Creditors by the Cash Management Facility Debtors under or in connection with the Cash Management Facility Finance Documents to be repaid in full on trust for, or if the concept of trust is not recognised in the jurisdiction of

incorporation of that Cash Management Facility Guarantor, for the benefit of (to the extent it is able to do so in accordance with any law applicable to it) the Cash Management Facility Creditors and shall promptly pay or transfer the same, but subject to the limitations and exceptions provided in this Schedule 6 to the Common Security Agent or as the Common Security Agent may direct for application in accordance with Clause 23 (*Application of Proceeds*).

9. **Release of Cash Management Facility Guarantors' right of contribution**

If any Cash Management Facility Guarantor (a "**Retiring Cash Management Facility Guarantor**") ceases to be a Cash Management Facility Guarantor in accordance with the terms of the Cash Management Facility Finance Documents for the purpose of any sale or other disposal of that Retiring Cash Management Facility Guarantor or any of its Holding Companies then on the date such Retiring Cash Management Facility Guarantor ceases to be a Cash Management Facility Guarantor:

(a) that Retiring Cash Management Facility Guarantor is released by each other Cash Management Facility Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Cash Management Facility Guarantor arising by reason of the performance by any other Cash Management Facility Guarantor of its obligations under the Cash Management Facility Finance Documents; and

(b) each other Cash Management Facility Guarantor waives any rights it may have by reason of the performance of its obligations under the Cash Management Facility Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Cash Management Facility Creditors under any Cash Management Facility Finance Document or of any other security taken pursuant to, or in connection with, any Cash Management Facility Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Cash Management Facility Guarantor.

10. **Additional security**

The guarantee contained in this Schedule 6 is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Cash Management Facility Creditor.

11. **Guarantee Limitations – Financial Assistance**

(a) Without limiting any specific exemptions set out below and notwithstanding any other provisions of this Agreement or any other Debt Document to the contrary:

(i) no Cash Management Facility Guarantor's obligations and liabilities under this Schedule 6 and under any other guarantee or indemnity provision in a Cash Management Facility Finance Document (the "**Cash Management Guarantee Obligations**") will extend to include any obligation or liability; and

(ii) no Transaction Security granted by a Cash Management Facility Guarantor will secure any Cash Management Guarantee Obligation,

if to the extent doing so would be unlawful financial assistance (notwithstanding any applicable exemptions and/or undertaking of any applicable prescribed whitewash or similar financial assistance procedures) in respect of the acquisition of shares in itself or its Holding Company or a member of the Group under the laws of its jurisdiction of incorporation (or that of its Holding Company, as the case may be).

(b) If, notwithstanding paragraph (a) above, the giving of the guarantee in respect of the Cash Management Guarantee Obligations or Transaction Security would be unlawful financial assistance, then, to the extent necessary to give effect to paragraph (a) above, the obligations under the Cash Management Facility Finance Documents will be deemed to have been split into two tranches; "**Tranche 1**" comprising those obligations which can be secured by the Cash Management Guarantee Obligations or Transaction Security without breaching or contravening relevant financial assistance laws and "**Tranche 2**" comprising the remainder of the obligations under the Cash Management Facility Finance Documents. The Tranche 2 obligations will be excluded from the relevant Cash Management Guarantee Obligations and will be allocated to the facility or loan to which those obligations related, to the extent that can be determined.

(c) Without limiting any specific exemptions set out below, in relation to any additional Debtor incorporated in a jurisdiction other than Germany, limitations in relation to the guarantee and indemnity granted under this Schedule 6 may be agreed in any accession deed relating to the additional Debtor.

12. Excluded Swap Obligations

12.1 Notwithstanding anything to the contrary in any Debt Document, the guarantee contained in this Schedule 6 does not apply to any Excluded Swap Obligation of any Cash Management Facility Guarantor.

12.2 In this paragraph 12 (*Excluded Swap Obligations)*:

"**CEA**" means the Commodity Exchange Act (7 U.S.C. § 1 *et seq.*), as amended from time to time, and any successor statute;

"**Excluded Swap Obligation**" means, with respect to any Cash Management Facility Guarantor, any Swap Obligation if, and to the extent that, all or a portion of the guarantee of such Cash Management Facility Guarantor that relates to such Swap Obligation (or any Guarantee thereof) is or becomes illegal under the CEA or any rule, regulation or order of the US Commodity Futures Trading Commission (or the application or official interpretation of any thereof) by virtue of such Cash Management Facility Guarantor's failure for any reason to constitute an "*eligible contract participant*" as defined in the Commodity Exchange Act and the regulations thereunder at the time the guarantee given by such Cash Management Facility Guarantor becomes effective with respect to such Swap. If a Swap Obligation arises under a master agreement governing more than one Swap, such exclusion shall apply only to the portion of such Swap Obligation that is attributable to Swaps for which such guarantee or security interest is or becomes illegal;

"**Swap**" means any agreement, contract or transaction that constitutes a "*swap*" within the meaning of section 1a(47) of the CEA; and

"**Swap Obligation**" means, with respect to any person, any obligation to pay or perform under any Swap.

13. Guarantee Limitations in Relation to Debtors

13.1 **Guarantee limitation - German Guarantors**

(a) This paragraph 13.1 shall apply to a Debtor incorporated under the laws of Germany as a limited liability company (*GmbH*) or a limited partnership with a limited liability company as its sole general partner (*GmbH & Co. KG*) (in each case, a "**German**

Guarantor"). If the German Guarantor is a GmbH & Co. KG, each reference made in this paragraph 13.1 to its Net Assets shall refer to its general partner's Net Assets, and the same shall apply in regard to any Capital Impairment of that German Guarantor.

(b) The restrictions set out in paragraph (c) below shall not apply to the extent:

(i) the German Guarantor guarantees any indebtedness of any of its direct or indirect Subsidiaries;

(ii) the German Guarantor secures any indebtedness under any Debt Document in respect of loans to the extent they are passed on (directly or indirectly) to the relevant German Guarantor or its Subsidiaries and such amount passed on is not repaid;

(iii) the German Guarantor (as dominated entity) is subject to a domination and/or profit transfer agreement (*Beherrschungs- und/oder Gewinnabführungsvertrag*) (a "**DPTA**") with the relevant German Guarantor's shareholder whose obligations are guaranteed, whether directly or indirectly through a chain of DPTAs between each company and its shareholder (or in case of a German GmbH & Co. KG Guarantor between its general partner and its shareholder) other than if such DPTA has been effectively cancelled or terminated, in each case to the extent the existence of such domination and/or profit transfer agreement (*Beherrschungs- und/oder Gewinnabführungsvertrag*) leads to the inapplicability of section 30 paragraph 1 sentence 1 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*) ("**GmbHG**");

(iv) they are not necessary for the purposes of protecting the German Guarantor's directors against personal liability due to a violation of section 30 GmbHG or section 43 GmbHG; or

(v) the payment under the guarantee is covered (*gedeckt*) by means of a fully valuable and recoverable consideration or recourse claim (*vollwertiger Gegenleistungs- oder Rückgewähranspruch*) within the meaning of section 30 paragraph 1 sentence 2 GmbHG of the German Guarantor against the affiliate/shareholder whose obligations are guaranteed.

(c) The right to enforce any obligations and liabilities of any German Guarantor created or incurred under the guarantee and indemnity granted by it under this Agreement (including, for the avoidance of doubt, any Hedging Guarantee Obligations) and, in addition, any other joined liability created or incurred by it under the Debt Documents (including, for the avoidance of doubt, any parallel debt or similar undertaking) (the "**Guarantee Obligations**") against a German Guarantor shall be limited if and to the extent that such Guarantee Obligation secures any obligation of an affiliated company (*verbundenes Unternehmen*) of such German Guarantor within the meaning of section 15 German Stock Corporation Act (*Aktiengesetz*) (in each case other than any of the German Guarantor's direct or indirect Subsidiaries) (such Guarantee Obligations also referred to in this paragraph 13.1 as up-stream and/or cross-stream Guarantee Obligations) and the enforcement of such Guarantee Obligation would cause:

(i) the German Guarantor's Net Assets, as defined and calculated pursuant to paragraph (d) below, to be less than its registered share capital (*Stammkapital*) (*Begründung einer Unterbilanz*); or

(ii) if the German Guarantor's Net Assets are already less than its registered share capital, the German Guarantor's Net Assets to be further reduced (*Vertiefung einer Unterbilanz*)

(in each case a "**Capital Impairment**").

(d) For the purposes of this paragraph 13.1, "**Net Assets**" means the aggregate amount of a German Guarantor's assets (consisting of all assets which correspond to the items set forth in section 266 paragraph 2 lit. A, B, C, D and E of the German Commercial Code (*Handelsgesetzbuch*) ("**HGB**") less the aggregate amount of that German Guarantor's liabilities (consisting of all liabilities and liability reserves which correspond to the items set forth in section 266 paragraph 3 lit. B, C, D and E HGB)), as determined in accordance with the principle of orderly bookkeeping (*Grundsätze ordnungsmäßiger Buchführung*) applying the same accounting principles (*Bilanzierungsgrundsätze*) which have been consistently applied by the relevant German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss*) (section 42 GmbHG, sections 242, 264 HGB) in the previous years, save that the following balance sheet items shall be adjusted as follows:

(i) the amount of any increase in the registered share capital with company funds (*Kapitalerhöhung aus Gesellschaftsmitteln*) of that German Guarantor, which was carried out after that German Guarantor became a party to this Agreement, without the prior written consent of the Common Security Agent, shall be deducted from the amount of the registered share capital of that German Guarantor;

(ii) as far as the registered share capital is not paid in full, the amount not yet paid in shall be deducted from the amount of the registered share capital of that German Guarantor;

(iii) loans provided to that German Guarantor by a member of the Group shall be disregarded, if and to the extent that such loans are subordinated pursuant to section 39 paragraph 1 sentence 1 no. 5 or section 39 paragraph 2 of the German Insolvency Code (*Insolvenzordnung*) (or would be subordinated in case of insolvency);

(iv) the amount of non-distributable assets according to section 253 paragraph 6 HGB shall be disregarded;

(v) the amount of non-distributable assets according to section 268 paragraph 8 HGB shall be disregarded;

(vi) the amount of non-distributable assets according to section 272 paragraph 5 HGB shall be disregarded; and

(vii) financial liabilities incurred by that German Guarantor in wilful or negligent breach of the Debt Documents shall not be taken into account as liabilities.

(e) The relevant German Guarantor will notify the Common Security Agent in writing in reasonable detail within ten (10) Business Days after the Common Security Agent notified that German Guarantor of its intention to demand payment under the Guarantee Obligations whether and to what extent a Capital Impairment would occur if a payment under the Guarantee Obligations was made (the "**Management Notification**"). Demanding payment under the Guarantee Obligations from such German Guarantor up to the amount which, according to the Management Notification, would not result in a Capital Impairment is permitted without limitation.

(f) If the Common Security Agent (acting on the instructions of the Majority Senior Secured Revolving Facilities Lenders) disagrees with the Management Notification, it may as soon as possible following its receipt request the relevant German Guarantor to provide an auditors' determination by a firm of recognised international auditors within

thirty (30) Business Days from the date on which the Common Security Agent requested such determination from that German Guarantor (the "**Auditors' Determination**"). Such Auditors' Determination shall set out:

(i) the amount of Net Assets of that German Guarantor taking into account the adjustments set out in paragraph (d) above; and

(ii) the extent of the Capital Impairment taking into account the anticipated payment.

Demanding payment under the Guarantee Obligations from such German Guarantor up to the amount which, according to the Auditors' Determination, would not result in a Capital Impairment is permitted without limitation. The results of the Auditors' Determination are, save for manifest errors, binding on all parties.

(g) If the relevant German Guarantor does not provide the Management Notification or the Auditors' Determination within the time frame set out above, demanding payment under the Guarantee Obligations shall not be limited by this paragraph 13.1, and paragraph (c) shall not be applicable in that regard.

(h) The Secured Parties shall upon written demand of the relevant German Guarantor to the Common Security Agent (on behalf of the Secured Parties) repay to the relevant German Guarantor any amount which the Common Security Agent would not have been entitled to enforce had the Management Notification or the Auditors' Determination (as applicable) been delivered in time or the difference between the amount paid and the amount payable resulting from the Auditors' Determination calculated as of the date the demand in respect of a Guarantee Obligation was made.

(i) If the Management Notification shows that a Capital Impairment would occur upon payment under a Guarantee Obligation, the relevant German Guarantor shall realise, to the extent legally permitted and commercially justifiable (also taking into account the costs and efforts involved), all of its assets that are (i) not required for its business (*nicht betriebsnotwendig*) and (ii) shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the assets to the extent this is necessary to fulfil its obligations under the guarantee within three months after a written request by the Common Security Agent (it being understood that this paragraph creates no obligation to realise any assets below their market value). If the relevant assets are necessary for that German Guarantor's business (*betriebsnotwendig*), it will use its best efforts to realise the market value by sale-and-lease-back or similar measures.

(ii) This paragraph 13.1 shall not affect the enforceability (other than as specifically set out herein), legality or validity of the Guarantee Obligations and each Secured Party is entitled to claim in court that making payments under a Guarantee Obligation by the relevant German Guarantor does not trigger a personal liability of the relevant German Guarantor's directors pursuant to section 30 GmbHG or section 43 GmbHG. The Secured Parties' rights to any remedies they may have against the relevant German Guarantor shall not be limited if it is finally ascertained in court that a personal liability of the relevant German Guarantor's directors pursuant to section 30 GmbHG or section 43 GmbHG is not triggered by making payments under a Guarantee Obligation by the relevant German Guarantor. The agreement of the Secured Parties to abstain from demanding any or part of the payment under the Guarantee Obligations in accordance with the provisions above shall not constitute a waiver (*Verzicht*) of any right granted under this Agreement or any other Debt Document to the Common Security Agent or any Secured Party.

Schedule 7

Enforcement Principles

1. [reserved].

2. It shall be the primary and over-riding aim of any enforcement of the Transaction Security to achieve the Enforcement Objective.

3. The Enforcement Principles may be amended, varied or waived with the prior written consent of the Majority Super Senior Creditors and the Required Pari Passu Creditors, *provided that* no additional obligations may be imposed on a member of the Group without the consent of the Parent.

4. The Transaction Security will be enforced and other action as to Enforcement will be taken such that either:

   (a) all proceeds of enforcement are received by the Common Security Agent in cash for distribution in accordance with Clause 23 (*Application of Proceeds*) (the "**Enforcement Proceeds Waterfall**"); or

   (b) in the event that the Enforcing Pari Passu Creditors are issuing instructions as to the Enforcement of the Transaction Security, sufficient proceeds from Enforcement will be received by the Common Security Agent in cash to ensure that when the proceeds are applied in accordance with the Enforcement Proceeds Waterfall, the Super Senior Discharge Date will occur (unless the Majority Super Senior Creditors agree otherwise).

5. The Enforcement Action must be prompt and expeditious it being acknowledged that, subject to the other provisions of this Agreement, the time frame for the realisation of value from the Enforcement of the Transaction Security or a Distressed Disposal will be determined by the Instructing Group, *provided that* it is consistent with the Enforcement Objective.

6. On:

   (a) a proposed Enforcement of any of the Transaction Security over assets other than shares in a member of the Group in respect of which Transaction Security exists, where the aggregate book value of such assets exceeds EUR 5,000,000 (or its equivalent); or

   (b) a proposed Enforcement of any of the Transaction Security over some or all of the shares in a member of the Group over which Transaction Security exists,

   the Common Security Agent shall, upon instruction from the Instructing Group (unless it is incompatible with enforcement proceedings in a relevant jurisdiction) appoint a Financial Adviser, to provide a Fairness Opinion unless such Enforcement is being conducted in accordance with a Competitive Sales Process.

7. The Common Security Agent shall be under no obligation to appoint a Financial Adviser or to seek the advice of a Financial Adviser, unless expressly required to do so by the Enforcement Principles or any other provision of this Agreement.

8. The Fairness Opinion (or any equivalent opinion obtained by the Common Security Agent in relation to any other Enforcement of the Transaction Security that such action is fair from a financial point of view after taking into account all relevant circumstances) will be conclusive evidence that the Enforcement Objective has been met.

9. Where the Instructing Group is the Enforcing Pari Passu Creditors, the Enforcing Pari Passu Creditors may, with the consent of the Creditor Representative acting on behalf of the Required RCF Lenders and Required TLB Lenders and (during an Export Credit Agency Facilities Enforcement Period only) the Senior Secured Export Credit Agency Facilities Lender, waive the requirement for a Fairness Opinion where sufficient proceeds from enforcement will be received by the Common Security Agent in cash to ensure that when the proceeds are applied in accordance with the Enforcement Proceeds Waterfall, the Super Senior Discharge Date will occur and the Required Pari Passu Creditors considers the enforcement instructions will achieve the Enforcement Objective.

10. In the event that an Enforcement of the Transaction Security is over assets and shares referred to in paragraph 6(a) or 6(b) above and such enforcement is conducted by way of a Competitive Sales Process, the Super Senior Creditors and the Pari Passu Creditors shall be entitled to participate in such auction on the basis of equal information and access rights as other bidders and financiers in the auction. Nothing in this paragraph 10 shall require Enforcement of the Transaction Security to take place by way of public auction.

11. In the absence of written notice from a Secured Party or group of Secured Parties that are not part of the relevant Instructing Group that such Secured Party(ies) object to any Enforcement of the Transaction Security on the grounds that such Enforcement Action does not aim to achieve the Enforcement Objective (an "**Objection**"), the Common Security Agent is entitled to assume that such Enforcement of the Transaction Security is in accordance with the Enforcement Objective.

12. If the Common Security Agent receives an Objection (and without prejudice to the ability of the Common Security Agent to rely on other advisers and/or exercise its own judgment in accordance with this Agreement), a Fairness Opinion (or any equivalent opinion referred to in paragraph 8 above) to the effect that the particular action could reasonably be said to be aimed at achieving the Enforcement Objective will be conclusive evidence that the requirement of paragraph 1 above has been met.

13. Where the Instructing Group is the Enforcing Pari Passu Creditors, the Enforcing Pari Passu Creditors and the Common Security Agent shall provide regular updates to the other Pari Passu Creditors with respect to the instructions given, actions taken, as well as any proceeds received by the Common Security Agent, and shall promptly respond to any queries from other Pari Passu Creditors on the progress of such enforcement.

For the purposes of this Agreement, "entitled to participate" shall be interpreted to mean that any offer, or indication of a potential offer, that a Super Senior Creditor or a holder of any Primary Creditor Liabilities makes shall be considered by those running the Competitive Sales Process against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder. For the avoidance of doubt, if, after having applied those same criteria, the offer or indication of a potential offer made by a Super Senior Creditor or a holder of any Primary Creditor Liabilities is not considered by those running the Competitive Sales Process to be sufficient to continue in the public auction process, such consideration being against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder (such continuation may include being invited to review additional information or being invited to have an opportunity to make a subsequent or revised offer, whether in another round of bidding or otherwise), then the right to participate which a Super Senior Creditor or a holder of any Primary Creditor Liabilities under this Agreement shall be deemed to be satisfied.
